ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Effective July 18, 2011, Lucas Energy, Inc. (the "Company" or "Lucas") entered into an Amendment, Settlement and Release Agreement (the "Amendment Agreement") with each of the institutional investors (the "Investors") who purchased securities in the Company's December 2010 offering of an aggregate of 2,510,506 units, each consisting of (a) one share of common stock; (b) one Series B Warrant to purchase one share of common stock at an exercise price of \$2.86 per share (the "Series B Warrants"); and (c) one Series C Warrant to purchase one share of common stock at an exercise price of \$2.62 per share (the "Series C Warrants" and together with the Series B Warrants, the "Warrants", and collectively with the shares of common stock, the "Units").

Pursuant to the Amendment Agreement, the Company and the Investors agreed to reduce the exercise price of the Series C Warrants to \$2.48 per share; move up the exercise date of the Series C Warrants to allow such Series C Warrants to be exercised by the Investors as of the effective date of the Amendment Agreement; and provide for the immediate exercise by the Investors of a minimum of 25% of the Series C Warrants (627,627 Series C Warrants) which they held effective as of the effective date of the Amendment Agreement. In addition, to avoid any potential uncertainty, the Company and the Investors agreed to release each other from any potential causes of actions, claims or liability associated with the fact that the Company's previously filed Prospectus Supplement (Supplement No. 2) to its Form S-3 shelf registration statement filed with the Securities and Exchange Commission on December 31, 2009 did not register all of the shares of common stock underlying the Warrants and any and all other causes of action, claims or liability which either party was aware of as of the date of the Amendment Agreement. As a result of the exercises required by the Amendment Agreement and certain other voluntary exercises by the Investors, Series C Warrants to purchase an aggregate of 777,628 shares of common stock were exercised by the Investors, and the Company anticipates receiving an aggregate of \$1,928,517 (less \$115,711 of commissions) in connection with such exercises, which it plans to use for advancement of its drilling activity in the Austin Chalk and Eagle Ford formations in its Gonzales and Wilson County properties in South Texas, property acquisitions and general working capital purposes.

Additionally, as a result of the Amendment Agreement, each unexercised Series C Warrant is exercisable at the option of the Investors between July 18, 2011 and August 3, 2011; provided; however, that the Company has the right to require the Investors to exercise the unexercised Series C Warrants if (a) the arithmetic average of the volume weighted average prices ("VWAP") of the Company's common stock on the NYSE Amex exceeds \$3.10 during the period from July 7, 2011 to July 20, 2011; or (b) if on August 3, 2011, the lower of (i) the arithmetic average of the VWAP of the Company's common stock on the NYSE Amex during the period from July 20, 2011 to August 2, 2011; and (ii) the closing bid price of the Company's common stock on the NYSE Amex on August 3, 2011, is greater than \$2.48, subject in each case to the Company meeting certain requirements and maintaining certain conditions as set forth in such Series C Warrants. The Series C Warrants expire automatically if not exercised by August 3, 2011, subject to the Company's right to force the exercise of such warrants.

The Warrants also include a provision whereby the Investors are not eligible to exercise any portion of the Warrants that would result in them becoming a beneficial owner of more than 9.99% of the Company's common stock.

Finally, pursuant to the Amendment Agreement, Lucas agreed that if at any time prior to the date that all of the Warrants and any shares of common stock issuable upon exercise of such Warrants are sold by the holders thereof, the Company fails to satisfy the current public information requirement of Rule 144(c) of the Securities Act of 1933, as amended (a "Public Information Failure"), as partial relief for the damages to any holder of Warrants, Lucas would pay the holders, based on their pro rata ownership of non-exercised and non-expired Warrants on the first day of a Public Information Failure, an aggregate of \$80,000 (pro rated for a period of less than thirty days) for the first thirty calendar days that there is a Public Information Failure and an amount in cash equal to one and one-half percent (1.5%) of the aggregate Black Scholes Value (as defined in the Warrants) of such holder's non-exercised and non-expired Warrants on the sixty-first (61st) calendar day after the Public Information Failure (covering the 31st to 60th calendar days) and on every thirtieth day (pro rated for periods totaling less than thirty days) thereafter until the earlier of (i) the date such Public Information Failure is cured; (ii) such time that such public information is no longer required pursuant to Rule 144; and (iii) the expiration date of the Warrants. Upon the occurrence of any Public Information Failure during the 12 months prior to the expiration of any Warrant, the expiration date of such Warrant will be automatically extended one day for each day that a Public Information Failure occurs and is continuing.

W I T N E S S E T H:

WHEREAS, pursuant to a Securities Purchase Agreement entered into by and between the Company and certain buyers party thereto, including the Buyer (collectively, the "**Buyers**") on December 26, 2010 (the "**Purchase Agreement**"), and with a closing date of December 30, 2010 (the "**Closing Date**"), the Company sold an aggregate of 2,510,506 units to the Buyers, with each unit consisting of (a) one share (the "**Common Shares**") of the Company's common stock, par value \$0.001 per share (the "**Common Stock**"); (b) one Series B Warrant to purchase one share of the Company's Common Stock at an exercise price of \$2.86 per share (the "**Series B Warrants**"); and (c) one Series C Warrant to purchase one share of the Company's Common Stock at an exercise price of \$2.62 per share (the "**Series C Warrants**") and together with the Series B Warrants, the "**Warrants**", and collectively with the Common Shares, the "**Units**", each of which Units had a purchase price of \$2.38 (collectively the "**Offering**");

WHEREAS, the Series B Warrants were evidenced and documented by a Series B Warrant agreement entered into by the Company for the benefit of each of the Buyers (the "**Series B Warrant Agreements**") and the Series C Warrants were evidenced and documented by a Series C Warrant agreement entered into by the Company for the

benefit of each of the Buyers (the “**Series C Warrant Agreements**” and collectively with the Series B Warrant Agreements, the “**Warrant Agreements**”);

WHEREAS, the Series C Warrants are exercisable at the option of the holders thereof for a ten (10) Trading Day (as defined in the Warrants) period beginning on July 21, 2011 and ending on August 3, 2011 (the “**Series C Holder Warrant Exercise Period**”), and subject to the terms and conditions of the Series C Warrant Agreements and upon the occurrence of certain events the Company can force the exercise of the Series C Warrants and require an exercise thereof as provided therein;

WHEREAS, the Units were purportedly offered through a Prospectus Supplement (Supplement No. 2) filed with the United States Securities and Exchange Commission (the “**SEC**”) on December 30, 2010 and accompanying base prospectus (collectively the “**Prospectus Supplement**”) filed in connection with the Company’s previously filed Form S-3 shelf registration statement filed with the Securities and Exchange Commission on December 31, 2009, which registered an aggregate of \$10,000,000 in securities (the “**Shelf Registration**”);

WHEREAS, the Company engaged qualified outside counsel to opine on the sufficiency and effectiveness of the Prospectus Supplement and Shelf Registration and received an opinion that the Prospectus Supplement and Shelf Registration complied as to form in all material respects with the requirements of the Securities Act of 1933, as amended and based on such opinion, the Company originally believed that the Shelf Registration had sufficient capacity to cover and register all of the shares of common stock sold in connection with the Units, all of the Series B Warrants, all of the Series C Warrants, and all of the shares of common stock issuable upon the exercise of such warrants in the Prospectus Supplement; however, it was subsequently determined that the Shelf Registration only had sufficient capacity to cover and register the Common Shares included in the Units and 941,053 shares out of the 2,510,506 shares of Common Stock issuable under the Series C Warrants and such Warrants on the Prospectus Supplement (the “**Shelf Registered Warrants**”);

WHEREAS, the Company filed a Form S-3 Registration Statement and Prospectus in connection therewith on May 2, 2011 (the “**Resale Registration Statement**”), to register the resale of 4,079,959 unregistered shares of Common Stock issuable upon exercise of the respective associated Warrants held by the Buyers (the “**Associated Warrants**”) and certain outstanding warrants that are not Shelf Registered Warrants;

WHEREAS, the Buyer has asserted that it was damaged, and continues to be damaged, by the Shelf Registration not registering all of the shares of Common Stock sold in connection with the Units (the “**Securities Law Issues**”); and

WHEREAS, the Parties desire to enter into this Agreement to release each other from any liability in connection with the Securities Law Issues, to compromise claims, avoid the costs and uncertainty of litigation, establish an equitable compromise among the Parties and provide for the Company to receive funding for working capital, and the Parties have agreed that this Agreement will accomplish the above by reducing the exercise price of the Series C Warrants, amending the Initial Exercisability Date with respect to the voluntary exercise of the Series C Warrants by the Buyer, requiring the immediate exercise of a percentage of the Series C Warrants, and modifying certain other terms and conditions of the Series C Warrant Agreements and Purchase Agreement pursuant to the terms and conditions of this Agreement as set forth below.

NOW THEREFORE, on the stated premises and for and in consideration of the mutual covenants and agreements hereinafter set forth and the mutual benefits to the Parties to be derived herefrom, the sufficiency of which is hereby acknowledged and confessed, it is hereby agreed as follows:

1. Amendment to Terms and Conditions of the Series C Warrant Agreements, the Series B Warrant Agreements and Purchase Agreement.

1.1 Effective as of the Effective Date, (A) the per share “**Exercise Price**” of the Series C Warrants (as defined in Section 1(b) of such Series C Warrant Agreements and as such term is used throughout such Series C Warrant Agreements) shall be automatically revised and amended to “\$2.48 per share”, subject to adjustment as provided in such Series C Warrant Agreements and (B) Sections 5(a)(1)(i) and 5(a)(1)(ii) of the Series C Warrant Agreements shall be automatically revised and amended to refer to and reference the Exercise Price of \$2.48 per share and not the “Exercise Price as of the Issuance Date”;

1.2 Effective as of the Effective Date, and provided that the last Closing Bid Price (as defined in the Warrants) of the Company’s Common Stock on the Effective Date, on The NYSE Amex Equities (the “**Principal Market**”), as reported by Bloomberg Financial Markets, is greater than the Exercise Price, as amended pursuant to Section 1.1 above, the Buyer shall be deemed to have affected a cash exercise of a total of 25% of the aggregate Series C Warrants which it holds, effective as of the close of the market on the Effective Date (the “**Initially Exercised Warrants**”) and shall, on such Effective Date, provide the Company an Exercise Notice (as defined in the Series C Warrants) confirming and documenting the exercise of such Initially Exercised Warrants pursuant to the terms and conditions thereof (the “**Exercise**”). Along with the Exercise Notice, the Buyer shall, within two (2) Trading Days of the Effective Date, deliver to a bank account designated by the Company in writing (on Company letterhead and signed by an officer of the Company) pursuant to the terms of the Series C Warrant Agreement and the Exercise Notice cash consideration equal to the Aggregate Exercise Price (as defined in the Warrants) of the Initially Exercised Warrants (“**Aggregate Exercise**”).

Consideration). Notwithstanding anything to the contrary, such exercise shall in all cases be subject to the "**Ownership Limitation**" of Section 1(f) of the Warrant Agreements, which provides that the Buyer cannot exercise any Warrant, to the extent that after giving effect to such exercise, the Buyer (together with the Buyer's affiliates) would beneficially own in excess of 9.99% of the shares of Common Stock outstanding immediately after giving effect to such exercise (as described in greater detail in the Warrant Agreements);

1.3 Effective as of the Effective Date, the definition of "**Initial Exercisability Date**", solely as such term is used in the first sentence of the introductory paragraph and in Section 1(a) of the Series C Warrant Agreement held by the Buyer (but not as used in Section 5 or in Section 17(j) of such Series C Warrant Agreement) shall be revised and amended to replace the words "the tenth (10th) Trading Day immediately prior to the 216th day following the Issuance Date" with the words "July 18, 2011". For the avoidance of doubt, the term "**Initial Exercisability Date**" as used in Sections 5 and 17(j) of such Series C Warrant Agreement shall continue to refer to "the tenth (10th) Trading Day immediately prior to the 216th day following the Issuance Date."; and

1.4 Notwithstanding the above and for the sake of clarity, the Buyer agrees and confirms that the definition of "**Registration Statement**" as set forth in the Purchase Agreement shall include the Resale Registration Statement and any other registration statements that the Company may file from time to time (or modifications, amendments or supplements thereto) in connection with the registration of the shares of Common Stock issuable upon exercise of the Warrants, and as such, no Cashless Exercise (as defined in the Warrant Agreements) is available pursuant to the terms of the Warrant Agreements or will be available as long as the Shelf Registration or the Resale Registration Statement (as the same may be amended or supplemented) is effective to provide for the registration or resale of all shares of Common Stock issuable upon exercise of the Warrants by the Buyer; provided, however, that the Company shall permit the Buyer or its legal counsel to review and comment upon such amendment or supplement related to information regarding the Buyer and the description of the plan of distribution contained therein, and the Company shall not file any amendment or supplement containing information about the Buyer to which the Buyer or its legal counsel reasonably objects.

1.5 Effective as of the Effective Date, the definition of "Expiration Date" set forth in Section 17(h) of the Series B Warrant Agreement held by the Buyer and as such term is used throughout such Series B Warrant Agreement) shall be automatically revised and amended to add the following proviso to the end of such definition:

“provided, that the Expiration Date shall be extended by one day for each day from and after the period beginning twelve months immediately preceding the then

effective Expiration Date that there occurs a Public Information Failure (as defined in the Amendment, Settlement and Release Agreement dated as of July 18, 2011 by and between the Company and the Holder).”

1.6 Effective as of the Effective Date, the definition of "Expiration Date" set forth in Section 17(k) of the Series C Warrant Agreement held by the Buyer and as such term is used throughout such Series C Warrant Agreement) shall be automatically revised and amended to add the following proviso to the end of such definition:

"provided, further, that the Expiration Date shall be extended by one day for each day from and after the Effective Date that there occurs a Public Information Failure (as such terms are defined in the Amendment, Settlement and Release Agreement dated as of July 18, 2011 by and between the Company and the Holder).

1.7 The amendments, confirmations and terms and conditions of Sections 1.1 to 1.6 of this Agreement shall be referred to herein as the "**Buyer Amendments.**"

1.8 Upon the Effective Date, each reference in the Warrant Agreements and Purchase Agreement to "**Agreement,**" "**hereunder,**" "**hereof,**" "**herein**" or words of like import shall mean and be a reference to such Warrant Agreements and Purchase Agreement, respectively, as modified and amended by the Buyer Amendments. Except as amended hereby, the Purchase Agreement and each of the Warrants shall remain unchanged and in full force and effect and, subject to the Buyer Amendments, each of them is hereby ratified and confirmed in all respects.

1.9 The Company confirms and acknowledges in connection with this Agreement that Rule 144 ("**Rule 144**") promulgated under the Securities Act of 1933, as amended (the "**Securities Act**"), will be available for the resale of the shares of the Company's Common Stock underlying the Warrants (the "**Warrant Shares**"), in the event the Shelf Registration, Resale Registration or any other registration statement filed to register the Warrant Shares is not available for the sale of all the Warrant Shares (a "**Non-Registration Event**"), assuming (1) Rule 144 does not change subsequent to the date hereof; (2) the Buyer is not an affiliate at the time of the exercise and does not become an affiliate (as defined pursuant to Rule 144) of the Company as a result of such exercise of the Series C Warrants; and (3) the Company is current in its periodic filing obligations pursuant to the Securities Exchange Act of 1934, as amended (the "**Rule 144 Requirements**"). The Company shall promptly cause The Loev Law Firm, PC (or the Company's then corporate counsel), upon the occurrence of a Non-Registration Event, to provide the Buyer and the Company's Transfer Agent with a legal opinion providing for the sale of the Warrant Shares by the Buyer pursuant to Rule 144, provided the Rule 144

Requirements are met and the Buyer provides a Seller's Representation Letter in the form attached hereto as Exhibit A.

1.10 Notwithstanding Section 1.4 and in an abundance of caution, the Buyer hereby consents to the Company filing a Prospectus Supplement with the SEC describing the amendments to the Series C Warrants, Series C Warrant Agreements and Purchase Agreement affected by this Agreement. The Company hereby covenants and agrees to file such Prospectus Supplement no later than the second (2nd) Business Day (as defined in the Warrants) following the Effective Date hereof; provided, however, that the Company shall permit the Buyer or its legal counsel to review and comment upon such Prospectus Supplement related to information regarding the Buyer and the description of the plan of distribution, and the Company shall not file any such Prospectus Supplement containing information about the Buyer to which the Buyer or its legal counsel reasonably objects. In furtherance of the foregoing, neither the Company nor any Subsidiary (as defined in the Purchase Agreement) or affiliate thereof shall identify the Buyer as an underwriter in any public disclosure or filing with the SEC, the Principal Market or any Eligible Market (as defined in the Purchase Agreement).

2. Mutual Release. All Parties for themselves, and their officers, directors, agents, affiliates, servants, directors, managers, members, representatives, successors, employees, assigns and attorneys, to the extent legally allowed, hereby covenant and agree as follows:

2.1 In consideration for the Buyer Amendments and the Company Release (as it relates to the Buyer), and other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, and effective as of the Company Release Effective Date (as defined below), the Buyer hereby releases, acquits and forever discharges the Company, and its current, past and future officers, directors, affiliates, agents, servants, representatives, successors, employees, partners, members, advisors, attorneys, and assigns from all actions, causes of action, suits, debts, dues, sums of money, accounts, reckonings, covenants, controversies, agreements, promises, variances, trespasses, damages, judgments, claims and demands, whether asserted or unasserted (collectively, the "**Buyer's Causes of Action**") for the Securities Law Issues and any other Buyer Causes of Action which the Buyer is aware of as of the date hereof, upon or by reason of any manner, cause, causes or thing whatsoever, in law or equity and all rights, obligations, claims, demands, whether in contract, tort, or state and/or federal securities regulations arising from or relating to the Securities Law Issues or any other Buyer Causes of Action which the Buyer is aware of as of the date hereof (the "**Buyer Release**").

2.2 In consideration of the Buyer Release, the Exercise, the Buyer Amendments, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and effective as of the Buyer Release Effective Date (as
Amendment, Settlement and Release Agreement

defined below), the Company hereby releases, acquits and forever discharges the Buyer, and its current, past and future officers, directors, affiliates, agents, servants, representatives, successors, employees, partners, members, advisors, attorneys, and assigns from all actions, causes of action, suits, debts, dues, sums of money, accounts, reckonings, covenants, controversies, agreements, promises, variances, trespasses, damages, judgments, claims and demands, whether asserted or unasserted (collectively, the “**Company Causes of Action**”) for the Securities Law Issues and any other Company Causes of Action which the Company is aware of as of the date hereof, upon or by reason of any manner, cause, causes or thing whatsoever, in law or equity and all rights, obligations, claims, demands, whether in contract, tort, or state and/or federal securities regulations arising from or relating to the Securities Law Issues or any other Company Causes of Action which the Company is aware of as of the date hereof (the “**Company Release**”, and collectively with the Buyer Release, the “**Releases**”).

2.3 Notwithstanding anything to the contrary contained herein, the Company Release shall only become effective upon the latest to occur of the satisfaction in full of all obligations of the Company (i) to timely deliver Warrant Shares pursuant to the terms of the Series C Warrant Agreements with the reduced exercise price as provided in Section 1.1 hereof; (ii) to make the 8-K Filing (as defined below) disclosing the terms and conditions of this Agreement pursuant to Section 8 hereof; and (iii) the filing by the Company of a Prospectus Supplement disclosing the amendments to the terms of the Series C Warrants affected by this Agreement (such date, the “**Company Release Effective Date**”).

2.4 Notwithstanding anything to the contrary contained herein, the Buyer Release shall only become effective upon the Company Release Effective Date; provided that the payment by the Buyer of the Aggregate Exercise Consideration as provided in Section 1.2 hereof has been made as of such date (such date, the “**Buyer Release Effective Date**”).

3. Covenant Not to Sue.

3.1 Subject to the excepted matters set forth herein, the Parties agree that they will forever refrain and forbear from commencing, instituting or prosecuting any lawsuit, action or other proceeding, in law, equity or otherwise, against the other Parties subject to the Releases above, in any way arising out of or relating to the claims released above.

3.2 The Parties each acknowledge and agree that monetary damages alone are inadequate to compensate the other Parties (or their assigns) for injury caused or threatened by a breach of this “**Covenant Not to Sue**” and that preliminary and permanent injunctive relief restraining and prohibiting the prosecution of any action or proceeding brought or instituted in violation of this Covenant Not to Sue is a necessary

and appropriate remedy in the event of such a breach. Nothing contained in this section, however, shall be interpreted or construed to prohibit or in any way to limit the right of a non-breaching Party or of any of its assigns to obtain, in addition to injunctive relief, an award of monetary damages against any person or entity breaching this Covenant Not to Sue and Agreement.

3.3 Notwithstanding the foregoing, any action or proceeding brought for breach of or to interpret or enforce the terms of this Agreement is excepted from each of the Covenants Not to Sue set forth above.

3.4 The Parties understand, acknowledge and agree that the releases set forth above may be pleaded as a full and complete defense and may be used as a basis for an injunction against any action, claim, suit or other proceeding which may be instituted, prosecuted or attempted in breach of the provisions of such releases. Similarly, the Parties agree that no fact, event, circumstance, evidence or transaction which could now be asserted or which may hereafter be discovered relating to the subject matter discussed above, shall affect in any manner the final, absolute and unconditional nature of the release set forth above.

4. **Effective Date.** This Agreement and the terms and conditions hereof shall become effective on the date that Buyer and the Company shall have executed this Agreement and all other Buyers and the Company have executed an Amendment, Settlement and Release Agreement substantially identical to this Agreement (the “**Effective Date**”).

5. **Mutual Representations, Covenants and Warranties.** Each of the Parties, for themselves and for the benefit of each of the other Parties hereto, represents, covenants and warrants that:

5.1 Such Party has all requisite power and authority, corporate or otherwise, to execute and deliver this Agreement and to consummate the transactions contemplated hereby and thereby. This Agreement has been duly executed by such Party, and when delivered by such Party in accordance with the terms hereof, will constitute the legal, valid and binding obligation of such Party enforceable against such Party in accordance with its terms, except as such enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors’ rights generally and general equitable principles; and

5.2 The execution and delivery by such Party and the consummation of the transactions contemplated hereby and thereby do not and shall not, by the lapse of time, the giving of notice or otherwise: (i) result in a violation of the organizational documents of the Investor or (ii) constitute a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities laws) applicable to such Party;

or (iii) constitute a breach of any provision contained in, or a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any governmental approval, any writ, injunction, order, judgment or decree of any governmental authority or any contract, indenture or instrument to which such Party is bound or affected.

5.3 To the best knowledge of each Party, there is no action, suit, claim, proceeding, inquiry or investigation before or by any court, public board, government agency or self-regulatory organization or body pending or, to the knowledge of such Party, threatened against or affecting such Party that could reasonably be expected to have a material adverse effect on the ability of such Party to perform its obligations hereunder.

6. Representations of the Buyer. The Buyer agrees, represents, acknowledges and warrants to the Company that the Buyer is acting independently from the other Buyers in connection with its entry into this Agreement, the decision to Exercise the Series C Warrants and will act independently of the other Buyers in connection with the Buyer's decision as to whether or not to sell or dispose of the Common Stock shares issuable upon Exercise of the Series C Warrants. The Buyer further agrees, represents, acknowledges and warrants to the Company that its securities (including the Warrants and shares of Common Stock issuable upon exercise of the Warrants) are beneficially owned (as such term is defined in the Securities Exchange Act of 1934, as amended) by it.

7. Representations of the Company. The Company is not required to obtain any consent from, authorization or order of, or make any filing or registration with, any court, governmental agency or any regulatory or self-regulatory agency or any other Person in order for it to execute, deliver or perform any of its obligations hereunder. All consents, authorizations, orders, filings and registrations which the Company is required to obtain at or prior to the Effective Date have been obtained or effected on or prior to the Effective Date. The Company is not in violation of the requirements of the Principal Market, and has no knowledge of any facts or circumstances which could reasonably lead to delisting or suspension of the Common Stock in the foreseeable future. As used herein, "**Person**" means an individual, a limited liability company, a partnership, a joint venture, a corporation, a trust, an unincorporated organization and a government or any department or agency thereof.

8. 8-K Filing. On or before 8:30 a.m., New York City time, on the first (1st) Business Day following the Effective Date of this Agreement, the Company shall file a Current Report on Form 8-K (the "**8-K Filing**") describing the terms of this Agreement and attaching a copy of the form of this Agreement. As of immediately following the 8-K Filing, the Company hereby covenants and agrees that the Buyer shall not be in

possession of any material, nonpublic information received from the Company or any of its officers, directors, employees or agents, that is not disclosed in the 8-K Filing or in prior filings with the SEC.

9. Public Information. At any time during the period commencing on the date hereof and ending at such time that all Warrants and shares of Common Stock issuable upon exercise of the Warrants are either sold pursuant to a registration statement or pursuant to Rule 144, if the Company shall fail for any reason to satisfy the current public information requirement under Rule 144(c) and at such time there is otherwise no registration statement available for the sale or resale of all of the shares of Common Stock underlying the Warrants (a “**Public Information Failure**”) then, as partial relief for the damages to any holder of Warrants by reason of any such delay in or reduction of its ability to sell the shares of Common Stock issuable upon exercise of the Warrants (which remedy shall not be exclusive of any other remedies available at law or in equity), the Company shall pay to the holders, based on their pro rata ownership of non-exercised and non-expired warrants on the first day of a Public Information Failure, an aggregate of \$80,000 (pro rated for a period of less than thirty days) for the first thirty calendar days that there is a Public Information Failure, which is payable on the earlier of (1) the thirty-first (31st) day following the Public Information Failure, or (2) when the Public Information Failure ceases to exist. In the event that the Public Information Failure continues beyond thirty calendar days, each such holder shall receive an amount in cash equal to one and one-half percent (1.5%) of the aggregate Black Scholes Value (as defined in the Warrants) of such holder’s non-exercised and non-expired Warrants on the sixty-first (61st) calendar day after the Public Information Failure (covering the 31st to 60th calendar days) and on every thirtieth day (pro rated for periods totaling less than thirty days) thereafter until the earlier of (i) the date such Public Information Failure is cured; (ii) such time that such public information is no longer required pursuant to Rule 144; and (iii) the expiration date of the Warrants. The payments to which a holder shall be entitled pursuant to this Section 9 are referred to herein as “**Public Information Failure Payments**.” Public Information Failure Payments shall be paid on the earlier of (I) the last day of the calendar month during which such Public Information Failure Payments are incurred and (II) the third Business Day after the event or failure giving rise to the Public Information Failure Payments is cured. In the event the Company fails to make Public Information Failure Payments in a timely manner, such Public Information Failure Payments shall bear interest at the rate of 1.5% per month (prorated for partial months) until paid in full. It is acknowledged and agreed by the Parties that each Buyer shall not exercise the Warrants via a Cashless Exercise during a Public Information Failure.

EX-99.1 3 ex99-1.htm PRESS RELEASE

Exhibit 99.1

**Lucas Energy Announces
Oil Price for East Texas Crude, Possible Plans for Eagle Ford
Acreage, and \$1.9 Million Dollar Financing Transaction**

For Immediate Release

HOUSTON, TEXAS - (GlobeNewswire) – July 19, 2011 – Lucas Energy, Inc. (NYSE Amex - LEI) an independent oil and gas company (the “Company” or “Lucas”), today announced that the Company received a high crude oil price of \$113.00 per barrel (“Bbl”) and \$106.00 per Bbl for its May and June 2011 crude oil sales, respectively, from its properties in East Texas. Lucas operates two wells in East Texas and is seeking to expand its holdings there in the Austin Chalk formation.

In other news, the Company has been meeting with investment banking groups to discuss various possible future plans concerning its 4,400 net Eagle Ford acres. With a correlative value of \$95 million, based on the Marathon Oil Corporation (NYSE:MRO) acquisition of the Hilcorp Eagle Ford acreage in June 2011, (about \$4.20 per share fully diluted), Lucas is considering the different alternatives, including but not limited to converting the position to cash and focusing on the development of the Austin Chalk reserves.

Effective July 18, 2011, the Company entered into an Amendment, Settlement and Release Agreement with each of the institutional investors who purchased securities in the Company’s December 2010 offering. The agreement and subsequent exercises of outstanding warrants by the investors is anticipated to result in the Company receiving an aggregate of \$1,928,517 (less \$115,711 of commissions) and allow it to avoid any potential uncertainty regarding the previously filed prospectus supplement to its Form S-3 shelf registration statement. The Company plans to use the funding for advancement of its drilling activity in the Austin Chalk and Eagle Ford formations in its Gonzales and Wilson County properties in South Texas, property acquisitions, and general working capital purposes.

Pursuant to the agreement the Company reduced the exercise price of the 2,510,506 Series C Warrants sold in the December 2010 offering to \$2.48 per share (from their original \$2.62 per share exercise price); and required the immediate exercise by the investors of 25% of the Series C Warrants (627,627 Series C Warrants) which they held as of the effective date of the amendment. In connection with the reduced exercise price the Company and the investors agreed to release each other from any potential causes of actions, claims or liability associated with (a) certain issues regarding the Company’s previously filed prospectus supplement to its Form S-3 shelf registration statement that only impacted such investors, and (b) any and all other potential causes of action, claims or liability which either party was aware of as of the date of the agreement.
