1. To elect four (4) Directors to the Company's Board, each to serve a term of one year and until their respective successors have been elected and qualified, or until their earlier resignation or removal;
2. To ratify the issuance of shares of common stock and the grant of options to the Company Directors in consideration for services rendered to the Company;
3. To approve an amendment to the Company's Articles of Incorporation to authorize the Board to issue shares of preferred stock with such designations and other rights it shall determine in its sole determination;
4. To ratify the Board of Directors' authority to issue a stock dividend of the Company's common stock in a range between 2% and 10% in its sole discretion.
5. To ratify the appointment of GBH CPAs, PC, as the Company's independent auditors for the fiscal years ending March 31, 2011 and 2010 and GBH CPAs, PC's report dated July 14, 2010, as filed with the Company's Annual Report on Form 10-K for the year ended March 31, 2010; and
6. To transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

Any action may be taken on any one of the foregoing proposals at the Meeting on the date specified above or on any date or dates to which the Meeting may be adjourned. Only shareholders of record at the close of business on November 15, 2010 (the "Record Date") are entitled to notice of and to vote in person or by proxy at the meeting. However, our stock transfer books will remain open subsequent to the Record Date. At least ten days prior to the Meeting, a complete list of shareholders entitled to vote will be available for inspection by any shareholder for any purpose germane to the meeting, during ordinary business hours, at the office of the Corporate Secretary at 3555 Timmons Lane, Suite 1550, Houston, Texas 77027.

As a shareholder of record, you are cordially invited to attend the meeting in person. Regardless of whether you expect to be present at the meeting, please complete, sign and date the enclosed proxy and mail it promptly in the enclosed envelope. Returning the enclosed proxy ("Proxy") will not affect your right to vote in person if you attend the meeting.

This year, instead of mailing a printed copy of our proxy materials (including our annual report) to each shareholder of record as of the Record Date, we have decided to provide access to these materials via the Internet. This delivery method reduces the amount of paper necessary to produce these materials, as well as the costs associated with printing and mailing these materials to all shareholders. Accordingly, on November 29, 2010, we will begin mailing a Notice of Internet Availability of Proxy Materials (the "Notice") to all shareholders of record as of the Record Date. As explained in greater detail in the Notice, all shareholders may access our proxy materials (including our Annual Report on Form 10-K for the year ended March 31, 2010) at www.iproxydirect.com/LEI or may request a printed set of our proxy materials. In addition, the Notice and website (www.iproxydirect.com/LEI) provide information on how to request to receive all future proxy materials in printed form or electronically and how to vote via mail, fax or online.

PROXY STATEMENT

FOR AN ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON JANUARY 10, 2011

GENERAL

This Proxy Statement and accompanying form of proxy are being furnished to you in connection with the solicitation on behalf of the Board of Directors of LUCAS ENERGY, INC. (the "Company" and the "Board") of proxies for use at the Annual Meeting of Shareholders to be held on January 10, 2011 (the "Annual Meeting" or the "Meeting"), and at any adjournment thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Shareholders.

The Annual Meeting will be held on January 10, 2011, at 2000 Bering Drive, Houston, Texas 77057, at 10:30 a.m., central standard time. The Company's telephone number is (713) 528-1881.

On November 29, 2010, we will begin mailing a Notice of Internet Availability of Proxy Materials (the "Notice") to all shareholders of record as of the Record Date. As explained in greater detail in the Notice, all shareholders may access our proxy materials (including our Annual Report on Form 10-K for the year ended March 31, 2010) at www.iproxydirect.com/LEI or may request a printed set of our proxy materials. In addition, the Notice and website (www.iproxydirect.com/LEI) provide information on how to request to receive all future proxy materials in printed form or electronically and how to vote via mail, fax or online.

RECORD DATE

Shareholders of record at the close of business on November 15, 2010 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, 13,710,462 shares of the Company's common stock, \$0.001 par value (the "Common Stock") were outstanding. For information regarding security ownership by management and by the beneficial owners of more than 5% of the Company's Common Stock, see "Beneficial Security Ownership of Management and Certain Beneficial Owners," below.

REVOCABILITY OF PROXIES

A shareholder may revoke any proxy at any time before its exercise by delivery of a written revocation to the President of the Company or a duly executed proxy bearing a later date. Attendance at the Annual Meeting will not itself be deemed to revoke a proxy unless the shareholder gives affirmative notice at the Meeting that the shareholder intends to revoke the proxy and vote in person.

VOTING AND SOLICITATION

All proxies will be voted in accordance with the instructions of the shareholder. If no choice is specified, the shares will be voted: (i) FOR the election of Directors as listed in Proposal No. 1 of this proxy statement; (ii) FOR the ratification of the issuance of shares of common stock and grant of options to Company Directors as listed in Proposal No. 2; (iii) FOR the approval of an amendment to Company's Articles of Incorporation to authorize the Board to issue shares of preferred stock as described in Proposal 3; (iv) FOR the ratification of the Board of Directors' authority to issue a stock dividend of the company's common stock in a range between 2% and 10% and (v) FOR the ratification of GBH CPAs, PC, as the Company's independent auditors for the fiscal years ended March 31, 2011 and 2010, and GBH CPAs, PC's report dated July 14, 2010, as filed with the Company's Annual Report on Form 10-K for the year ended March 31, 2010.

Each shareholder is entitled to one vote for each share of Common Stock held by him, her or it on all matters presented at the Annual Meeting. There are no shares of Preferred Stock outstanding. Shareholders do not have the right to cumulate their votes in the election of Directors.

The cost of soliciting proxies will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. Proxies may also be solicited by certain of the Company's Directors, officers and regular employees, without additional compensation, personally or by telephone, telegram, letter or facsimile. The Company may engage a proxy solicitor to act on its behalf in soliciting proxies.

QUORUM; ABSTENTIONS; BROKER NON-VOTES

At the Annual Meeting, the presence, in person or by proxy, of shareholders holding a majority of the shares of Common Stock issued and outstanding on the Record Date shall constitute a quorum for the transaction of business at the Annual Meeting. Shares of Common Stock present in person or represented by proxy (including shares which abstain or do not vote with respect to one or more of the matters presented for shareholder approval) will be counted for purposes of determining whether a quorum exists at the Annual Meeting.

If a quorum is present, the affirmative vote of the holders of a majority of the votes cast by the shareholders entitled to vote at the Annual Meeting is required to approve any proposal submitted at the Annual Meeting, other than the election of Directors, which is required to be approved by a plurality of the votes cast, and except that the affirmative vote of a majority of the outstanding shares of Common Stock will be required to amend the Company's Articles of Incorporation under Proposal No. 3. Furthermore, while the Company is requesting shareholder ratification of Proposals No. 2 and No. 4, the Company is able to affect such transactions regardless of whether shareholder ratification is obtained or not. Although the Company will include abstentions and broker non-votes as present or represented for purposes of establishing a quorum for the transaction of business, the Company intends to exclude abstentions and broker non-votes from the tabulation of voting results on the election of Directors or on any other issues requiring approval of a majority of the votes cast.

NOTICE OF INTERNET AVAILABILITY OF INFORMATION STATEMENT MATERIALS

Internet Availability of Proxy Statement Materials and Annual Report

Pursuant to the rules adopted by the Securities and Exchange Commission, which is referred herein as the "SEC", the Company is required to provide access to our Proxy Statement and Form 10-K Annual Report (the "Proxy Statement Materials") via the Internet. Accordingly, we are furnishing Proxy Statement Materials to our shareholders primarily via the Internet, rather than mailing printed copies of these materials to each shareholder. The Company believes that this new process should expedite shareholders' receipt of materials, lower the costs incurred by the Company for the Meeting and help to conserve natural resources.

On or about November 29, 2010 (which date is at least forty (40) days prior to the Meeting), we will mail to our shareholders a Notice of Internet Availability of Proxy Statement Materials (the "Notice"), in the form of a mailing titled "Important Notice Regarding the Availability of Proxy Statement Materials for the Shareholder Meeting To Be Held on January 10, 2011", which contains instructions on how to access and review the Proxy Statement Materials, including this Proxy Statement and our Annual Report on Form 10-K, on a website referred to in such notice (and provided below). The Notice also contains instructions on how to vote via the Internet and how to receive a paper copy of the Proxy Statement Materials and how to instruct us to send future information and Proxy Statement materials to shareholders electronically by email. Any shareholder's election to receive the information statement or proxy materials by email will remain in effect until such shareholder terminates the request. If you receive a Notice of Internet Availability of Proxy Statement Materials by mail, you will not receive a printed copy of the Proxy Statement Materials unless you request one. If you received a Notice of Internet Availability of Proxy Statement Materials by mail and would like to receive a printed copy of our Proxy Statement Materials, currently or on an ongoing basis, please follow the instructions included in the Notice of Internet Availability of Proxy Statement Materials, which are also provided below.

This Proxy Statement will be available at www.iproxydirect.com/LEI on or about November 29, 2010, to all shareholders entitled to vote at the Meeting. A copy of our Annual Report on Form 10-K for the fiscal year ended March 31, 2010 will be made available at www.iproxydirect.com/LEI concurrently with these Proxy Statement Materials.

Only one Notice is being delivered to two or more shareholders who share an address unless the Company receives contrary instructions from one or more of the shareholders. The Company will promptly deliver upon written or oral request a separate copy of the Notice, this Proxy Statement or the Annual Report, to a shareholder at a shared address to which a single copy of the document was delivered. If you would like to request additional copies of the Notice, this Proxy Statement or the Annual Report, or if in the future you would like to receive separate copies of information or proxy statements, annual reports, or notices of internet availability, or, if you are currently receiving multiple copies of these documents and would, in the future, like to receive only a single copy, please so instruct us by telephoning **1-866-752-8683**, by writing the Company, at Attn: Assistant Corporate Secretary, 3555 Timmons Lane, Suite 1550, Houston, Texas 77027, or by e-mail at dpierce@lucasenergy.com.

Internet Voting:

You can vote for the proposals set forth herein on the Internet prior to the Meeting.

INSTRUCTIONS:

Read the accompanying Proxy Statement.

Go to the following website: <http://www.iproxydirect.com/LEI>

Have your Notice in hand and follow the instructions therein and/or at the website above. You can also register to receive all future shareholder communications electronically, instead of in print. PROPOSAL NO. 1
ELECTION OF DIRECTORS

DIRECTORS AND NOMINEES FOR DIRECTOR

The Company's Bylaws currently provide for a Board of Directors (the "Board") of not less than one (1) or more than fifteen (15) members. The Company's Board currently has four (4) members. The Company's management recommends the four (4) Directors listed below for election at the Meeting. Each of the nominees has indicated his willingness to serve if elected, and each of the nominees already serves as a Director. At the Annual Meeting, shares represented by the accompanying Proxy will be voted for the election of the four (4) nominees recommended by the Company's management unless the Proxy is marked in such a manner as to withhold authority to so vote. If any nominee for any reason is unable to serve or for good cause will not serve, the proxies may be voted for such substitute nominee as the proxy holder may determine. The Company is not aware of any nominee who will be unable to, or for good cause will not, serve as a Director.

The Company's Nominating Committee has reviewed the qualifications of the Director nominees and has recommended each of the nominees for election to the Board.

The following table indicates the name of each nominee/Director, and certain information regarding each nominee, including their age, principal occupation or employment, and the year in which each nominee first became a Director, if such person has previously served on the Company's Board of Directors.

All Directors hold office until the next annual meeting of shareholders and until their successors have been duly elected and qualified. There are no agreements with respect to the election of Directors. We have historically compensated our Directors for service on the Board and committees thereof through the issuance of shares of common stock and nominal cash compensation for meeting fees (see also Proposal No. 2). Additionally, we reimburse Directors for expenses incurred by them in connection with the attendance at meetings of the Board and any committee thereof (as described below). The Board appoints annually the executive officers of the Company and the executive officers serve at the discretion of the Board. The Executive Committee of the Board, to the extent permitted under Nevada law, exercises all of the power and authority of the Board in the management of the business and affairs of the Company between meetings of the Board.

Family Relationships

There are no family relationships among our Directors or executive officers.

Involvement in Certain Legal Proceedings

Our Directors, executive officers and control persons have not been involved in any of the following events during the past ten years:

1. any bankruptcy petition filed by or against any business of which such person was a general partner or executive officer either at the time of the bankruptcy or within two years prior to that time;
2. any conviction in a criminal proceeding or being subject to a pending criminal proceeding (excluding traffic violations and other minor offenses');
3. being subject to any order, judgment, or decree, not subsequently reversed, suspended or vacated, of any court of competent jurisdiction, permanently or temporarily enjoining, barring, suspending or otherwise limiting his involvement in any type of business, securities or banking activities; or
4. being found by a court of competent jurisdiction (in a civil action), the Commission or the Commodity Futures Trading Commission to have violated a federal or state securities or commodities law, and the judgment has not been reversed, suspended, or vacated.

Board Leadership Structure

The roles of Chairman and Chief Executive Officer of the Company are currently held separately. Mr. Hofheinz serves as Chairman and Mr. Sawyer serves as CEO. The Board of Directors does not have a policy as to whether the Chairman should be an independent Director, an affiliated Director, or a member of management. Our Board believes that the Company's current leadership structure is appropriate because it effectively allocates authority, responsibility, and oversight between management and the independent members of our Board (including Mr. Hofheinz as Chairman). It does this by giving primary responsibility for the operational leadership and strategic direction of the Company to our CEO, while enabling the independent Directors to facilitate our Board's independent oversight of management, promote communication between management and our Board, and support our Board's consideration of key governance matters. The Board believes that its programs for overseeing risk, as described below, would be effective under a variety of leadership frameworks and therefore do not materially affect its choice of structure.

Risk Oversight

The Board exercises direct oversight of strategic risks to the Company. The Audit Committee reviews and assesses the Company's processes to manage business and financial risk and financial reporting risk. It also reviews the Company's policies for risk assessment and assesses steps management has taken to control significant risks. The Compensation Committee oversees risks relating to compensation programs and policies. In each case management periodically reports to our Board or relevant committee, which provides the relevant oversight on risk assessment and mitigation.

Vote Required

The election of the Director nominees listed above requires the affirmative vote of the holders of a plurality of the outstanding voting shares of the Company, in person or by proxy. For the election of Directors, you may vote "FOR" all nominees or withhold authority to vote for all or some of the nominees. If you hold your shares through a broker, bank, trustee or other nominee and you do not instruct them on how to vote on this proposal, your broker or other nominee will not have authority to vote your shares and such non-vote will have the effect of withholding authority to vote for all of the nominees.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE ELECTION OF THE DIRECTOR NOMINEES LISTED ABOVE.

THE GRANT OF OPTIONS TO THE COMPANY'S DIRECTORS IN CONSIDERATION FOR SERVICES RENDERED
AND TO BE RENDERED TO THE COMPANY

The Board of Directors at a meeting held October 7, 2010 (the "Grant Date"), approved the issuance of 12,000 shares of common stock to each Director for services rendered during the April 1, 2009 to March 31, 2010 fiscal year (the "Shares") and the grant of options to purchase 24,000 shares of common stock to each Director for services to be rendered during the April 1, 2010 to March 31, 2011 fiscal year (the "Options") pursuant to the Company's 2010 Long Term Incentive Plan (the "Plan"). The Options have an exercise price of \$2.07 per share, the mean of the highest and lowest trading prices of the Company's common stock on the Grant Date, consistent with the terms of the Plan and vest to the Directors in tranches of 1/4th of such options per quarter (starting effective on April 1, 2010, the start of the 2011 fiscal year), with options to purchase 12,000 shares vesting as of the Grant Date, and options to purchase 6,000 shares of common stock vesting on December 31, 2010 and March 31, 2011, as long as such individuals remain as Directors of the Company.

At the October 7, 2010 meeting, the Board also approved the following compensation to be paid to Directors: \$3,000 per regular Board meeting physically attended by Board members; \$1,000 per telephonic Board Meeting; \$750 to the Chairman of and \$500 to each Director serving on the Compensation and Audit committees.

Although the Company does not believe that shareholder ratification of the issuance of the Shares and grant of the Options is required pursuant to applicable law, the Company is requesting that shareholders ratify the issuance of such Shares and grant of such Options regardless; although, the issuance of the Shares and grant of the Options have already been affected by the Board, and will remain in place regardless of whether such are approved by the Company's shareholders at the Meeting or not. Furthermore, the Board reserves the right to issue additional shares of common stock or grant additional options to officers or Directors of the Company from time to time in consideration for services rendered pursuant to and in connection with the Plan, at any time, without further shareholder approval or consent.

Terms of Shares

The Shares vested to each Director immediately upon the Board's approval of the issuance of such Shares.

Terms of Options

Options to purchase 6,000 shares vest on each of the dates that fall three months, six months, nine months and twelve months from the Grant Date (with options to purchase 12,000 shares vesting on the Grant Date and options to purchase 6,000 shares vesting on December 31, 2010 and March 31, 2011), until each Director has vested the entire amount of the Option, provided that each Option shall vest to such Director immediately upon the occurrence of a "Change in Control" as defined under the Plan, which includes the consummation or occurrence of one or more of the following:

- (i) The Company being merged into or consolidated with another corporation or entity;
- (ii) The acquisition of greater than fifty (50) percent of the Company's outstanding stock in one or a series of transactions by an entity or affiliated entities in a six month period;
- (iii) All or substantially all of the assets, or interests in the assets, of the Company being acquired by another person;
- (iv) A change in the majority of the Board of Directors in a six month period; or
- (v) The reorganization or liquidation of the Company; and

Provided further that any Director shall cease to continue to vest Options, upon the later of (a) the termination of such Director's employment with the Company, in the event the Director is also an employee of the Company on the Grant Date, or (b) in the case the Director is a non-employee Director of the Company on the Grant Date, the date such Director ceases to serve as a Director (each a "Termination Date"), as determined by the Board in its sole discretion.

The Options expire upon the earlier of:

- (i) Ten (10) years from the Grant Date; or
- (ii) One-Hundred Eighty (180) Days after the Termination Date, if involuntarily terminated by the Company for reasons other than Cause (as defined in the Plan)(the "Termination Period Without Cause"), provided that all Options that would have vested during the Termination Period Without Cause shall continue to vest during such Termination Period Without Cause. All remaining unvested Options on the date following the Termination Period Without Cause, and any Options that are not exercised during the Termination Period Without Cause shall be forfeited; or
- (iii) Forty-Five (45) Days after the Termination Date, if terminated by the Company for Cause (as defined in the Plan)(the "Termination Period For Cause"), provided that Options shall immediately cease vesting on such Termination Date. All remaining unvested Options on the Termination Date, and any Options that are not exercised during the Termination Period For Cause shall be forfeited; or
- (iv) One (1) Year following the Termination Date, if such Termination Date is the result of death or Disability (as defined in the Plan), as applicable (the "Termination for Disability or Death Period"), provided that all unvested Options shall immediately vest upon such Termination Date. All Options that are not exercised during the Termination for Disability or Death Period shall be forfeited; or
- (v) Ninety (90) Days after the Termination Date, if terminated for a reason other than as described above in Sections (ii), (iii), or (iv)(the "Other Termination Period"), provided that the Options shall immediately cease vesting on such Termination Date. All remaining unvested Options on the Termination Date and any Options that are not exercised during the Other Termination Period shall be forfeited.

The Options have an exercise price of \$2.07 per share and have cashless exercise rights.

Vote Required

The Company is requesting the approval of the affirmative vote of the holders of a majority of the outstanding shares entitled to vote at the Annual Meeting, in person or by proxy for the ratification of the issuance of the Shares of common stock and grant of the Options as set forth above, to the Company's Directors; provided that there is no requirement that the Company obtain such shareholder ratification for such issuances or for such grants, and such issuances and grants will be treated as issued and granted, respectively, effective as of the Grant Date, regardless of whether such Shares and Options are ratified by the shareholders at the Meeting. For the ratification of the issuance of the Shares and grant of the Options, you may vote "FOR" or "AGAINST" or abstain from voting. If you hold your shares in your own name and abstain from voting on this matter, your abstention will have the effect of a vote "AGAINST" this proposal. If you hold your shares through a broker, bank, trustee or other nominee and you do not instruct them on how to vote on this proposal, your broker or other nominee will not have authority to vote your shares and such non-vote will have the effect of a vote "AGAINST" the ratification of the issuance of the Shares and grant of the Options.

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE “FOR” THE RATIFICATION OF THE ISSUANCE OF SHARES OF COMMON STOCK AND GRANT OF OPTIONS TO THE COMPANY’S DIRECTORS AS PROVIDED ABOVE.

PROPOSAL NO. 3
APPROVAL OF AN AMENDMENT TO THE COMPANY'S
ARTICLES OF INCORPORATION TO AUTHORIZE THE BOARD TO
ISSUE SHARES OF PREFERRED STOCK.

The Company's Articles of Incorporation ("Articles") currently provide for the issuance of up to 10,000,000 shares of preferred stock, \$0.001 par value per share. However, the Articles do not currently describe the voting powers, preferences and other characteristics of the preferred stock, nor do the Articles grant the Board of Directors (the "Board") the necessary authority under Nevada law to determine such characteristics and issue shares of preferred stock. Accordingly, an amendment to the Articles is required in order to permit the Board to issue any shares of preferred stock and to determine the characteristics of such preferred stock (the "Amendment"). The proposed Amendment will be in substantially similar form as Exhibit A attached hereto. The Board has determined that having the ability to issue shares of preferred stock would facilitate corporate financing and other plans which the Board believes will help foster our growth and flexibility. The inability to do this without first obtaining shareholder approval would inhibit and delay our ability to enter into certain corporate financing transactions which might become available to us in the future. As such, the Board has approved, subject to shareholder approval, an amendment to the Articles to authorize the Board, without further shareholder approval, to issue preferred stock in one or more series, and with such voting powers, designations, preferences, limitations, restrictions and relative rights as determined by the Board in its sole discretion. The Board believes that the complexity of modern business financing and possible future transactions require greater flexibility in our capital structure than currently exists, which flexibility can be achieved by the Board's authority to issue preferred stock with such characteristics as it may determine in its sole discretion.

Assuming the Amendment is approved, the Board will be permitted to issue preferred stock from time to time in its sole discretion for any proper corporate purpose, including acquisitions of other businesses or properties and the raising of additional capital. Shares of preferred stock could be issued publicly or privately, in one or more series that could rank senior to our common stock with respect to dividends, voting rights and liquidation rights, have conversion or redemption rights, and/or other powers, preferences or privileges senior to our common stock. There are no present plans, understandings or agreements for, nor are we currently engaged in any negotiations that will involve, the issuance of preferred stock.

Even though not intended by the Board, the possible overall effect of the existence of preferred stock on the holders of our common stock may include the dilution of their ownership interests, the continuation of our current management, prevention of mergers with or business combinations by us and the discouragement of possible tender offers for shares of our common stock. Furthermore, the designation of shares of our preferred stock could act to provide our preferred stock holders with voting rights senior to our common shareholders, thereby limiting our common stockholder's ability to approve certain corporate decisions.

Upon conversion of convertible preferred stock into shares of our common stock, the voting power and percentage ownership of holders of our common stock before such conversion would be diluted, and such issuances could have an adverse effect on the market price of our common stock. Additionally, the issuance of shares of preferred stock with certain rights, preferences and privileges senior to those held by our common shareholders could diminish their rights to receive dividends, if declared by the Board, could provide such preferred stockholders preferential rights to net profit or other distributions, and could diminish or eliminate common stock shareholder's rights to receive payments upon our liquidation.

If shares of preferred stock are issued, approval by holders of such shares, voting as a separate class, could be required prior to certain mergers with or business combinations by us. These factors could discourage attempts to purchase control of us even if such change in control may be beneficial to the holders of our common stock. Moreover, the issuance of preferred stock having general voting rights together with the common stock, to persons friendly to the Board could hypothetically make it more difficult to remove incumbent management and Directors from office, even if such changes would be favorable to shareholders generally.

If shares of preferred stock are issued with conversion rights, our attractiveness to a potential tender offeror may be diminished. The purchase of the additional shares of common stock or preferred stock necessary to gain control of us may increase the cost to a potential tender offeror and prevent the tender offer from being made, even though such offer may have been desirable to many of the holders of our common stock.

The ability of the Board, without any additional shareholder approval, to issue shares of preferred stock with such rights, preferences, privileges and restrictions as determined by the Board in their sole discretion could be employed as an anti-takeover device. The Amendment is not presently intended for that purpose and is not proposed in response to any specific takeover threat known to the Board. Furthermore, this proposal is not part of any plan by the Board to adopt anti-takeover devices, and the Board currently has no present intention of proposing anti-takeover measures in the near future. In addition, any such issuance of preferred stock in the takeover context would be subject to compliance by the Board with applicable principles of fiduciary duty.

The Board believes that the financial flexibility offered by the preferred stock outweighs any of its disadvantages. To the extent the proposal may have anti-takeover effects, the proposal may encourage persons seeking to acquire us to negotiate directly with the Board, enabling the Board to consider the proposed transaction in a non-disruptive atmosphere and to discharge effectively its obligation to act on the proposed transaction in a manner that best serves all the shareholders' interests. It is also the Board's view that the existence of preferred stock should not discourage anyone from proposing a merger or other transaction at a price reflective of our true value and which is in the interests of its shareholders.

Additionally, the Board is required to follow the requirements of the Nevada Revised Statutes and the Board's general fiduciary duties and obligations to the shareholders of the Company in connection with the Board's designation of any shares of preferred stock.

A copy of the proposed Amendment is attached to this proxy as Exhibit A. In the event the Amendment is approved, an Amendment to our Articles of Incorporation in substantially the form of the Amendment attached hereto, subject to completion and revision to comply with applicable law, will be filed with the Secretary of State of Nevada. This amendment to the Articles is being submitted for your approval pursuant to the Nevada Revised Statutes and Securities and Exchange Commission ("SEC") rules.

No Appraisal Rights

Under Nevada law, our shareholders are not entitled to appraisal rights with respect to the authorization of a class of preferred stock.

Vote Required

The approval of the Amendment to the Articles requires the affirmative vote of the holders of a majority of the outstanding voting shares of the Company. For the approval of this Amendment to the Articles, you may vote "FOR" or "AGAINST" or abstain from voting. If you hold your shares in your own name and abstain from voting on this matter, your abstention will have the effect of a vote "AGAINST" this amendment. If you hold your shares through a broker, bank, trustee or other nominee and you do not instruct them on how to vote on this proposal, your broker or other nominee will not have authority to vote your shares and such non-vote will have the effect of a vote "AGAINST" this amendment.

THE BOARD RECOMMENDS A VOTE "FOR" THE AMENDMENT TO THE ARTICLES TO AUTHORIZE THE BOARD TO ISSUE SHARES OF PREFERRED STOCK.

PROPOSAL NO. 4
TO RATIFY THE BOARD OF DIRECTORS' APPROVAL TO ISSUE A STOCK DIVIDEND OF THE COMPANY'S
COMMON STOCK IN A RANGE FROM 2% TO 10%
IN THE BOARD'S SOLE DISCRETION.

The Board of Directors at a meeting held October 7, 2010, approved the issue of a stock dividend, in the sole discretion of the Board to shareholders of record of a yet to be determined record date in a range of between 2% and 10% (the "Range"), provided that such dividend does not create a tax liability for shareholders of the Company and provided that the NYSE Amex ("Amex") approves the Company's ability to issue such dividend (the "Stock Dividend"). Although the Company does not believe that shareholder ratification of the proposed Dividend is required pursuant to applicable law, the Company is requesting that shareholders ratify such Dividend regardless. Note also that the Board reserves the right to move forward with such Stock Dividend regardless of whether such Stock Dividend is approved by Company's shareholders at the Meeting or not. Furthermore, the Board reserves the right to issue stock dividends outside of the Range and/or to issue a cash dividend, subject to applicable regulations, at any time, subject only to applicable law and without further shareholder approval or ratification.

The effect of the Stock Dividend would be that each shareholder of the Company as of a yet to be determined record date would be issued one (1) additional share of common stock for each ten (10) to fifty (50) shares (depending on the final terms of the Stock Dividend as approved by the Board) of common stock which such shareholder holds as of the record date for the Stock Dividend. The Board will determine at the time of the approval of the Stock Dividend (assuming the Board in its sole discretion determines it is in the best interests of the Company to move forward with the Stock Dividend) whether shareholders will receive fractional shares in connection with the Stock Dividend; whether fractional shares will be rounded up or down to the nearest whole share; or whether cash will be paid for fractional shares which otherwise would be due to such shareholders of record in connection with the proposed Stock Dividend.

Our Board reserves the right, whether the Stock Dividend is approved by shareholders or not, to forego, postpone or move forward with the Stock Dividend within the Range or outside of the Range, if it determines such action is in our best interests or the best interests of our shareholders.

What Is The Purpose Of The Proposed Stock Dividend?

The Board believes that the Stock Dividend will increase the number of outstanding shares of the Company's common stock and would therefore increase the number of shares in the Company's public float and may improve the Company's trading volumes and liquidity on the Amex.

How Will the Stock Dividend Affect My Rights?

The additional shares of common stock issued pursuant to the Stock Dividend will have the same rights, preferences and privileges as the shares of common stock now issued. As such, the proposed Stock Dividend will not dilute the voting power or economic value of the issued and outstanding shares of the Company's common stock (except in the event the Board determines to round up or down or purchase fractional shares due as a result of the Stock Dividend). Also, because the Stock Dividend will result in more shares of our common stock outstanding, the per share income/(loss), per share book value and other "per share" calculations in our quarterly and annual financial statements will be decreased proportionately with the Stock Dividend.

The Board does not consider the Stock Dividend as an anti-takeover measure and the Board does not currently contemplate recommending the adoption of any other measure that could be construed as an anti-takeover measure.

Concurrently with the effectuation of the Stock Dividend, assuming that the Board in its sole authority determines it is in the best interests of the shareholders to move forward with such Stock Dividend, and for the purposes of ensuring that all of the shares of common stock issued pursuant to the Stock Dividend are fully paid and non-assessable, the Company will adjust its financial statements in order to allocate funds to its paid up share capital equal in value to the aggregate par value of the shares of common stock issued pursuant to the Stock Dividend.

The proposed increase in the authorized shares of common stock would become effective immediately upon the filing of the Amendment with the office of the Secretary of State of the State of Nevada. We expect to file the Amendment promptly upon approval by the Shareholders.

What Are Some Of The Potential Disadvantages Of The Stock Dividend?

Reduced Trading Price. We believe that the increase in our outstanding shares of common stock as a result of the Stock Dividend may proportionately decrease the market price of our common stock, although we cannot assure you that the Stock Dividend will result in a decrease in the market price of our common stock by a factor equal to the Stock Dividend itself (between 2% and 10%), depending on what ratio of Stock Dividend our Board of Directors believes is in our best interests), or that such Stock Dividend will result in any permanent decrease in the market price of our common stock, which can be dependent upon many factors, including our business and financial performance and prospects. If the per share price does not decrease proportionately as a result of the Stock Dividend, then our overall market capitalization may be further reduced.

Increased Transaction Costs; Round Lot Rounding. The number of shares held by each individual shareholder will be increased if the Stock Dividend is approved in a ratio of between 2% and 10%. As such, the Stock Dividend could result in shareholders holding an “odd lot”, or less than 100 shares. A securities transaction of 100 or more shares is a “round lot” transaction of shares for securities trading purposes and a transaction of less than 100 shares is an “odd lot” transaction. Round lot transactions are the standard size requirements for securities transactions and odd lot transactions may result in higher transaction costs to the odd lot seller.

Authorized Shares; Future Financings. Upon effectiveness of the Stock Dividend, the number of authorized shares of common stock that are not issued or outstanding would decrease. As a result, we will have a decreased number of authorized but unissued shares of common stock which we may issue in financings, acquisitions or otherwise.

Vote Required

The Company is requesting the approval of the affirmative vote of the holders of a majority of the outstanding shares entitled to vote at the Annual Meeting, in person or by proxy for ratification of the Stock Dividend; provided that there is no requirement that the Company obtain such shareholder ratification for such Stock Dividend, and the Board reserves the right to go forward with such Stock Dividend in the future regardless of whether such Stock Dividend is ratified by the shareholders at the Meeting. Furthermore, the Board reserves the right to issue a stock dividend outside of the Range and/or to issue a cash dividend, subject to applicable regulations, at any time. For the approval of the Stock Dividend, you may vote “FOR” or “AGAINST” or abstain from voting. If you hold your shares in your own name and abstain from voting on this matter, your abstention will have the effect of a vote “AGAINST” this proposal. If you hold your shares through a broker, bank, trustee or other nominee and you do not instruct them on how to vote on this proposal, your broker or other nominee will not have authority to vote your shares and such non-vote will have the effect of a vote “AGAINST” the ratification of the Stock Dividend.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF OUR BOARD OF DIRECTORS TO AFFECT A STOCK DIVIDEND OF THE COMPANY’S COMMON STOCK IN A RANGE OF BETWEEN 2% AND 10%.

Lucas 2010 Incentive Compensation Plan

The Company shareholders approved the Lucas Energy, Inc. 2010 Long Term Incentive Plan ("Incentive Plan" or "Plan") at the annual shareholder meeting held on March 30, 2010. Under the Incentive Plan, 900,000 shares of the Company's common stock are authorized for initial issuance. The number of shares available under the Plan are reduced one for one for each share delivered pursuant to an award under the Plan. Any issued shares that become available due to expiration, forfeiture, surrender, cancellation, termination or settlement in cash of an award under the Incentive Plan may be requested and used as part of a new award under the Plan.

The Plan is administered by the Compensation Committee and/or the Board in its discretion (the "Committee"). The Committee interprets the Plan and has broad discretion to select the eligible persons to whom awards will be granted, as well as the type, size and terms and conditions of each award, including the exercise price of stock options, the number of shares subject to awards, the expiration date of awards, and the vesting schedule or other restrictions applicable to awards. NOMINATIONS FOR THE BOARD OF DIRECTORS

The Nominating Committee of the Board considers nominees for Director based upon a number of qualifications, including their personal and professional integrity, ability, judgment, and effectiveness in serving the long-term interests of the Company's shareholders. There are no specific, minimum or absolute criteria for Board membership. The Committee makes every effort to ensure that the Board and its Committees include at least the required number of independent Directors, as that term is defined by applicable standards promulgated by the NYSE Amex and/or the SEC.

The Nominating Committee may use its network of contacts to compile a list of potential candidates. The Nominating Committee has not in the past relied upon professional search firms to identify Director nominees, but may engage such firms if so desired. The Nominating Committee may meet to discuss and consider candidates' qualifications and then choose a candidate by majority vote.

The Nominating Committee will consider qualified Director candidates recommended in good faith by shareholders, provided those nominees meet the requirements of AMEX and applicable federal securities law. The Nominating Committee's evaluation of candidates recommended by shareholders does not differ materially from its evaluation of candidates recommended from other sources. Any shareholder wishing to recommend a nominee should submit the candidate's name, credentials, contact information and his or her written consent to be considered as a candidate. These recommendations should be submitted in writing to the Company, Attn: Corporate Secretary, Lucas Energy, Inc., 3555 Timmons Lane, Suite 1550, Houston, Texas 77027. The proposing shareholder should also include his or her contact information and a statement of his or her share ownership. AUDIT COMMITTEE REPORT

Our management has the primary responsibility for the financial statements and the reporting process, including our system of internal controls and disclosure controls and procedures. The independent registered public accounting firm audits our financial statements and expresses an opinion on the financial statements based on the audit. The Audit Committee oversees on behalf of the Board (i) our accounting and financial reporting processes and (ii) the audits of our financial statements.

We met and held discussions with management and GBH, our independent registered public accounting firm for fiscal 2010. Management represented to us that our consolidated financial statements for the fiscal year ended March 31, 2010 were prepared in accordance with accounting principles generally accepted in the United States. We reviewed and discussed the consolidated financial statements with both management and GBH. We also discussed with GBH the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees).

We discussed with GBH the overall scope and plans for the audit. We met with GBH, with and without management, to discuss the results of their examination, their evaluation of our internal controls, and the overall quality of our financial reporting.

We discussed with GBH their independence from management and us, and received GBH's written disclosures and letter required by the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence.

Based on the foregoing, the Audit Committee recommended that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2010, for filing with the SEC.

- (2) Preferred Stock. Ten Million (10,000,000) shares of Preferred Stock having a par value of \$0.001 per share (the "Preferred Stock").

All capital stock when issued shall be fully paid and nonassessable. No holder of shares of stock of this Corporation is entitled as such to any pre-emptive or preferential rights to subscribe to any unissued stock or any other securities which the Corporation may now or hereafter issue.

B. Common Stock.

- (1) Number of Shares. The Common Stock shall consist of One Hundred Million (100,000,000) shares.
- (2) Voting. Except as provided in these Articles of Incorporation or by applicable law, each holder of Common Stock is entitled to one vote for each share of Common Stock held of record on all matters as to which Common Stockholders are entitled to vote, which voting rights shall not be cumulative in any election of Directors.
- (3) Other Rights. Each share of Common Stock issued and outstanding shall be identical in all respects with each other such share, and no dividends shall be paid on any shares of Common Stock unless the same dividend is paid on all shares of Common Stock outstanding at the time of such payment. Except for and subject to those rights expressly granted to the holders of Preferred Stock and except as may be provided by the laws of the State of Nevada, the Common Stockholders shall have all other rights of stockholders.

C. Preferred Stock.

Subject to the terms contained in any designation of a series of Preferred Stock, the Board of Directors is expressly authorized, at any time and from time to time, to fix, by resolution or resolutions, the following provisions for shares of any class or classes of Preferred Stock of the Corporation:

- (1) The designation of such class or series, the number of shares to constitute such class or series which may be increased (but not below the number of shares of that class or series then outstanding) by a resolution of the Board of Directors;
- (2) Whether the shares of such class or series shall have voting rights, in addition to any voting rights provided by law, and if so, the terms of such voting rights;

- (3) The dividends, if any, payable on such class or series, whether any such dividends shall be cumulative, and, if so, from what dates, the conditions and dates upon which such dividends shall be payable, and the preference or relation which such dividends shall bear to the dividends payable on any share of stock of any other class or any other shares of the same class;
- (4) Whether the shares of such class or series shall be subject to redemption by the Corporation, and, if so, the times, prices and other conditions of such redemption or a formula to determine the times, prices and such other conditions;
- (5) The amount or amounts payable upon shares of such series upon, and the rights of the holders of such class or series in, the voluntary or involuntary liquidation, dissolution or winding up, or upon any distribution of the assets, of the Corporation;
- (6) Whether the shares of such class or series shall be subject to the operation of a retirement or sinking fund, and, if so, the extent to and manner in which any such retirement or sinking fund shall be applied to the purchase or redemption of the shares of such class or series for retirement or other corporate purposes and the terms and provisions relative to the operation thereof;
- (7) Whether the shares of such class or series shall be convertible into, or exchangeable for, shares of stock of any other class or any other series of the same class or any other securities and, if so, the price or prices or the rate or rates of conversion or exchange and the method, if any, of adjusting the same, and any other terms and conditions of conversion or exchanges;
- (8) The limitations and restrictions, if any, to be effective while any shares of such class or series are outstanding upon the payment of dividends or the making of other distributions on, and upon the purchase, redemption or other acquisition by the Corporation of the Common Stock or shares of stock of any other class or any other series of the same class;
- (9) The conditions or restrictions, if any, upon the creation of indebtedness of the Corporation or upon the issuance of any additional stock, including additional shares of such class or series or of any other series of the same class or of any other class;
- (10) The ranking (be it *pari passu*, junior or senior) of each class or series vis-à-vis any other class or series of any class of Preferred Stock as to the payment of dividends, the distribution of assets and all other matters;
- (11) Facts or events to be ascertained outside the articles of incorporation of the Corporation, or the resolution establishing the class or series of stock, upon which any rate, condition or time for payment of distributions on any class or series of stock is dependent and the manner by which the fact or event operates upon the rate, condition or time of payment;
- (12) Any other powers, preferences and relative, participating, optional and other special rights, and any qualifications, limitations and restrictions thereof, insofar as they are not inconsistent with the provisions of the Articles of Incorporation of this Corporation, to the full extent permitted by the laws of the State of Nevada.

The powers, preferences and relative, participating, optional and other special rights of each class or series of Preferred Stock, and the qualifications, limitations or restrictions thereof, if any, may differ from those of any and all other series at any time outstanding.
