Item 1.01 Entry into a Material Definitive Agreement.

On November 18, 2021, Viking Energy Group, Inc. (“**Viking**”), a majority-owned subsidiary of Camber Energy, Inc., entered into a Membership Interest Purchase Agreement (the “**MIPA**”) with RESC Renewables Holdings, LLC (the “**Seller**”) to acquire all of the membership interests (collectively, the “**Acquired Interests**”) of New Rise Renewables, LLC (“**New Rise**”). New Rise owns all of membership interests in each of New Rise Renewables Reno, LLC (“**New Rise Reno**”) and New Rise Processing Reno, LLC (“**New Rise Processing**”) and, together with New Rise and New Rise Reno, the “**Acquired Entities**”). The Acquired Entities are in the process of engineering, developing, constructing and bringing into commercial operations a processing plant located in Reno, Nevada, that is designed to produce renewable diesel (the “**Plant**”).

The purchase price (the “**Purchase Price**”) for the Acquired Interests is to equal the appraised value of the Acquired Interests (as determined by a third party appraisal firm agreed to by Viking and the Seller) less the amount of the Viking Bond, which is defined in the MIPA as the face value of the bond financing or other credit facility arranged by Viking to complete the purchase of the Acquired Interests, facilitate the payment of New Rise liabilities as set forth in the MIPA and to complete the remainder of the Plant to and beyond the date that the Plant commences commercial operations. The face value of the Viking Bond is estimated to be \$250 to \$275 million depending on marketing conditions.

The Purchase Price, subject to permitted adjustments, is to be paid as follows: (i) \$8,000,000 in cash on the Closing Date; and (ii) as to the balance, via issuance of shares of convertible preferred stock of Viking with the following features: (i) no voting rights; (ii) a dividend rate of 7.25% per annum, with dividends payable semi-annually in cash or in shares of common stock of Viking, or combination of both, in each case at Viking’s option, with dividends to start accruing on the first day of the month immediately following the date that the Plant commences commercial operations; (iii) conversion rights with the preferred shares convertible into shares of common stock of Viking at a fixed conversion price equal to the volume weighted average price of Viking’s common stock during the period commencing on the date which the terms of the MIPA are disclosed by Viking through a Current Report on Form 8-K filed with the Securities and Exchange Commission and ending on the date that is the 10th business day following the Closing Date; (iv) all conversions shall be subject to a 9.99% equity blocker, and the conversion rights with respect to 40% of the preferred shares shall not apply until the date that the Plant commences commercial operations; and (v) redemption rights and other features of the preferred stock to be determined by Viking’s accounting consultants such that the preferred shares may be characterized as “permanent equity” on Viking’s balance sheet.

Viking’s obligation to purchase the Acquired Interests is conditioned on a number of items set out in the MIPA, including, without limitation: (i) Viking having obtained the Viking Bond, on terms and conditions satisfactory to Viking in its sole discretion; and (ii) Viking having completed its due diligence investigation of the Acquired Entities and the Plant, and, in its sole discretion, being satisfied with the results of such due diligence investigation. There is no guaranty the conditions will be satisfied.

The Closing Date of the acquisition of the Acquired Interests is to be no later than two business days after the last of the conditions to closing set out in the MIPA have been satisfied or waived (other than conditions which, by their nature, are to be satisfied on the Closing Date).

Concurrent with the execution of the MIPA, New Rise Processing executed and delivered in Viking’s favor a promissory note in the principal amount of \$1,500,000 (the “**Note**”), and Viking advanced \$1,500,000 to New Rise Processing on November 19, 2021, under the Note. New Rise Processing’s obligations under the Note are secured by: (i) a Guaranty executed by the Seller (RESC Renewable Holdings, LLC) in favor of Viking (the “**Guaranty**”), and (ii) a Security Agreement-Pledge executed by RESC, LLC (the owner of the Seller) in favor of Viking, granting Viking a first position and perfected security interest in 20% of the membership interests of the Seller (the “**Pledge Agreement**”). Each of the Note, Guaranty and Pledge Agreement are dated November 18, 2021. The Note bears interest at a rate of 10% per annum, and all principal and accrued interest due thereunder are payable on the earlier of:

(i) Viking's acquisition of the Acquired Interests; or (ii) June 30, 2022.

The foregoing descriptions of MIPA, Note, Guaranty, and Pledge Agreement do not purport to be complete and are qualified in their entirety by reference to the form of MIPA, Note, Guaranty, and Pledge Agreement, copies of which are filed as Exhibits 10.1, 10.2, 10.3, and 10.4 to this Current Report on Form 8-K and incorporated in this Item 1.01 by reference in their entirety.

For purposes hereof, “**Acquisition Proposal**” shall mean any inquiry, proposal or offer from any Person (other than Buyer or any of its Affiliates) concerning (i) a merger, consolidation, liquidation, recapitalization or other business combination transaction involving any Acquired Company; (ii) the issuance or acquisition of Membership Interests in any Acquired Company; or (iii) the sale, lease, exchange or other disposition of any significant portion of any Acquired Company’s properties or assets, but shall not include debt financing that is disclosed in advance prior to incurrence to Buyer as contemplated in Section 1.3(d) of the Letter of Intent.

(b) In addition to the other obligations under this Section 5.03, Seller shall promptly (and in any event within three (3) Business Days after receipt thereof by Seller or its Representatives) advise Buyer orally and in writing of any Acquisition Proposal, any request for information with respect to any Acquisition Proposal, or any inquiry with respect to or which could reasonably be expected to result in an Acquisition Proposal, the material terms and conditions of such request, Acquisition Proposal or inquiry, and the identity of the Person making the same.

(c) Seller agrees that the rights and remedies for noncompliance with this Section 5.03 shall include having such provision specifically enforced by any court having equity jurisdiction, it being acknowledged and agreed that any such breach or threatened breach shall cause irreparable injury to Buyer and that money damages would not provide an adequate remedy to Buyer.

Section 5.04 Notice of Certain Events.

(a) From the date hereof until the Closing, Seller shall promptly notify Buyer in writing of:

(i) any incurrence of Liabilities in excess of \$20,000 individually or in the aggregate and any incurrence of Indebtedness;

(ii) any change in the timing to bring the Plant into commercial operations when the anticipated impact is for a duration of longer than five (5) Business Days;

(iii) any change or proposed change to a Material Contract;

(iv) any fact, circumstance, event or action the existence, occurrence or taking of which (A) has had, or could reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, (B) has resulted in, or could reasonably be expected to result in, any representation or warranty made by Seller hereunder not being true and correct or (C) has resulted in, or could reasonably be expected to result in, the failure of any of the conditions set forth in Section 7.02 or Section 7.03 to be satisfied;

(v) any change in any Permit, the seeking of a new Permit, the revocation of an existing Permit, or the denial of a Permit;

(vi) any notice or other communication from any Person alleging that the consent of such Person is or may be required in connection with the transactions contemplated by this Agreement;

(vii) any notice or other communication from any Governmental Authority in connection with the transactions contemplated by this Agreement; and

(viii) any Actions commenced or, to Seller's Knowledge, threatened against, relating to or involving or otherwise affecting Seller or the Company that, if pending on the date of this Agreement, would have been required to have been disclosed or that relates to the consummation of the transactions contemplated by this Agreement.

(b) Buyer's receipt of information pursuant to this Section 5.04 shall not operate as a waiver or otherwise affect any representation, warranty or agreement given or made by Seller in this Agreement and shall not be deemed to amend or supplement the Disclosure Schedules.

Section 5.05 Confidentiality. Prior to Closing, the provisions in Section 2.2 of the Letter Agreement shall continue to apply. From and after the Closing, Seller shall, and shall cause its Affiliates to, hold, and shall use its reasonable best efforts to cause its or their respective Representatives to hold, in confidence any and all information, whether written or oral, concerning the Acquired Companies, except to the extent that Seller can show that such information (a) is generally available to and known by the public through no fault of Seller, any of its Affiliates or their respective Representatives; or (b) is lawfully acquired by Seller, any of its Affiliates or their respective Representatives from and after the Closing from sources which are not prohibited from disclosing such information by a legal, contractual or fiduciary obligation. If Seller or any of its Affiliates or their respective Representatives are compelled to disclose any information by judicial or administrative process or by other requirements of Law, Seller shall promptly notify Buyer in writing and shall disclose only that portion of such information which Seller is advised by its counsel in writing is legally required to be disclosed, *provided that* Seller shall use reasonable best efforts to obtain an appropriate protective order or other reasonable assurance that confidential treatment will be accorded such information.

Section 5.06 Non-Competition; Non-Solicitation.

(a) For a period of three (3) years commencing on the Closing Date (the “**Restricted Period**”), Seller shall not, and shall not permit any of its Affiliates to, directly or indirectly, (i) engage in or assist others in engaging in the Restricted Business in the Territory; (ii) have an interest in any Person that engages directly or indirectly in the Restricted Business in the Territory in any capacity, including as a partner, shareholder, member, employee, principal, agent, trustee or consultant; or (iii) intentionally interfere in any material respect with the business relationships (whether formed prior to or after the date of this Agreement) between any Acquired Company and customers or suppliers of any Acquired Company. Notwithstanding the foregoing, (i) Seller may own, directly or indirectly, solely as an investment, securities of any Person traded on any national securities exchange if Seller is not a controlling Person of, or a member of a group which controls, such Person and does not, directly or indirectly, own 5% or more of any class of securities of such Person, and (ii) Seller or its Affiliates shall have the right to develop and/or construct additional plant sites using customers or suppliers of the Acquired Companies provided that (a) Seller gives Viking and its Affiliates ninety (90) days advance written notice, (b) the notice provides Viking and/or its Affiliates a description of the proposed plant and the timing of development and construction, (c) Viking and its Affiliates are provided with a right of first refusal for a period of ninety (90) days during which time Seller, Viking and its Affiliates covenant and agree to negotiate in good faith a participation or joint venture (whether financial or operational) in the plant to be developed or constructed.

36

(b) During the Restricted Period, Seller shall not, and shall not permit any of its Affiliates to, directly or indirectly, hire or solicit any employee of Viking and its Affiliates or of any Acquired Company or encourage any such employee to leave such employment or hire any such employee who has left such employment, except pursuant to a general solicitation which is not directed specifically to any such employees; *provided*, that nothing in this Section 5.06(b) shall prevent Seller or any of its Affiliates from hiring (i) any employee whose employment has been terminated by Viking and its Affiliates or an Acquired Company or Buyer or (ii) after 180 days from the date of termination of employment, any employee whose employment has been terminated by the employee.

(c) During the Restricted Period, Seller shall not, and shall not permit any of its Affiliates to, directly or indirectly, solicit or entice, or attempt to solicit or entice, any clients or customers of any Acquired Company or potential clients or customers of any Acquired Company for purposes of diverting their business or services from any Acquired Company.

(d) Seller acknowledges that a breach or threatened breach of this Section 5.06 would give rise to irreparable harm to Buyer, for which monetary damages would not be an adequate remedy, and hereby agrees that in the event of a breach or a threatened breach by Seller of any such obligations, Buyer shall, in addition to any and all other rights and remedies that may be available to it in respect of such breach, be entitled to equitable relief, including a temporary restraining order, an injunction, specific performance and any other relief that may be available from a court of competent jurisdiction (without any requirement to post bond).

(e) Seller acknowledges that the restrictions contained in this Section 5.06 are reasonable and necessary to protect the legitimate interests of Buyer and constitute a material inducement to Buyer to enter into this Agreement and consummate the transactions contemplated by this Agreement. In the event that any covenant contained in this Section 5.06 should ever be adjudicated to exceed the time, geographic, product or service, or other limitations permitted by Law in any jurisdiction, then any court is expressly empowered to reform such covenant, and such covenant shall be deemed reformed, in such jurisdiction to the maximum time, geographic, product or service, or other limitations permitted by Law. The covenants contained in this Section 5.06 and each provision hereof are severable and distinct covenants and provisions. The invalidity or unenforceability of any such covenant or provision as written shall not invalidate or render unenforceable the remaining covenants or provisions hereof, and any such invalidity or unenforceability in any jurisdiction shall not invalidate or render unenforceable such covenant or provision in any other jurisdiction.

Section 5.07 Governmental Approvals and Consents.

(a) Each Party hereto shall, as promptly as possible, (i) make, or cause or be made, all filings and submissions (including those under the HSR Act, which shall be filed within fifteen (15) Business Days of the end of the Inspection Period unless otherwise agreed by both Parties) required under any Law applicable to such Party or any of its Affiliates; and (ii) use reasonable best efforts to obtain, or cause to be obtained, all consents, authorizations, orders and approvals from all

Governmental Authorities that may be or become necessary for its execution and delivery of this Agreement and the performance of its obligations pursuant to this Agreement and the Ancillary Documents. Each Party shall cooperate fully with the other Party and its Affiliates in promptly seeking to obtain all such consents, authorizations, orders, and approvals. The Parties hereto shall not willfully take any action that will have the effect of delaying, impairing or impeding the receipt of any required consents, authorizations, orders and approvals.

(b) Seller and Buyer shall use reasonable best efforts to give all notices to, and obtain all consents from, all third parties that are described in Schedule 3.05.

(c) Without limiting the generality of the Parties' undertakings pursuant to subsections (a) and (b) above, each of the Parties hereto shall use all reasonable best efforts to:

(i) respond to any inquiries by any Governmental Authority regarding antitrust or other matters with respect to the transactions contemplated by this Agreement or any Ancillary Document;

(ii) avoid the imposition of any order or the taking of any action that would restrain, alter or enjoin the transactions contemplated by this Agreement or any Ancillary Document; and

(iii) in the event any Governmental Order adversely affecting the ability of the Parties to consummate the transactions contemplated by this Agreement or any Ancillary Document has been issued, to have such Governmental Order vacated or lifted.

(d) If any consent, approval, or authorization necessary to preserve any right or benefit under any Contract to which any Acquired Company is a party is not obtained prior to the Closing, Seller shall, subsequent to the Closing, cooperate with Buyer and the Acquired Company in attempting to obtain such consent, approval or authorization as promptly thereafter as practicable. If such consent, approval or authorization cannot be obtained, Seller shall use its reasonable best efforts to provide the Acquired Company with the rights and benefits of the affected Contract for the term thereof, and, if Seller provides such rights and benefits, the Acquired Company shall assume all obligations and burdens thereunder.

(e) All analyses, appearances, meetings, discussions, presentations, memoranda, briefs, filings, arguments, and proposals made by or on behalf of either Party before any Governmental Authority or the staff or regulators of any Governmental Authority, in connection with the transactions contemplated hereunder (but, for the avoidance of doubt, not including any interactions between Seller or any Acquired Company with Governmental Authorities in the ordinary course of business, any disclosure which is not permitted by Law or any disclosure containing confidential information) shall be disclosed to the other Party hereunder in advance of any filing, submission or attendance, it being the intent that the Parties will consult and cooperate with one another, and consider in good faith the views of one another, in connection with any such analyses, appearances, meetings, discussions, presentations, memoranda, briefs, filings, arguments, and proposals. Each Party shall give notice to the other Party with respect to any meeting, discussion, appearance or contact with any Governmental Authority or the staff or regulators of any Governmental Authority, with such notice being sufficient to provide the other Party with the opportunity to attend and participate in such meeting, discussion, appearance or contact.

(f) Notwithstanding the foregoing, nothing in this Section 5.07 shall require, or be construed to require, Buyer or any of its Affiliates to agree to (i) sell, hold, divest, discontinue or limit, before or after the Closing Date, any assets, businesses or interests of Buyer, any Acquired Company or any of their respective Affiliates; (ii) any conditions relating to, or changes or restrictions in, the operations of any such assets, businesses or interests which, in either case, could reasonably be expected to result in a Material Adverse Effect or materially and adversely impact the economic or business benefits to Buyer of the transactions contemplated by this Agreement; or (iii) any material modification or waiver of the terms and conditions of this Agreement.

Section 5.08 Books and Records.

(a) In order to facilitate the resolution of any claims made against or incurred by Seller prior to the Closing, or for any other reasonable purpose, for a period of five (5) years after the Closing, Buyer shall:

(i) retain the books and records (including personnel files) of the Acquired Companies relating to periods prior to the Closing in a manner reasonably consistent with the prior practices of the Acquired Companies; and

(ii) upon reasonable notice, afford the Representatives of Seller reasonable access (including the right to make, at Seller's expense, photocopies), during normal business hours, to such books and records;

provided, however, that any books and records related to Tax matters shall be retained pursuant to the periods set forth in ARTICLE VI.

(b) In order to facilitate the resolution of any claims made by or against or incurred by Buyer or an Acquired Company after the Closing, or for any other reasonable purpose, for a period of five (5) years following the Closing, Seller shall:

(i) retain the books and records (including personnel files) of Seller which relate to the Acquired Companies and their operations for periods prior to the Closing; and

(ii) upon reasonable notice, afford the Representatives of Buyer or the Acquired Companies reasonable access (including the right to make, at Buyer's expense, photocopies), during normal business hours, to such books and records;

provided, however, that any books and records related to Tax matters shall be retained pursuant to the periods set forth in ARTICLE VI.

(c) Neither Buyer nor Seller shall be obligated to provide the other Party with access to any books or records (including personnel files) pursuant to this Section 5.08 where such access would violate any Law.

Section 5.09 Closing Conditions From the date hereof until the Closing, each Party hereto shall, and Seller shall cause the Company to, use reasonable best efforts to take such actions as are necessary to expeditiously satisfy the closing conditions set forth in ARTICLE VII hereof.

Section 5.10 Public Announcements. Unless otherwise required by Law or stock exchange requirements (based upon the reasonable advice of counsel), no Party to this Agreement shall make any public announcements in respect of this Agreement or the transactions contemplated hereby or otherwise communicate with any news media without the prior written consent of the other Party (which consent shall not be unreasonably withheld, conditioned or delayed), and the Parties shall cooperate as to the timing and contents of any such announcement. The Parties agree and acknowledge that this signing of this Agreement and the closing of the transactions contemplated hereby will require Viking to file a Current Report on Form 8-K with the Securities and Exchange Commission.

Section 5.11 Cooperation with Financing. Following the date of this Agreement, Buyer shall use its reasonable efforts to assist Seller in seeking bridge financing ("**Bridge Financing**") in order for Seller to continue construction and completion of the Plant. Any Bridge Financing will be on terms and conditions subject to Buyer in its sole discretion, and may only be used by Seller for funding of the items set out in Section 5.11, unless otherwise consented to in writing by Buyer. Upon request of Buyer, Seller shall, and shall cause the Acquired Companies, to provide reasonable cooperation and assistance to Buyer in connection with the arrangement of the financing contemplated by this Agreement.

Section 5.12 Issuance of Securities of Camber Energy Pursuant to Camber Energy Merger; Listing Application. If, subsequent to the Closing and the issuance of the Share Consideration to Seller, Viking engages in a Business Combination with Camber pursuant to the Camber Energy Merger, the Share Consideration will be converted into preferred stock of Camber with

substantially the same terms as the Share Consideration. If the Camber Energy Merger is not completed within sixty (60) days following the Closing Date, Viking shall use its commercially reasonable efforts to submit a listing application to either the New York Stock Exchange or the NASDAQ Stock Market LLC in order to have its common stock or other securities quoted on such market. Viking will use its commercially reasonable efforts to submit any such listing application within ninety (90) days following the Closing Date, unless otherwise consented to by the Seller in writing (which consent shall not be unreasonably withheld, conditioned or delayed).

Section 5.13 Disclosure Schedules. Within twenty (20) Business Days after the date hereof, the Seller shall prepare and deliver to Buyer each Disclosure Schedule or diligence item that was not provided at execution of this Agreement, which shall include all information necessary to make the representations and warranties of the Seller contained in this Agreement accurate as of the date hereof and the Closing Date; provided, however, that no such delivery of the Disclosure Schedules shall have any effect for purposes of determining the satisfaction of the conditions set forth in ARTICLE VII or have any effect on the indemnification obligations of the Seller set forth in ARTICLE VIII.

Section 5.14 Further Assurances. Following the Closing, each of the Parties hereto shall, and shall cause their respective Affiliates to, execute and deliver such additional documents, instruments, conveyances and assurances and take such further actions as may be reasonably required to carry out the provisions hereof and give effect to the transactions contemplated by this Agreement.

ARTICLE VI TAX MATTERS

Section 6.01 Tax Covenants.

(a) Without the prior written consent of Buyer, Seller (and, prior to the Closing, the Acquired Companies, their Affiliates and their respective Representatives) shall not, to the extent it may affect, or relate to, any Acquired Company or the Plant, make, change or rescind any Tax election, amend any Tax Return or take any position on any Tax Return, take any action, omit to take any action or enter into any other transaction that would have the effect of increasing the Tax liability or reducing any Tax asset of Buyer or any Acquired Company or the Plant in respect of any Post-Closing Tax Period. Seller agrees that Buyer is to have no liability for any Tax resulting from any action of Seller, any Acquired Company, their Affiliates or any of their respective Representatives, and agrees to indemnify and hold harmless Buyer (and, after the Closing Date, the Acquired Companies) against any such Tax or reduction of any Tax asset.

(b) All transfer, documentary, sales, use, stamp, registration, value added and other such Taxes and fees (including any penalties and interest) incurred in connection with this Agreement and the Ancillary Documents (including any real property transfer Tax and any other similar Tax) shall be borne and paid by Seller when due. Seller shall, at its own expense, timely file any Tax Return or other document with respect to such Taxes or fees (and Buyer shall cooperate with respect thereto as necessary).

(c) Buyer shall prepare, or cause to be prepared, all Tax Returns required to be filed by any Acquired Company after the Closing Date with respect to a Pre-Closing Tax Period. Any such Tax Return shall be prepared in a manner consistent with past practice (unless otherwise required by Law) and without a change of any election or any accounting method and shall be submitted by Buyer to Seller (together with schedules, statements and, to the extent requested by Seller, supporting documentation) at least forty-five (45) days prior to the due date (including extensions) of such Tax Return. If Seller objects to any item on any such Tax Return, it shall, within ten (10) days after delivery of such Tax Return, notify Buyer in writing that it so objects, specifying with particularity any such item and stating the specific factual or legal basis for any such objection. If a notice of objection shall be duly delivered, Buyer and Seller shall negotiate in good faith and use their reasonable best efforts to resolve such items. If Buyer and Seller are unable to reach such agreement within ten (10) days after receipt by Buyer of such notice, the disputed items shall be resolved by the Independent Accountant and any determination by the Independent Accountant shall be final. The Independent Accountant shall resolve any disputed items within twenty (20) days of having the item referred to it pursuant to such procedures as it may require. If the Independent Accountant is unable to resolve any disputed items before the due date for such Tax Return, the Tax Return shall be filed as prepared by Buyer and then amended to reflect the Independent Accountant's resolution. The costs, fees and expenses of the Independent Accountant shall be borne equally by Buyer and Seller. The preparation and filing of any Tax Return of any Acquired Company that does not relate to a Pre-Closing Tax Period shall be exclusively within the control of Buyer.

Section 6.02 Termination of Existing Tax Sharing Agreements. Any and all existing Tax sharing agreements (whether written or not) binding upon any Acquired Company shall be terminated as of the Closing Date. After such date no Acquired Company, Seller nor any of Seller's Affiliates and their respective Representatives shall have any further rights or liabilities thereunder.

Section 6.03 Tax Indemnification. Except to the extent treated as a liability pursuant to the Purchase Price Adjustment Mechanism, Seller shall indemnify the Acquired Companies, Buyer, and each Buyer Indemnitee and hold them harmless from and against (a) any Loss attributable to any breach of or inaccuracy in any representation or warranty made in Section 3.23; (b) any Loss attributable to any breach or violation of, or failure to fully perform, any covenant, agreement, undertaking or obligation in ARTICLE VI; (c) all Taxes of the Acquired Companies or relating to the business of the Acquired Companies for all Pre-Closing Tax Periods; (d) all Taxes of any member of an affiliated, consolidated, combined or unitary group of which the Acquired Companies (or any predecessor of the Acquired Companies) is or was a member on or prior to the Closing Date by reason of a liability under Treasury Regulation Section 1.1502-6 or any comparable provisions of foreign, state or local Law; and (e) any and all Taxes of any person imposed on any Acquired Company arising under the principles of transferee or successor liability or by contract, relating to an event or transaction occurring before the Closing Date. In each of the above cases, together with any out-of-pocket fees and expenses (including attorneys' and accountants' fees) incurred in connection therewith. Seller shall reimburse Buyer for any Taxes of any Acquired Company that are the responsibility of Seller pursuant to this Section 6.03 within ten (10) Business Days after payment of such Taxes by Buyer or any Acquired Company.

Section 6.04 Straddle Period. In the case of Taxes that are payable with respect to a taxable period that begins before and ends after the Closing Date (each such period, a "**Straddle Period**"), the portion of any such Taxes that are treated as Pre-Closing Taxes for purposes of this Agreement shall be:

(a) in the case of Taxes (i) based upon, or related to, income, receipts, profits, wages, capital or net worth, (ii) imposed in connection with the sale, transfer or assignment of property, or (iii) required to be withheld, deemed equal to the amount which would be payable if the taxable year ended with the Closing Date; and

(b) in the case of other Taxes, deemed to be the amount of such Taxes for the entire period multiplied by a fraction the numerator of which is the number of days in the period ending on the Closing Date and the denominator of which is the number of days in the entire period.

Section 6.05 Contests. Buyer agrees to give written notice to Seller of the receipt of any written notice by any Acquired Company, Buyer or any of Buyer's Affiliates which involves the assertion of any claim, or the commencement of any Action, in respect of which an indemnity may be sought by Buyer pursuant to this ARTICLE VI (a "**Tax Claim**"); *provided*, that failure to comply with this provision shall not affect Buyer's right to indemnification hereunder. Buyer shall control the contest or resolution of any Tax Claim; *provided, however*, that Buyer shall obtain the prior written consent of Seller (which consent shall not be unreasonably withheld, conditioned or delayed) before entering into any settlement of a claim or ceasing to defend such claim; and, *provided further*, that Seller shall be entitled to participate in the defense of such claim and to employ counsel of its choice for such purpose, the fees and expenses of which separate counsel shall be borne solely by Seller.

Section 6.06 Cooperation and Exchange of Information. Seller and Buyer shall provide each other with such cooperation and information as either of them reasonably may request of the other in filing any Tax Return pursuant to this ARTICLE VI or in connection with any audit or other proceeding in respect of Taxes of any Acquired Company. Such cooperation and information shall include providing copies of relevant Tax Returns or portions thereof, together with accompanying schedules, related work papers and documents relating to rulings or other determinations by tax authorities. Each of Seller and Buyer shall retain all Tax Returns, schedules and work papers, records and other documents in its possession relating to Tax matters of any Acquired Company for any taxable period beginning before the Closing Date until the expiration of the statute of limitations of the taxable periods to which such Tax Returns and other documents relate, without regard to extensions except to the extent notified by the other Party in writing of such

extensions for the respective Tax periods. Prior to transferring, destroying or discarding any Tax Returns, schedules and work papers, records and other documents in its possession relating to Tax matters of any Acquired Company for any taxable period beginning before the Closing Date, Seller or Buyer (as the case may be) shall provide the other Party with reasonable written notice and offer the other Party the opportunity to take custody of such materials.

Section 6.07 Tax Treatment of Indemnification Payments. Any indemnification payments pursuant to this ARTICLE VI shall be treated as an adjustment to the Purchase Price by the Parties for Tax purposes, unless otherwise required by Law. Notwithstanding anything in this Agreement to the contrary, the provisions of Section 3.23 and this ARTICLE VI shall survive for the full period of all applicable statutes of limitations (giving effect to any waiver, mitigation or extension thereof) plus 60 days.

Section 6.08 Overlap. To the extent that any obligation or responsibility pursuant to ARTICLE VIII may overlap with an obligation or responsibility pursuant to this ARTICLE VI, the provisions of this ARTICLE VI shall govern.

All covenants and agreements of the Parties contained herein (other than any covenants or agreements contained in ARTICLE VI which are subject to ARTICLE VI) shall survive the Closing indefinitely or for the period explicitly specified therein. Notwithstanding the foregoing, any claims asserted in good faith with reasonable specificity (to the extent known at such time) and in writing by notice from the non-breaching Party to the breaching Party prior to the expiration date of the applicable survival period shall not thereafter be barred by the expiration of the relevant representation or warranty and such claims shall survive until finally resolved.

Section 8.02 Indemnification By Seller. Subject to the other terms and conditions of this ARTICLE VIII, Seller shall indemnify and defend each of Buyer and its Affiliates and its respective Representatives (collectively, the "**Buyer Indemnitees**") against, and shall hold each of them harmless from and against, and shall pay and reimburse each of them for, any and all Losses incurred or sustained by, or imposed upon, the Buyer Indemnitees based upon, arising out of, with respect to or by reason of:

(a) any inaccuracy in or breach of any of the representations or warranties of Seller contained in this Agreement or in any certificate or instrument delivered by or on behalf of Seller pursuant to this Agreement (other than in respect of Section 3.23, it being understood that the sole remedy for any such inaccuracy in or breach thereof shall be pursuant to ARTICLE VI), as of the date such representation or warranty was made or as if such representation or warranty was made on and as of the Closing Date (except for representations and warranties that expressly relate to a specified date, the inaccuracy in or breach of which will be determined with reference to such specified date);

(b) any breach or non-fulfillment of any covenant, agreement or obligation to be performed by Seller pursuant to this Agreement (other than any breach or violation of, or failure to fully perform, any covenant, agreement, undertaking or obligation in ARTICLE VI, it being understood that the sole remedy for any such breach, violation or failure shall be pursuant to ARTICLE VI);

(c) Broker Fees for which Seller is obligated;

(d) any matter disclosed by the Seller in Disclosure Schedules not provided at the execution of this Agreement;

(e) Actions against Seller or any Acquired Company pending at the Closing Date, or arising due to facts, circumstances or events occurring prior to the Closing Date; and

(f) Environmental, Health and Safety Requirements pending against the Seller or any Acquired Company at the Closing Date, or arising due to facts, circumstances or events occurring prior to the Closing Date.

Section 8.03 Indemnification By Buyer. Subject to the other terms and conditions of this ARTICLE VIII, Buyer shall indemnify and defend each of Seller and its Affiliates and their respective Representatives (collectively, the “**Seller Indemnitees**”) against, and shall hold each of them harmless from and against, and shall pay and reimburse each of them for, any and all Losses incurred or sustained by, or imposed upon, the Seller Indemnitees based upon, arising out of, with respect to or by reason of:

(a) any inaccuracy in or breach of any of the representations or warranties of Buyer contained in this Agreement or in any certificate or instrument delivered by or on behalf of Buyer pursuant to this Agreement, as of the date such representation or warranty was made or as if such representation or warranty was made on and as of the Closing Date (except for representations and warranties that expressly relate to a specified date, the inaccuracy in or breach of which will be determined with reference to such specified date); or

(b) any breach or non-fulfillment of any covenant, agreement or obligation to be performed by Buyer pursuant to this Agreement (other than ARTICLE VI, it being understood that the sole remedy for any such breach thereof shall be pursuant to ARTICLE VI).

Section 8.04 Certain Limitations.

(a) Seller shall not be liable to the Buyer Indemnitees for indemnification under Section 8.02(a) until the aggregate amount of all Losses in respect of indemnification under Section 8.02(a) exceeds \$100,000 (the “**Basket**”), in which event Seller shall be required to pay or be liable for all such Losses from the first dollar.

(b) Buyer shall not be liable to the Seller Indemnitees for indemnification under Section 8.03(a) until the aggregate amount of all Losses in respect of indemnification under Section 8.02(a) exceeds the Basket, in which event Buyer shall be required to pay or be liable for all such Losses from the first dollar.

(c) Notwithstanding the foregoing, the limitations set forth in Section 8.04(a) and Section 8.04(b) shall not apply to Losses based upon, arising out of, with respect to or by reason of any inaccuracy in or breach of any representation or warranty in Section 3.01, Section 3.02, Section 3.03, Section 3.04, Section 3.05, Section 3.06, Section 3.09, Section 3.10, Section 3.18, Section 3.19, Section 3.23 and Section 3.25, Section 4.01 and Section 4.03.

(d) For purposes of this ARTICLE VIII, any inaccuracy in or breach of any representation or warranty shall be determined without regard to any materiality, Material Adverse Effect or other similar qualification contained in or otherwise applicable to such representation or warranty.

Section 8.05 Indemnification Procedures. The Party making a claim under this ARTICLE VIII is referred to as the “**Indemnified Party**,” and the Party against whom such claims are asserted under this ARTICLE VIII is referred to as the “**Indemnifying Party**.”

(a) *Procedures.* If any Indemnified Party receives notice of the assertion or commencement of any Action made or brought by any Person who is not a party to this Agreement or an Affiliate of a party to this Agreement or a Representative of the foregoing (a “**Third Party Claim**”) against such Indemnified Party with respect to which the Indemnifying Party is

obligated to provide indemnification under this Agreement, the Indemnified Party shall give the Indemnifying Party reasonably prompt written notice thereof, but in any event not later than twenty (20) Business Days after receipt of such notice of such Third Party Claim. The failure to give such prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, except and only to the extent that the Indemnifying Party forfeits rights or defenses by reason of such failure. Such notice by the Indemnified Party shall describe the Third Party Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have the right to participate in, or by giving written notice to the Indemnified Party, to assume the defense of any Third Party Claim at the Indemnifying Party's expense and by the Indemnifying Party's own counsel, and the Indemnified Party shall cooperate in good faith in such defense; *provided*, that if the Indemnifying Party is Seller, such Indemnifying Party shall not have the right to defend or direct the defense of any such Third Party Claim that (x) is asserted directly by or on behalf of a Person that is a supplier or customer of any Acquired Company or any Governmental Authority, or (y) seeks an injunction or other equitable relief against the Indemnified Party. In the event that the Indemnifying Party assumes the defense of any Third Party Claim, subject to Section 8.05(b), it shall have the right to take such action as it deems necessary to avoid, dispute, defend, appeal or make counterclaims pertaining to any such Third Party Claim in the name and on behalf of the Indemnified Party. The Indemnified Party shall have the right to participate in the defense of any Third Party Claim with counsel selected by it subject to the Indemnifying Party's right to control the defense thereof. The fees and disbursements of such counsel shall be at the expense of the Indemnified Party, *provided*, that if in the reasonable opinion of counsel to the Indemnified Party, (A) there are legal defenses available to an Indemnified Party that are different from or additional to those available to the Indemnifying Party; or (B) there exists a conflict of interest between the Indemnifying Party and the Indemnified Party that cannot be waived, the Indemnifying Party shall be liable for the reasonable fees and expenses of counsel to the Indemnified Party in each jurisdiction for which the Indemnified Party determines counsel is required. If the Indemnifying Party elects not to compromise or defend such Third Party Claim, fails to promptly notify the Indemnified Party in writing of its election to defend as provided in this Agreement, or fails to diligently prosecute the defense of such Third Party Claim, the Indemnified Party may, subject to Section 8.05(b), pay, compromise, defend such Third Party Claim and seek indemnification for any and all Losses based upon, arising from or relating to such Third Party Claim. Seller and Buyer shall cooperate with each other in all reasonable respects in connection with the defense of any Third Party Claim, including making available records relating to such Third Party Claim and furnishing, without expense (other than reimbursement of actual out-of-pocket expenses) to the defending party, management employees of the non-defending party as may be reasonably necessary for the preparation of the defense of such Third Party Claim.

(b) *Settlement of Third Party Claims.* Notwithstanding any other provision of this Agreement, the Indemnifying Party shall not enter into settlement of any Third Party Claim without the prior written consent of the Indemnified Party, except as provided in this Section 8.05(b). If a firm offer is made to settle a Third Party Claim without leading to liability or the creation of a financial or other obligation on the part of the Indemnified Party and provides, in customary form, for the unconditional release of each Indemnified Party from all liabilities and obligations in connection with such Third Party Claim and the Indemnifying Party desires to accept and agree to such offer, the Indemnifying Party shall give written notice to that effect to the Indemnified Party. If the Indemnified Party fails to consent to such firm offer within five (5) Business Days after its receipt of such notice, the Indemnified Party may continue to contest or defend such Third Party Claim and in such event, the maximum liability of the Indemnifying Party as to such Third Party Claim shall not exceed the amount of such settlement offer. If the Indemnified Party fails to consent to such firm offer and also fails to assume defense of such Third Party Claim, the Indemnifying Party may settle the Third Party Claim upon the terms set forth in such firm offer to settle such Third Party Claim. If the Indemnified Party has assumed the defense pursuant to Section 8.05(a), it shall not agree to any settlement without the written consent of the Indemnifying Party (which consent shall not be unreasonably withheld, conditioned or delayed).

(c) *Direct Claims.* Any Action by an Indemnified Party on account of a Loss which does not result from a Third Party Claim (a "**Direct Claim**") shall be asserted by the Indemnified Party giving the Indemnifying Party reasonably prompt written notice thereof, but in any event not later than thirty (30) Business Days after the Indemnified Party becomes aware of such Direct Claim. The failure to give such prompt written notice shall not, however, relieve the Indemnifying Party of its indemnification obligations, except and only to the extent that the Indemnifying Party forfeits rights or defenses by reason of such failure. Such notice by the Indemnified Party shall describe the Direct Claim in reasonable detail, shall include copies of all material written evidence thereof and shall indicate the estimated amount, if reasonably practicable, of the Loss that has been or may be sustained by the Indemnified Party. The Indemnifying Party shall have thirty (30) Business Days after its

receipt of such notice to respond in writing to such Direct Claim. The Indemnified Party shall allow the Indemnifying Party and its professional advisors to investigate the matter or circumstance alleged to give rise to the Direct Claim, and whether and to what extent any amount is payable in respect of the Direct Claim and the Indemnified Party shall assist the Indemnifying Party's investigation by giving such information and assistance (including access to the applicable Acquired Company's premises and personnel and the right to examine and copy any accounts, documents or records) as the Indemnifying Party or any of its professional advisors may reasonably request. If the Indemnifying Party does not so respond within such thirty (30) Business Days period, the Indemnifying Party shall be deemed to have rejected such claim, in which case the Indemnified Party shall be free to pursue such remedies as may be available to the Indemnified Party on the terms and subject to the provisions of this Agreement.

(d) *Tax Claims.* Notwithstanding any other provision of this Agreement, the control of any claim, assertion, event or proceeding in respect of Taxes of the Company (including, but not limited to, any such claim in respect of a breach of the representations and warranties in Section 3.23 hereof or any breach or violation of or failure to fully perform any covenant, agreement, undertaking or obligation in ARTICLE VI) shall be governed exclusively by ARTICLE VI hereof.

Section 8.06 Payments. Once a Loss is agreed to by the Indemnifying Party or finally adjudicated to be payable pursuant to this ARTICLE VIII, the Indemnifying Party shall satisfy its obligations within five (5) Business Days of such final, non-appealable adjudication by wire transfer of immediately available funds. The Parties hereto agree that should an Indemnifying Party not make full payment of any such obligations within such five (5) Business Day period, any amount payable shall accrue interest from and including the date of agreement of the Indemnifying Party or final, non-appealable adjudication to but excluding the date such payment has been made at a rate of ten percent (10.0%) per annum. Such interest shall be calculated daily on the basis of a 365 day year and the actual number of days elapsed.

Section 8.07 Tax Treatment of Indemnification Payments. All indemnification payments made under this Agreement shall be treated by the parties as an adjustment to the Purchase Price for Tax purposes, unless otherwise required by Law.

Section 8.08 Effect of Investigation. The representations, warranties and covenants of the Indemnifying Party, and the Indemnified Party's right to indemnification with respect thereto, shall not be affected or deemed waived by reason of any investigation made by or on behalf of the Indemnified Party (including by any of its Representatives) or by reason of the fact that the Indemnified Party or any of its Representatives knew or should have known that any such representation or warranty is, was or might be inaccurate or by reason of the Indemnified Party's waiver of any condition set forth in Section 7.03 or Section 7.04, as the case may be.

Section 8.09 Exclusive Remedies. Subject to Section 2.03, Section 5.06 and Section 10.11, the Parties acknowledge and agree that their sole and exclusive remedy with respect to any and all claims (other than claims arising from fraud, criminal activity or willful misconduct on the part of a Party hereto in connection with the transactions contemplated by this Agreement) for any breach of any representation, warranty, covenant, agreement or obligation set forth herein or otherwise relating to the subject matter of this Agreement, shall be pursuant to the indemnification provisions set forth in ARTICLE VI and this ARTICLE VIII. In furtherance of the foregoing, each Party hereby waives, to the fullest extent permitted under Law, any and all rights, claims and causes of action for any breach of any representation, warranty, covenant, agreement or obligation set forth herein or otherwise relating to the subject matter of this Agreement it may have against the other Parties hereto and their Affiliates and each of their respective Representatives arising under or based upon any Law, except pursuant to the indemnification provisions set forth in ARTICLE VI and this ARTICLE VIII. Nothing in this Section 8.09 shall limit any Person's right to seek and obtain any equitable relief to which any Person shall be entitled or to seek any remedy on account of any Party's fraudulent, criminal or intentional misconduct.

ARTICLE IX TERMINATION

Section 9.01 Termination. This Agreement may be terminated at any time prior to the Closing:

(a) by the mutual written consent of Seller and Buyer;

(b) by Buyer by written notice to Seller if:

(iii) Buyer is not then in material breach of any provision of this Agreement and there has been a breach, inaccuracy in or failure to perform any representation, warranty, covenant or agreement made by Seller pursuant to this Agreement that would give rise to the failure of any of the conditions specified in ARTICLE VII and such breach, inaccuracy or failure has not been cured by Seller within five (5) Business Days of Seller’s receipt of written notice of such breach from Buyer; or

(iv) any of the conditions set forth in Section 7.02 or Section 7.03 shall not have been, or if it becomes apparent that any of such conditions will not be, fulfilled by February 28, 2022, unless such failure shall be due to the failure of Buyer to perform or comply with any of the covenants, agreements or conditions hereof to be performed or complied with by it prior to the Closing;

(c) by Seller by written notice to Buyer if:

(i) Seller is not then in material breach of any provision of this Agreement and there has been a breach, inaccuracy in or failure to perform any representation, warranty, covenant or agreement made by Buyer pursuant to this Agreement that would give rise to the failure of any of the conditions specified in ARTICLE VII and such breach, inaccuracy or failure has not been cured by Buyer within five (5) Business Days of Buyer’s receipt of written notice of such breach from Seller; or

(ii) any of the conditions set forth in Section 7.02 or Section 7.04 shall not have been, or if it becomes apparent that any of such conditions will not be, fulfilled by February 28, 2022, unless such failure shall be due to the failure of Seller to perform or comply with any of the covenants, agreements or conditions hereof to be performed or complied with by it prior to the Closing; or

(d) by Buyer or Seller in the event that (i) there shall be any Law that makes consummation of the transactions contemplated by this Agreement illegal or otherwise prohibited or (ii) any Governmental Authority shall have issued a Governmental Order restraining or enjoining the transactions contemplated by this Agreement, and such Governmental Order shall have become final and non-appealable.

Section 9.02 Effect of Termination. In the event of the termination of this Agreement in accordance with this Article, this Agreement shall forthwith become void and there shall be no liability on the part of any Party hereto except:

(a) as set forth in this ARTICLE IX and Section 5.05 and ARTICLE X hereof; and

(b) that nothing herein shall relieve any Party hereto from liability for any willful breach of any provision hereof.

ARTICLE X MISCELLANEOUS

Section 10.04 Headings. The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.

Section 10.05 Severability. If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Except as provided in Section 5.06(e), upon such determination that any term or other provision is invalid, illegal or unenforceable, the Parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

Section 10.06 Entire Agreement. This Agreement and the Ancillary Documents constitute the sole and entire agreement of the Parties to this Agreement with respect to the subject matter contained herein and therein, and supersede all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter. In the event of any inconsistency between the statements in the body of this Agreement and those in the Ancillary Documents, the Exhibits and Disclosure Schedules (other than an exception expressly set forth as such in the Disclosure Schedules), the statements in the body of this Agreement will control.

Section 10.07 Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the Parties hereto and their respective successors and permitted assigns. Neither Party may assign its rights or obligations hereunder without the prior written consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed; *provided, however*, that prior to the Closing Date, Buyer may, without the prior written consent of Seller, assign all or any portion of its rights under this Agreement to one or more of its direct or indirect wholly-owned subsidiaries. No assignment shall relieve the assigning Party of any of its obligations hereunder.

Except as provided in Section 6.03 and ARTICLE VIII, this Agreement is for the sole benefit of the Parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person or entity any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

Section 10.09 Amendment and Modification; Waiver. This Agreement may only be amended, modified, or supplemented by an agreement in writing signed by each Party hereto. No waiver by any Party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the Party so waiving. No waiver by any Party shall operate or be construed as a waiver in respect of any failure, breach or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. No failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

PROMISSORY NOTE

GUARANTY

November 18, 2021

1. Guaranty. For value received, and as an inducement to the extension of credit to **NEW RISE PROCESSING RENO, LLC**, a Nevada limited liability company (the "Borrower"), located at 14830 Kivett Ln, Reno, NV 89521, **RESC RENEWABLE HOLDINGS, LLC**, a Nevada limited liability company ("Guarantor") located at 14830 Kivett Ln, Reno, NV 89521, hereby absolutely, irrevocably and unconditionally, jointly and severally, guarantees to **VIKING ENERGY GROUP, INC.**, a Nevada corporation ("Lender"), the full and punctual payment when due (whether by acceleration or otherwise), of the indebtedness of Borrower to Lender evidenced by that certain Promissory Note dated November 15, 2021, and payable to Lender in the original principal amount of ONE MILLION FIVE HUNDRED THOUSAND AND NO/100 DOLLARS (\$1,500,000.00) (the "Note"). This Guaranty shall not fail or be ineffective or invalid or be considered too indefinite or contingent because the amount of the Guaranteed Debt may fluctuate from time to time or for any other reason.

2. Definitions. As used herein, the following terms shall have the meanings set forth below:

(a) The term "Guaranteed Debt" shall mean the debt evidenced by the Note.

(d) The term "Obligations" shall mean all obligations and indebtedness of Borrower above guaranteed by Guarantors, and shall include (i) interest and other obligations accruing or arising after (a) commencement of any case under any bankruptcy or similar laws by or against Borrower or (b) the obligations and indebtedness of Borrower above guaranteed shall cease to exist by operation of law or for any other reason, and (ii) reasonable attorneys' fees and expenses and other reasonable fees and expenses incurred by Lender in enforcing the terms of the Note or any documents, instruments or agreements securing payment thereof, or collecting any of the Obligations.

3. Term. The obligations of the Guarantors as to the Obligations shall continue in full force and effect against each Guarantor for the unpaid balance guaranteed hereby until same is fully and finally paid; whereupon, subject to the provisions of Section 11 hereof which shall expressly survive termination of this Guaranty, this Guaranty shall terminate automatically without further action.

4. Primary Liability of Guarantors. This is a guaranty of payment, not of collection, and each Guarantor acknowledges that Lender is not required, as a condition to establishing Guarantor's liability hereunder, to proceed against any person or entity (including Borrower) or against any security or collateral to which Lender is entitled to look for payment or performance of the Obligations. Each Guarantor agrees that neither bankruptcy, insolvency, insanity, death, minority, other disability, cessation of existence or dissolution of Borrower, any party acting for or on behalf of Borrower in connection with the Obligations or any other guarantor now or hereafter existing or occurring; nor any allegation of usury, failure of consideration, or forgery, whether or not known to Lender (even though rendering all or any part of the Obligations void or unenforceable or uncollectible as against Borrower or any other guarantor) shall in any manner impair, affect, or release the liability of Guarantor hereunder, and Guarantor shall be and remain fully liable hereunder.

Page 1 of 5

5. Waiver of Subrogation. Until such time as the Obligations are paid in full, Guarantor hereby irrevocably waives any claim or other rights which it may acquire against Borrower that arise from Guarantor's obligations under this Guaranty or any other document, instrument or agreement executed in connection herewith.

6. Waiver of Suretyship Rights. By signing this Guaranty, Guarantor **WAIVES** each and every right to which it may be entitled by virtue of any suretyship law, including any rights it may have pursuant to Rule 31 of the Texas Rules of Civil Procedure, §17.001 of the Texas Civil Practice and Remedies Code, as same may be amended from time to time.

7. Additional Waivers. Guarantor hereby waives (a) notice of acceptance hereof; (b) grace, demand, presentment, and protest with respect to the Obligations or to any instrument, agreement or document evidencing or creating same; (c) notice of or as to grace, demand, presentment and protest; (d) notice of any right to consent or object to the assignment of any interest in the Obligations, the

creation, advancement, accrual, renewal, increase, extension or rearrangement of the Obligations and the amendment and/or modification of any of the instruments, agreements and documents executed in connection with the Obligations; (e) notice of intent to accelerate, and/or notice of acceleration of, the Obligations; (f) filing of suit and diligence in collection or enforcement of the Obligations; and (g) any other notice regarding the Obligations.

8. Release of Collateral, Parties Liable, etc. Guarantor agrees that Lender may at any time, and from time to time, at Lender's discretion and with or without notice or consideration to or consent from any party: (a) allow substitution or withdrawal of any collateral or other security for the Obligations; (b) sell, exchange, release, subordinate its lien on, surrender, realize upon or otherwise deal with in any manner and in any order any property at any time pledged or mortgaged to secure or securing the Obligations or any liabilities incurred directly or indirectly hereunder or any offset against any of said liabilities; (c) release any party liable on the Obligations including Borrower or any guarantor; (d) extend, renew or rearrange all or any part of the Obligations at any time and from time to time, whether or not for a term or terms in excess of the original term thereof; (e) modify or amend any of the instruments, agreements, or documents executed in connection with the Obligations; or (f) exercise or refrain from exercising any rights against Borrower or others, or otherwise act or refrain from acting. Any of such actions may be taken without impairing or diminishing the obligations of Guarantor hereunder. The liability of Guarantor shall not be impaired or reduced by any failure, refusal, or neglect to collect the Obligations, or by loss or subordination of any other collateral or guaranty, or by the existence of any indebtedness of Borrower to Lender other than the Obligations. In addition, the liability of Guarantor shall not be impaired or reduced by the taking of any other security or guaranty for the Obligations in addition to the security or guaranties presently existing.

9. Limit of Liability. Notwithstanding any provision hereof to the contrary, the Guarantors shall be liable under the Guaranty only for amounts aggregating up to the largest amount that would not render its obligations hereunder subject to avoidance under Section 548 of the United States Bankruptcy Code or any comparable provisions of any state law.

10. Solvency; No Fraudulent Transfer; Availability of Information to Guarantor. As of the date of this Guaranty, each Guarantor (i) is solvent with assets of a value that exceeds the amounts of his or its liabilities, (ii) is able to meet his or its debts as they mature, and (iii) in his or its reasonable opinion, has adequate capital to conduct the businesses in which he or it is engaged. The value of the consideration received and to be received by Guarantor in connection with the Obligations is reasonably worth at least as much as the liabilities and obligations of Guarantor incurred or arising under this Guaranty and all related papers and arrangements. Guarantor (a) has had full and complete access to the underlying documents and instruments relating to the Obligations and all other documents and instruments executed by Borrower or any other person in connection therewith, (b) has reviewed them and is fully aware of the meaning and effect of their contents, (c) is fully informed of all circumstances which bear upon the risks of executing this Guaranty and which a diligent inquiry would reveal, and (d) has determined that his or its liabilities and obligations hereunder may reasonably be expected to substantially benefit Guarantor directly or indirectly. Guarantor has adequate means to obtain from Borrower on a continuing basis information concerning Borrower's financial condition, and is not depending on Lender to provide such information, now or in the future. Guarantor agrees that Lender shall not have any obligation to advise or notify Guarantor or to provide Guarantor with any data or information.

11. Application of Payments; Reinstatement of Guaranty. Lender may apply any payments received from any source against that portion of the Obligations (principal, interest, court costs, attorneys' fees or other) in such priority and fashion as Lender may deem appropriate. Guarantor agrees that, if at any time all or any part of any payment previously applied by a Lender to the Obligations is or must be returned by any Lender or is recovered from any Lender for any reason (including the order of any bankruptcy court), this Guaranty shall automatically be reinstated to the same effect as if the prior application had not been made. Guarantor hereby agrees to indemnify Lender and its respective agents against, and to save and hold them harmless from, any required return by any of them, or recovery from any of them, of any such payment because of its being deemed preferential under applicable bankruptcy, receivership or insolvency laws, or for any other reason. The provisions of this Section 11 shall survive any termination or release of this Guaranty.

12. Venue; Attorneys' Fees. If it becomes necessary to enforce this Guaranty by legal action, each Guarantor hereby WAIVES the right to be sued in the county or state of Guarantor's principal place of business or chief executive office or in the state of its domicile, and agrees to submit to the jurisdiction and venue of the appropriate federal, state or other governmental court in Houston, Harris County, Texas. Each Guarantor unconditionally agrees to pay all reasonable collection expenses including court costs and reasonable attorneys' fees if enforcement hereof is placed in the hands of an attorney, including, but expressly not limited to, enforcement by suit or through bankruptcy or any judicial proceedings.

13. Cumulative Rights. All rights of Lender hereunder or otherwise arising under any documents executed in connection with or as security for the Obligations are separate and cumulative and may be pursued separately, successively or concurrently, or not pursued, without affecting or limiting any other right of Lender and without affecting or impairing the liability of Guarantor.

14. Applicable Law. This Guaranty shall be governed by and construed in accordance with the laws of the United States of America and the State of Texas, and is intended to be performed in accordance with and as permitted by such laws. Wherever possible each provision of this Guaranty shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of this Guaranty or application thereof shall be prohibited by or be invalid under such law, such provision or application as the case may be shall be ineffective to the extent of such prohibition or invalidity without invalidating the remainder of such provision or other applications or the remaining provisions of this Guaranty.

16. No Waiver of Right of Remedies. No failure or delay by Lender in exercising any right, power, or privilege given by any provision of this Agreement shall operate as a waiver of the provision.
