Explanatory Note

Camber Energy, Inc. (the “**Company**”) is filing this Current Report on Form 8-K/A (“**Amendment No. 1**”) to amend its Current Report on Form 8-K filed with the Securities and Exchange Commission on August 9, 2021 (the “**Initial Report**”), which described the acquisition by the Company’s majority-owned subsidiary, Viking Energy Group, Inc. (“**Viking**”), of 2,436 Class A Common Shares of Simson-Maxwell Ltd. (“**Simson-Maxwell**”), representing approximately 60.5% of the total issued and outstanding shares of Simson-Maxwell.

The information previously reported in the Initial Report is hereby incorporated by reference into this Amendment No. 1. This Amendment No. 1 on Form 8-K/A is being filed to amend Item 9.01(a) and (b) as provided herein.

In the Initial Report, the Company indicated that it would file any financial statements required by Item 9.01 no later than 71 calendar days after the date on which the Initial Report was required to be filed. The Company has now determined that the Simson-Maxwell acquisition was not deemed to involve a significant amount of assets (and the acquisition was not a “significant” transaction as defined in Regulation S-X), given, among other things, the value of the Company’s other assets at the time of the transaction. Accordingly, the Company hereby amends the Initial Report to eliminate references in Item 9.01(a) and (b) to the subsequent filing of historical financial statements and pro forma financial information relating to the partial acquisition of Simson-Maxwell.

Except as described above, all of the other information in the Initial Report remains unchanged.

Item 9.01 Financial Statements and Exhibits.

(a) Financial Statements of Business Acquired.

The Company has determined that the historical financial statements of Simson-Maxwell are not required to be filed as the partial acquisition of Simson-Maxwell was not deemed to involve a significant amount of assets.

(b) Pro Forma Financial Information.

The Company has determined that pro forma financial information regarding the partial acquisition of Simson-Maxwell is not required to be filed as the partial acquisition of Simson-Maxwell was not deemed to involve a significant amount of assets.

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
