Item 1.01. Entry into a Material Definitive Agreement.

June 2020 Stock Purchase Agreement

On and effective June 22, 2020, Camber Energy, Inc. (the “Company”, “Camber”, “we” and “us”) and an institutional investor (the “Investor”), entered into a Stock Purchase Agreement (the “June 2020 Purchase Agreement”).

Under the terms of the June 2020 Purchase Agreement, the Investor purchased 630 shares of Series C Redeemable Convertible Preferred Stock (“Series C Preferred Stock”), for \$6 million, at a 5% original issue discount to the \$10,000 face value of such preferred stock (the “Face Value”).

Pursuant to the June 2020 Purchase Agreement, as long as the Investor holds any shares of Series C Preferred Stock, we agreed that, except as contemplated in connection with the merger contemplated by that certain Agreement and Plan of Merger entered into between the Company and Viking Energy Group, Inc. on February 3, 2020, as amended from time to time (the “Merger”), we would not issue or enter into or amend an agreement pursuant to which we may issue any shares of common stock, other than (a) for restricted securities with no registration rights, (b) in connection with a strategic acquisition, (c) in an underwritten public offering, or (d) at a fixed price. We also agreed that we would not issue or amend any debt or equity securities convertible into, exchangeable or exercisable for, or including the right to receive, shares of common stock (i) at a conversion price, exercise price or exchange rate or other price that is based upon or varies with, the trading prices of or quotations for the shares of common stock at any time after the initial issuance of the security or (ii) with a conversion, exercise or exchange price that is subject to being reset at some future date after the initial issuance of the security or upon the occurrence of specified or contingent events directly or indirectly related to the business of the Company or the market for the common stock.

Additionally, provided that we have not materially breached the terms of the June 2020 Purchase Agreement, we may at any time, in our sole and absolute discretion, repurchase from Investor all, but not less than all, of the then outstanding shares of Series C Preferred Stock sold pursuant to the agreement by paying to Investor 110% of the aggregate face value of all such shares.

We also agreed to provide the Investor a right of first offer to match any offer for financing we receive from any person while the shares of Series C Preferred Stock sold pursuant to the June 2020 Purchase Agreement are outstanding, except for debt financings not convertible into common stock, which are excluded from such right to match.

Finally, we agreed that if we issue any security with any term more favorable to the holder of such security or with a term in favor of the holder of such security that was not similarly provided to Investor, then we would notify Investor of such additional or more favorable term and such term, at Investor’s option, may become a part of the transaction documents with Investor.

The June 2020 Purchase Agreement includes customary provisions requiring that the Company indemnify the Investor against certain losses; representations and warranties and covenants.

We agreed pursuant to the June 2020 Purchase Agreement that if the Merger does not close by the required date approved by the parties thereto (as such may be extended from time to time), we are required, at the Investor’s option in its sole and absolute discretion, to immediately repurchase from the Investor all then outstanding Series C Preferred Stock shares acquired by the Investor pursuant to the June 2020 Purchase Agreement, by paying to the Investor 110% of the aggregate Face Value of all such shares (the “Repurchase Requirement”), which totals \$6,930,000.

Finally, we agreed to include proposals relating to the approval of the June 2020 Purchase Agreement and the issuance of the shares of common stock upon conversion of the Series C Preferred Stock sold pursuant to the June 2020 Purchase Agreement, as well as an increase in authorized common stock to fulfill our obligations to issue such shares, at the meeting held to approve the Merger or a separate meeting in the event the Merger is terminated prior to shareholder approval, and to use commercially reasonable best efforts to obtain such approvals as soon as possible and in any event prior to December 31, 2020.

Series C Redeemable Convertible Preferred Stock

Holders of the Series C Preferred Stock are entitled to cumulative dividends in the amount of 24.95% per annum (adjustable up to 34.95% if a trigger event, as described in the designation of the Series C Preferred Stock occurs), payable upon redemption, conversion, or maturity, and when, as and if declared by our Board of Directors in its discretion, provided that upon any redemption, conversion, or maturity, seven years of dividends are due and payable on such redeemed, converted or matured stock. The Series C Preferred Stock ranks senior to the common stock. The Series C Preferred Stock has no right to vote on any matters, questions or proceedings of the Company including, without limitation, the election of directors except: (a) during a period where a dividend (or part of a dividend) is in arrears; (b) on a proposal to reduce the Company's share capital; (c) on a resolution to approve the terms of a buy-back agreement; (d) on a proposal to wind up the Company; (e) on a proposal for the disposal of all or substantially all of the Company's property, business and undertakings; and (f) during the winding-up of the Company.

The Series C Preferred Stock may be converted into shares of common stock ("Conversion Shares") at any time at the option of the holder, or at our option if certain equity conditions (as defined in the certificate of designation for the Series C Preferred Stock), are met. Upon conversion, we will pay the holders of the Series C Preferred Stock being converted an amount, in cash or stock at our sole discretion, equal to the dividends that such shares would have otherwise earned if they had been held through the maturity date (i.e., seven years), and issue to the holders such number of shares of Common stock equal to \$10,000 per share of Series C Preferred Stock multiplied by the number of such shares of Series C Preferred Stock divided by the applicable Conversion Price (as defined in the certificate of designation for the Series C Preferred Stock).

The conversion premium under the Series C Preferred Stock is payable and the dividend rate under the Series C Preferred Stock is adjustable. Specifically, the conversion rate of such premiums and dividends equals 95% of the average of the lowest 5 individual daily volume weighted average prices during the Measuring Period, not to exceed 100% of the lowest sales prices on the last day of the Measuring Period, less \$0.05 per share of common stock, unless a triggering event has occurred, in which case the conversion rate equals 85% of the lowest daily volume weighted average price during the Measuring Period, less \$0.10 per share of common stock not to exceed 85% of the lowest sales prices on the last day of such Measuring Period, less \$0.10 per share. The "Measuring Period" is the period beginning, if no trigger event has occurred, 30 trading days, and if a trigger event has occurred, 60 trading days, before the applicable notice has been provided regarding the exercise or conversion of the applicable security, and ending, if no trigger event has occurred, 30 trading days, and if a trigger event has occurred, 60 trading days, after the applicable number of shares stated in the initial exercise/conversion notice has actually been received into the Investor's designated brokerage account in electronic form and fully cleared for trading (subject to certain extensions described in the applicable securities, which have been triggered to date). Triggering events are described in the designation of the Series C Preferred Stock, but include items which would typically be events of default under a debt security, including filing of reports late with the Securities and Exchange Commission.

The Series C Preferred Stock has a maturity date that is seven years after the date of issuance and, if the Series C Preferred Stock has not been wholly converted into shares of common stock prior to such date, we may redeem the Series C Preferred Stock on such date by repaying to the investor in cash 100% of the Face Value plus an amount equal to any accrued but unpaid dividends thereon. 100% of the Face Value, plus an amount equal to any accrued but unpaid dividends thereon, automatically becomes payable in the event of a liquidation, dissolution or winding up by us.

We may not issue any other preferred stock that is pari passu or senior to the Series C Preferred Stock with respect to any rights for a period of one year after the earlier of such date (i) a registration statement is effective and available for the resale of all shares of common stock issuable upon conversion of the Series C Preferred Stock, or (ii) Rule 144 under the Securities Act of 1933, as amended, is available for the immediate unrestricted resale of all shares of common stock issuable upon conversion of the Series C Preferred Stock.

The Series C Preferred Stock is subject to a beneficial ownership limitation, which prevents any holder of the Series C Preferred Stock from converting such Series C Preferred Stock into common stock, if upon such conversion, the holder would beneficially own greater than 9.99% of our outstanding common stock.

The issuance of the Conversion Shares is subject to NYSE American approval and approval of our stockholders.

The description of the June 2020 Purchase Agreement and the Series C Preferred Stock above, are subject to, and qualified in their entirety by, (a) the form of June 2020 Purchase Agreement, a copy of which is incorporated by reference hereto as Exhibit 10.1; and (b) the designation of the Series C Preferred Stock, incorporated by reference as Exhibit 3.1 hereto, which is incorporated in this Item 1.01 by reference in their entirety.

The Company plans to use the funds raised through the sale of Series C Preferred Stock to pay operating expenses and expenses in connection with the Merger and subject to the parties coming to an agreement on terms and conditions relating to such advance, to advance a portion of such funds to Viking, in anticipation of the Merger.

Amendment Agreement

On June 22, 2020, the Company and the Investor entered into an Amendment to Stock Purchase Agreement (the “SPA Amendment”), pursuant to which the Investor agreed to terminate the obligation set forth in the Stock Purchase Agreement previously entered into between the Company and the Investor on February 3, 2020, which contained a Repurchase Requirement substantially similar to the one contained in the June 2020 Purchase Agreement (as to the 525 shares of Series C Preferred Stock sold to the Investor on February 3, 2020), which would have required that we pay the Investor an aggregate of \$5,775,000 in connection with the redemption of the 525 shares of Series C Preferred Stock we sold to the Investor in the event the Merger was terminated.

As a result of such amendment, the \$5,000,000 paid by the Investor to the Company for the purchase of the 525 shares of Series C Preferred Stock on February 3, 2020, will no longer need to be repaid.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information disclosed in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 2.03 in its entirety.

Item 3.02. Unregistered Sales of Equity Securities.

The information disclosed in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 3.02.

On June 22, 2020, the Investor purchased 630 shares of Series C Preferred Stock. The sale and issuance of the Series C Preferred Stock described above has been determined to be exempt from registration under the Securities Act of 1933, as amended (the “Securities Act”) in reliance on Section 4(a)(2) of the Securities Act and Rule 506 of Regulation D promulgated thereunder, as transactions by an issuer not involving a public offering. The Investor has represented that it is an accredited investor, as that term is defined in Regulation D. The Investor also has represented that it is acquiring the securities for investment purposes only and not with a view to or for sale in connection with any distribution thereof.

As of the date of this Report, the Series C Preferred Stock sold on June 22, 2020, would convert into approximately 16,409,771 shares of our common stock if fully converted, which number includes 38,769 shares of common stock convertible upon conversion of all of the outstanding shares of outstanding Series C Preferred Stock at a conversion price of \$162.50 per share (based on the \$10,000 face amount of the Series C Preferred Stock) and approximately 16,371,001 shares of common stock for premium shares due thereunder (based on the current dividend rate of 24.95% per annum), and a conversion price of \$0.6721 per share (the last conversion price provided in a conversion notice provided by the Investor), which may be greater than or less than the conversion price that currently applies to the conversion of the Series C Preferred Stock pursuant to the terms of the Designation, which number of premium shares may increase significantly from time to time as the trading price of our common stock decreases, upon the occurrence of any trigger event under the Designation of the Series C Preferred Stock and upon the occurrence of certain other events, as described in greater detail in the Designation of the Series C Preferred Stock.

The conversion of the Series C Preferred Stock into common stock of the Company will create substantial dilution to existing stockholders.

Item 8.01 Other Events.

On June 23, 2020, the Company published a press release disclosing the sale of Series C Preferred Stock to the Investor. A copy of the press release is included herewith as Exhibit 99.1 and the information in the press release is incorporated by reference into this Item 8.01.

As of June 22, 2020, the Company had 11,721,729 shares of common stock issued and outstanding (which does not include certain shares of common stock which are still due to the holder of the Company's Series C Preferred Stock from prior conversions of Series C Preferred Stock, and which are currently held in abeyance, subject to issuance at the request of such holder, and such holder's 9.99% ownership limitation). The increase in our outstanding shares of common stock from the date of the Company's April 16, 2020 increase in authorized shares of common stock (from 5 million shares, to 25 million shares, pursuant to the approval of the stockholders of the Company at the annual meeting of stockholders held on the same day), is almost solely entirely due to conversions of shares of Series C Preferred Stock of the Company into common stock, and conversion premiums due thereon, which are payable in shares of common stock, pursuant to the designation of such Series C Preferred Stock. The conversions are in the sole discretion of the Series C Preferred Stockholder. The number of shares of common stock due to the Series C Preferred Stock holder are subject to increase and adjustment as the price of the Company's common stock declines in value.

III. Representations and Warranties.

A. Representations Regarding Transaction. Except as set forth under the corresponding section of the Disclosure Schedules, if any, Company hereby represents and warrants to, and as applicable covenants with, Investor as of the Closing:

1. Organization and Qualification. Company and each Subsidiary is an entity duly incorporated or otherwise organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, as applicable, with the requisite power and authority to own and use its properties and assets and to carry on its business as currently conducted, except where the failure to do so would not reasonably be expected to result in a Material Adverse Effect. Neither Company nor any Subsidiary is in violation or default of any of the provisions of its respective certificate or articles of incorporation, bylaws or other organizational or charter documents, except as would not reasonably be expected to result in a Material Adverse Effect. Each of Company and each Subsidiary is duly qualified to conduct business and is in good standing as a foreign corporation or other entity in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, would not reasonably be expected to result in a Material Adverse Effect and there is no completed, pending or, to the knowledge of Company, contemplated or threatened proceeding in any such jurisdiction revoking, limiting or curtailing or seeking to revoke, limit or curtail such power and authority or qualification.

2. Authorization; Enforcement. Company has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by each of the Transaction Documents and otherwise to carry out its obligations hereunder or thereunder. The execution and delivery of each of the Transaction Documents by Company and the consummation by it of the transactions contemplated hereby or thereby have been duly authorized by all necessary action on the part of Company and no further consent or action is required by Company. Each of the Transaction Documents has been, or upon delivery will be, duly executed by Company and, when delivered in accordance with the terms hereof, will constitute the valid and binding obligation of Company, enforceable against Company in accordance with its terms, except (a) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (b) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (c) insofar as indemnification and contribution provisions may be limited by applicable law.

3. No Conflicts. The execution, delivery and performance of the Transaction Documents by Company, the issuance and sale of the Shares and the consummation by Company of the other transactions contemplated thereby do not and will not (a) conflict with or violate any provision of Company's or any Subsidiary's certificate or articles of incorporation, bylaws or other organizational or charter documents, (b) conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, result in the creation of any Lien upon any of the properties or assets of Company or any Subsidiary, or give to others any rights of termination, amendment, acceleration or cancellation (with or without notice, lapse of time or both) of, any material agreement, credit facility, debt or other instrument (evidencing Company or Subsidiary debt or otherwise) or other understanding to which Company or any Subsidiary is a party or by which any property or asset of Company or any Subsidiary is bound or affected, (c) conflict with or result in a violation of any material law, rule, regulation, order, judgment, injunction, decree or other restriction of any court or governmental authority to which Company or a Subsidiary is subject (including U.S. federal and state securities laws and regulations), or by which any material property or asset of Company or a Subsidiary is bound or affected, or (d) conflict with or violate the terms of any material agreement by which Company or any Subsidiary is bound or to which any property or asset of Company or any Subsidiary is bound or affected; except in the case of each of clauses (b), (c) and (d), such as would not reasonably be expected to result in a Material Adverse Effect.

4. Litigation. Except as set forth in **Schedule III.A.4**, there is no action, suit, inquiry, notice of violation, proceeding or investigation pending, threatened, or, to the knowledge of Company, contemplated against or affecting Company, any Subsidiary or any of their respective properties before or by any court, arbitrator, governmental or administrative agency or regulatory authority (federal, state, county, local or foreign) (collectively, an “**Action**”), which would reasonably be expected to adversely affect or challenge the legality, validity or enforceability of any of the Transaction Documents or the issuance, listing, trading, or resale of any Shares on the Trading Market. The Commission has not issued any stop order or other order suspending the effectiveness of any registration statement filed by Company or any Subsidiary under the Exchange Act or the Act.

5. Filings, Consents and Approvals. Except as set forth in **Schedule III.A.5**, neither Company nor any Subsidiary is required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority or other Person in connection with the execution, delivery and performance by Company of the Transaction Documents, other than required federal and state securities filings and such filings and approvals as are required to be made or obtained under the applicable Trading Market rules in connection with the transactions contemplated hereby, each of which has been, or if not yet required to be filed will be, timely filed.

6. Issuance of Shares. The Shares are duly authorized and, when issued and paid for in accordance with the applicable Transaction Documents, will be duly and validly issued, fully paid and nonassessable, free and clear of all Liens.

7. Disclosure; Non-Public Information. Company will issue a press release and timely file a current report on Form 8-K (“**Current Report**”) by 8:30 am Eastern time on the Trading Day after the Effective Date describing the material terms and conditions of this Agreement, a copy of which will be provided to Investor prior to the Effective Date. All information that Company has provided to Investor that constitutes or might constitute material, non-public information will be included in the Current Report. Notwithstanding any other provision, except with respect to information that will be, and only to the extent that it actually is, timely publicly disclosed by Company by the date of Approval, neither Company nor any other Person acting on its behalf has provided Investor or its representatives, agents or attorneys with any information that constitutes or might constitute material, non-public information, including without limitation this Agreement and the Exhibits and Disclosure Schedules hereto.

No information contained in the Disclosure Schedules constitutes material non-public information. There is no adverse material information regarding Company that has not been publicly disclosed prior to the Effective Date. Company understands and confirms that Investor will rely on the foregoing representations and covenants in effecting transactions in securities of Company. All disclosure provided to Investor regarding Company, its business and the transactions contemplated hereby, including without limitation the Disclosure Schedules, furnished by or on behalf of Company with respect to the representations and warranties made herein are true and correct in all material respects and do not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

8. No Integrated Offering. Neither Company, nor any of its Affiliates, nor any Person acting on its or their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would cause this offering to be integrated with prior offerings by Company that cause a violation of the Act or any applicable stockholder approval provisions, including, without limitation, under the rules and regulations of the Trading Market.

9. Financial Condition. Except as set forth on **Schedule III.A.9**, the Public Reports set forth as of the dates thereof all outstanding secured and unsecured Indebtedness of Company or any Subsidiary, or for which Company or any Subsidiary has commitments, and any material default with respect to any Indebtedness. Company does not intend to incur debts beyond its ability to pay such debts as they mature, taking into account the timing and amounts of cash to be payable on or in respect of its debt.

10. Section 5 Compliance. No representation or warranty or other statement made by Company in the Transaction Documents contains any untrue statement or omits to state a material fact necessary to make any of them, in light of the circumstances in which it was made, not misleading. Company is not aware of any facts or circumstances that would cause the transactions contemplated by the Transaction Documents, when consummated, to violate Section 5 of the Act or other federal or state securities laws or regulations.

11. Investment Company. Company is not, and is not an Affiliate of, and immediately after receipt of payment for the Preferred Shares, will not be or be an Affiliate of, an “investment company” within the meaning of the Investment Company Act of 1940, as amended. Company will conduct its business in a manner so that it will not become subject to the Investment Company Act.

12. Acknowledgments Regarding Investor. Company’s decision to enter into this Agreement has been based solely on the independent evaluation by Company and its representatives, and Company acknowledges and agrees that:

a. Investor is not, has never been, and as a result of the transactions contemplated by the Transaction Documents will not become an officer, director, insider, control person, to Company’s knowledge, 10% or greater shareholder, or otherwise an affiliate of Company as defined under Rule 12b-2 of the Exchange Act;

b. Investor and Investor's representatives have not made and do not make any representations, warranties or agreements with respect to the Shares, this Agreement, or the transactions contemplated by the Transaction Documents other than those specifically set forth in **Section III.C** below; Company has not relied upon, and expressly disclaims reliance upon, any and all written or oral statements or representations made by any persons prior to this Agreement;

c. The conversion of Preferred Shares and resale of Conversion Shares will result in dilution, which may be substantial; the number of Conversion Shares will increase in certain circumstances; and Company's obligation to issue and deliver Conversion Shares in accordance with this Agreement and the Certificate of Designations is absolute and unconditional regardless of the dilutive effect that such issuances may have; and

d. Investor is acting solely in the capacity of arm's length purchaser with respect to this Agreement and the transactions contemplated hereby; neither Investor nor any of its Affiliates, agents or representatives has or is acting as a legal, financial, investment, accounting, tax or other advisor to Company, or fiduciary of Company, or in any similar capacity; neither Investor nor any of its Affiliates, agents or representatives has provided any legal, financial, investment, accounting, tax or other advice to Company; any statement made in connection with this Agreement or the transactions contemplated hereby is not advice or a recommendation, and is merely incidental to Investor's purchase of the Shares.

13. Prior Agreements. Investor has at all times fully and completely complied in all respects with the Prior Agreements. All Delivery Notices and all calculations relating to the Prior Agreements provided to Company by Investor or its representatives prior to the Effective Date of this Agreement were and are fully correct and accurate in all respects. All Delivery Notices and calculations provided to Company by Investor or its representatives prior to the Effective Date are hereby acknowledged and deemed to be correct for any and all purposes.

14. Approval. Company will use its commercially reasonable best efforts to obtain an exception to any shareholder approval requirement from NYSE American or to obtain Approval, and additional listing of all Conversion Shares as soon as possible, and in any event no later than December 31, 2020.

15. No Bad Actor Disqualification. Neither Company, any predecessor of Company, any affiliate of Company, any director, executive officer, other officer of Company participating in the offering, or any beneficial owner of 20% or more of Company's outstanding voting equity securities is subject to any bad actor disqualification as provided in Rule 506(d) of Regulation D, and Company is not aware of any facts or circumstances that, with the passage of time, would reasonably be expected to cause such disqualification.

16. Shell Status. Company is not now and has never been a shell company as defined in Rule 12b-2 of the Exchange Act.

B. Representations Regarding Company. Except as set forth in any Public Reports or attached exhibits as of the Effective Date, or under the corresponding section of the Disclosure Schedules, if any, Company hereby represents and warrants to, and as applicable covenants with, Investor as of the Closing:

1. Capitalization. The capitalization of the Company as of the Effective Date is as described in the Public Reports. No Person has any right of first refusal, preemptive right, right of participation, or any similar right to participate in the transactions contemplated by the Transaction Documents which has not been waived or satisfied. Except as a result of the purchase and sale of the Shares, the Prior Securities, or as otherwise disclosed on **Schedule III.B.1**, there are no outstanding options, warrants, script rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities, rights or obligations convertible into or exchangeable for, or giving any Person any right to subscribe for or acquire, any shares of Common Stock, or contracts, commitments, understandings or arrangements by which Company or any Subsidiary is or may become bound to issue additional shares of Common Stock or securities convertible into or exercisable for shares of Common Stock. The issuance and sale of the Shares will not obligate Company to issue shares of Common Stock or other securities to any Person, other than Investor, and will not result in a right of any holder of Company securities to adjust the exercise, conversion, exchange, or reset price under such securities. All of the outstanding shares of capital stock of Company are validly issued, fully paid and nonassessable, have been issued in material compliance with all federal and state securities laws, and none of such outstanding shares was issued in violation of any preemptive rights or similar rights to subscribe for or purchase securities. Except as disclosed on **Schedule III.B.1**, no further approval or authorization of any stockholder, the Board of Directors of Company or others is required for the issuance and sale of the Shares. There are no stockholders' agreements, voting agreements or other similar agreements with respect to Company's capital stock to which Company is a party or, to the knowledge of Company, between or among any of Company's stockholders.

2. Subsidiaries. All of the direct and indirect subsidiaries of Company are set forth in the Public Reports or the corresponding section of the Disclosure Schedules. Company owns, directly or indirectly, all of the capital stock or other equity interests of each Subsidiary, and all of such directly or indirectly owned capital stock or other equity interests are owned free and clear of any Liens. All the issued and outstanding shares of capital stock of each Subsidiary are duly authorized, validly issued, fully paid, nonassessable and free of preemptive and similar rights to subscribe for or purchase securities.

3. Public Reports; Financial Statements. The Company has filed all required Public Reports for the one year preceding the Effective Date. As of their respective dates or as subsequently amended, the Public Reports complied in all material respects with the requirements of the Act and the Exchange Act and the rules and regulations of the Commission promulgated thereunder, as applicable, and none of the Public Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The financial statements of Company included in the Public Reports, as amended, comply in all material respects with applicable accounting requirements and the rules and regulations of the Commission with respect thereto as in effect at the time of filing. Such financial statements have been prepared in accordance with GAAP, except as may be otherwise specified in such financial statements or the notes thereto and except that unaudited financial statements may not contain all footnotes required by GAAP, and fairly present in all material respects the financial position of Company and its consolidated subsidiaries as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, immaterial, year-end audit adjustments.

4. Material Changes. Since the end of the most recent year for which an Annual Report on Form 10-K has been filed with the Commission, except as disclosed on **Schedule III.B.4**, (a) there has been no event, occurrence or development that has had, or that would reasonably be expected to result in, a Material Adverse Effect, (b) Company has not incurred any liabilities (contingent or otherwise) other than (i) trade payables and accrued expenses incurred in the ordinary course of business consistent with past practice, and (ii) liabilities not required to be reflected in Company's financial statements pursuant to GAAP or required to be disclosed in filings made with the Commission, (c) Company has not altered its method of accounting, (d) Company has not declared or made any dividend or distribution of cash or other property to its stockholders or purchased, redeemed or made any agreements to purchase or redeem any shares of its capital stock, and (e) Company has not issued any equity securities to any officer, director or Affiliate, except pursuant to existing Company equity incentive plans. Company does not have pending before the Commission any request for confidential treatment of information.

5. Litigation. Except as disclosed on **Schedule III.B.8**, there is no Action completed, pending, threatened or, to the knowledge of Company, contemplated, that would reasonably be expected to result in a Material Adverse Effect. Neither Company nor any Subsidiary, nor any director or officer thereof, nor to the knowledge of Company any greater than 5% shareholder or any director or officer thereof, is or has been the subject of any Action involving a claim of violation of or liability under federal or state securities laws or a claim of breach of fiduciary duty. There has not been, is not pending or threatened, or to the knowledge of Company, is not contemplated, any investigation by the Commission, Department of Justice or law enforcement involving Company or any current or former director or officer of Company, or to the knowledge of Company greater than 5% shareholder of Company.

6. No Bankruptcy. There has not been any petition or application filed, or any judicial or administrative proceeding commenced which has not been discharged, by or against the Company or any Subsidiary or with respect to any of the properties or assets of Company or any Subsidiary under any applicable law relating to bankruptcy, insolvency, reorganization, fraudulent transfer, compromise, arrangement of debt, creditors' rights and no assignment has been made by the Company or any Subsidiary for the benefit of creditors.

7. Labor Relations. No material labor dispute exists or, to the knowledge of Company, is imminent with respect to any of the employees of Company, which would reasonably be expected to result in a Material Adverse Effect.

8. Compliance. Neither Company nor any Subsidiary (a) is in material default under or in material violation of (and no event has occurred that has not been waived that, with notice or lapse of time or both, would result in a default by Company or any Subsidiary under), nor has Company or any Subsidiary received notice of a claim that it is in material default under or that it is in material violation of, any indenture, loan or credit agreement or any other similar agreement or instrument to which it is a party or by which it or any of its properties is bound (whether or not such default or violation has been waived), (b) is in violation of any order of any court, arbitrator or governmental body, or (c) is or has been in violation of any statute, rule or regulation of any governmental authority, including without limitation all foreign, federal, state and local laws applicable to its business, except in each case as would not reasonably be expected to have a Material Adverse Effect.

9. Regulatory Permits. Company and each Subsidiary possess all certificates, authorizations and permits issued by the appropriate federal, state, local or foreign regulatory authorities necessary to conduct their respective businesses as described in the Public Reports, except where the failure to possess such permits would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect (“**Material Permits**”), and neither Company nor any Subsidiary has received any notice of proceedings relating to the revocation or modification of any Material Permit.

10. Title to Assets. Except as disclosed on **Schedule III.B.10**, Company and each Subsidiary have good and marketable title in fee simple to all real property owned by them that is material to the business of Company and each Subsidiary and good and marketable title in all personal property owned by them that is material to the business of Company and each Subsidiary, in each case free and clear of all Liens, except for Liens that do not materially affect the value of such property and do not materially interfere with the use made and proposed to be made of such property by Company and each Subsidiary and Liens for the payment of federal, state or other taxes, the payment of which is neither delinquent nor subject to penalties. Any real property and facilities held under lease by Company and each Subsidiary are held by them under valid, subsisting and enforceable leases of which Company and each Subsidiary are in compliance.

11. Patents and Trademarks. Company and each Subsidiary have, or have rights to use, all patents, patent applications, trademarks, trademark applications, service marks, trade names, copyrights, licenses and other similar rights that are necessary or material for use in connection with their respective businesses as described in the Public Reports and which the failure to do so would have a Material Adverse Effect (collectively, “**Intellectual Property Rights**”). Neither Company nor any Subsidiary has received a written notice that the Intellectual Property Rights used by Company or any Subsidiary violates or infringes upon the rights of any Person. To the knowledge of Company, all such Intellectual Property Rights are enforceable and there is no existing infringement by another Person of any of the Intellectual Property Rights of Company or each Subsidiary.

12. Insurance. Company and each Subsidiary are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are prudent and customary in the businesses in which Company and each Subsidiary are engaged, including but not limited to directors and officers insurance coverage at least equal to the Purchase Amount. To Company’s knowledge, such insurance contracts and policies are accurate and complete in all material respects. Neither Company nor any Subsidiary has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business without an increase in cost that would constitute a Material Adverse Effect.

13. Transactions with Affiliates and Employees. None of the officers or directors of Company and, to the knowledge of Company, none of the employees of Company is presently a party to any transaction with Company or any Subsidiary (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any officer, director or such employee or, to the knowledge of Company, any entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee or partner, in each case in excess of \$120,000 other than (i) for payment of salary or consulting fees for services rendered, (ii) reimbursement for expenses incurred on behalf of Company and (iii) for other employee benefits, including stock option agreements under any equity incentive plan of Company.

14. Sarbanes-Oxley; Internal Accounting Controls. Company is in material compliance with all provisions of the Sarbanes-Oxley Act of 2002, which are applicable to it as of the date of the Closing. Company presented in its most recently filed periodic report under the Exchange Act the conclusions of the certifying officers about the effectiveness of Company's disclosure controls and procedures based on their evaluations as of the evaluation date. Since the date of the most recently filed periodic Public Report, there have been no significant changes in Company's internal accounting controls or its disclosure controls and procedures or, to Company's knowledge, in other factors that could materially affect Company's internal accounting controls or its disclosure controls and procedures.

15. Certain Fees. No brokerage or finder's fees or commissions are or will be payable to any broker, financial advisor or consultant, finder, placement agent, investment banker, bank or other Person with respect to the transactions contemplated by this Agreement. Notwithstanding any other provision, Investor will have no obligation with respect to any fees or with respect to any claims made by or on behalf of other Persons for fees of a type contemplated in this section that may be due in connection with the transactions contemplated by this Agreement or the other Transaction Documents.

16. Registration Rights. Except as disclosed on **Schedule III.B.16** no Person has any right to cause Company to effect the registration under the Act of any securities of Company.

17. Listing and Maintenance Requirements. The Common Stock is registered pursuant to Section 12 of the Exchange Act, and Company has taken no action designed to, or which to its knowledge is likely to have the effect of, terminating the registration of the Common Stock under the Exchange Act nor has Company received any notification that the Commission is contemplating terminating such registration. Except as disclosed on **Schedule III.B.17**, Company has not, in the 12 months preceding the Effective Date, received notice from any Trading Market on which the Common Stock is or has been listed or quoted to the effect that Company is not in compliance with the listing or maintenance requirements of such Trading Market. Company is, and has no reason to believe that it will not in the foreseeable future continue to be, in compliance with all such listing and maintenance requirements.

18. Application of Takeover Protections. Company and its Board of Directors have taken all necessary action, if any, in order to render inapplicable any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or other similar anti-takeover provision under Company's Certificate of Incorporation (or similar charter documents) or the laws of its state of incorporation that is or could become applicable to Investor as a result of Investor and Company fulfilling their obligations or exercising their rights under the Transaction Documents, including without limitation Company's issuance of the Shares and Investor's ownership of the Shares.

19. Tax Status. Company and each of its Subsidiaries has made or filed all federal, state and foreign income and all other tax returns, reports and declarations required by any jurisdiction to which it is subject (unless and only to the extent that Company and each of its Subsidiaries has set aside on its books provisions reasonably adequate for the payment of all unpaid and unreported taxes). Company has not executed a waiver with respect to the statute of limitations relating to the assessment or collection of any foreign, federal, statute or local tax. None of Company's tax returns is presently being audited by any taxing authority. Company would not be classified as a PFIC for its most recently completed taxable year, and does not expect to be classified as a PFIC for its current taxable year.

21. Accountants. Company's accountants are set forth in the Public Reports and such accountants are an independent registered public accounting firm.

22. No Disagreements with Accountants or Lawyers. There are no material disagreements presently existing, or reasonably anticipated by Company to arise, between Company and the accountants or lawyers formerly or presently employed by Company.

23. Powers of Attorney. There are no outstanding powers of attorney executed on behalf of the Company or any Subsidiary, except such as would not reasonably be expected to result in a Material Adverse Effect.

24. Computer and Technology Security. Company has taken all reasonable steps to safeguard the information technology systems utilized in the operation of the business of Company, including the implementation of procedures to minimize the risk that such information technology systems have any disabling codes or instructions, timer, copy protection device, clock, counter or other limiting design or routing and any back door, virus, malicious code or other software routines or hardware components that in each case permit unauthorized access or the unauthorized disablement or unauthorized erasure of data or other software by a third party, and, to Company's knowledge, to date there have been no successful unauthorized intrusions or breaches of the security of the information technology systems.

25. Data Privacy. Company has: (a) complied with, and is presently in compliance with, all applicable laws in connection with data privacy, information security, data security and/or personal information; (b) complied with, and is presently in material compliance with, its policies and procedures applicable to data privacy, information security, data security, and personal information; (c) not experienced any incident in which personal information or other sensitive data was or may have been stolen or improperly accessed; and Company is not aware of any facts suggesting the likelihood of the foregoing, including without limitation, any breach of security or receipt of any notices or complaints from any Person regarding personal information or other data.

C. Representations and Warranties of Investor. Investor hereby represents and warrants to Company as of the Closing as follows:

1. Organization; Authority. Investor is an entity validly existing and in good standing under the laws of the jurisdiction of its organization with full right, company power and authority to enter into and to consummate the transactions contemplated by the Transaction Documents and otherwise to carry out its obligations thereunder. The execution, delivery and performance by Investor of the transactions contemplated by this Agreement have been duly authorized by all necessary company or similar action on the part of Investor. Each Transaction Document to which it is a party has been, or will be, duly executed by Investor, and when delivered by Investor in accordance with the terms hereof, will constitute the valid and legally binding obligation of Investor, enforceable against it in accordance with its terms, except (a) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (b) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies, and (c) insofar as indemnification and contribution provisions may be limited by applicable law.

2. Investor Status. At the time Investor was offered the Preferred Shares, it was, and at the Effective Date it is: (a) an accredited investor as defined in Rule 501(a) under the Act; and (b) not a registered broker-dealer, member of FINRA, or an affiliate thereof.

3. Experience of Investor. Investor, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of the prospective investment in the Shares, and has so evaluated the merits and risks of such investment. Investor is able to bear the economic risk of an investment in the Shares and, at the present time, is able to afford a complete loss of such investment.

4. Ownership. Investor is acquiring the Preferred Shares as principal for its own account. Investor will not engage in hedging transactions with regard to the Conversion Shares unless in compliance with the Act. Investor will not resell, transfer or assign the Preferred Shares, and will resell the Conversion Shares only pursuant to registration under the Act or an available exemption therefrom.

5. **No Short Sales.** Neither Investor nor any Affiliate holds any short position in, nor has engaged in any Short Sales of the Common Stock, or engaged in any hedging transactions with regard to the Shares prior to the Effective Date.

IV. Securities and Other Provisions.

A. Investor Due Diligence. Investor will have the right and opportunity to conduct customary due diligence with respect to any Registration Statement or Prospectus in which the name of Investor or any Affiliate of Investor appears.

B. Furnishing of Information. For as long as Investor owns any Shares, Company will timely file all reports required to be filed by Company pursuant to the Exchange Act. As long as Investor owns any Shares, Company will prepare and make publicly available such information as is required for Investor to sell its Conversion Shares under Rule 144. Company further covenants that, as long as Investor owns any Shares, Company will take such further action as Investor may reasonably request, all to the extent required from time to time to enable Investor to sell its Conversion Shares without registration under the Act within the limitation of the exemptions provided by Rule 144.

C. Integration. Company will not sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security, as defined in Section 2 of the Act, that would be integrated with the offer or sale of the Shares to Investor for purposes of the rules and regulations of any Trading Market such that it would require stockholder approval prior to the closing of such other transaction unless stockholder approval is obtained before the closing of such subsequent transaction.

D. Disclosure and Publicity. Company will provide to Investor for review and approval prior to filing or issuing any current, periodic or public report, proxy or registration statement, press release, public statement or communication relating to or referencing Investor, any Transaction Documents or the transactions contemplated thereby.

E. Shareholders Rights Plan. No claim will be made or enforced by Company or, to the knowledge of Company, any other Person that Investor is an "Acquiring Person" under any shareholders rights plan or similar plan or arrangement in effect or hereafter adopted by Company, or that Investor could be deemed to trigger the provisions of any such plan or arrangement, in either such case, by virtue of receiving Shares under the Transaction Documents or under any other agreement between Company and Investor. Company will conduct its business in a manner so that it will not become subject to the Investment Company Act of 1940, as amended.

F. No Non-Public Information. Company covenants and agrees that neither it nor any other Person acting on its behalf will, provide Investor or its agents or counsel with any information that Company believes or reasonably should believe may constitute material non-public information. Neither Investor nor any Affiliate of Investor has or will have any duty of trust or confidence that is owed directly, indirectly, or derivatively, to Company or the stockholders of Company, or to any other Person who is the source of material non-public information regarding Company. Company understands and confirms that Investor will be relying on the foregoing in effecting transactions in securities of Company, including without limitation sales of the Conversion Shares.

G. Indemnification of Investor.

1. **Obligation to Indemnify.** Subject to the provisions of this Section IV.G, Company will indemnify and hold Investor, its Affiliates, managers and advisors, and each of their officers, directors, shareholders, partners, employees, representatives, agents and attorneys, and any person who controls Investor within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (collectively, “Investor Parties” and each a “Investor Party”), harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, reasonable costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys’ fees and costs of investigation (collectively, “Losses”) that any Investor Party may suffer or incur as a result of or relating to (a) any breach of any of the representations, warranties, covenants or agreements made by Company in this Agreement or in the other Transaction Documents, (b) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, Prospectus, Prospectus Supplement, or any information incorporated by reference therein, or arising out of or based upon any omission or alleged omission to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, or (c) any action by a creditor or stockholder of Company who is not an Affiliate of an Investor Party, challenging the transactions contemplated by the Transaction Documents; provided, however, that Company will not be obligated to indemnify any Investor Party for any Losses finally adjudicated to be caused solely by (i) a false statement of material fact contained within written information provided by such Investor Party expressly for the purpose of including it in the applicable Registration Statement, Prospectus, Prospectus Supplement, or (ii) such Investor Party’s unexcused material breach of an express provision of this Agreement or another Transaction Document.

2. **Procedure for Indemnification.** If any action will be brought against an Investor Party in respect of which indemnity may be sought pursuant to this Agreement, such Investor Party will promptly notify Company in writing, and Company will have the right to assume the defense thereof with counsel of its own choosing. Investor Parties will have the right to employ separate counsel in any such action and participate in the defense thereof, but the reasonable fees and expenses of such counsel will be at the expense of Investor Parties except to the extent that (a) the employment thereof has been specifically authorized by Company in writing, (b) Company has failed after a reasonable period of time to assume such defense and to employ counsel or (c) in such action there is, in the reasonable opinion of such separate counsel, a material conflict with respect to the dispute in question on any material issue between the position of Company and the position of Investor Parties such that it would be inappropriate for one counsel to represent Company and Investor Parties. Company will not be liable to Investor Parties under this Agreement (i) for any settlement by an Investor Party effected without Company’s prior written consent, which will not be unreasonably withheld or delayed; or (ii) to the extent, but only to the extent that a loss, claim, damage or liability is either attributable to Investor’s breach of any of the representations, warranties, covenants or agreements made by Investor in this Agreement or in the other Transaction Documents. In no event will the Company be liable for the reasonable fees and expenses for more than one separate firm of attorneys (plus local counsel as applicable) to represent all Investor Parties.

Other than the liability of Investor to Company for uncured material breach of the express provisions of this Agreement, no Investor Party will have any liability to Company or any Person asserting claims on behalf of or in right of Company as a result of acquiring the Shares under this Agreement.

H. Shareholder Approval. Company will include proposals relating to the approval of this Agreement, the issuance of the Conversion Shares, and an increase in authorized common stock to fulfill its agreed obligations (“**Approval**”) at the meeting held to approve the Merger or a separate meeting in the event the Merger is terminated prior to shareholder approval, and will use its commercially reasonable best efforts to obtain Approval as soon as possible and in any event prior to December 31, 2020. Company, its board of directors, and each of its officers and directors will vote all common shares owned or controlled by them and all proxies given to them in favor of the proposal. Company will at all times maintain a reserve from its duly authorized Common Stock for issuance pursuant to the Transaction Documents, authorized shares of Common Stock in an amount equal to thrice the number of shares sufficient to immediately issue all Conversion Shares potentially issuable at such time.

I. Activity Restrictions. Investor hereby grants an irrevocable proxy to Company’s board of directors to vote all Conversion shares beneficially owned or controlled by Investor as of the record date in favor of Approval. Except for the foregoing, for so long as Investor or any of its Affiliates holds any Shares, neither Investor nor any Affiliate will: (1) vote any shares of Common Stock or Preferred Stock beneficially owned or controlled by it, sign or solicit any proxies except as requested by the Board of Directors of Company, or seek to advise or influence any Person with respect to any voting securities of Company; (2) engage or participate in any actions, plans or proposals which relate to or would result in (a) acquiring additional securities of Company, alone or together with any other Person, which would result in beneficially owning or controlling more than 9.99% of the total outstanding Common Stock or other voting securities of Company, (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving Company or any of its Subsidiaries, (c) a sale or transfer of a material amount of assets of Company or any of its Subsidiaries, (d) any change in the present board of directors or management of Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board, (e) any material change in the present capitalization or dividend policy of Company, (f) any other material change in Company’s business or corporate structure, including but not limited to, if Company is a registered closed-end investment company, any plans or proposals to make any changes in its investment policy for which a vote is required by Section 13 of the Investment Company Act of 1940, (g) changes in Company’s charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of Company by any Person, (h) a class of securities of Company being delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association, (i) a class of equity securities of Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act, or (j) any action, intention, plan or arrangement similar to any of those enumerated above; or (3) request Company or its directors, officers, employees, agents or representatives to amend or waive any provision of this section.

J. No Shorting. Provided no Trigger Event has occurred, for so long as Investor holds any Shares, neither Investor nor any of its Affiliates will engage in or effect, directly or indirectly, any Short Sale of Common Stock. For the avoidance of doubt, selling against delivery of Conversion Shares after delivery of a Conversion Notice is not a Short Sale. There will be no restriction or limitation of any kind on Investor's right or ability to sell or transfer any or all of the Conversion Shares at any time, in its sole and absolute discretion. Investor may not sell, transfer or assign any Preferred Shares or any of its rights under this Agreement.

K. Stock Splits. If Company at any time on or after the Effective Date subdivides (by any stock split, stock dividend, recapitalization or otherwise) or combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a greater or lesser number of shares, the share numbers, prices and other amounts set forth in this Agreement, as in effect immediately prior to such subdivision or combination, will be proportionately reduced or increased, as applicable, effective at the close of business on the date the subdivision or combination becomes effective.

L. Subsequent Financings. Except as otherwise contemplated in connection with the Merger, as long as Investor holds any Preferred Shares, Company will not: (1) enter into any agreement that in any way restricts its ability to enter into any agreement, amendment or waiver with Investor, including without limitation any agreement to offer, sell or issue to Investor any preferred stock, common stock or other securities of Company; (2) issue or enter into or amend an agreement pursuant to which it may issue any shares of Common Stock, other than (a) for restricted securities with no registration rights, (b) in connection with a strategic acquisition, (c) in an underwritten public offering, or (d) at a fixed price; or (3) issue or amend any debt or equity securities convertible into, exchangeable or exercisable for, or including the right to receive, shares of Common Stock (a) at a conversion price, exercise price or exchange rate or other price that is based upon or varies with, the trading prices of or quotations for the shares of Common Stock at any time after the initial issuance of the security or (b) with a conversion, exercise or exchange price that is subject to being reset at some future date after the initial issuance of the security or upon the occurrence of specified or contingent events directly or indirectly related to the business of the Company or the market for the Common Stock. For sake of clarity, Company may enter into an unregistered financing of debt or restricted stock at any fixed price with no registration rights and may undertake the transactions contemplated in connection with Merger without restriction.

M. Principal Market. Company will timely submit all necessary notification and supporting documentation required for the listing of all possible Conversion Shares with NYSE American, after the approval by the stockholders of the Company of the issuance of such shares, at a duly called stockholders meeting, and will use its commercially reasonable best efforts to obtain approval to list the Conversion Shares as soon as possible, and in any event within 90 days after the Effective Date.

N. Restrictive Legend. The Shares have not been registered under the Act and may not be resold in the United States unless registered or an exemption from registration is available. Company is required to refuse to register any transfer of the Conversion Shares not made pursuant to registration under the Act or an available exemption from registration. Upon the issuance thereof, and only until such time as the same is no longer required under the applicable securities laws and regulations, the certificates representing any of the Shares will bear a legend in substantially the following form:

THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT, OR ANY U.S. STATE SECURITIES LAWS, AND, UNLESS SO REGISTERED, MAY NOT BE OFFERED OR SOLD, DIRECTLY OR INDIRECTLY, IN THE UNITED STATES OR TO U.S. PERSONS EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT OR AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE ACT. IN ADDITION, HEDGING TRANSACTIONS INVOLVING THE SECURITIES MAY NOT BE CONDUCTED UNLESS IN COMPLIANCE WITH THE ACT.

Certificates representing Conversion Shares will be issued without such legend or at Investor's option issued by electronic delivery at the applicable balance account at DTC, if either (i) the Conversion Shares are registered for resale under the Act, or (ii) Investor provides an opinion of its counsel to the effect that the Conversion Shares may be issued without restrictive legend.

O. Repurchase Obligation. If the Merger does not close by the required date approved by the parties thereto, Company shall, at Investor's option in its sole and absolute discretion, immediately repurchase from Investor all then outstanding Preferred Shares issued pursuant to this Agreement by paying to Investor 110.0% of the aggregate Face Value of all such shares, by wire transfer of immediately available funds to an account designated by Investor, which funds shall be due no later than one business day after Company's receipt of the Purchase Amount, plus any applicable interest from the counterparty to the Merger.

P. Repurchase Right. Provided Company has not materially breached this Agreement, Company may at any time, in its sole and absolute discretion, repurchase from Investor all, but not less than all, then outstanding Preferred Shares issued pursuant to this Agreement by paying to Investor 110.0% of the aggregate Face Value of all such shares, by wire transfer of immediately available funds to an account designated by Investor.

Q. Piggyback Registration Rights. Company will include on the next registration statement Company files with the Commission, or on the subsequent registration statement if such registration statement is withdrawn, all potentially issuable Conversion Shares. This obligation shall not apply to registration statements filed on Form S-4.

R. Right of First Refusal. If at any time while any Preferred Shares are outstanding, Company has a bona fide offer of equity capital or financing from any person, that Company intends to act upon, then Company must first offer such opportunity to Investor to provide such capital or financing to Company on the same terms as each respective person's terms. Except as otherwise provided in any Transaction Documents, should Investor be unwilling or unable to provide such capital or financing to Company within 10 Trading Days from Investor's receipt of written notice of the offer from Company, then Company may obtain such capital or financing from that respective person upon the exact same terms and conditions offered by Company to Investor, which transaction must be completed within 90 days after the date of the notice. If Company does not receive the capital or financing from the respective person within 90 days after the date of the respective notice, then Company must again offer the capital or financing opportunity to Investor as described above, and the process detailed above shall be repeated. Notwithstanding anything to the contrary in the foregoing, this provision shall not apply to a debt financing that is not convertible to stock.

S. Favored Nations. So long as any Preferred Shares are outstanding, upon any issuance by Company or any of its subsidiaries of any security with any term more favorable to the holder of such security or with a term in favor of the holder of such security that was not similarly provided to Investor, then Company will notify Investor of such additional or more favorable term and such term, at Investor's option, shall become a part of the transaction documents with Investor. The types of terms contained in another security that may be more favorable to the holder of such security include, but are not limited to, terms addressing conversion discounts, prepayment rate, conversion look back periods, interest rates, original issue discounts, stock sale price, private placement price per share, and warrant coverage.

V. General Provisions.

A. Notice. Unless a different time of day or method of delivery is specifically provided in the Transaction Documents, any and all notices or other communications or deliveries required or permitted to be provided hereunder will be in writing and will be deemed given and effective on the earliest of: (a) the date of transmission, if such notice or communication is delivered via facsimile or electronic mail prior to 5:00 p.m. Eastern time on a Trading Day and an electronic confirmation of delivery is received by the sender, (b) the next Trading Day after the date of transmission, if such notice or communication is delivered later than 5:00 p.m. Eastern time or on a day that is not a Trading Day, (c) the next Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (d) upon actual receipt by the party to whom such notice is required to be given. The addresses for such notices and communications are such other address as may be designated in writing, in the same manner, by such Person.

B. Amendments; Waivers. No provision of this Agreement may be waived or amended except in a written instrument signed, in the case of an amendment, by Company and Investor or, in the case of a waiver, by the party against whom enforcement of any such waiver is sought. No waiver of any default with respect to any provision, condition or requirement of this Agreement will be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor will any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right.

C. No Third-Party Beneficiaries. Except as otherwise set forth in **Section IV.G**, this Agreement and the Transaction Documents will inure solely to the benefit of the parties hereto, and is not for the benefit of, nor may any provision hereof be enforced by, any other Person. Other than the Investor Parties described in **Section IV.G**, a Person who is not a party to this Agreement will not have any rights under the Contracts (Rights of Third Parties) Law, 2014 of the Cayman Islands to enforce any term of this Agreement or any Transaction Document.

D. Fees and Expenses. Except as otherwise provided in this Agreement, each party will pay the fees and expenses of its own advisers, counsel, accountants and other experts, if any, and all other expenses incurred by such party incident to the negotiation, preparation, execution, delivery and performance of the Transaction Documents. Company acknowledges and agrees that Investor's counsel solely represents Investor, and does not represent Company or its interests in connection with the Transaction Documents or the transactions contemplated thereby. Company will pay all stamp and other taxes and duties, if any, levied in connection with the sale or issuance of the Shares to Investor.

E. Severability. If any provision of this Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement will not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, will incorporate such substitute provision in this Agreement.

F. Replacement of Certificates. If any certificate or instrument evidencing any Shares is mutilated, lost, stolen or destroyed, Company will issue or cause to be issued in exchange and substitution for and upon cancellation thereof, or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to Company of such loss, theft or destruction and customary and reasonable indemnity, if requested. The applicants for a new certificate or instrument under such circumstances will also pay any reasonable third-party costs associated with the issuance of such replacement certificates.

G. Governing Law. All matters between the parties, including without limitation questions concerning the construction, validity, enforcement and interpretation of the Transaction Documents will be governed by and construed and enforced in accordance with the laws of the U.S. Virgin Islands, without regard to the principles of conflicts of law that would require or permit the application of the laws of any other jurisdiction, except for corporation law matters applicable to Company which will be governed by the corporate law of its jurisdiction of formation. The parties hereby waive all rights to a trial by jury. In any action, arbitration or proceeding, including appeal, arising out of or relating to any of the Transaction Documents or otherwise involving the parties, the prevailing party will be awarded its reasonable attorneys' fees and other costs and expenses reasonably incurred in connection with the investigation, preparation, prosecution or defense of such action or proceeding.

H. Arbitration. Any dispute, controversy, claim or action of any kind arising out of, relating to, or in connection with this Agreement, or in any way involving Company and Investor or their respective Affiliates, including any issues of arbitrability, will be resolved solely by final and binding arbitration in English before a retired judge at JAMS International, or its successor, in the Territory of the Virgin Islands, pursuant to the most expedited and Streamlined Arbitration Rules and Procedures available. Any interim or final award may be entered and enforced by any court of competent jurisdiction. The final award will include the prevailing party's reasonable arbitration, expert witness and attorney fees, costs and expenses. Notwithstanding the foregoing, Investor may in its sole discretion bring an action in aid of arbitration.

I. Remedies. In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, each of Investor and Company will be entitled to specific performance under the Transaction Documents, and equitable and injunctive relief to prevent any actual or threatened breach under the Transaction Documents, to the full extent permitted under applicable laws. Without limitation of the foregoing, Company acknowledges and agrees that the rights and benefits of Investor pursuant to Section I.G.1. of the Certificate of Designations are unique and that no adequate remedy exists at law if Company breaches or fails to timely perform any of its obligations thereunder, that it would be difficult to determine the amount of damages resulting therefrom, that it would cause irreparable injury to Investor, and that any potential harm to Company would be adequately and fully compensable with monetary damages. Accordingly, Investor will be entitled to a compulsory remedy of immediate specific performance, temporary, interim, preliminary and final injunctive relief to enforce the provisions thereof, including without limitation requiring Company and its transfer agent, attorneys, officers and directors to immediately take all actions necessary to issue and deliver the number of Conversion Shares stated by Investor, which requirements will not be stayed for any reason, without the necessity of posting any bond. Company hereby absolutely, unconditionally and irrevocably waives all objections and rights to oppose any motion, application or request by Investor to issue any number of Conversion Shares, and all rights to stay or appeal any resulting order, and any opposition or appeal by Company or on its behalf will be immediately and automatically dismissed. In addition, Company acknowledges and agrees that it would have an adequate remedy at law for any violation of Section I.G.1. of the Certificate of Designations by Investor, that it would not be difficult to determine the amount of damages resulting therefrom, that it would not cause irreparable injury to Company, and that any potential harm to Company would be adequately and fully compensable with monetary damages. Accordingly, Company will not be entitled any equitable relief to restrain the provisions thereof, including without limitation preventing Investor, Investor's brokers or Company's transfer agent from issuing, receiving or reselling Conversion Shares. Company hereby absolutely, unconditionally and irrevocably waives all rights to bring any action, motion, application or request to enjoin any issuance of Conversion Shares, and any action or motion by Company or on its behalf will be immediately and automatically dismissed. Nothing provided for in this provision will limit either party's ability to recover monetary damages.

J. Payment Set Aside. To the extent that Company makes a payment or payments to Investor pursuant to any Transaction Document or Investor enforces or exercises its rights thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to Company, a trustee, receiver or any other person under any law, including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action, then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied will be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

K. Headings. The headings herein are for convenience only, do not constitute a part of this Agreement and will not be deemed to limit or affect any of the provisions hereof.

L. Time of the Essence. Time is of the essence with respect to all provisions of this Agreement and all Transaction Documents.

M. Survival. The representations and warranties contained herein will survive the Closing and the delivery of the Shares until all Preferred Shares issued to Investor have been converted or repurchased. Neither party will be under any obligation to update or supplement any of its representations or warranties following the Closing due to a change that occurred after the Closing.

N. Construction. The parties agree that each of them and/or their respective counsel has reviewed and had an opportunity to revise the Transaction Documents and, therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party will not be employed in the interpretation of the Transaction Documents or any amendments hereto. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party. All currency references in any Transaction Document are to U.S. dollars.

O. Further Assurances. Each party will take all further actions and execute all further documents as may be reasonably necessary to implement the provisions and carry out the intent of this Agreement fully and effectively.

P. Execution. This Agreement may be executed in two or more counterparts, all of which when taken together will be considered one and the same agreement and will become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by portable document format, facsimile or electronic transmission, such signature will create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such signature page were an original thereof.

Q. Entire Agreement. This Agreement, including the Exhibits hereto, which are hereby incorporated herein by reference, contains the entire agreement and understanding of the parties, and supersedes all prior and contemporaneous agreements, term sheets, letters, discussions, communications and understandings, both oral and written, which the parties acknowledge have been merged into this Agreement. No party, representative, advisor, attorney or agent has relied upon any collateral contract, agreement, assurance, promise, understanding, statement or representation not expressly set forth herein. The parties hereby absolutely, unconditionally and irrevocably waive all rights and remedies, at law and in equity, directly or indirectly arising out of or relating to, or which may arise as a result of, any Person's reliance on any such statement or assurance.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized signatories on the Effective Date.

Exhibit 99.1

Camber Energy, Inc. Raises \$6 Million Through Sale of Series C Preferred Stock; Moves Temporary Equity to Permanent Equity; and Positions Company for Closing of Viking Merger

HOUSTON, TX – June 23, 2020 (GlobeNewswire) – Camber Energy, Inc. (NYSE American: CEI) (“**Camber**” or the “**Company**”) today announced that on June 22, 2020, it sold 630 shares of its Series C Redeemable Convertible Preferred Stock (“**Series C Preferred Stock**”) to an institutional investor in consideration for \$6 million (a 5% original issue discount to the \$10,000 face value of such preferred stock).

The Company plans to use the funds raised to pay operating expenses and expenses in connection with the merger contemplated by that certain Agreement and Plan of Merger entered into between the Company and Viking Energy Group, Inc. (“**Viking**”) on February 3, 2020, as amended from time to time (the “**Merger**”), and subject to the parties coming to an agreement on terms and conditions relating to such advance, to advance a substantial portion of such funds to Viking, in anticipation of the Merger.

The Company recently received comments from the Securities and Exchange Commission on its initial draft Registration Statement on Form S-4 and plans to turn its attention to addressing such comments and re-filing the updated Form S-4 after the filing of the Company’s annual report on Form 10-K, which the Company plans to file later this week. The Company’s goal is still to close the Merger by late summer, as previously disclosed.

In connection with sale of the Series C Preferred Stock to the institutional investor, such investor (who held all 2,566 outstanding shares of the Company’s Series C Preferred Stock prior to the sale of the 630 new shares of preferred stock described above), entered into an amendment agreement with the Company. Pursuant to such agreement, the investor agreed to waive the requirement previously set forth in the purchase agreement entered into with such investor in February 2020, pursuant to which the investor purchased 525 shares of Series C Preferred Stock for \$5 million, which would have required the Company to redeem all 525 of such shares of Series C Preferred Stock, for 110% of their face value (an aggregate of \$5,775,000), in the event that the Merger did not close. As a result of such amendment, the \$5,000,000 paid by the investor to the Company for the purchase of the 525 shares of Series C Preferred Stock on February 3, 2020 will be released from temporary equity and included in permanent equity in the Company’s June 30, 2020 balance sheet.

Notwithstanding such amendment described above, the June 22, 2020 purchase agreement entered into with the investor requires, similar to as the prior terms of the February 2020 purchase agreement, that the Company redeem all 630 shares of Series C Preferred Stock sold to the investor at 110% of their face value, in the event the Merger does not close (which repurchase obligation totals \$6,930,000).

Additional information regarding the transactions described above and the terms of the Series C Preferred Stock, which is convertible into shares of the Company’s common stock, is disclosed in the Current Report on Form 8-K filed by the Company today with the Securities and Exchange Commission, and available at www.sec.gov and on the Company’s website at www.camber.energy.

Louis G. Schott, Interim CEO of the Company, stated, “We believe with this cash infusion, we will have sufficient capital to close the merger with Viking, and plan to continue to work towards closing such merger in the weeks ahead. Additionally, with the change in the presentation of the prior Series C Preferred Stock sold in February 2020 from temporary equity, to permanent equity, on the Company’s June 30, 2020 balance sheet, we anticipate increasing our stockholders’ equity as of June 30, 2020 to a level sufficient to meet the NYSE American’s continued listing standards.”
