## Explanatory Note

As previously disclosed in the Current Report on Form 8-K filed on February 5, 2020, by Camber Energy, Inc. (“Camber” or the “Company”), the Company, on February 3, 2020, entered into an Agreement and Plan of Merger, which was amended by a First Amendment to Agreement and Plan of Merger dated on or around May 27, 2020 (as amended to date, the “Merger Agreement”) with Viking Energy Group, Inc. (“Viking”), which contemplates a newly-formed wholly-owned subsidiary of Camber merging with and into Viking (the “Merger”), with Viking surviving the Merger as a wholly-owned subsidiary of Camber. This Current Report on Form 8-K is being filed to disclose an amendment to the Merger Agreement.

### **Item 1.01. Entry into a Material Definitive Agreement.**

On June 15, 2020, Viking and Camber entered into a Second Amendment to Agreement and Plan of Merger (the “Second Amendment”) to amend the Merger Agreement to extend the date after which the Merger Agreement can be cancelled by either Camber or Viking, if not completed thereby, from June 30, 2020 to September 30, 2020, provided that either Camber or Viking have the right to further extend such date from time to time, until up to December 31, 2020, in the event that Camber has not fully resolved Securities and Exchange Commission (SEC) comments on Registration Statement on Form S-4 which Camber filed in connection with the Merger, or other SEC filings related to the Merger, and Camber is responding to such comments in a reasonable fashion, subject to certain exceptions.

The foregoing description of the Second Amendment is not a complete summary and is qualified in its entirety by reference to the full text of the Second Amendment, which is filed as Exhibit 2.3 to this Current Report on Form 8-K and incorporated by reference into this Item 1.01.

### **Item 8.01 Other Events.**

On June 1, 2020, Viking and Camber each published a joint press release announcing the entry into the Second Amendment and updating the status of the Merger. A copy of the press release is included herewith as Exhibit 99.1, and the information in the press release is incorporated by reference into this Item 8.01.

As of June 15, 2020, the Company had 10,328,717 shares of common stock issued and outstanding (which does not include approximately 0.6 million shares of common stock which are still due to the holder of the Company’s Series C Preferred Stock from prior conversions of Series C Preferred Stock, and which are currently held in abeyance, subject to issuance at the request of such holder, and such holder’s 9.99% ownership limitation). The increase in our outstanding shares of common stock from the date of the Company’s April 16, 2020 increase in authorized shares of common stock (from 5 million shares, to 25 million shares, pursuant to the approval of the stockholders of the Company at the annual meeting of stockholders held on the same day), is almost solely entirely due to conversions of shares of Series C Preferred Stock of the Company into common stock, and conversion premiums due thereon, which are payable in shares of common stock, pursuant to the designation of such Series C Preferred Stock. The conversions are in the sole discretion of the Series C Preferred Stockholder. The number of shares of common stock due to the Series C Preferred Stock holder are subject to increase and adjustment as the price of the Company’s common stock declines in value.

Important factors that may cause actual results and outcomes to differ materially from those contained in such forward-looking statements include, without limitation, the occurrence of any event, change or other circumstances that could give rise to the parties failing to complete the merger on the terms disclosed, if at all, the right of one or both of Viking or Camber to terminate the merger agreement and the result of such termination; the outcome of any legal proceedings that may be instituted against Viking, Camber or their respective directors; the ability to obtain regulatory approvals and other consents, and meet other closing conditions to the merger on a timely basis or at all, including the risk that regulatory approvals or other consents required for the merger are not obtained on a timely basis or at all, or which are obtained subject to conditions that are not anticipated or that could adversely affect the combined company or the expected benefits of the transaction; the ability to obtain approval by Viking stockholders and Camber stockholders on the expected schedule; required closing conditions which may not be able to be met and/or consents which may not be able to be obtained; difficulties and delays in integrating Viking's and Camber's businesses; prevailing economic, market, regulatory or business conditions, or changes in such conditions, negatively affecting the parties, including, but not limited to, as a result of the recent volatility in oil and gas prices and the status of the economy (both US and global) due to the Covid-19 pandemic and actions taken to slow the spread of Covid-19; risks that the transaction disrupts Viking's or Camber's current plans and operations; failing to fully realize anticipated cost savings and other anticipated benefits of the merger when expected or at all; potential adverse reactions or changes to business relationships resulting from the announcement or completion of the merger; the ability of Camber to obtain the approval of its Series C Preferred Stock holder to close the Merger; the ability of Viking or Camber to retain and hire key personnel; the diversion of management's attention from ongoing business operations; uncertainty as to the long-term value of the common stock of the combined company following the merger; the continued availability of capital and financing, prior to, and following, the merger; the business, economic and political conditions in the markets in which Viking and Camber operate; and the fact that Viking's and Camber's reported earnings and financial position may be adversely affected by tax and other factors.

Other important factors that may cause actual results and outcomes to differ materially from those contained in the forward-looking statements included in this communication are described in the Form S-4, and Viking's and Camber's publicly filed reports, including Viking's Annual Report on Form 10-K for the year ended December 31, 2019, Camber's Annual Report on Form 10-K for the year ended March 31, 2019 and subsequently filed Quarterly Reports on Form 10-Q.

Viking and Camber caution that the foregoing list of important factors is not complete, and they do not undertake to update any forward-looking statements that either party may make except as required by applicable law. All subsequent written and oral forward-looking statements attributable to Viking, Camber or any person acting on behalf of either party are expressly qualified in their entirety by the cautionary statements referenced above.

[Camber Energy, Inc. 8-K](#)**Exhibit 99.1****Camber Energy, Inc. and Viking Energy Group, Inc. Report Progress on Planned Merger**

**HOUSTON, TX – June 16, 2020 (GlobeNewswire) – Camber Energy, Inc.** (NYSE American: CEI) (“Camber”) and **Viking Energy Group, Inc.** (OTCQB: VKIN) (“Viking”) are pleased to announce that on June 4, 2020, Camber filed with the Securities and Exchange Commission (SEC), a Registration Statement on Form S-4, including a preliminary joint proxy statement relating to the planned merger between Viking and Camber. The SEC has advised Camber that they are reviewing the Form S-4, and Camber anticipates comments thereon within the next few weeks in accordance with the customary SEC review process. The timing of the filing is consistent with the projected timetable set out in the joint press release issued by the companies on June 1, 2020 (<https://finance.yahoo.com/news/camber-energy-inc-viking-energy-123000227.html>) regarding previously planned next steps in the merger process. Separately, the parties entered into a second amendment to the merger agreement to extend the required closing date thereof from June 30, 2020 to September 30, 2020 (subject to further extensions through December 31, 2020, as per the original terms of the merger agreement), however the parties are hoping to close the merger before then if possible. An updated, estimated timeline of the closing of the merger is disclosed below:

Camber to receive Stock Exchange Approval for the Merger	Late Summer 2020
Closing of the Merger	Late Summer 2020

\*Estimate only. There is no guarantee items will be completed by such date, or at all. Such timeline may also need to be extended in connection with delays caused by the Covid-19 pandemic and governmental responses to such pandemic, the SEC’s review of the registration statement, or other matters outside of the control of the parties.

Details regarding the planned merger, along with copies of the definitive Agreement and Plan of Merger and First Amendment to the Agreement and Plan of Merger signed by the parties on February 3, 2020 and May 27, 2020, respectively, were included in Viking’s and Camber’s Current Reports on Form 8-K filed with the Securities and Exchange Commission on February 5, 2020 and June 1, 2020, respectively, and are available under “Investors” – “SEC filings” at [www.vikingenergygroup.com](http://www.vikingenergygroup.com) and [www.camber.energy](http://www.camber.energy).

As disclosed previously, the planned merger contemplates Camber issuing newly-issued shares of common stock to the equity holders of Viking in exchange for 100% of the outstanding equity securities of Viking by means of a reverse triangular merger in which a newly formed wholly-owned subsidiary of Camber will merge with and into Viking, with Viking continuing as the surviving corporation and as a wholly-owned subsidiary of Camber after the Merger. If the closing of the Merger occurs (the “**Closing**”), the Viking equity holders prior to the Merger will own approximately 80% of Camber’s issued and outstanding common stock immediately after the Merger, and the Camber equity holders prior to the Merger shall own approximately 20% of Camber’s issued and outstanding common stock immediately after the Merger, subject to adjustment mechanisms set out in the Merger Agreement, as amended, and in each case on a fully-diluted, as-converted basis as of immediately prior to the Closing (including options, warrants and other rights to acquire equity securities of Viking or Camber), but without taking into account any shares of common stock issuable to the holder of Camber’s Series C Preferred Stock upon conversion of the Series C Preferred Stock. Completion of the Merger is subject to a number of closing conditions, as set out in the Merger Agreement.

James Doris, President & CEO of Viking, stated, “We remain committed to working diligently to complete steps necessary to close the merger, and firmly believe the combination of the two companies will be extremely beneficial to all stakeholders.”

Louis G. Schott, Interim CEO of Camber, stated, “Camber is working with its auditors on finalizing the company’s Annual Report for the fiscal year ended March 31, 2020, which we plan to file in the next week or so, prior to the SEC’s required filing deadline, and we look forward to closing the merger by the end of the Summer after addressing SEC comments on the Form S-4, which are standard in transactions such as the merger.”
