Explanatory Note

As previously disclosed in the [Current Report on Form 8-K](#) filed on February 5, 2020, by Camber Energy, Inc. (“Camber” or the “Company”), the Company, on February 3, 2020, entered into an Agreement and Plan of Merger (the “[Merger Agreement](#)”) with Viking Energy Group, Inc. (“Viking”), which contemplates a newly-formed wholly-owned subsidiary of Camber merging with and into Viking (the “[Merger](#)”), with Viking surviving the Merger as a wholly-owned subsidiary of Camber. This Current Report on Form 8-K is being filed to disclose an amendment to the Merger Agreement.

Item 1.01. Entry into a Material Definitive Agreement.

On May 27, 2020, Viking and Camber entered into the First Amendment to Agreement and Plan of Merger (the “[First Amendment](#)”) to amend the Merger Agreement to (i) modify the Camber Percentage (as defined below) adjustment mechanism to cap the aggregate Camber Percentage Increase (as defined below) or Camber Percentage Decrease (as defined below) at 5%; (ii) modify the events resulting in such adjustments; (iii) correct a prior error with such calculation which discussed Camber being required to have \$4 million in cash at closing; and (iv) agree that neither party will raise capital from the other party’s existing shareholders without the prior written consent of the other party.

Upon the terms and subject to the conditions set forth in the Merger Agreement, at the effective time of the Merger (the “[Effective Time](#)”), each share of common stock, par value \$0.001 per share, of Viking (the “[Viking Common Stock](#)”) issued and outstanding immediately prior to the Effective Time, other than certain shares owned by Camber, Viking and Camber’s merger subsidiary (which will be cancelled), will be converted into the right to receive the pro rata share of 80% of Camber’s post-Effective Time capitalization (Camber’s 20% share being defined herein as the “[Camber Percentage](#)”), taking into account the number of shares of common stock of Camber outstanding on a fully-diluted basis and without taking into account any shares of common stock which the holder of Camber’s Series C Preferred Stock can receive upon conversion of the Series C Preferred Stock, or a separate series of preferred stock issued in exchange for such Series C Preferred Stock, which has fixed conversion provisions. Holders of Viking Common Stock will have any fractional shares of Camber common stock after the Merger rounded up to the nearest whole share.

The Merger Agreement, as amended by the First Amendment, provides that the Camber Percentage is to be adjusted as follows: (i) for each (A) \$500,000 in Camber unencumbered cash (without any associated debt) available for use by the combined company (the “[Combined Company](#)”) after the Effective Time, with a permitted use being to, among other things, pay debt obligations of Viking outside of Viking’s Ichor division or Elysium division, which comes from equity sold by Camber for cash from February 3, 2020, through the Effective Time, which is not contingent or conditional upon the closing of the Merger (the “[Camber Surplus Cash](#)”), or (B) \$500,000 in other unencumbered assets acquired by Camber after the date of First Amendment and prior to closing without increasing Camber’s liabilities (the “[Other Camber Surplus Assets](#)”), the Camber Percentage will increase by an incremental 0.5% (a “[Camber Percentage Increase](#)”); and (ii) for each additional \$500,000 in Viking unencumbered cash (without any associated debt) for use by the Combined Company after the Effective Time which is not contingent or conditional upon the closing of the Plan of Merger, with a permitted use being to, among other things, pay debt obligations of Viking outside of Viking’s Ichor division or Elysium division in excess of \$500,000 at Closing, which comes from equity sold by Viking for cash from February 3, 2020 through the Effective Time, the Camber Percentage will decrease by an incremental 0.5% (a “[Camber Percentage Decrease](#)”). The aggregate Camber Percentage Increase or Camber Percentage Decrease shall not exceed 5% pursuant to this particular section of the Merger Agreement, and neither party will raise capital from the other party’s existing shareholders without the prior written consent of such other party.

The foregoing description of the First Amendment is not a complete summary and is qualified in its entirety by reference to the full text of the First Amendment, which is filed as [Exhibit 2.2](#) to this Current Report on Form 8-K and incorporated by reference into this [Item 1.01](#).

Item 8.01 Other Events.

On May 12, 2020, the Company entered into the first amendment to the prior letter agreement the Company had entered into on February 19, 2020 with Sylva International LLC d/b/a SylvaCap Media (“SylvaCap”), pursuant to which SylvaCap agreed to act as the Company’s non-exclusive digital marketing service provider. Pursuant to the amendment, the Company and SylvaCap extended the term of the letter agreement to October 19, 2020.

On June 1, 2020, Viking and Camber each published a joint press release announcing the entry into the First Amendment. A copy of the press release is included herewith as Exhibit 99.1, and the information in the press release is incorporated by reference into this Item 8.01.

Important factors that may cause actual results and outcomes to differ materially from those contained in such forward-looking statements include, without limitation, the occurrence of any event, change or other circumstances that could give rise to the parties failing to complete the merger on the terms disclosed, if at all, the right of one or both of Viking or Camber to terminate the merger agreement and the result of such termination; the outcome of any legal proceedings that may be instituted against Viking, Camber or their respective directors; the ability to obtain regulatory approvals and meet other closing conditions to the merger on a timely basis or at all, including the risk that regulatory approvals required for the merger are not obtained on a timely basis or at all, or which are obtained subject to conditions that are not anticipated or that could adversely affect the combined company or the expected benefits of the transaction; the ability to obtain approval by Viking stockholders and Camber stockholders on the expected schedule; required closing conditions which may not be able to be met and/or consents which may not be able to be obtained; difficulties and delays in integrating Viking’s and Camber’s businesses; prevailing economic, market, regulatory or business conditions, or changes in such conditions, negatively affecting the parties, including, but not limited to, as a result of the recent volatility in oil and gas prices and the status of the economy (both US and global) due to the Covid-19 pandemic and actions taken to slow the spread of Covid-19; risks that the transaction disrupts Viking’s or Camber’s current plans and operations; failing to fully realize anticipated cost savings and other anticipated benefits of the merger when expected or at all; potential adverse reactions or changes to business relationships resulting from the announcement or completion of the merger; the ability of Camber to obtain the approval of the Series C Preferred Stock

holder to close the Merger; the ability of Viking or Camber to retain and hire key personnel; the diversion of management's attention from ongoing business operations; uncertainty as to the long-term value of the common stock of the combined company following the merger; the continued availability of capital and financing following the merger; the business, economic and political conditions in the markets in which Viking and Camber operate; and the fact that Viking's and Camber's reported earnings and financial position may be adversely affected by tax and other factors.

Other important factors that may cause actual results and outcomes to differ materially from those contained in the forward-looking statements included in this communication are described in Viking's and Camber's publicly filed reports, including Viking's Annual Report on Form 10-K for the year ended December 31, 2019, Camber's Annual Report on Form 10-K for the year ended March 31, 2019 and subsequently filed Quarterly Reports on Form 10-Q for each of Viking and Camber.

Viking and Camber caution that the foregoing list of important factors is not complete, and they do not undertake to update any forward-looking statements that either party may make except as required by applicable law. All subsequent written and oral forward-looking statements attributable to Viking, Camber or any person acting on behalf of either party are expressly qualified in their entirety by the cautionary statements referenced above.

Camber Energy, Inc. and Viking Energy Group, Inc. Amend Definitive Merger Agreement Relating to Their Planned Combination and Provide Update on Status of Merger

HOUSTON, TX – June 1, 2020 (GlobeNewswire) – Camber Energy, Inc. (NYSE American: CEI) (“**Camber**”) and **Viking Energy Group, Inc.** (OTCQB: VKIN) (“**Viking**”) today announced that they have entered into an amendment to the definitive Agreement and Plan of Merger (“**Merger Agreement**”) signed by the parties on February 3, 2020 (the “**Merger**”). Details regarding the Merger, along with a copy of the Merger Agreement, were included in Viking’s and Camber’s Current Reports on Form 8-K filed on February 5, 2020, with the Securities and Exchange Commission, and are available under "Investors" at www.vikingenergygroup.com and www.camber.energy. Terms were also summarized in press releases filed by each company on the same date.

The amendment (i) modified and clarified the mechanisms pursuant to which Camber’s and Viking’s post-combination percentage of Camber would be determined (without affecting any changes to the originally contemplated 80/20 percentage split between Viking and Camber, based on the fully-diluted post-merger capitalization of Camber, without taking into account Camber’s outstanding Series C Preferred Stock (Camber’s 80% split being defined as the “**Camber Percentage**”)); (ii) placed a cap of 5% (up or down) on the adjustment mechanism; (iii) corrected a prior error in the Merger Agreement relating to such calculation; and (iv) included a prohibition on either party raising capital from the other party’s existing shareholders without prior written consent.

As disclosed previously, the planned merger contemplates Camber issuing newly-issued shares of common stock to the equity holders of Viking in exchange for 100% of the outstanding equity securities of Viking by means of a reverse triangular merger in which a newly formed wholly-owned subsidiary of Camber will merge with and into Viking, with Viking continuing as the surviving corporation and as a wholly-owned subsidiary of Camber after the Merger. If the closing of the Merger occurs (the “**Closing**”), the Viking equity holders prior to the Merger will own approximately 80% of Camber’s issued and outstanding common stock immediately after the Merger (the “**Camber Percentage**”), and the Camber equity holders prior to the Merger shall own approximately 20% of Camber’s issued and outstanding common stock immediately after the Merger, subject to adjustment mechanisms set out in the Merger Agreement, and in each case on a fully-diluted, as-converted basis as of immediately prior to the Closing (including options, warrants and other rights to acquire equity securities of Viking or Camber), but without taking into account any shares of common stock issuable to the holder of Camber’s Series C Preferred Stock upon conversion of the Series C Preferred Stock. Completion of the Merger is subject to a number of closing conditions, as set out in the Merger Agreement.

Specifically, the Merger Agreement, as amended, provides that the Camber Percentage is to be adjusted as follows: (i) for each (A) \$500,000 in Camber unencumbered cash (without any associated debt) available for use by the combined company (the “**Combined Company**”) after the effective time of the Merger (the “**Effective Time**”), which comes from equity sold by Camber for cash from February 3, 2020, through the Effective Time, which is not contingent or conditional upon the closing of the Merger, or (B) \$500,000 in other unencumbered assets acquired by Camber prior to closing without increasing Camber’s liabilities, the Camber Percentage will increase by an incremental 0.5% (a “**Camber Percentage Increase**”); and (ii) for each additional \$500,000 in Viking unencumbered cash (without any associated debt) for use by the Combined Company after the Effective Time which is not contingent or conditional upon the closing of the Merger, in excess of \$500,000, which comes from equity sold by Viking for cash from February 3, 2020 through the Effective Time, the Camber Percentage will decrease by an incremental 0.5% (a “**Camber Percentage Decrease**”). The aggregate Camber Percentage Increase or Camber Percentage Decrease shall not exceed 5%.

Camber and Viking are also updating their previously planned next steps in the merger process and the anticipated timing associated with each item, as disclosed below:
