Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On May 8, 2020, Camber Energy, Inc. (the “Company”, “we” and “us”) was notified by the NYSE American (the “Exchange”) that NYSE Regulation has accepted the Company’s plan to regain compliance with the Exchange’s continued listing standards set forth in Section 1003(a)(ii) of the NYSE American Company Guide (the “Company Guide”) by August 24, 2021, subject to periodic review by the Exchange for compliance with the initiatives set forth in the plan. If the Company is not in compliance with the continued listing standards by August 24, 2021, or if the Company does not make progress consistent with the plan during the plan period, the NYSE Regulation staff may initiate delisting proceedings as appropriate.

As previously reported, on February 24, 2020, we received notice from the Exchange that the Company is not in compliance with the continued listing standard set forth in Section 1003(a)(ii) of the Company Guide. In order to maintain our listing on the Exchange, the Exchange had requested that the Company submit a plan of compliance by March 25, 2020 addressing how the Company intended to regain compliance with Section 1003(a)(ii) of the Company Guide by August 24, 2021.

The notice from the Exchange has no immediate impact on the listing of the Company’s common stock, which will continue to trade on the Exchange under the symbol “CEI” (“CEI.BC” on the Exchange’s reporting system due to the fact that Company is non-compliant with Section 1003(a)(ii) of the Company Guide) subject to periodic review by the Exchange. The listing of the Company’s common stock on the Exchange is being continued pursuant to an extension during the plan period.

The Company is committed to undertaking a transaction or transactions in the future to achieve compliance with the Exchange’s requirements. There can be no assurance that the Company will be able to achieve compliance with the Exchange’s continued listing standards within the required time frame.

Item 3.02 Unregistered Sales of Equity Securities.

As described below under Item 8.01, on February 15, 2020, we agreed to issue Sylva International LLC d/b/a SylvaCap Media 100,000 shares of restricted common stock. We plan to claim an exemption from registration pursuant to Section 4(a)(2) and/or Rule 506 of Regulation D of the Securities Act of 1933, as amended, since the foregoing issuance will not involve a public offering, the recipient is (a) an “accredited investor”; and/or (b) had access to similar documentation and information as would be required in a Registration Statement under the Securities Act, and the recipient will acquire the securities for investment only and not with a view towards, or for resale in connection with, the public sale or distribution thereof. The securities will be subject to transfer restrictions, and the certificates evidencing the securities will contain an appropriate legend stating that such securities have not been registered under the Securities Act and may not be offered or sold absent registration or pursuant to an exemption therefrom.

Item 8.01 Other Events.

On February 15, 2020, the Company entered into a letter agreement with Sylva International LLC d/b/a SylvaCap Media (“SylvaCap”), pursuant to which SylvaCap agreed to act as the Company’s non-exclusive digital marketing service provider in consideration for an aggregate of 100,000 shares of restricted common stock (the “SylvaCap Shares”), which are fully-earned upon their issuance, and \$50,000 per month during the term of the agreement, which ends on June 15, 2020, provided, the parties are currently working on an extension to such agreement. The SylvaCap Shares will be issued promptly following NYSE American additional listing approval of such shares, but have not been issued to date.

The foregoing description of the SylvaCap agreement above, is subject to, and qualified in its entirety by, the full text of the SylvaCap agreement attached as Exhibit 10.1 hereto, which is incorporated in this Item 1.01 by reference in its entirety.

On May 13, 2020, the Company issued a press release discussing the matters disclosed in Item 3.01 above. A copy of the press release is included herewith as Exhibit 99.1 and the information in the press release is incorporated by reference into this Item 8.01.

As of May 12, 2020, the Company had 6,699,803 shares of common stock issued and outstanding (which number does not include the SylvaCap Shares). The increase in our outstanding shares of common stock from the date of the Company's April 16, 2020 increase in authorized shares of common stock (from 5 million shares, to 25 million shares, pursuant to the approval of the stockholders of the Company at the annual meeting of stockholders held on the same day), is entirely due to conversions of shares of Series C Preferred Stock of the Company into common stock, and conversion premiums due thereon, which are payable in shares of common stock, pursuant to the designation of such Series C Preferred Stock, at a current conversion price of such conversion premiums of \$0.6721 per share (which is subject to decrease in the event the trading prices of the Company's common stock declines in the future). The conversions are in the sole discretion of the Series C Preferred Stockholder.

HOUSTON, TX / ACCESSWIRE / May 13, 2020 / Camber Energy, Inc. (NYSE American: CEI) ("Camber" or the "Company") today announced that the NYSE American (the "Exchange") has accepted the Company's plan of compliance (the "Plan") for continued listing on the Exchange.

As previously reported, on February 24, 2020, the Company received notice from the Exchange that the Company is not in compliance with the continued listing standard set forth in Section 1003(a)(ii) of the NYSE American Company Guide (the "Guide"). In order to maintain its listing on the Exchange, the Exchange had requested that the Company submit a plan of compliance by March 25, 2020 addressing how the Company intended to regain compliance with Section 1003(a)(ii) of the Company Guide by August 24, 2021 (the "Plan").

On May 8, 2020, the Exchange notified the Company that it had accepted the Company's Plan and granted the Company an extension until August 24, 2021 (the "Plan Period") to regain compliance with the continued listing standards of the Guide. The Company will be subject to periodic review by the Exchange during the Plan Period. Failure to make progress consistent with the Plan or to regain compliance with the continued listing standards of the Guide by the end of the Plan Period could result in the Company being delisted from the Exchange. There can be no assurance that the Company will be able to achieve compliance with the Exchange's continued listing standards within the required time frame.

Louis G. Schott, Interim Chief Executive Officer of the Company, stated, "We are very pleased the NYSE American has accepted our compliance plan.
