EXPLANATORY NOTE

This Amendment No. 1 to Current Report on Form 8-K filed February 9, 2015 (relating to an earliest event which occurred on February 4, 2015), is filed solely to indicate that the filing also constitutes a written communication pursuant to Rule 425 under the Securities Act of 1933, as amended, and soliciting material pursuant to Rule 14a-12 of the Exchange Act of 1934, as amended, and to add additional disclosures required by Rule 425, Rule 14a-12 and other related rules. This Amendment No. 1 is filed pursuant to the provisions of Rule 165(e) under the Securities Act of 1933, as amended.

ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On February 26, 2015, Lucas Energy, Inc. (the “Company”, “we” and “us”) entered into (a) the Pre-Merger Collaboration Agreement (the “Collaboration Agreement”) by and between the Company, Victory Energy Corporation (“Victory”), Aurora Energy Partners (“Aurora”, of which Victory owns 50%), Navitus Energy Group (which owns the other 50% of Aurora) and AEP Assets, LLC, a wholly-owned subsidiary of Aurora (“Sub”); and (b) the Pre-Merger Loan and Funding Agreement between the Company and Victory (the “Loan Agreement”). Subsequently the parties entered into an Amendment No. 1 to the Pre-Merger Collaboration Agreement on March 3, 2015 (the “First Amendment to Collaboration Agreement”), which amendments affected thereby are included in the discussion of the Collaboration Agreement below. The Company and Victory are parties to a letter of intent setting forth certain non-binding terms and conditions pursuant to which it is planned that the Company and Victory will effectuate a business combination (the “Combination”), subject to among other things, the parties completing due diligence, the mutual negotiation of definitive documents, regulatory approvals and the registration of the securities to be issued to the shareholders of the combined company resulting from the Combination (the “Combined Company”).

Pursuant to the Loan Agreement, Victory agreed to loan the Company up to \$2 million, with \$250,000 initially loaned on February 26, 2015 (the “Closing” and the “Initial Draw”), and, pursuant to the Collaboration Agreement we agreed to assign Victory all right and interest to five (5) Penn Virginia wells that are scheduled to be funded in February through March 2015 and go into production in April 2015 and two (2) Earthstone Energy/Oak Valley Resources wells that are scheduled to be funded on or before April 1, 2015 and begin production in June or July of 2015, located in Karnes, Lavaca and Gonzales Counties, Texas (the “Well Rights”). Immediately upon the funding by Sub of certain funding requirements associated with the Well Rights (as set forth in greater detail in the Collaboration Agreement, the “Well Funding Requirements”), Victory is required to assign the Well Rights to Aurora, and Aurora is required to assign such Well Rights to Sub.

If the Combination is consummated, then Sub shall become a direct or indirect subsidiary of the Combined Company. If the letter of intent is terminated and/or if a subsequent definitive agreement is entered into and thereafter terminated such that the Combination does not occur, then Sub shall retain ownership of the Well Rights and the Company shall have no claim whatsoever to the Well Rights.

The Initial Draw, and any other amounts borrowed under the Loan Agreement are evidenced by a Secured Subordinated Delayed Draw Term Note issued by the Company in favor of Victory, which is in an initial amount of \$250,000 (the “Draw Note”). Borrowings evidenced by the Draw Note accrue interest at the applicable federal rate in effect, with accrued interest payable in one lump sum on maturity. The maturity date of the Draw Note is February 26, 2016 and we have the right to pre-pay any amounts owed under the Draw Note at any time with ten days prior written notice to Victory. Upon the occurrence of an event of default (as described in the Draw Note), the interest rate increases by 5% per annum, Victory can declare the entire outstanding balance of the Draw Note immediately due and payable, and can further take actions to enforce its security interests in the Pledged Shares (as defined below).

Amounts owed under the Draw Note are secured by the pledge of shares of the Company’s common stock pursuant to the terms of a Pledge Agreement between the Company as pledgor and Victory as secured party (the “Pledge Agreement”). Shares pledged pursuant to the Pledge Agreement are to be issued from the Company’s treasury in the name of the Company and held by Victory to secure the repayment of the Draw Note. The number of shares required to be pledged by the Company from time to time under the Pledge Agreement is equal to the amount of each draw under the Loan Agreement divided by the volume weighted average closing stock price of the Company’s common stock (the “VWAP”) on the twenty trading days prior to the closing date of each such draw. Based on the VWAP for the twenty trading days prior to the date of the Initial Draw, the Company was required to pledge 1,100,655 restricted shares to Victory (the “Pledged Shares”) to secure the repayment of the \$250,000 Initial Draw. Amounts owed under the Draw Note are also required to be guaranteed by any subsidiaries we form or acquire in the future pursuant to the terms of a Subsidiary Guaranty, provided that as of the date of this filing we do not have any subsidiaries. The Pledged Shares constitute treasury shares and unless and until there is a default under the Loan Agreement or the Draw Note or a failure to satisfy any other obligation thereunder, the Pledged Shares may not be voted by Victory or the Company.

Borrowings under the Loan Agreement are in the discretion of the Company, provided that the total number of shares of common stock of the Company issuable as collateral under the Pledge Agreement may not exceed 19.9% of the total number of outstanding shares of the Company's common stock as of February 26, 2015, unless the Company receives shareholder approval consistent with the rules of the NYSE MKT. Notwithstanding the above, the Loan Agreement requires the Company and Victory to operate in accordance with a mutually agreed to 12 month budget (the "Budget"), which governs the timing and use of amounts borrowed under the Loan Agreement. The Budget is intended to prioritize the payment of expenses in a manner designed to ensure that the Combination is consummated. The Budget governs the utilization of Lucas' cash and credit during the period prior to the consummation of the Combination and provides a monthly breakdown of expenses and uses of cash and credit available to the Company. The Company is not allowed to use any of its cash or credit to make payments to any third parties except in accordance with the Budget.

Separately from the pledge requirements described above, the Draw Note provides that upon maturity, the Company may pay such Draw Note in cash or in kind, by the issuance of shares of the Company's common stock based on the VWAP for the twenty trading days prior to the maturity date, provided that we are then required to register such shares with the Securities and Exchange Commission within sixty days of the maturity date. Additionally, the Draw Note and all obligations thereunder will become intercompany obligations of the Combined Company and forgiven if the Combination is consummated.

The Collaboration Agreement also required Victory to provide Louise H. Rogers, the Company's senior lender, a Contingent Promissory Note in the amount of \$250,000, which accrues interest at the rate of 18% per annum. The Contingent Promissory Note is due and payable within ninety days following the earlier of (a) the date the letter of intent is terminated, or if a subsequent definitive agreement is entered into and thereafter terminated such that the Combination does not occur, the date ninety days from the termination date of such definitive agreement, or (b) the failure of the Sub to satisfy the Well Funding Requirements, which failure is not cured within sixty (60) days of Sub receiving written notice from the Company of such failure. In connection with the issuance of the Contingent Promissory Note, the lender agreed to release the Well Rights from its security interest in order to accommodate the transactions contemplated by the Collaboration Agreement and Loan Agreement.

The foregoing description of the Collaboration Agreement, Loan Agreement, Pledge Agreement, Draw Note, Subsidiary Guaranty, First Amendment to Collaboration Agreement and Contingent Promissory Note, are qualified in their entirety by reference to the full text thereof which are incorporated by reference herein as Exhibits 10.1, 10.2, 10.3, 10.4, 10.5, 10.6 and which a form of is incorporated by reference herein as Exhibit C to Exhibit 10.1 (the Collaboration Agreement), to this Current Report on Form 8-K, respectively, and incorporated herein by reference.

ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.

See the discussion under Item 1.01 above with respect to the Draw Note, which is incorporated herein by reference.

ITEM 3.02 UNREGISTERED SALES OF EQUITY SECURITIES.

The Company claims an exemption from registration pursuant to Section 4(a)(2) and/or Rule 506 of Regulation D of the Securities Act of 1933, as amended (the “Securities Act”), and the rules and regulations promulgated thereunder in connection with the issuance of the Pledged Shares (as defined in [Item 1.01](#) above) and the Draw Note. With respect to the transactions described above, no general solicitation was made either by us or by any person acting on our behalf. The transactions were all privately negotiated, and none involved any kind of public solicitation. No underwriters or agents were involved in the foregoing issuances and the Company paid no underwriting discounts or commissions. The securities sold are subject to transfer restrictions, and the certificates evidencing the securities contain an appropriate legend stating that such securities have not been registered under the Securities Act and may not be offered or sold absent registration or pursuant to an exemption therefrom. The recipient (Victory) was an “accredited investor”.

FOR IMMEDIATE RELEASE

**LUCAS AND VICTORY ENTER INTO COLLABORATION
AND FUNDING AGREEMENTS**

Agreements Mark Progress Towards Achievement of Business Combination

HOUSTON, TEXAS – March 3, 2015 – Lucas Energy, Inc. (NYSE MKT: LEI) (“Lucas” or the “Company”), an independent oil and gas company with operations in Texas, today announced that it entered into a collaboration agreement and a separate funding agreement with Victory Energy Corporation (OTCQX: VYEY) (“Victory”) on February 26, 2015. These agreements represent a milestone toward completing the planned business combination with Victory (the “Business Combination”).

The collaboration agreement provides for the transfer of certain well rights in seven Eagle Ford Shale wells to Victory which is now required to fund the development of these wells. Lucas’ senior secured lender amended the terms of its credit facility allowing Lucas to assign the well rights to Victory, regain compliance with the credit facility, and provide flexibility in achieving the Business Combination. If the Business Combination does not occur, the well rights will remain an asset of Victory, the lender will have the right to receive compensation from Victory, and Lucas will retain its rights to the remaining un-assigned leasehold. Otherwise, the well interests will be owned by the combined company as a result of the closing of the Business Combination (the “Combined Company”). The transferred well rights include five wells with an average working interest of 2.5%, operated by Penn Virginia (NYSE:PVA), and two 50% working interest wells operated by Earthstone Energy, Inc. (NYSE MKT:ESTE). Expected drilling and development costs for these wells are estimated to be \$9.4 million and such wells are scheduled to begin generating production revenues before the end of July 2015.

Lucas and Victory also entered into a funding agreement and working capital budget. All loans made by Victory under this agreement are secured by a pledge of Lucas’ treasury stock, which, upon the closing of the Business Combination, will become intercompany obligations that can be eliminated.

At closing, Victory provided \$517,000 per the collaboration agreement and \$250,000 per the funding agreement and anticipates providing a total of approximately \$12 million under the agreements. The parties expect to raise additional capital for acquisitions that will expand the Combined Company’s drilling and producing property footprint and have initiated preliminary discussions with potential funding sources for this purpose.

“The structuring and negotiation of the two agreements to fund well commitments and working capital needs was paramount to advancing our overall objective,” said Anthony C. Schnur, Chief Executive Officer of Lucas Energy, “I am pleased with the management teams of both companies who worked collaboratively to find solutions that allowed us to come to agreement. We will now turn our full attention toward finalizing a definitive agreement for the Business Combination, and I am confident that we will be able to reach agreement expeditiously.”

Safe Harbor Statement and Disclaimer

This news release includes “forward looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward looking statements give our current expectations, opinion, belief or forecasts of future events and performance. A statement identified by the use of forward looking words including “may,” “expects,” “projects,” “anticipates,” “plans,” “believes,” “estimate,” “should,” and certain of the other foregoing statements may be deemed forward-looking statements. Among these forward-looking statements are any statements regarding the expected completion of the proposed business combination between Lucas and Victory, benefits and synergies of the proposed business combination, the timing of production under wells, Victory’s ability to obtain funding for the Eagle Ford or other wells that are expected to be transferred to Victory, future opportunities of the combined company, and any other statements regarding Victory’s or Lucas’ beliefs, plans, objectives, financial conditions, assumptions or future events. Although Lucas believes that the expectations reflected in such forward-looking statements are reasonable, these statements involve risks and uncertainties that may cause actual future activities and results to be materially different from those suggested or described in this news release. These include risks that may affect the proposed business combination and related proposed development of the Eagle Ford wells, including the satisfactory completion of due diligence by the parties, the ability of the parties to negotiate and enter into a definitive merger agreement and, if such an agreement is entered into, the satisfaction of the conditions contained in the definitive merger agreement, any delay or inability to obtain necessary approvals or consents from third parties, the ability of the parties to obtain financing for funding obligations, the inability of Lucas to maintain its listing on the NYSE MKT, the ability of the parties to realize the anticipated benefits from the proposed business transaction. The forward looking statements are also subject to risks inherent in natural gas and oil drilling and production activities, including risks of fire, explosion, blowouts, pipe failure, casing collapse, unusual or unexpected formation pressures, environmental hazards, and other operating and production risks, which may temporarily or permanently reduce production or cause initial production or test results to not be indicative of future well performance or delay the timing of sales or completion of drilling operations; delays in receipt of drilling permits; risks with respect to natural gas and oil prices, a material decline which could cause Lucas to delay or suspend planned drilling operations or reduce production levels; risks relating to the availability of capital to fund drilling operations that can be adversely affected by adverse drilling results, production declines and declines in natural gas and oil prices; risks relating to unexpected adverse developments in the status of properties; risks relating to the absence or delay in receipt of government approvals or fourth party consents; and other risks described in Lucas’s Annual Report on Form 10-Q, Form 10-K and other filings with the SEC, available at the SEC’s website at www.sec.gov. Investors are cautioned that any forward-looking statements are not guarantees of future performance and actual results or developments may differ materially from those projected. The forward-looking statements in this press release are made as of the date hereof. The Company takes no obligation to update or correct its own forward-looking statements, except as required by law, or those prepared by third parties that are not paid for by the Company. The Company’s SEC filings are available at <http://www.sec.gov>.
