ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On February 23, 2015, Lucas Energy, Inc. (the “Company”, “we” and “us”) entered into a letter agreement (the “Letter Agreement”), with Louise H. Rogers, the Company’s senior lender pursuant to that certain Letter Loan Agreement and Promissory Note, as amended by the Amended Letter Loan Agreement and Amended and Restated Promissory Note effective April 29, 2014, and the Second Amended Letter Loan Agreement and Second Amended and Restated Promissory Note effective November 13, 2014.

Pursuant to the Letter Agreement, the parties agreed that the interest payments due under the promissory note for January, February and March 2015 (which January and February 2015 interest payments were not previously made by the Company) would be added to the principal amount of the promissory note and be due at maturity; and that interest only payments on the promissory note at the rate of 12% per annum (compared to 15% per annum pursuant to the Second Amended and Restated Promissory Note, and 18% per annum as a result of various events of default which occurred under the loan documents prior to the parties’ entry into the Letter Agreement) would be due between April 2015 and August 2015 (compared to the terms of the Second Amended and Restated Promissory Note, which required amortizing principal payments every month between December 2014 and August 2015 (which amortizing payments we failed to pay from December to February 2015).

The Letter Agreement also provides us the right to extend the maturity date of the promissory note to September 13, 2015, by paying an extension fee of 2% of the remaining balance of the note on or before the current maturity date (August 13, 2015), and to thereafter further extend the maturity date of the promissory note to October 13, 2015, by paying an additional extension fee of 2% of the then remaining balance of the note on or before the September 13, 2015 extended maturity date.

We also agreed to pay the lender all current and past due credit administration and legal fees, a \$50,000 loan amendment fee upon final repayment of the promissory note, and to require that the newly formed entity (“Newco”) which we plan to form with Victory Energy Corporation (“Victory”) (in connection with our planned merger, and prior to the consummation of such merger, our planned arrangement whereby Victory will fund various of our wells), to provide the lender a promissory note in the amount of \$250,000, payable within 90 days following the termination of our proposed merger transaction with Victory, provided that if the planned merger transaction with Victory is consummated, such promissory note will be cancelled, provided further that we will still owe the lender all amounts due under our Letter Loan Agreement and promissory note, each as amended, with the Lender.

Additionally pursuant to the Letter Agreement, the lender released her mortgage on various of our Penn Virginia and Karnes County wells in connection with a planned assignment of such wells and rights thereunder to Newco, provided that once the merger is completed, such wells shall once again be subject to the first priority security interest of the lender.

Finally, we agreed to pay the lender any and all break-up fees we are paid under the terms of our letter of intent with Victory in the event the planned merger does not close, if any.

The lender agreed to waive the prior defaults under the promissory note upon the parties’ entry into the new agreements.

The Letter Agreement provides that definitive documentation memorializing the above terms and conditions would be finalized and executed by the parties within seven to fourteen days of the date of the Letter Agreement.

The foregoing description of the Letter Agreement is qualified in its entirety by reference to the full text thereof which is incorporated by reference as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

LUCAS ENERGY AMENDS TERMS OF LOAN AGREEMENT

HOUSTON, TEXAS –February 24, 2015 – Lucas Energy, Inc. (NYSE MKT: LEI) (“Lucas” or the “Company”), an independent oil and gas company with its operations in Texas, today announced that its lender has agreed to amend the terms of its Loan Agreement and further granted an optional extension through September 13, 2015 with a second extension option through October 13, 2015 in order to facilitate the Company’s proposed business combination with Victory Energy Corporation (OTCQX: VYEV) (“Victory”).

Under the terms of the amended agreement, Lucas will pay interest at a 12% rate beginning in April 2015, and interest for January, February and March will be added to the outstanding balance of the loan. Lucas also agreed to pay all current and past due legal and administration fees and other costs associated with the amended terms.

The lender will also release a portion of the collateralized oil and gas properties securing the loan so that these properties can be transferred to an affiliate of Victory Energy and funded by Victory and its affiliates prior to the consummation of the business combination. If the business combination does not occur as contemplated, then the lender will have the right to receive a compensation payment from Victory.
