Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On April 15, 2021, Camber Energy, Inc. (the “Company”) filed with the State of Nevada certificates of correction (the “Certificates of Correction”) to correct the original designation of the Company’s Series C Redeemable Convertible Preferred Stock (the “Series C Preferred Stock”) and the subsequent amended and restated designations thereof, to correct certain errors which were identified in such designations as follows:

Section I.D.2(e) of the prior Certificates of Designation (the “Designations”) implicitly excluded as a “Deemed Liquidation Event”, an event or proposal that was initiated by or voted upon by the holder of the Series C Preferred Stock (the “Preferred Shares”), and the Designations have been clarified to expressly exclude such occurrence. Section I.F.4 of the Designations failed to include language to clarify that the Company is not obligated to redeem the Preferred Shares for cash for any reason that is not solely within the control of the Company. Section I.G.1 of the Designations mistakenly included two subsection b.’s where only one was intended, and the unintended subsection b. has been removed. Section I.G.1(e) of the Designations failed to include language to clarify that the Company not having sufficient authorized but unissued shares, solely within the control of the Company and excluding any event that is not solely within the control of the Company, is not a reason that would otherwise trigger the obligations in such section. Sections I.G.1(f) and (g) of the Designations failed to include language to clarify the particular obligations apply only if the Company has sufficient authorized and unissued shares. Section I.G.7(e) of the Designations mistakenly referenced the incorrect Conversion Price. Section I.G.9 of the Designations failed to include language to clarify the maximum number of common shares that could be potentially issuable with respect to all conversions and other events that are not solely within the control of the Company, that the Dividend Maturity Date is to be indefinitely extended and suspended until sufficient authorized and unissued shares become available, the number of shares required to settle the excess obligation is fixed on the date that net share settlement occurs and that all provisions of the Designations are to be interpreted so that net share settlement is within the control of the Company.

The corrections in the Certificates of Correction were effective as of the original filing dates with the Secretary of State of Nevada of the Company’s original Series C Preferred Stock designation (August 25, 2016), the Company’s first amended and restated Series C Preferred Stock designation (July 8, 2019), and the Company’s second amended and restated Series C Preferred Stock designation (December 14, 2020), subject to certain exceptions set forth in the Nevada Revised Statutes. The corrections corrected the designations to reflect the original intentions of the parties and to conform such designations to the way the Series C Preferred Stock had been accounted for in practice since its original designation/issuance.

On April 20, 2021, the Company filed a third amended and restated designation of the Series C Preferred Stock with the Secretary of State of Nevada (the “Third Amended and Restated Designation”), which amended the Designations to state that dividends and conversion premiums will only be paid in shares of Company common stock, and state that redemption amounts will only be paid in shares of Company common stock.

The foregoing descriptions of the Certificates of Correction, the Third Amended and Restated Designation, and their contents are qualified in their entirety by the full text of the Certificates of Correction and Certificate of Amendment, which are filed as Exhibits 3.1, 3.2, 3.3, and 3.4 to, and incorporated by reference in, this report.

Corrections to Certificate of Designation of Camber Energy, Inc.'s Series C Redeemable Convertible Preferred Stock

Section I.D.2 of the Designation is corrected to state as follows:

"A "Deemed Liquidation Event" will mean: (a) a merger or consolidation in which the Corporation is a constituent party or a subsidiary of the Corporation is a constituent party and the Corporation issues shares of its capital stock pursuant to such merger or consolidation, except (i) any such merger or consolidation involving the Corporation or a subsidiary in which the Corporation is the surviving or resulting corporation, (ii) any merger effected exclusively to change the domicile of the Corporation, (iii) any transaction or series of transactions in which the holders of the voting securities of the Company outstanding immediately prior to such transaction continue to retain more than 50% of the total voting power of such surviving entity, or (iv) the Merger; (b) Corporation issues convertible or equity securities that are senior to the Series C Preferred Stock in any respect, other than the securities issued in the Merger; (c) Holder does not receive the number of Conversion Shares stated in a Delivery Notice with 5 Trading Days of the Notice Time, due to the occurrence of an event that is solely within the control of the Corporation and excluding any event that is not solely within the control of the Corporation; (d) trading of the Common Stock is halted or suspended by the Trading Market or any U.S. governmental agency for 10 or more consecutive trading days, due to the occurrence of an event that is solely within the control of the Corporation and excluding any event that is not solely within the control of the Corporation; or (e) the sale, lease, transfer, exclusive license or other disposition, in a single transaction or series of related transactions, by the Corporation or any subsidiary of the Corporation of all or substantially all the assets of the Corporation and its subsidiaries taken as a whole, or the sale or disposition (whether by merger or otherwise) of one or more subsidiaries of the Corporation if substantially all of the assets of the Corporation and its subsidiaries taken as a whole are held by such subsidiary or subsidiaries, except where one or more Holders initiate consideration of and vote upon a proposal for such sale, lease, transfer, exclusive license or other disposition, or it is to a wholly owned subsidiary of the Corporation, other than the Merger and except otherwise agreed to by holders holding a majority of the then outstanding Series C Preferred Stock."

Section I.F.4 of the Designation is corrected to state as follows:

“4. **Mandatory Redemption.** If the Corporation determines to liquidate, dissolve or wind-up its business and affairs, or upon closing or occurrence of any Deemed Liquidation Event, the Corporation will after the redemption of the Series E and Series F Preferred Stock for ownership of Lineal Holdings, LLC, to the extent allowed under applicable law, but thereafter, prior to or concurrently with the closing, effectuation or occurrence any such action, redeem the Series C Preferred Stock for cash, by wire transfer of immediately available funds to an account designated by Holder, at the Early Redemption Price set forth in **Section I.F.2** if the event is prior to the Dividend Maturity Date, or at the Liquidation Value if the event is on or after the Dividend Maturity Date. Notwithstanding any other provision, the Corporation will not be required to redeem any shares of Series C Preferred Stock for cash solely because the Corporation does not have sufficient authorized but unissued shares of Common Stock to issue upon receipt of a Delivery Notice, upon a maturity conversion, or for any other reason that is not solely within the control of the Corporation.”

Section I.G.1.b of the Designation is corrected to state as follows:

“b. Each Delivery Notice will set forth the number of shares of Series C Preferred Stock being converted, the minimum number of Conversion Shares and the amount of Dividends and any applicable Conversion Premium due as of the time the Delivery Notice is given (the “Notice Time”), and the calculation thereof.”

Sections I.G.1 (e), (f) and (g) of the Designation are corrected to state as follows:

“e. If the Corporation for any reason, other than not having sufficient authorized and unissued shares, solely within the control of the Corporation and excluding any event that is not solely within the control of the Corporation, does not issue or cause to be issued to the Holder within 3 Trading Days after the date of a Delivery Notice, the number of Conversion Shares stated in the Delivery Notice, then, in addition to all other remedies available to the Holder, as liquidated damages and not as a penalty, the Corporation will pay in cash to the Holder on each day after such 3rd Trading Day that the issuance of such Conversion Shares is not timely effected an amount equal to 2% of the product of (i) the aggregate number of Conversion Shares not issued to the Holder on a timely basis and to which the Holder is entitled and (ii) the highest Closing Price of the Common Stock between the date on which the Corporation should have issued such shares to the Holder and the actual date of receipt of Conversion Shares by Holder. It is intended that the foregoing will serve to reasonably compensate Holder for any delay in delivery of Conversion Shares, and not as punishment for any breach by the Corporation. The Corporation acknowledges that the actual damages likely to result from delay in delivery are difficult to estimate and would be difficult for Holder to prove.

f. Notwithstanding any other provision: all of the requirements of **Section I.F** and this **Section I.G** are each independent covenants; if it has sufficient authorized and unissued shares, the Corporation's obligations to issue and deliver Conversion Shares upon any Delivery Notice are absolute, unconditional and irrevocable; any breach or alleged breach of any representation or agreement, or any violation or alleged violation of any law or regulation, by any party or any other person will not excuse full and timely performance of any of the Corporation's obligations under these sections; and under no circumstances may the Corporation seek or obtain any temporary, interim or preliminary injunctive or equitable relief to prevent or interfere with any issuance of Conversion Shares to Holder.

g. If for any reason whatsoever, other than not having sufficient authorized and unissued shares, Holder does not timely receive the number of Conversion Shares stated in any Delivery Notice, Holder will be entitled to a compulsory remedy of immediate specific performance, temporary, interim and, preliminary and final injunctive relief requiring Corporation and its transfer agent, attorneys, officers and directors to immediately issue and deliver the number of Conversion Shares stated by Holder, which requirement will not be stayed for any reason, without the necessity of posting any bond, and which Corporation may not seek to stay or appeal."

Section I.G.7.e of the Designation is corrected to state as follows:

"e. "**Conversion Price**" means a price per share of Common Stock equal to \$3.25 per share of Common Stock, subject to adjustment as otherwise provided herein."

Section I.G.9 of the Designation is corrected to state as follows:

"9. **Conversion at Maturity.** On the Dividend Maturity Date, all remaining outstanding Series C Preferred Stock will automatically be converted into shares of Common Stock, to the extent the Corporation has sufficient authorized but unissued shares of Common Stock available for issuance upon conversion. Notwithstanding any other provision of this Designation, available authorized and unissued shares of Common Stock will be a limit and cap on the maximum number of common shares that could be potentially issuable with respect to all conversions and other events that are not solely within the control of the Corporation. The Corporation will at all times use its best efforts to authorize sufficient shares. The number of shares required to settle the excess obligation is fixed on the date that net share settlement occurs. The Dividend Maturity Date will be indefinitely extended and suspended until sufficient authorized and unissued shares become available. All provisions of this Designation will be interpreted so that net share settlement is within the control of the Corporation."

EXHIBIT A
TO
CERTIFICATE OF CORRECTION

Description of Inaccuracies/Defects

Section I.D.2(e) of the original Certificate of Designation (the "Designation") implicitly excluded as a "Deemed Liquidation Event", an event or proposal that was initiated by or voted upon by the holder of the Series C Redeemable Convertible Preferred Stock (the "Preferred Shares"), and the Designation has been clarified to expressly exclude such occurrence. Section I.F.4 of the Designation failed to include language to clarify the Corporation is not obligated to redeem the Preferred Shares for cash for any reason that is not solely within the control of the Corporation. Section I.G.1 of the Designation mistakenly included two subsection b's where only one was intended, and the unintended subsection b. has been removed. Section I.G.1(e) of the Designation failed to include language to clarify that the Corporation not having sufficient authorized but unissued shares, solely within the control of the Corporation and excluding any event that is not solely within the control of the Corporation, is not a reason that would otherwise trigger the obligations in such section. Sections I.G.1(f) and (g) of the Designation failed to include language to clarify the particular obligations apply only if the Corporation has sufficient authorized and unissued shares. Section I.G.7.e of the Designation mistakenly referenced the incorrect Conversion Price. Section I.G.9 of the Designation failed to include language to clarify the maximum number of common shares that could be potentially issuable with respect to all conversions and other events that are not solely within the control of the Corporation, that the Dividend Maturity Date is to be indefinitely extended and suspended until sufficient authorized and unissued shares become available, the number of shares required to settle the excess obligation is fixed on the date that net share settlement occurs and that all provisions of the Designation are to be interpreted so that net share settlement is within the control of the Corporation.

Corrections to Certificate of Designation of Camber Energy, Inc.'s Series C Redeemable Convertible Preferred Stock

Section I.D.2 of the Designation is corrected to state as follows:

"A "Deemed Liquidation Event" will mean: (a) a merger or consolidation in which the Corporation is a constituent party or a subsidiary of the Corporation is a constituent party and the Corporation issues shares of its capital stock pursuant to such merger or consolidation, except (i) any such merger or consolidation involving the Corporation or a subsidiary in which the Corporation is the surviving or resulting corporation, (ii) any merger effected exclusively to change the domicile of the Corporation, (iii) any transaction or series of transactions in which the holders of the voting securities of the Company outstanding immediately prior to such transaction continue to retain more than 50% of the total voting power of such surviving entity, or (iv) the Merger; (b) Corporation issues convertible or equity securities that are senior to the Series C Preferred Stock in any respect, other than the securities issued in the Merger; (c) Holder does not receive the number of Conversion Shares stated in a Delivery Notice with 5 Trading Days of the Notice Time, due to the occurrence of an event that is solely within the control of the Corporation and excluding any event that is not solely within the control of the Corporation; (d) trading of the Common Stock is halted or suspended by the Trading Market or any U.S. governmental agency for 10 or more consecutive trading days, due to the occurrence of an event that is solely within the control of the Corporation and excluding any event that is not solely within the control of the Corporation; or (e) the sale, lease, transfer, exclusive license or other disposition, in a single transaction or series of related transactions, by the Corporation or any subsidiary of the Corporation of all or substantially all the assets of the Corporation and its subsidiaries taken as a whole, or the sale or disposition (whether by merger or otherwise) of one or more subsidiaries of the Corporation if substantially all of the assets of the Corporation and its subsidiaries taken as a whole are held by such subsidiary or subsidiaries, except where one or more Holders initiate consideration of and vote upon a proposal for such sale, lease, transfer, exclusive license or other disposition, or it is to a wholly owned subsidiary of the Corporation, other than the Merger and except otherwise agreed to by holders holding a majority of the then outstanding Series C Preferred Stock."

Section I.F.4 of the Designation is corrected to state as follows:

“4. Mandatory Redemption. If the Corporation determines to liquidate, dissolve or wind-up its business and affairs, or upon closing or occurrence of any Deemed Liquidation Event, the Corporation will after the redemption of the Series E and Series F Preferred Stock for ownership of Lineal Holdings, LLC, to the extent allowed under applicable law, but thereafter, prior to or concurrently with the closing, effectuation or occurrence any such action, redeem the Series C Preferred Stock for cash, by wire transfer of immediately available funds to an account designated by Holder, at the Early Redemption Price set forth in **Section I.F.2** if the event is prior to the Dividend Maturity Date, or at the Liquidation Value if the event is on or after the Dividend Maturity Date. Notwithstanding any other provision, the Corporation will not be required to redeem any shares of Series C Preferred Stock for cash solely because the Corporation does not have sufficient authorized but unissued shares of Common Stock to issue upon receipt of a Delivery Notice, upon a maturity conversion, or for any other reason that is not solely within the control of the Corporation.”

Section I.G.1.b of the Designation is corrected to state as follows:

“b. Each Delivery Notice will set forth the number of shares of Series C Preferred Stock being converted, the minimum number of Conversion Shares and the amount of Dividends and any applicable Conversion Premium due as of the time the Delivery Notice is given (the “Notice Time”), and the calculation thereof.”

Sections I.G.1 (e), (f) and (g) of the Designation are corrected to state as follows:

“e. If the Corporation for any reason, other than not having sufficient authorized and unissued shares, solely within the control of the Corporation and excluding any event that is not solely within the control of the Corporation, does not issue or cause to be issued to the Holder within 3 Trading Days after the date of a Delivery Notice, the number of Conversion Shares stated in the Delivery Notice, then, in addition to all other remedies available to the Holder, as liquidated damages and not as a penalty, the Corporation will pay in cash to the Holder on each day after such 3rd Trading Day that the issuance of such Conversion Shares is not timely effected an amount equal to 2% of the product of (i) the aggregate number of Conversion Shares not issued to the Holder on a timely basis and to which the Holder is entitled and (ii) the highest Closing Price of the Common Stock between the date on which the Corporation should have issued such shares to the Holder and the actual date of receipt of Conversion Shares by Holder. It is intended that the foregoing will serve to reasonably compensate Holder for any delay in delivery of Conversion Shares, and not as punishment for any breach by the Corporation. The Corporation acknowledges that the actual damages likely to result from delay in delivery are difficult to estimate and would be difficult for Holder to prove.

f. Notwithstanding any other provision: all of the requirements of **Section I.F** and this **Section I.G** are each independent covenants; if it has sufficient authorized and unissued shares, the Corporation's obligations to issue and deliver Conversion Shares upon any Delivery Notice are absolute, unconditional and irrevocable; any breach or alleged breach of any representation or agreement, or any violation or alleged violation of any law or regulation, by any party or any other person will not excuse full and timely performance of any of the Corporation's obligations under these sections; and under no circumstances may the Corporation seek or obtain any temporary, interim or preliminary injunctive or equitable relief to prevent or interfere with any issuance of Conversion Shares to Holder.

g. If for any reason whatsoever, other than not having sufficient authorized and unissued shares, Holder does not timely receive the number of Conversion Shares stated in any Delivery Notice, Holder will be entitled to a compulsory remedy of immediate specific performance, temporary, interim and, preliminary and final injunctive relief requiring Corporation and its transfer agent, attorneys, officers and directors to immediately issue and deliver the number of Conversion Shares stated by Holder, which requirement will not be stayed for any reason, without the necessity of posting any bond, and which Corporation may not seek to stay or appeal."

Section I.G.7.e of the Designation is corrected to state as follows:

"e. "**Conversion Price**" means a price per share of Common Stock equal to \$3.25 per share of Common Stock, subject to adjustment as otherwise provided herein."

Section I.G.9 of the Designation is corrected to state as follows:

"9. **Conversion at Maturity.** On the Dividend Maturity Date, all remaining outstanding Series C Preferred Stock will automatically be converted into shares of Common Stock, to the extent the Corporation has sufficient authorized but unissued shares of Common Stock available for issuance upon conversion. Notwithstanding any other provision of this Designation, available authorized and unissued shares of Common Stock will be a limit and cap on the maximum number of common shares that could be potentially issuable with respect to all conversions and other events that are not solely within the control of the Corporation. The Corporation will at all times use its best efforts to authorize sufficient shares. The number of shares required to settle the excess obligation is fixed on the date that net share settlement occurs. The Dividend Maturity Date will be indefinitely extended and suspended until sufficient authorized and unissued shares become available. All provisions of this Designation will be interpreted so that net share settlement is within the control of the Corporation."

CERTIFICATE OF DESIGNATIONS OF PREFERENCES, POWERS,
RIGHTS AND LIMITATIONS OF
SERIES C REDEEMABLE CONVERTIBLE PREFERRED STOCK**

Pursuant to Section 78.1955 of the Nevada Revised Statutes (the “NRS”), Camber Energy, Inc., a company organized and existing under the State of Nevada (the “**Corporation**”),

DOES HEREBY CERTIFY that, (a) the Board of Directors, by unanimous written consent of all members of the Board of Directors on April 14, 2021; and (b) the stockholders of the Series C Redeemable Convertible Preferred Stock of the Corporation, voting as a class, on April 14, 2021, duly adopted this Third Amended and Restated Certificate of Designations of Preferences, Powers, Rights and Limitations of Series C Redeemable Convertible Preferred Stock, by adoption of a resolution which reads as follows, and which shall amend, replace and supersede the *Second Amended and Restated Certificate of Designations of Preferences, Powers, Rights and Limitations of Series C Redeemable Convertible Preferred Stock*, previously filed by the Corporation with the Secretary of State of Nevada on December 14, 2020 (as amended to date, the “**Prior Designation**”), which resolution is and reads as follows:

WHEREAS, the Certificate of Incorporation of the Corporation provides for a class of its authorized stock known as preferred stock, comprised of 10,000,000 shares, \$0.001 par value per share (the “**Preferred Stock**”), issuable from time to time in one or more series;

WHEREAS, the Board of Directors of the Corporation is authorized to fix the dividend rights, dividend rate, powers, voting rights, conversion rights, rights and terms of redemption and liquidation preferences of any wholly unissued series of Preferred Stock and the number of shares constituting any Series and the designation thereof, of any of them;

WHEREAS, it is the desire of the Board of Directors of the Corporation, pursuant to its authority as aforesaid and as set forth in this Second Amended and Restated Certificate of Designations of Preferences, Powers, Rights and Limitations of Series C Redeemable Convertible Preferred Stock (the “**Designation**”), to designate the rights, preferences, restrictions and other matters relating to the Series C Redeemable Convertible Preferred Stock, which will consist of up to 5,000 shares of the Preferred Stock which the Corporation has the authority to issue, and which shall amend, supersede and replace the Prior Designation, as follows:

NOW, THEREFORE, BE IT RESOLVED, that the Preferred Stock shall have the following powers, rights, preferences, and restrictions as follows:

I. Terms of Preferred Stock.

A. Designation and Amount. A series of Preferred Stock is hereby designated as the Corporation's Series C Redeemable Convertible Preferred Stock, par value of \$0.001 per share (the "**Series C Preferred Stock**"), the number of shares of which so designated are 5,000 shares of Series C Preferred Stock; which Series C Preferred Stock will not be subject to increase without any consent of the holders of the Series C Preferred Stock (each a "**Holder**" and collectively, the "**Holders**") that may be required by applicable law.

B. Ranking and Voting.

1. Ranking. The Series C Preferred Stock will, with respect to dividend rights and rights upon liquidation, winding-up or dissolution, rank: (a) senior to the Corporation's Common Stock, \$0.001 par value per share ("**Common Stock**"); (b) junior to the Series E Redeemable Convertible Preferred Stock and Series F Redeemable Convertible Preferred Stock, as such may be designated as of the date of this Designation, or which may be designated by the Corporation after the date of this Designation (the "**Series E and F Preferred**") as to the Lineal Star Assets but senior to the Series E and F Preferred as to all other assets of the Company; (c) senior, pari passu or junior with respect to any other series of Preferred Stock, as set forth in the Certificate of Designations of Preferences, Powers, Rights and Limitations with respect to such Preferred Stock; and (d) junior to all existing and future indebtedness of the Corporation. Without the prior written consent of the Holders of a majority of the outstanding shares of Series C Preferred Stock (voting separately as a single class), the Corporation may not issue any additional shares of Series C Preferred Stock, or any other Preferred Stock that is pari passu or senior to the Series C Preferred Stock with respect to any rights for a period of 1 year after the earlier of such date (i) a registration statement is effective and available for the resale of all Conversion Shares, or (ii) Securities Act Rule 144 is available for the immediate unrestricted resale of all Conversion Shares, other than the Series E and Series F Preferred Stock.

2. Voting. Except as required by applicable law or as set forth herein, the holders of shares of Series C Preferred Stock will have no right to vote on any matters, questions or proceedings of this Corporation including, without limitation, the election of directors except: (a) during a period where a dividend (or part of a dividend) is in arrears; (b) on a proposal to reduce the Company's share capital; (c) on a resolution to approve the terms of a buy-back agreement; (d) on a proposal to wind up the Company; (e) on a proposal for the disposal of all or substantially all the Company's property, business and undertaking; and (f) during the winding-up of the entity.

C. Dividends.

1. Commencing on the date of the issuance of any such shares of Series C Preferred Stock (each respectively an "**Issuance Date**"), each outstanding share of Series C Preferred Stock will accrue cumulative dividends ("**Dividends**"), at a rate equal to 6.0% per annum, subject to adjustment as provided in this Certificate of Designations ("**Dividend Rate**"), of the Face Value. Dividends will be payable with respect to any shares of Series C Preferred Stock upon any of the following: (a) upon redemption of such shares in accordance with **Section I.F**; (b) upon conversion of such shares in accordance with **Section I.G**; and (c) when, as and if otherwise declared by the board of directors of the Corporation.

2. Dividends, as well as any applicable Conversion Premium payable hereunder, will be paid in shares of Common Stock valued at (i) if there has never been a Trigger Event, (A) 95.0% of the average of the 5 lowest individual daily volume weighted average prices of the Common Stock on the Trading Market during the applicable Measurement Period, which may be non-consecutive, less \$0.05 per share of Common Stock, not to exceed (B) 100% of the lowest sales price on the last day of such Measurement Period less \$0.05 per share of Common Stock, or (ii) following any Trigger Event, (A) 85.0% of the lowest daily volume weighted average price during any Measurement Period for any conversion by Holder, less \$0.10 per share of Common Stock, not to exceed (B) 85.0% of the lowest sales price on the last day of any Measurement Period, less \$0.10 per share of Common Stock. In no event will the value of Common Stock pursuant to the foregoing be below the par value per share. All amounts that are required or permitted to be paid in cash pursuant to this Certificate of Designations will be paid by wire transfer of immediately available funds to an account designated by Holder.

3. So long as any shares of Series C Preferred Stock are outstanding, the Company will not repurchase shares of Common Stock other than as payment of the exercise or conversion price of a convertible security or payment of withholding tax, and no dividends or other distributions will be paid, declared or set apart with respect to any Common Stock, except for Purchase Rights.

D. Protective Provision.

1. So long as any shares of Series C Preferred Stock are outstanding, the Corporation will not, without the affirmative approval of the Holders of a majority of the shares of the Series C Preferred Stock then outstanding (voting separately as one class), (i) alter or change adversely the powers, preferences or rights given to the Series C Preferred Stock or alter or amend this Certificate of Designations, (ii) authorize or create any class of stock ranking as to distribution of dividends senior to the Series C Preferred Stock, (iii) amend its certificate of incorporation or other charter documents in breach of any of the provisions hereof, (iv) increase the authorized number of shares of Series C Preferred Stock or (v) enter into any agreement with respect to the foregoing.

2. A “**Deemed Liquidation Event**” will mean: (a) a merger or consolidation in which the Corporation is a constituent party or a subsidiary of the Corporation is a constituent party and the Corporation issues shares of its capital stock pursuant to such merger or consolidation, except (i) any such merger or consolidation involving the Corporation or a subsidiary in which the Corporation is the surviving or resulting corporation, (ii) any merger effected exclusively to change the domicile of the Corporation, (iii) any transaction or series of transactions in which the holders of the voting securities of the Company outstanding immediately prior to such transaction continue to retain more than 50% of the total voting power of such surviving entity, or (iv) the Merger; (b) Corporation issues convertible or equity securities that are senior to the Series C Preferred Stock in any respect, other than the securities issued in the Merger; (c) Holder does not receive the number of Conversion Shares stated in a Delivery Notice with 5 Trading Days of the Notice Time, due to the occurrence of an event that is solely within the control of the Corporation and excluding any event that is not solely within the control of the Corporation; (d) trading of the Common Stock is halted or suspended by the Trading Market or any U.S. governmental agency for 10 or more consecutive trading days, due to the occurrence of an event that is solely within the control of the Corporation and excluding any event that is not solely within the control of the Corporation; or (e) the sale, lease, transfer, exclusive license or other disposition, in a single transaction or series of related transactions, by the Corporation or any subsidiary of the Corporation of all or substantially all the assets of the Corporation and its subsidiaries taken as a whole, or the sale or disposition (whether by merger or otherwise) of one or more subsidiaries of the Corporation if substantially all of the assets of the Corporation and its subsidiaries taken as a whole are held by such subsidiary or subsidiaries, except where one or more Holders initiate consideration of and vote upon a proposal for such sale, lease, transfer, exclusive license or other disposition, or it is to a wholly owned subsidiary of the Corporation, other than the Merger and except otherwise agreed to by holders holding a majority of the then outstanding Series C Preferred Stock.

3. The Corporation will not have the power to close or effect a voluntary Deemed Liquidation Event unless the agreement or plan of merger or consolidation for such transaction provides that the consideration payable to the stockholders of the Corporation will be allocated among the holders of capital stock of the Corporation in accordance with **Section I.E**, and the required amount is paid to Holder prior to or upon closing, effectuation or occurrence of the Deemed Liquidation Event.

E. Liquidation.

1. Upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, after payment or provision for payment of debts and other liabilities of the Corporation, prior to any distribution or payment made to the holders of Preferred Stock or Common Stock by reason of their ownership thereof, the Holders of Series C Preferred Stock will be entitled to be paid out of the assets of the Corporation (other than the Lineal Star Assets) available for distribution to its stockholders an amount with respect to each share of Series C Preferred Stock equal to \$10,000.00 (“**Face Value**”), plus an amount equal to any accrued but unpaid Dividends thereon (collectively with the Face Value, the “**Liquidation Value**”).

2. If, upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, the amounts payable with respect to the shares of Series C Preferred Stock are not paid in full, the holders of shares of Series C Preferred Stock will share equally and ratably with the holders of shares of Preferred Stock and Common Stock in any distribution of assets of the Corporation (other than the Lineal Star Assets) in proportion to the liquidation preference and an amount equal to all accumulated and unpaid Dividends, if any, to which each such holder is entitled.

3. If, upon any liquidation, dissolution or winding up of the Corporation, the assets of the Corporation will be insufficient to make payment in full to all Holders, then the assets distributable to the Holders will be distributed among the Holders at the time outstanding, ratably in proportion to the full amounts to which they would otherwise be respectively entitled.

F. Redemption.

1. Corporation's Redemption Option. On the Dividend Maturity Date, the Corporation may redeem any or all shares of Series C Preferred Stock by paying Holder, in registered or unregistered shares of Common Stock valued at an amount per share equal to 100% of the Liquidation Value for the shares redeemed, and the Corporation will use its best efforts to register such shares.

2. Early Redemption. Prior to the Dividend Maturity Date, provided that no Trigger Event has occurred, the Corporation will have the right at any time upon 30 Trading Days' prior written notice, in its sole and absolute discretion, to redeem all or any portion of the shares of Series C Preferred Stock then outstanding by paying Holder in registered shares of Common Stock valued at an amount per share of Series C Preferred Stock (the "**Early Redemption Price**") equal to the sum of the following: (a) 100% of the Face Value, plus (b) the Conversion Premium, minus (c) any Dividends that have been paid, for each share of Series C Preferred Stock redeemed. Provided Company has not materially breached the Stock Purchase Agreement, the Corporation may at any time, in its sole and absolute discretion, redeem all, but not less than all, shares of Series C Preferred Stock then outstanding by paying Holders in registered shares of Common Stock valued at an amount per share of Series C Preferred Stock (the "**Total Redemption Price**") equal to 110.0% of the aggregate Face Value of all such shares.

3. Credit Risk Adjustment.

a. The Dividend Rate will adjust downward by an amount equal to the Spread Adjustment for each amount, if any, equal to the Adjustment Factor that the Measuring Metric rises above the Maximum Triggering Level, down to a minimum of 0.0%.

b. The Dividend Rate will adjust upward by an amount equal to the Spread Adjustment for each amount, if any, equal to the Adjustment Factor that the Measuring Metric falls below the Minimum Triggering Level, up to a maximum of 24.95%. In addition, the Dividend Rate will adjust upward by 10.0% following the occurrence of any Trigger Event.

c. The adjusted Dividend Rate used for calculation of the Liquidation Value, Conversion Premium, Early Redemption Price and Dividend, as applicable, and the amount of Dividends owed will be calculated and determined based upon the Measuring Metric at close of the Trading Market immediately prior to the Notice Time.

4. Mandatory Redemption. If the Corporation determines to liquidate, dissolve or wind-up its business and affairs, or upon closing or occurrence of any Deemed Liquidation Event, the Corporation will after the redemption of the Series E and Series F Preferred Stock for ownership of Lineal Holdings, LLC, to the extent allowed under applicable law, but thereafter, prior to or concurrently with the closing, effectuation or occurrence any such action, redeem the Series C Preferred Stock for cash, by wire transfer of immediately available funds to an account designated by Holder, at the Early Redemption Price set forth in **Section I.F.2** if the event is prior to the Dividend Maturity Date, or at the Liquidation Value if the event is on or after the Dividend Maturity Date. Notwithstanding any other provision, the Corporation will not be required to redeem any shares of Series C Preferred Stock for cash solely because the Corporation does not have sufficient authorized but unissued shares of Common Stock to issue upon receipt of a Delivery Notice, upon a maturity conversion, or for any other reason that is not solely within the control of the Corporation.

5. Mechanics of Redemption. In order to redeem any of the Holders' Series C Preferred Stock then outstanding, the Corporation must deliver written notice (each, a "Redemption Notice") to each Holder setting forth (a) the number of shares of Series C Preferred Stock that the Corporation is redeeming, (b) the applicable Dividend Rate, Liquidation Value and Early Redemption Price, or Total Redemption Price if applicable, and (c) the calculation of the amount paid. Upon receipt of full payment in cash for a complete redemption, each Holder will promptly submit to the Corporation such Holder's Series C Preferred Stock certificates. In connection with a mandatory redemption, the notice will be delivered as soon as the number of shares can be determined, and in all other instances at least 30 Trading Days prior to payment. For the avoidance of doubt, the delivery of a Redemption Notice will not affect Holder's rights under Section I.G until after receipt of cash payment by Holder at the required time.

G. Conversion.

1. Mechanics of Conversion.

a. One or more shares of the Series C Preferred Stock may be converted, in part or in whole, into shares of Common Stock, at any time or times after the Issuance Date, in the sole and absolute discretion of Holder or, subject to the terms and conditions hereof, the Corporation; (i) if at the option of Holder, by delivery of one or more written notices to the Corporation or its transfer agent (each, a "**Holder Conversion Notice**"), of the Holder's election to convert any or all of its Series C Preferred Stock; or (ii) if at the option of the Corporation, if the Equity Conditions are met, delivery of written notice to Holder (each, a "**Corporation Conversion Notice**," with the Holder Conversion Notice, each a "Conversion Notice," and with the Redemption Notice, each an "**Initial Notice**"), of the Corporation's election to convert the Series C Preferred Stock.

b. Each Delivery Notice will set forth the number of shares of Series C Preferred Stock being converted, the minimum number of Conversion Shares and the amount of Dividends and any applicable Conversion Premium due as of the time the Delivery Notice is given (the “**Notice Time**”), and the calculation thereof.

c. As soon as practicable, and in any event within 1 Trading Day of the Notice Time, time being of the essence, the Corporation will do all of the following: (i) transmit the Delivery Notice by facsimile or electronic mail to the Holder, and to the Corporation’s transfer agent (the “**Transfer Agent**”) with instructions to comply with the Delivery Notice; (ii) either (A) if the Corporation is approved through The Depository Trust Corporation (“**DTC**”), authorize and instruct the credit by the Transfer Agent the aggregate number of Conversion Shares set forth in the Delivery Notice, to Holder’s or its designee’s balance account with the DTC Fast Automated Securities Transfer (FAST) Program, through its Deposit/Withdrawal at Custodian (DWAC) system, or (B) only if the Corporation is not approved through DTC, issue and surrender to a common carrier for overnight delivery to the address as specified in the Delivery Notice a certificate registered in the name of Holder or its designee, for the number of Conversion Shares set forth in the Delivery Notice, bearing no restrictive legend unless a registration statement covering the Conversion Shares is not effective and neither Company nor Investor provides an opinion of counsel to the effect that Conversion Shares may be issued without restrictive legend; and (iii) if it contends that the Delivery Notice is in any way incorrect, a through explanation of why and its own calculation, or the Delivery Notice will conclusively be deemed correct for all purposes. The Corporation will at all times diligently take or cause to be taken all actions reasonably necessary to cause the Conversion Shares to be issued as soon as practicable.

d. If during the Measurement Period the Holder is entitled to receive additional Conversion Shares with regard to an Initial Notice, Holder may at any time deliver one or more additional written notices to the Corporation or its transfer agent (each, an “**Additional Notice**” and with the Initial Notice, each a “**Delivery Notice**”) setting forth the additional number of Conversion Shares to be delivered, and the calculation thereof.

e. If the Corporation for any reason, other than not having sufficient authorized and unissued shares, solely within the control of the Corporation and excluding any event that is not solely within the control of the Corporation, does not issue or cause to be issued to the Holder within 3 Trading Days after the date of a Delivery Notice, the number of Conversion Shares stated in the Delivery Notice, then, in addition to all other remedies available to the Holder, as liquidated damages and not as a penalty, the Corporation will pay in cash to the Holder on each day after such 3rd Trading Day that the issuance of such Conversion Shares is not timely effected an amount equal to 2% of the product of (i) the aggregate number of Conversion Shares not issued to the Holder on a timely basis and to which the Holder is entitled and (ii) the highest Closing Price of the Common Stock between the date on which the Corporation should have issued such shares to the Holder and the actual date of receipt of Conversion Shares by Holder. It is intended that the foregoing will serve to reasonably compensate Holder for any delay in delivery of Conversion Shares, and not as punishment for any breach by the Corporation. The Corporation acknowledges that the actual damages likely to result from delay in delivery are difficult to estimate and would be difficult for Holder to prove.

f. Notwithstanding any other provision: all of the requirements of **Section I.F** and this **Section I.G** are each independent covenants; if it has sufficient authorized and unissued shares, the Corporation's obligations to issue and deliver Conversion Shares upon any Delivery Notice are absolute, unconditional and irrevocable; any breach or alleged breach of any representation or agreement, or any violation or alleged violation of any law or regulation, by any party or any other person will not excuse full and timely performance of any of the Corporation's obligations under these sections; and under no circumstances may the Corporation seek or obtain any temporary, interim or preliminary injunctive or equitable relief to prevent or interfere with any issuance of Conversion Shares to Holder.

g. If for any reason whatsoever, other than not having sufficient authorized and unissued shares, Holder does not timely receive the number of Conversion Shares stated in any Delivery Notice, Holder will be entitled to a compulsory remedy of immediate specific performance, temporary, interim and, preliminary and final injunctive relief requiring Corporation and its transfer agent, attorneys, officers and directors to immediately issue and deliver the number of Conversion Shares stated by Holder, which requirement will not be stayed for any reason, without the necessity of posting any bond, and which Corporation may not seek to stay or appeal.

h. No fractional shares of Common Stock are to be issued upon conversion of Series C Preferred Stock, but rather the Corporation will issue to Holder scrip or warrants registered on the books of the Corporation (certificated or uncertificated) which will entitle Holder to receive a full share upon the surrender of such scrip or warrants aggregating a full share. 4. Stock Splits. If the Corporation at any time on or after such Issuance Date combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the applicable Conversion Price, Adjustment Factor, Maximum Triggering Level, Minimum Triggering Level, and other share based metrics in effect immediately prior to such combination will be proportionately increased and the number of Conversion Shares will be proportionately decreased.
