(“Viking”) and Camber’s other assets pursuant to a Security Agreement-Pledge and a general security agreement.

On April 23, 2021, Camber (i) borrowed an additional \$2,500,000 from the Investor; (ii) issued the Investor a promissory note in the principal amount of \$2,500,000 (the “Third Investor Note”), accruing interest at the rate of 10% per annum and maturing December 11, 2022; (iii) to secure payment of the Third Investor Note, the Second Investor Note, and Camber’s original \$6,000,000 note issued to the Investor dated December 11, 2020 (the “First Investor Note”), granted the Investor a first-priority security interest in Camber’s shares of Viking and Camber’s other assets pursuant to a Security Agreement-Pledge (the “Pledge Agreement”) and a general security agreement (the “Security Agreement”). Forward-Looking Statements

Certain of the matters discussed in this communication which are not statements of historical fact constitute forward-looking statements that involve a number of risks and uncertainties and are made pursuant to the Safe Harbor Provisions of the Private Securities Litigation Reform Act of 1995. Words such as “strategy,” “expects,” “continues,” “plans,” “anticipates,” “believes,” “would,” “will,” “estimates,” “intends,” “projects,” “goals,” “targets” and other words of similar meaning are intended to identify forward-looking statements but are not the exclusive means of identifying these statements.

Important factors that may cause actual results and outcomes to differ materially from those contained in such forward-looking statements include, without limitation, the occurrence of any event, change or other circumstances that could give rise to the parties failing to complete the merger on the terms disclosed, if at all, the right of one or both of Viking or Camber to terminate the merger agreement and the result of such termination; the outcome of any legal proceedings that may be instituted against Viking, Camber or their respective directors; the ability to obtain regulatory approvals and other consents, and meet other closing conditions to the merger on a timely basis or at all, including the risk that regulatory approvals or other consents required for the merger are not obtained on a timely basis or at all, or which are obtained subject to conditions that are not anticipated or that could adversely affect the combined company or the expected benefits of the transaction; the ability to obtain approval by Viking stockholders and Camber stockholders on the expected schedule; required closing conditions which may not be able to be met and/or consents which may not be able to be obtained; difficulties and delays in integrating Viking’s and Camber’s businesses; prevailing economic, market, regulatory or business conditions, or changes in such conditions, negatively affecting the parties, including, but not limited to, as a result of the recent volatility in oil and gas prices and the status of the economy (both US and global) due to the COVID-19 pandemic and actions taken to slow the spread of COVID-19; risks that the transaction disrupts Viking’s or Camber’s current plans and operations; failing to fully realize anticipated cost savings and other anticipated benefits of the merger when expected or at all; potential adverse reactions or changes to business relationships resulting from the announcement or completion of the merger; the ability of Camber to obtain the approval of its Series C Preferred Stock holder to close the merger; debt of Viking and Camber and the dates such debts come due; the ability of Viking or Camber to retain and hire key personnel; the diversion of management’s attention from ongoing business operations; uncertainty as to the long-term value of the common stock of the combined company following the merger; the continued availability of capital and financing, prior to, and following, the merger; the business, economic and political conditions in the markets in which Viking and Camber operate; and the fact that Viking’s and Camber’s reported earnings and financial position may be adversely affected by tax and other factors.

Other important factors that may cause actual results and outcomes to differ materially from those contained in the forward-looking statements included in this communication are described in Viking's and Camber's publicly filed reports, including, but not limited to, Viking's Annual Report on Form 10-K for the year ended December 31, 2020, and Camber's Annual Report on Form 10-K for the year ended March 31, 2020, and subsequently filed Quarterly Reports on Form 10-Q.

Viking and Camber caution that the foregoing list of important factors is not complete, and they do not undertake to update any forward-looking statements that either party may make except as required by applicable law. All subsequent written and oral forward-looking statements attributable to Viking, Camber or any person acting on behalf of either party are expressly qualified in their entirety by the cautionary statements referenced above.

FOR VALUE RECEIVED, after the date, without grace, in the manner, on the dates, and in the amounts so herein stipulated, the undersigned, **CAMBER ENERGY, INC.**, a Nevada corporation with offices located at 1415 Louisiana Street, Suite 3500, Houston, Texas 77002 ("**Maker**"), promises to pay to the order of **DISCOVER GROWTH FUND, LLC**, a U.S. Virgin Islands limited liability company (the "**Payee**"), at such place as designated by the Maker, the sum of TWO MILLION FIVE HUNDRED THOUSAND and No/100 Dollars (\$2,500,000) in lawful money of the United States of America, which shall be legal tender, in payment of all debts and dues, public and private, at the time of payment, payable as stipulated herein. This Note shall bear interest to accrue at the rate of ten percent (10%) per annum.

Note Terms.

a. This Note shall be paid as follows:

- i. All principal and accrued interest on this Note shall be paid on December 11, 2022 (the "**Maturity Date**").
- ii. If not paid on the Maturity Date, the Maximum Nonusurious Rate of interest, as later defined herein, permitted to be charged Maker by law (state or federal, as applicable) and further limited by the provisions of this Note hereinafter set forth, which provisions control the calculation of interest to be charged on the indebtedness evidenced by this Note.
- iii. Calculation of the interest rates as stated hereinabove shall be hereinafter defined as the "Stated Rate." All past due payments of principal, and if permitted by applicable law of interest, shall bear interest from day to day at (i) the Maximum Nonusurious Rate of interest in effect from day to day permitted to be charged Maker by applicable law, all to be computed from maturity (whether stated or by acceleration) until paid.

Upon the occurrence of any default hereunder (herein, an "**Event of Default**"), which will be deemed to occur in the event any of the following occur: (a) Maker has not paid any amount of principal or accrued interest within five (5) business days following the Maturity Date, (b) Maker admits in writing its inability to pay its debts as they become due, or makes a general assignment for the benefit of creditors; (c) Maker commences any case or other proceeding seeking reorganization, arrangement, adjustment, liquidation, dissolution or composition of its company structure or its debts under any law relating to bankruptcy, insolvency, reorganization or relief of debtors, or seeking appointment of a receiver, trustee, custodian or other similar official for it or for all or any part of its property, or shall take any action to authorize any of the foregoing; (d) any case or proceeding is commenced against Maker to have an order for relief entered against it as debtor or seeking reorganization, arrangement, adjustment, liquidation, dissolution or composition of its structure or its debts under any law relating to bankruptcy, insolvency, reorganization or relief of debtors, or seeking other similar official relief for it or any part of its property, and such case or proceeding (x) results in the entry of an order for relief against it which is not fully stayed within five (5) business days after the entry thereof or (y) is not dismissed within sixty (60) days of commencement; (e) default in the performance of any of the terms, covenants, or conditions contained in any other Promissory Note or Security Agreement delivered by Maker to Payee, including, without limitation, the \$6 Million Promissory Note dated December 11, 2020, the Security Agreement dated December 11, 2020, the \$12 Million Promissory Note dated December 22, 2020, the Security Agreement dated December 22, 2020 and the Security & Pledge Agreement dated December 22, 2020 (collectively, the "**2020 Loan Documents**"); (f) default in the performance of any of the terms, covenants, or conditions contained in any of the Security Instruments (as hereinafter defined) and such default continues for a period of more than ten (10) days following written notice from Payee other than as expressly otherwise provided in any of the Security Instruments, or in any instrument or instruments given contemporaneously herewith, heretofore or hereafter as security for or guaranteeing the payment of this Note, or (g) any future material breach or default under any other agreement with Payee including any certificate of designations for any preferred shares then held by Payee, or any condition existing which authorizes the acceleration of the maturity hereof under any other agreement made by the Maker, then Payee shall have the right to exercise the default remedies specified herein. Any Event of Default under this Note will also constitute an Event of Default under the 2020 Loan Documents.

Promissory Note

Page 1 of 7

The undersigned expressly agrees that if an Event of Default occurs under this Note or any of the Security Instruments, as defined below, or under the 2020 Loan Documents, the Payee may, at Payee's option, without demand, notice or presentment of default, notice of acceleration, notice of intention to accelerate or otherwise, to Maker or to any other entity, declare the principal and any and all interest then accrued thereon, at once due and payable. Upon the occurrence of any Event of Default the Payee, or any other holder of this Note, shall also have the right to exercise any and all of the rights, remedies and recourses now or hereafter existing in equity, law, by virtue of statute or otherwise, including, but not limited to, the right to foreclose any and all liens and security interests securing the indebtedness evidenced hereby. Failure to exercise any option to accelerate described in this paragraph shall not constitute a waiver of the right to exercise the same in the event of any subsequent default.

In the event default is made in the prompt payment of this Note when due or declared due, and the same is placed in the hands of an attorney for collection, or suit is brought on same, or the same is collected through any judicial proceeding whatsoever, or if any action or foreclosure be had hereon, then the Maker agrees and promises to pay an additional amount as reasonable, calculated and foreseeable attorneys' and collection fees incurred by Payee in connection with enforcing Payee's rights herein contemplated, all of which amounts shall become part of the principal hereof.

The unpaid principal balance of this Note at any time shall be the total amounts loaned or advanced hereunder by Payee, less the amount of payments or prepayments of principal made hereon by or for the account of Maker. It is contemplated that by reason of prepayments hereon, there may be times when no indebtedness is owing hereunder; but, notwithstanding such occurrences, this Note shall remain valid and shall be in full force and effect as to loans or advances made pursuant to and under the terms of this Note subsequent to each such occurrence. In the event that the unpaid principal amount hereof at any time, for any reason, exceeds the maximum amount hereinabove specified, Maker covenants and agrees to pay the excess principal amount forthwith upon demand; such excess principal amounts shall in all respects be deemed to be included among the loans or advances made pursuant to the terms of any documents executed in connection with or as security for this Note and shall bear interest at the rates hereinabove stated.

All makers, endorsers, sureties and guarantors hereof, if any, as well as any person to become liable on this Note, hereby waive demand or presentment for payment of this Note, notice of nonpayment, protest, notice of protest, suit, notice of acceleration, or notice of intention to accelerate, diligence or any notice of or defense on account of the extension of time of payments or change in the method of payments, and consent to any and all renewals and extensions in the time of payment hereof, and to any substitution, exchange or release of any security herefor or the release of any party primarily or secondarily liable hereon.

It is expressly provided and stipulated that notwithstanding any provision of this Note or any other instrument evidencing or securing the indebtedness evidenced hereby, in no event shall the aggregate of all interest paid by the Maker to the Payee hereunder ever exceed the Maximum Nonusurious Rate of interest which may lawfully be charged Maker under the laws of the State of Texas or United States Federal Government, as applicable, on the principal balance of this Note remaining unpaid. It is expressly stipulated and agreed by the Maker that it is the intent of the Payee and the Maker in the execution and delivery of this Note to contract in furtherance of such laws, and that none of the terms of this Note, or said other instruments, shall ever be construed to create a contract to pay for the use, forbearance or detention of money, at any interest rate in excess of the Maximum Nonusurious Rate of interest permitted to be charged the Maker under the laws of the State of Texas or United States Federal Government, as applicable. The Maker or any guarantors, endorsers or other parties now or hereafter becoming liable for payment of the Note shall never be liable for interest in excess of the Maximum Nonusurious Rate of interest that may lawfully be charged under the laws of the State of Texas or United States Federal Government, as applicable, and the provisions of this paragraph and the immediately succeeding paragraph shall govern over all other provisions of this Note, and all other instruments evidencing or securing the indebtedness evidenced hereby, should any such provisions be in apparent conflict herewith.

Specifically and without limiting the generality of the foregoing paragraph, it is expressly provided that:

(i) In the event of prepayment of the principal of this Note, in whole or in part, which shall be permitted hereunder, or the payment of the principal of this Note prior to the stated maturity date hereof, whether resulting from acceleration of the maturity of this Note or otherwise, if the aggregate amounts of interest accruing hereon prior to such payment plus the amount of any interest accruing after maturity and plus any other amount paid or accrued in connection with the indebtedness evidenced hereby which by law are deemed interest on the indebtedness evidenced by the Note and which aggregate amounts paid or accrued (if calculated in accordance with the provisions of this Note other than this paragraph) would exceed the Maximum Nonusurious Rate of interest which could lawfully be charged as above mentioned on the unpaid principal balance of the indebtedness evidenced by this Note from time to time advanced (less any discount) and remaining unpaid from the date advanced to the date of final payment thereof, then in such event the amount of such excess shall be credited, as of the date paid, toward the payment of the principal of this Note so as to reduce the amount of the final payment of principal due on this Note.

(ii) If, under any circumstances, the aggregate amount paid on the indebtedness evidenced by this Note prior to and incident to the final payment hereof include amounts which by law are deemed interest and which would exceed the Maximum Nonusurious Rate of interest which could lawfully have been charged or collected on this Note, as above mentioned, Maker stipulates that (a) any non-principal payment shall be characterized as an expense, fee, or premium rather than as interest and any excess shall be credited hereon by the holder hereof (or, if this Note shall have been paid in full, refunded to the Maker); and (b) determination of the rate of interest for determining whether the indebtedness evidenced hereby is usurious shall be made by amortizing, prorating, allocating, and spreading, in equal parts during the full stated term hereof, all interest at any time contracted for, charged, or received from the Maker in connection herewith, and any excess shall be canceled, credited, or refunded as set forth in (a) herein. Time shall be of the essence in performing all actions.

This Note has been executed and delivered and shall be construed in accordance with and governed by the laws of the State of Texas and of the United States of America.

The "Maximum Nonusurious Rate of Interest" which may be charged as herein contemplated shall be the indicated rate ceiling from time to time in effect pursuant to the applicable provisions of the Texas Finance Code, as amended, provided that Payee may also rely on any alternative Maximum Nonusurious Rate of interest provided by other applicable laws if such alternative rate is higher than that allowed by said Code, as amended.

The Maker of this Note agrees that this Note shall be freely assignable to any assignee of Payee, subject to compliance with applicable securities laws.

The Maker shall have the privilege to prepay at any time, and from time to time, all or any part of the principal amount of this Note, without notice, penalty or fee, provided that all accrued and unpaid interest through the date of the prepayment is also paid, such prepayments to be applied first to accrued and unpaid interest on the principal amount and the balance, if any, to the reduction of principal. Maker's right to prepay this Note shall not be deemed as a right to receive a release of any of the liens or security interests covering the collateral securing payment of this Note.

The Maker represents and warrants that the extension of credit represented by this Note is for business, commercial, investment or other similar purposes, and not primarily for personal, family, household or agricultural use.

No failure to exercise and no delay on the part of Payee in exercising any power or right in connection herewith or under any of the Security Instruments or any other instrument evidencing, securing, or guaranteeing this Note shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. No course of dealing between Maker and Payee shall operate as a waiver of any right of Payee. No modification or waiver of any provision of this Note or any other instrument evidencing, securing, or guaranteeing this Note nor any consent to any departure therefrom shall in any event be effective unless the same shall be in writing and signed by the person against whom enforcement thereof is to be sought, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given.

Any check, draft, money order, or other instrument given in payment of all or any portion of this Note may be accepted by Payee and handled in collection in the customary manner, but the same shall not constitute payment hereunder or diminish any rights of Payee except to the extent that actual cash proceeds of such instruments are unconditionally received by Payee.

THIS NOTE, THE SECURITY INSTRUMENTS, AND ALL DOCUMENTS AND INSTRUMENTS EXECUTED IN CONNECTION HEREWITH OR THEREWITH, REPRESENT THE FINAL AGREEMENT BETWEEN THE MAKER AND PAYEE AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE MAKER AND THE PAYEE.

THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE MAKER AND PAYEE.

All renewals, extensions, modifications and rearrangements of the Note, if any shall be subject to the terms and provisions hereof. Maker shall be deemed to have ratified as of the date of each such renewal, extension, modification and rearrangement, all of the representations, covenants and agreements set forth herein.

The Maturity Date may be extended by written agreement of the Parties. However, any such extensions shall be subject to Lender's written approval with a signed amendment to this Note.

It is agreed that time is of the essence of this Note, and the Maker expressly agrees that upon an occurrence of an Event of Default in the payment of any principal or interest when due, the Payee may, without demand, notice of presentment of default, notice of acceleration, notice of intention to accelerate or otherwise, to Maker, all of which are hereby waived by Maker, declare the entirety of this Note immediately due and payable. Upon the occurrence of any default hereunder, the Payee shall also have the right to exercise any and all of the rights, remedies and recourses now or hereafter existing in equity, law, by virtue of statute or otherwise, including, but not limited to, the right to foreclose upon any and all liens and security interests, if any, securing the indebtedness evidenced hereby. Failure to exercise said option shall not constitute a waiver on the part of the Payee of the right to exercise the same at any other time.

Payment of the Note and performance of the obligations described herein shall be secured by a perfected security interest in the collateral as more fully set forth in that certain Security Agreement and Security & Pledge Agreement executed as of even date herewith (collectively, the "**Security Agreements**"). In addition, payment of this Note and performance of the obligations shall be secured by a Guaranty of even date herewith by Viking Energy Group, Inc. ("**Viking**"), (the "**Guaranty**"), together with the Security Agreements (the "**Security Instruments**").

This Note shall automatically accelerate, and all amounts of unpaid principal and interest shall become due immediately in the event of a Change of Control (as hereinafter defined). In the event of a Change of Control, in addition to becoming due immediately, the undersigned persons signing on behalf of Maker shall ensure that any funds because of the Change of Control are given highest priority to satisfy the terms of this Note. "Change of Control" of the Maker shall mean any of the following events:

- (i) any person or persons acting together (other than those persons in control of the Maker as of the date hereof, or an entity owned directly or indirectly by the members of the Maker in substantially the same proportions as their ownership of membership interests of the Maker) becomes the beneficial owner, directly or indirectly, of securities of the Maker representing more than fifty percent (50%) of the combined voting power of the Maker's then outstanding securities in any one transaction; or

(ii) the undersigned persons representing Maker approve (1) a plan of complete liquidation of the Maker and its subsidiaries (if any), (2) an agreement for the sale or disposition of all or substantially all Maker's assets other than to a person controlled by the Maker or by the members of Maker, or (C) a merger (other than a merger for purposes of redomiciling Maker), consolidation, or reorganization of Maker with or involving any other entity, other than a merger, consolidation, or reorganization that would result in the voting securities of Maker outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) at least fifty percent (50%) of the combined voting power of the securities of Maker (or such surviving entity) outstanding immediately after such merger, consolidation, or reorganization.

Notwithstanding the above, none of the rights, privileges or obligations of the Agreement and Plan of Merger (as amended from time to time) between the Maker and Viking or the merger provided for therein (the "**Merger**"), including, but not limited to, any of the issuances of securities contemplated, or affected in connection therewith, or voting rights associated therewith, shall at any time trigger a Change of Control.

At any time and from time to time Payee may in its discretion, subject to previously-agreed limitations on beneficial ownership and applicable securities laws and regulations, convert all or any portion of the then outstanding balance of this Note into duly authorized, validly issued, fully paid and non-assessable shares of Common Stock of Maker at a price equal to \$1.00 per share. Notwithstanding the foregoing, this Note constitutes a debt instrument, and Payee is a lender and creditor of Maker, and Payee will be an equity security holder if and only to the extent that it actually converts the Note.

Maker has full power and authority to enter into, execute, and deliver this Note and to perform its obligations hereunder. No consent, approval, filing or registration with any governmental authority is required as a condition to the validity of the Note or the performance by Maker of its obligations thereunder.

The Note, when issued and delivered pursuant hereto for value received, will constitute, the valid and legally binding obligations of Maker, enforceable against Maker in accordance with its terms.

Any notice or other communication required or permitted hereunder shall be in writing and personally delivered, mailed by registered or certified mail (return receipt requested and postage prepaid), sent by personal delivery or sent by prepaid overnight courier service, and addressed to the relevant party at such address as such party may, by written notice, designate as its address for purposes of notice hereunder.

All rights and remedies available to Payee under this Note shall be cumulative of and in addition to all other rights and remedies granted to Payee at law or in equity.

Maker hereby agrees to pay all expenses incurred, including any reasonable attorneys' fees, all of which shall become a part of the principal hereof, if this Note is in default and placed in the hands of an attorney for collection, or if collected by suit or through any probate, bankruptcy, or any other legal proceedings.

Maker, together with each surety and endorser, waives demand, grace, notice, presentment for payment, and protest and agrees and consents that this Note and the liens securing its payment, if any, may be renewed, and the time of payment extended without notice, and without releasing any of the parties.

This Note is to be governed by and construed in accordance with the laws of the State of Texas. The courts within Harris County, Texas shall have jurisdiction over any dispute regarding this Note.

The parties hereto acknowledge that a remedy at law for any breach or threatened breach of this Note may be inadequate and that the parties shall be entitled to seek specific performance, injunctive relief, and any other remedies available to it for such breach or threatened breach.

THEREFORE, in consideration of the mutual covenants and conditions contained in this Agreement, the Pledgor and Secured Party agree as follows:

ARTICLE 2
PLEDGESecurity Interest

2.01. Pledgor creates and grants to the Secured Party a security interest in the Collateral described in Paragraph 2.02 of this Agreement to secure the payment and performance of the obligations of Pledgor to the Secured Party set forth in Paragraph 2.03 of this Agreement.

Description of Collateral

2.02.

(a) This Agreement creates a first lien, perfected security interest in favor of Secured Party in the 42,428,356 shares of common stock, par value \$0.001 per share, of Viking Energy Group, Inc., a Nevada corporation owned by Pledgor (the "Equity"); and

(b) All right, title and interest of Pledgor, whether now owned or hereafter acquired, in and to Pledgor's right to receive profits, income, proceeds, monies and distributions, arising, directly or indirectly out of Pledgor's interest in the Equity (together with the Equity, collectively referred to as the "Collateral").

Obligations Secured

2.03. The security interest created by this Agreement secures the following:

(a) Payment of the indebtedness evidenced by, and performance and discharge of every covenant, condition, and agreement contained in the Promissory Notes, and any and all modifications, extensions, or renewals of the Promissory Notes (the "Obligations").

(b) Performance and discharge of every obligation, covenant, and agreement of Pledgor contained in this Agreement or in any of the Security Instruments, as defined in the Promissory Notes (if any) (collectively, the "Ancillary Agreements").

(b) Pledgor has not heretofore signed any financing statement, and no financing statement is now on file in any public office covering the Collateral. Pledgor authorizes Secured Party to file, in jurisdictions where this authorization will be given effect, a financing statement signed only by Secured Party covering the Collateral; and at the request of Secured Party, Pledgor will join Secured Party in executing one or more financing statements, pursuant to the Uniform Commercial Code, in form satisfactory to Secured Party.

(c) Pledgor will not sell, transfer or dispose of any portion of the Collateral unless Secured Party consents to such sale, transfer or disposition in writing, in advance and/or unless such transfer/disposition is required in connection with the merger of Pledgor and Viking Energy Group, Inc.

**ARTICLE 3
DEFAULT; RIGHTS OF SECURED PARTY**

Event of Default

3.01. As used in this Agreement, "Event of Default" shall have the meaning subscribed to such term in the Promissory Notes.

Secured Party's Rights and Remedies

3.02. Secured Party shall have all of the following rights regardless of the existence of any Event of Default.

(a) This Agreement, Secured Party's rights hereunder, or the indebtedness hereby secured may be assigned from time to time.

(b) Secured Party may execute, sign, endorse, transfer or deliver in the name of Pledgor any documents, necessary to evidence, perfect or realize upon the security interest and obligations created by this Agreement.

(c) Secured Party shall have no liability with respect to the Collateral, including, without limitation, any obligation for cash calls.

3.03. Upon an Event of Default, the Secured Party may foreclose the security interest in either of the following ways:

(a) Provided that the Secured Party gives notice to the Pledgor, and the Pledgor fails to object within twenty-one (21) days of receipt of such notice, the Secured Party may retain in satisfaction of Pledgor's obligation all of the Collateral.

(b) Secured Party may declare all Obligations secured hereby immediately due and payable and shall have the rights and remedies of a Secured Party under the Uniform Commercial Code of Texas, including without limitation thereto, the right to sell, at public or private sale or sales, or otherwise dispose of or utilize the collateral and any part or parts thereof in any manner authorized or permitted under the Uniform Commercial Code after default by a debtor, at such prices and on such terms as Secured Party may deem reasonable under the circumstances. Secured Party shall have the right to take possession of all or any part of the Collateral and of all books, records, papers and documents in Pledgor's possession or control relating to the Collateral which are not already in Secured Party's possession, and for such purpose may enter upon any premises upon which any of the Collateral or any security therefor or any of said books, records, papers and documents are situated and remove the same therefrom. Unless the Collateral threatens to decline in value or is of a type customarily sold on a recognized market Secured Party will send Pledgor reasonable notice of the time and place of any public sale thereof or of the time after which any private sale or other disposition thereof is to be made. The requirement of sending reasonable notice shall be met if such notice is mailed, postage prepaid, to Pledgor at the address designated on the first page of this Security Agreement (or at such other address as Pledgor shall have designated as its address for receipt of notices hereunder in a writing duly received by Secured Party) at least ten (10) days before the time of the sale or disposition. Expenses of retaking, holding, selling or the like shall include Secured Party's reasonable attorney's fees and legal expenses, and Pledgor agrees to pay such expenses, plus interest thereon at the maximum rate permitted by applicable law from the date such expenses are incurred until repaid. Pledgor shall remain liable for any deficiency.

(c) No delays or omission on the part of Secured Party in exercising any right hereunder shall operate as a waiver of any such right or any other right. A waiver on any one or more occasions shall not be construed as a bar or waiver of any right or remedy on any future occasion. The remedies of Secured Party hereunder are cumulative, and the right exercise of any one or more of the remedies provided for herein shall not be construed as an election or as a waiver of any of the other remedies of Secured Party provided for herein or existing by law or otherwise.

Additional Agreements

3.04.

(a) The execution and delivery of this Agreement in no manner shall impair or affect any other security (by endorsement or otherwise) for the payment of the Obligations and no security taken hereafter as security for payment of the Obligations shall impair in any manner or affect this Agreement, all such present and future additional security to be considered as cumulative security. Any of the Collateral may be released from this Agreement without altering, varying or diminishing in any way the force, effect, lien, security interest, or charge of this Agreement as to the Collateral not expressly released, and this Agreement shall continue as a first and prior lien, security interest and charge on all of the Collateral not expressly released, until all the Obligations secured hereby have been paid in full. Any future assignment or attempted assignment of the interest of Pledgor in and to any of the Collateral shall not deprive Secured Party of the right to see or otherwise dispose of or utilize all of the Collateral as above provided or necessitate the sale or disposition thereof in parcels or in severalty.

(b) This Agreement shall not be construed as relieving Pledgor from full personal liability on the Obligations secured hereby and for any deficiency thereon.

4.01 For as long as the Collateral is held by Secured Party, and until the date of an Event of Default, if any, the Pledgor shall have the right to vote the Equity for all purposes. If requested by the Pledgor, the Secured Party shall execute and deliver to the Pledgor any proxies and authorizations reasonably required to confirm the voting rights of the Pledgor during this period.

(b) preserve all beneficial contract rights to the extent commercially reasonable;

(c) in conjunction with, and at the direction of, the Secured Party, take commercially reasonable steps to collect all Receivables; and

(d) pay all taxes, assessments or other charges on the Collateral when due, unless the amount or validity of such taxes, assessments or charges are being contested in good faith by appropriate proceedings and reserves have been deposited with the Secured Party with respect thereto.

7. Additional Provisions Concerning the Collateral.

(a) The Company authorizes the Secured Party to file, without the signature of the Company, where permitted by law, one or more financing or continuation statements, and amendments thereto, relating to the Collateral, all in the discretion of the Secured Party.

(b) If there is an Event of Default, the Company hereby irrevocably appoints the Secured Party as its attorney-in-fact (which power of attorney is coupled with an interest) and proxy, with full authority in the place and stead of the Company and in its name or otherwise, from time to time in the Secured Party's discretion, to take any action or execute any instrument which the Secured Party may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation: (i) to obtain and adjust insurance required to be paid to the Secured Party pursuant to Section 8 hereof; (ii) to ask, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral; (iii) to receive, endorse, and collect any checks, drafts or other instruments, documents, and chattel paper in connection with clause (i) or clause (ii) above; (iv) to sign the Company's name on any invoice or bill of lading relating to any account, on drafts against customers, on schedules and assignments of accounts, on notices of assignment, financing statements and other public records, on verification of accounts and on notices to customers (including notices directing customers to make payment directly to the Secured Party); (v) during the continuation of an Event of Default hereunder, to notify the postal authorities to change the address for delivery of its mail to an address designated by the Secured Party, to receive, open and process all mail addressed to the Company; (vi) to send requests for verification of accounts to customers; and (vii) to file any claims or take any action or institute any proceedings which the Secured Party may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Secured Party with respect to any of the Collateral. The Company hereby ratifies and approves in advance all acts of said attorney; and so long as the attorney acts in good faith and without gross negligence it shall have no liability to the Company for any act or omission as to such attorney.

(c) If the Company fails to perform any agreement contained herein and such failure to perform remains uncured for a period of ten (10) days following receipt of written notice by Secured Party, the Secured Party may perform, or cause performance of, such agreement or obligation, and the reasonable costs and expenses of the Secured Party incurred in connection therewith shall be payable by the Company immediately upon demand by Secured Party, shall bear interest at the highest legal rate from the date incurred until paid and shall be fully secured hereby.

(d) The powers conferred on the Secured Party hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon the Secured Party to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Secured Party shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral.

(e) Anything herein to the contrary notwithstanding, (i) the Company shall remain liable under any contracts and agreements relating to the Collateral, to the extent set forth therein, to perform all of its obligations thereunder, to the same extent as if this Security Agreement had not been executed; (ii) the exercise by the Secured Party of any of its rights hereunder shall not release the Company from any of its obligations under the contracts and agreements relating to the Collateral; and (iii) the Secured Party shall not have any obligation or liability by reason of this Security Agreement under any contracts and agreements relating to the Collateral, nor shall the Secured Party be obligated to perform any of the obligations or duties of the Company thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

(f) In the event the Company acquires a Subsidiary with the proceeds of the Promissory Note (in whole or in part), as a condition thereto and simultaneously with such acquisition, the Company shall pledge the securities of such Subsidiary by executing a new Security Agreement-Pledge in the form of Schedule A attached hereto in favor of the Secured Party.

(g) Until the Secured Liabilities are paid in full, the Company agrees that the Company will (i) preserve the Company's corporate existence and not, in one transaction or a series of related transactions, convert to a different type of entity, merge into or consolidate with any other entity (other than in connection with the Company's pending merger with Viking Energy Group, Inc., which merger is expressly approved), or sell all or substantially all of its assets; (ii) not change the state of the Company's organization; and (iii) not change the Company's name or identity in any manner, unless in the case of this clause (iii) only, the Company shall have given the Secured Party not less than forty-five (45) days prior notice thereof.

8. Insurance. The Company shall maintain insurance covering the Collateral with financially sound and reputable insurers satisfactory to the Secured Party against such risks as are customarily insured by a business in the same or a similar industry and similarly situated for an amount not less than the full replacement value of such Collateral. All such insurance policies covering property on and after the date such property becomes subject to the Security Interest shall be written so as to be payable in the event of loss to the Secured Party, and shall provide for at least thirty (30) days prior written notice to the Secured Party prior to the cancellation or modification of each such policy. At the request of the Secured Party, all insurance policies covering property subject to the Security Interest shall be furnished to and held by the Secured Party. If, while any Secured Liabilities are outstanding, any proceeds with respect to any casualty loss are paid to the Secured Party under such policies on account of such casualty loss, and no default has occurred and is continuing, the Secured Party will pay over such proceeds in whole or in part to the Company, for the purpose of repairing or replacing the Collateral destroyed or damaged, with any such repaired or replaced Collateral to be secured by this Security Agreement. If an Event of Default has occurred and is continuing, the Secured Party may apply the proceeds as Secured Party deems fit, subject to applicable law and may cancel, assign or surrender any such insurance policies.

9. Fixtures. It is the intention of the Parties hereto that none of the equipment or other property securing the Secured Liabilities hereunder shall become fixtures.

10. Default. Any one or more of the following events shall constitute an event of default (an "Event of Default"):

(a) any representation or warranty made or deemed made by the Company in this Security Agreement shall prove to have been materially incorrect, false, incomplete or misleading; or

(b) the occurrence of an "Event of Default" as defined in the Promissory Note.

11. Remedies.

(a) Upon the occurrence of an Event of Default and at any time or times during the continuance thereof, unless such Event of Default shall have been cured within the applicable time period, if any, or waived in writing by the Secured Party, and subject to the provisions of applicable law, the Secured Party may exercise any one or more of the following remedies:

(i) The Secured Party shall have full power and authority to sell or otherwise dispose of the Collateral or any part thereof. Any such sale or other disposition, subject to the provisions of applicable law, may be by public or private proceedings and may be made by one or more contracts, as a unit or in parcels, at such time and place, by such method, in such manner and on such terms as the Secured Party may determine. Except as required by law, such sale or other disposition and such notice will be deemed to have been sufficiently given if such notice is hand-delivered or mailed postage prepaid, at least ten (10) days before the time of such sale or other disposition, to the Company at its address as specified in the Security Agreement. To the extent permitted by law, the Secured Party may buy any or all of the Collateral upon any sale thereof. To the extent permitted by law, upon any such sale or sales, the Collateral so purchased shall be held by the purchaser absolutely free from any claims or rights of whatsoever kind or nature, including any claim of redemption and any similar rights being hereby expressly waived and released by the Company. In connection with any such sale, the Secured Party shall be permitted to limit its warranties to the maximum extent provided in the UCC. After deducting all reasonable costs and expenses of collection, custody, sale or other disposition or delivery (including legal costs and reasonable attorneys' fees) and all other charges due against the Collateral, the residue of the proceeds of any such sale or other disposition shall be applied to the payment of the Secured Liabilities, except as otherwise provided by law or directed by any court of competent jurisdiction, and any surplus after the payment in full of the Secured Liabilities shall be returned to the Company, except as otherwise provided by law or any such court. The Company shall be liable for any deficiency in payment of the Secured Liabilities, including all reasonable costs and expenses of collection, custody, sale or other disposition or delivery and all other charges due against the Collateral, as herein enumerated.

(ii) The Secured Party may notify an account Company of the Company to make payment to the Secured Party whether the Company or the Secured Party were previously making collections on any of the accounts receivable; and the Secured Party may also take control of any proceeds from any Collateral.

(iii) At any time whether or not an Event of Default has occurred, with or without notice, the Secured Party is authorized to offset and charge against any other credits and obligations ever owed by the Secured Party to the Company, any amount for which the Company may become obligated to the Secured Party at any time, whether under the Promissory Note or otherwise. The obligations secured by the Security Interest granted and by the Secured Party's right of offset includes all obligations of any kind or type now or hereafter arising, owed by the Company to the Secured Party, whether liquidated or unliquidated, direct or indirect, contingent or not.

(iv) The Secured Party may commence proceedings in any court of competent jurisdiction for the appointment of a receiver (which term shall include a receiver-manager) of the Collateral or of any part thereof or may by instrument in writing appoint any person to be a receiver of the Collateral or any part thereof and may remove any receiver so appointed by the Secured Party and appoint another in his stead; and any such receiver appointed by instrument in writing shall have power (a) to take possession of the Collateral or any part thereof, (b) to carry on the business of the Company, (c) to borrow money on the security of the Collateral in priority to this Security Agreement to the extent required for the maintenance, preservation or protection of the Collateral or any part thereof or for the carrying on of the business of the Company, and (d) to sell lease or otherwise dispose of the whole or any part of the Collateral at public auction, by public tender or by private sale, either for cash or upon credit, at such time and upon such terms and conditions as the receiver may determine; provided that any such receiver shall be deemed the agent of the Company and the Secured Party shall not be in any way responsible for any misconduct or negligence of any such receiver.

(v) The Secured Party shall have all other rights and remedies of a secured party provided under the UCC.

(vi) The Secured Party shall have all other rights and remedies allowed at law and/or in equity.

(b) It is provided, however, that in the Secured Party's efforts in collection on the Collateral, the Company shall be liable and responsible for any deficiency.

12. Limitation on Duty of the Secured Party in Respect of Collateral The powers conferred on the Secured Party under this Security Agreement are solely to protect the Secured Party's interests in the Collateral and shall not impose any duty upon the Secured Party to exercise any such powers. Except for reasonable care in the custody of any Collateral in the Secured Party's possession and the accounting for moneys actually received by the Secured Party under this Security Agreement, the Secured Party shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. The Secured Party shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in the Secured Party's possession if the Collateral is accorded treatment substantially equal to that which the Secured Party accords its own property, it being understood that the Secured Party shall not be liable or responsible for any loss or damage to any of the Collateral, or for any diminution in the value thereof, by reason of the act or omission of any warehouseman, carrier, forwarding agency, consignee or other bailee selected by the Secured Party in good faith. Except as otherwise expressly provided in this Section 12, the Company has the risk of loss of the Collateral. Further, the Secured Party has no duty to collect any income accruing on the Collateral or to preserve any rights relating to the Collateral. The Secured Party shall have no obligation to clean up or otherwise prepare the Collateral for sale.

13. Concerning Secured Party. In furtherance and not in derogation of the rights, privileges and immunities of the Secured Party:

(a) The Secured Party is authorized to take all such action as is provided to be taken by the Secured Party under this Security Agreement and all other action reasonably incidental thereto. As to any matters not expressly provided for in this Security Agreement (including the timing and methods of realization upon the Collateral), the Secured Party shall act or refrain from acting in the Secured Party's sole reasonable discretion.

(b) The Secured Party shall not be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Security Interests in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on the Secured Party's part under this Security Agreement. The Secured Party shall have no duty to ascertain or inquire as to the performance or observance of any of the terms of this Security Agreement by the Company.

14. Payment of Taxes, Charges, Etc. The Secured Party, at its option, after notice to the Company, may discharge any taxes, charges, assessments, security interest, liens or other encumbrances upon the Collateral or otherwise protect the value thereof. All such expenditures incurred by the Secured Party shall become payable by the Company to the Secured Party upon demand, shall bear interest at the highest legal rate from the date incurred to the date of payment, and shall be secured by the Collateral.

15. Waivers. To the extent permitted by law, the Company hereby waives demand for payment, notice of dishonor or protest and all other notices of any kind in connection with the Secured Liabilities except notices required hereby, by law or by any other agreement between the Company and the Secured Party, including, but not limited to the Promissory Note, if any. The Secured Party may release, supersede, exchange or modify any Collateral or security which it may from time to time hold and may release, surrender or modify the liability of any third party without giving notice hereunder to the Company. Such modifications, changes, renewals, releases or other actions shall in no way affect the Company's obligations hereunder.

16. Transfer Expenses, Etc. The Company will pay, indemnify and hold the Secured Party harmless from and against all reasonable costs and expenses (including taxes, if any) arising out of or incurred in connection with any transfer of Collateral into or out of the name of the Secured Party and all reasonable costs and expenses, including reasonable legal fees, of the Secured Party arising out of or incurred in connection with this Security Agreement.

17. Termination. This Security Interest shall terminate following the full payment, satisfaction, or discharge of all Secured Liabilities. Upon such termination, the Secured Party will deliver to the Company appropriate UCC termination statements with respect to Collateral so released from the Security Interest for filing with each filing officer with which UCC financing statements have been filed by the Secured Party to perfect the Security Interest in such Collateral.

18. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Company and the Secured Party and their respective successors and assigns.

19. Severability of Provisions. Any provision of any provision of this Security Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this Security Agreement or affecting the validity or enforceability of this Security Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

20. Submission to Jurisdiction. (a) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS SECURITY AGREEMENT AND THE PROMISSORY NOTE MAY BE BROUGHT IN THE COURTS OF THE STATE OF TEXAS OR OF THE UNITED STATES LOCATED IN HARRIS COUNTY, TEXAS AND, BY EXECUTION AND DELIVERY OF THIS SECURITY AGREEMENT, THE COMPANY HEREBY IRREVOCABLY ACCEPTS FOR ITSELF AND IN RESPECT OF THE COMPANY'S PROPERTY, UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS WITH RESPECT TO ANY SUCH ACTION OR PROCEEDING. THE COMPANY FURTHER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE COMPANY PURSUANT TO SECTION 22, SUCH SERVICE TO BECOME EFFECTIVE THIRTY (30) DAYS AFTER SUCH MAILING. NOTHING IN THIS SECURITY AGREEMENT SHALL AFFECT THE RIGHT OF THE SECURED PARTY TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST THE COMPANY IN ANY OTHER JURISDICTION.

(b) THE COMPANY HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH THE COMPANY MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS SECURITY AGREEMENT BROUGHT IN THE COURTS REFERRED TO IN CLAUSE (a) OF THIS SECTION 20 AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

21. Waiver of Jury Trial. THE COMPANY HEREBY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS SECURITY AGREEMENT OR UNDER ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION WITH THIS SECURITY AGREEMENT OR ARISING FROM OR RELATING TO ANY RELATIONSHIP EXISTING IN CONNECTION WITH THIS SECURITY AGREEMENT, AND AGREES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.

22. Notice. Any notice or communication required or permitted hereunder shall be deemed to be delivered, whether actually received or not, three (3) business days after being sent via courier service (such as Federal Express), and addressed to the intended recipient at the address set forth in the introductory paragraph of this Security Agreement. Any address for notice may be changed by written notice delivered as provided herein.

23. Governing Law. THIS SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF TEXAS, EXCEPT AS REQUIRED BY MANDATORY PROVISIONS OF LAW AND EXCEPT TO THE EXTENT THAT THE VALIDITY OR PERFECTION OF THE SECURITY INTERESTS, OR REMEDIES UNDER THIS SECURITY AGREEMENT, IN RESPECT OF ANY PARTICULAR COLLATERAL ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF TEXAS.

24. Prevailing Party. If any legal action or other proceeding is brought for the enforcement of this Agreement executed in connection with, or because of an alleged dispute, breach, default or misrepresentation in connection with any of the provisions of this Agreement or any document, instrument or agreement executed in connection herewith, the successful prevailing party shall be entitled to recover reasonable attorney's fees, court costs and all other costs and expenses incurred in that action or proceeding.

25. Drafting. Each of the Parties hereto acknowledges that each Party was actively involved in the negotiation and drafting of this Agreement and that no law or rule of construction shall be raised or used in which the provisions of this Agreement shall be construed in favor or against any Party hereto because one is deemed to be the author thereof.

26. No Waiver of Right of Remedies. No failure or delay by Secured Party in exercising any right, power, or privilege given by any provision of this Agreement shall operate as a waiver of the provision. Additionally, no single or partial exercise of any right, power, or privilege shall preclude any other or further exercise of that or any other right, power, or privilege.

27. COUNSEL. EACH PARTY ACKNOWLEDGES THAT THE PARTIES ARE EXECUTING A LEGAL DOCUMENT THAT CONTAINS CERTAIN DUTIES, OBLIGATIONS AND RESTRICTIONS AS SPECIFIED HEREIN. EACH PARTY FURTHERMORE ACKNOWLEDGES THAT EACH PARTY HAS BEEN ADVISED OF THEIR RIGHT TO RETAIN LEGAL COUNSEL, AND THAT EACH PARTY HAS EITHER BEEN REPRESENTED BY LEGAL COUNSEL PRIOR TO THEIR EXECUTION HEREOF OR HAS KNOWINGLY ELECTED NOT TO BE SO REPRESENTED.

IN WITNESS WHEREOF, the Parties hereto have executed this Security Agreement as of the date first written above.

In consideration of the premises, and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Company and Investor agree as follows:

I. Definitions. The parties acknowledge the accuracy of the Recitals set forth above, which are incorporated herein by reference. In addition to the terms defined elsewhere in this Agreement, capitalized terms that are not otherwise defined have the meanings set forth in the C Certificate.

II. Representations and Warranties.

A. **Representations Regarding Transaction.** Except as set forth under the corresponding section of the Disclosure Schedules, if any, Company hereby represents and warrants to, and as applicable covenants with, Investor as of the Closing:

1. **Organization and Qualification.** Company and each Subsidiary is an entity duly incorporated or otherwise organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, as applicable, with the requisite power and authority to own and use its properties and assets and to carry on its business as currently conducted. Neither Company nor any Subsidiary is in violation or default of any of the provisions of its respective certificate or articles of incorporation, bylaws or other organizational or charter documents, except as would not reasonably be expected to result in a Material Adverse Effect. Each of Company and each Subsidiary is duly qualified to conduct business and is in good standing as a foreign corporation or other entity in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, would not reasonably be expected to result in a Material Adverse Effect and there is no completed, pending or, to the knowledge of Company, contemplated or threatened proceeding in any such jurisdiction revoking, limiting or curtailing or seeking to revoke, limit or curtail such power and authority or qualification.

2. Authorization; Enforcement. Company has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by each of the Transaction Documents and otherwise to carry out its obligations hereunder or thereunder. The execution and delivery of each of the Transaction Documents by Company and the consummation by it of the transactions contemplated hereby or thereby have been duly authorized by all necessary action on the part of Company and no further consent or action is required by Company. Each of the Transaction Documents has been, or upon delivery will be, duly executed by Company and, when delivered in accordance with the terms hereof, will constitute the valid and binding obligation of Company, enforceable against Company in accordance with its terms, except (a) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (b) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (c) insofar as indemnification and contribution provisions may be limited by applicable law.

3. No Conflicts. The execution, delivery and performance of the Transaction Documents by Company, the issuance and sale of the Note and the consummation by Company of the other transactions contemplated thereby do not and will not (a) conflict with or violate any provision of Company's or any Subsidiary's certificate or articles of incorporation, bylaws or other organizational or charter documents, (b) conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, result in the creation of any Lien upon any of the properties or assets of Company or any Subsidiary, or give to others any rights of termination, amendment, acceleration or cancellation (with or without notice, lapse of time or both) of, any material agreement, credit facility, debt or other instrument (evidencing Company or Subsidiary debt or otherwise) or other understanding to which Company or any Subsidiary is a party or by which any property or asset of Company or any Subsidiary is bound or affected, (c) conflict with or result in a violation of any material law, rule, regulation, order, judgment, injunction, decree or other restriction of any court or governmental authority to which Company or a Subsidiary is subject (including U.S. federal and state securities laws and regulations), or by which any material property or asset of Company or a Subsidiary is bound or affected, or (d) conflict with or violate the terms of any material agreement by which Company or any Subsidiary is bound or to which any property or asset of Company or any Subsidiary is bound or affected; except in the case of each of clauses (b), (c) and (d), such as would not reasonably be expected to result in a Material Adverse Effect.

4. Litigation. There is no action, suit, inquiry, notice of violation, proceeding or investigation completed, ongoing, pending, threatened or, to the knowledge of Company, contemplated against or affecting Company, any Subsidiary or any of their respective properties before or by any court, arbitrator, governmental or administrative agency or regulatory authority (federal, state, county, local or foreign) (collectively, an "**Action**"), which would reasonably be expected to adversely affect or challenge the legality, validity or enforceability of any of the Transaction Documents or the sale, issuance, listing, trading or resale of any Shares on the Trading Market. The Commission has not issued any stop order or other order suspending the effectiveness of any registration statement filed by Company or any Subsidiary under the Exchange Act or the Act.

5. Filings, Consents and Approvals. Neither Company nor any Subsidiary is required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority or other Person in connection with the execution, delivery and performance by Company of the Transaction Documents, other than required federal and state securities filings and such filings and approvals as are required to be made or obtained under the applicable Trading Market rules in connection with the transactions contemplated hereby, each of which has been, or if not yet required to be filed will be, timely filed.

6. Disclosure: Non-Public Information. Company will timely file a current report on Form 8-K (“**Current Report**”) describing the material terms and conditions of this Agreement, a copy of which will be provided to Investor prior to the filing thereof. All information that Company has provided to Investor that constitutes or might constitute material, non-public information will be included in the Current Report. Notwithstanding any other provision, except for information that will be, and only to the extent that it actually is, included in the Current Report, 1. neither Company nor any other Person acting on its behalf has provided Investor or its representatives, agents or attorneys with any information that constitutes or might constitute material, non-public information, including without limitation this Agreement and the Exhibits and Disclosure Schedules hereto, (b) no information contained in the Disclosure Schedules constitutes material non-public information and (c) there is no adverse material information regarding Company that has not been publicly disclosed prior to the Agreement Date. Company understands and confirms that Investor will rely on the foregoing representations and covenants in effecting transactions in securities of Company. All disclosure provided to Investor regarding Company, its business and the transactions contemplated hereby, including without limitation the Disclosure Schedules, furnished by or on behalf of Company with respect to the representations and warranties made herein are true and correct in all material respects and do not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

7. Acknowledgments Regarding Investor. Company’s decision to enter into this Agreement has been based solely on the independent evaluation by Company and its representatives, and Company acknowledges and agrees that:

a. Investor is not, has never been, and as a result of the transactions contemplated by the Transaction Documents will not become an officer, director, insider, or control person of Company, or to Company’s knowledge a 10% or greater shareholder or otherwise an affiliate of Company as defined under Rule 12b-2 of the Exchange Act;

b. Investor and its representatives have not made and do not make any representations, warranties or agreements with respect to this Agreement, or the transactions contemplated hereby other than those specifically set forth in **Section III.C** below; Company has not relied upon, and expressly disclaims reliance upon, any and all written or oral statements or representations made by any persons prior to this Agreement;

c. The conversion of the C Preferred and resale of Conversion Shares will result in dilution, which may be substantial; and Company’s obligation to issue and deliver Conversion Shares in accordance with this Agreement and the C Certificate is absolute and unconditional regardless of the dilutive effect that such issuances may have; and

d. Investor is acting solely in the capacity of arm's length purchaser with respect to this Agreement and the transactions contemplated hereby; Investor is not registered as a broker or dealer; neither Investor nor any of its Affiliates, agents or representatives has or is acting as a legal, financial, investment, accounting, tax or other advisor to Company, or fiduciary of Company, or in any similar capacity; neither Investor nor any of its Affiliates, agents or representatives has provided any legal, financial, investment, accounting, tax or other advice to Company; any statement made in connection with this Agreement or the transactions contemplated hereby is not advice or a recommendation, and is merely incidental to Investor's exchange of the Cancelled Shares and acceptance of the Note.

8. Listing and Maintenance Requirements. The Common Stock is registered pursuant to Section 12 of the Exchange Act, and Company has taken no action designed to, or which to its knowledge is likely to have the effect of, terminating the registration of the Common Stock under the Exchange Act nor has Company received any notification that the Commission is contemplating terminating such registration. Company has not, in the 12 months preceding the Closing, received notice from the Trading Market on which the Common Stock is listed or quoted to the effect that Company is not in compliance with the listing or maintenance requirements of such Trading Market, except in connection with notices which relate to compliance issues which have since been cured. Company is, and has no reason to believe that it will not in the foreseeable future continue to be, in compliance with the listing and maintenance requirements of the Trading Market.

C. Representations and Warranties of Investor. Investor hereby represents and warrants to Company as of the Closing as follows:

1. Organization; Authority. Investor is an entity validly existing and in good standing under the laws of the jurisdiction of its organization with full right, company power and authority to enter into and to consummate the transactions contemplated by the Transaction Documents and otherwise to carry out its obligations thereunder. The execution, delivery and performance by Investor of the transactions contemplated by this Agreement have been duly authorized by all necessary company or similar action on the part of Investor. Each Transaction Document to which it is a party has been, or will be, duly executed by Investor, and when delivered by Investor in accordance with the terms hereof, will constitute the valid and legally binding obligation of Investor, enforceable against it in accordance with its terms, except (a) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (b) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies, and (c) insofar as indemnification and contribution provisions may be limited by applicable law.

2. Investor Status. Investor is: (a) an accredited investor as defined in Rule 501(a) under the Act; and (b) not a registered broker-dealer, member of FINRA, or an affiliate thereof.

III. Securities and Other Provisions.

A. Furnishing of Information. As long as Investor owns any C Preferred, Company will timely file all reports required to be filed by Company after the Closing pursuant to the Exchange Act (the Company shall have until December 31, 2020 to file its Quarterly Report on Form 10-Q for the quarter ended September 30, 2020, which is currently late). As long as Investor owns any C Preferred, Company will prepare and make publicly available such information as is required for Investor to sell its Conversion Shares under Rule 144. Company further covenants that, as long as Investor owns any C Preferred, Company will take such further action as Investor may reasonably request, all to the extent required from time to time to enable Investor to sell its Conversion Shares without registration under the Act within the limitation of the exemptions provided by Rule 144.

B. Disclosure and Publicity. Company will provide to Investor for review and approval prior to filing or issuing that portion of any current or periodic report, registration statement, press release, public statement or communication relating to Investor or the transactions contemplated hereby (any such approval not to be unreasonably withheld, conditioned or delayed).

C. No Non Public Information. Company covenants and agrees that neither it nor any other Person acting on its behalf will, provide Investor or its agents or counsel with any information that Company believes or reasonably should believe will constitute material non- public information after Closing. On and after Closing, neither Investor nor any Affiliate of Investor will have any duty of trust or confidence that is owed directly, indirectly, or derivatively, to Company or the stockholders of Company, or to any other Person who is the source of material non-public information regarding Company. Company understands and confirms that Investor will be relying on the foregoing in effecting transactions in securities of Company, including without limitation sales of the Shares.

D. Indemnification of Investor.

1. Obligation to Indemnify. Subject to the provisions of this **Section IV.G**, Company will indemnify and hold Investor, its Affiliates, managers and advisors, and each of their officers, directors, shareholders, partners, employees, representatives, agents and attorneys, and any person who controls Investor within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (collectively, “**Investor Parties**” and each a “**Investor Party**”), harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, reasonable costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys’ fees and costs of investigation (collectively, “**Losses**”) that any Investor Party may suffer or incur as a result of or relating to (a) any breach of any of the representations, warranties, covenants or agreements made by Company in this Agreement or in the other Transaction Documents or (b) any action by Company or a creditor or stockholder of Company who is not an Affiliate of an Investor Party, challenging the transactions contemplated by the Transaction Documents; provided, however, that Company will not be obligated to indemnify any Investor Party for any Losses finally adjudicated to be caused solely by such Investor Party’s unexcused material breach of an express provision of this Agreement or another Transaction Document.

2. Procedure for Indemnification. If any action will be brought against an Investor Party in respect of which indemnity may be sought pursuant to this Agreement, such Investor Party will promptly notify Company in writing, and Company will have the right to assume the defense thereof with counsel of its own choosing. Investor Parties will have the right to employ separate counsel in any such action and participate in the defense thereof, but the reasonable fees and expenses of such counsel will be at the expense of Investor Parties except to the extent that (a) the employment thereof has been specifically authorized by Company in writing, (b) Company has failed after a reasonable period of time to assume such defense and to employ counsel or (c) in such action there is, in the reasonable opinion of such separate counsel, a material conflict with respect to the dispute in question on any material issue between the position of Company and the position of Investor Parties such that it would be inappropriate for one counsel to represent Company and Investor Parties. Company will not be liable to Investor Parties under this Agreement (i) for any settlement by an Investor Party effected without Company's prior written consent, which will not be unreasonably withheld or delayed; or (ii) to the extent, but only to the extent that a loss, claim, damage or liability is either attributable to Investor's breach of any of the representations, warranties, covenants or agreements made by Investor in this Agreement or in the other Transaction Documents. In no event will the Company be liable for the reasonable fees and expenses for more than one separate firm of attorneys (plus local counsel as applicable) to represent all Investor Parties.

3. Other than the liability of Investor to Company for uncured material breach of the express provisions of this Agreement, no Investor Party will have any liability to Company or any Person asserting claims on behalf of or in right of Company as a result of acquiring the Note under this Agreement.

IV. General Provisions.

A. Notice. Unless a different time of day or method of delivery is specifically provided in the Transaction Documents, any and all notices or other communications or deliveries required or permitted to be provided hereunder will be in writing and will be deemed given and effective on the earliest of: (a) the date of transmission, if such notice or communication is delivered via facsimile or electronic mail prior to 5:00 p.m. Eastern time on a Trading Day and an electronic confirmation of delivery is received by the sender and provided to the recipient, (b) the next Trading Day after the date of transmission, if such notice or communication is delivered later than 5:00 p.m. Eastern time or on a day that is not a Trading Day, (c) the next Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service with confirmation of delivery prior to 5:00 p.m. Eastern time on such next Trading Day, or (d) upon actual receipt by the party to whom such notice is required to be given. The addresses for such notices and communications are such other address as may be designated in writing, in the same manner, by such Person.

B. Amendments; Waivers. No provision of this Agreement may be waived or amended except in a written instrument signed, in the case of an amendment, by Company and Investor or, in the case of a waiver, by the party against whom enforcement of any such waiver is sought. No waiver of any default with respect to any provision, condition or requirement of this Agreement will be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor will any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right.

C. Fees and Expenses. Except as otherwise provided in this Agreement, each party will pay the fees and expenses of its own advisers, attorneys, accountants and other experts, if any, and all other expenses incurred by such party incident to the negotiation, preparation, execution, delivery and performance of the Transaction Documents. Company acknowledges and agrees that Investor's counsel solely represents Investor, and does not represent Company or its interests in connection with the Transaction Documents or the transactions contemplated thereby. Company will pay all stamp and other taxes and duties, if any, levied in connection with the sale or issuance of the Shares to Investor. As of the date hereof, the parties understand and agree that no such stamp or other taxes or duties would be imposed by the jurisdiction of Investor's organization or, to Investor's knowledge, by any other jurisdiction as a result of the nature or conduct of Investor's business.

D. Severability. If any provision of this Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement will not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, will incorporate such substitute provision in this Agreement.

E. Governing Law. All matters between the parties, including without limitation questions concerning the construction, validity, enforcement and interpretation of the Transaction Documents will be governed by and construed and enforced in accordance with the laws of the U.S. Virgin Islands, without regard to the principles of conflicts of law that would require or permit the application of the laws of any other jurisdiction, except for corporation law matters applicable to Company which will be governed by the corporate law of its jurisdiction of formation. The parties hereby waive all rights to a trial by jury. In any action, arbitration or proceeding, including appeal, arising out of or relating to any of the Transaction Documents or otherwise involving the parties, the prevailing party will be awarded its reasonable attorneys' fees and other costs and expenses reasonably incurred in connection with the investigation, preparation, prosecution or defense of such action or proceeding.

G. Arbitration. Any dispute, controversy, claim or action of any kind arising out of, relating to, or in connection with this Agreement, or in any way involving Company and Investor or their respective Affiliates, including any issues of arbitrability, will be resolved solely by final and binding arbitration in English before a retired judge at JAMS, or its successor, in the Territory of the Virgin Islands, pursuant to the most expedited and Streamlined Arbitration Rules and Procedures available. Any interim or final award may be entered and enforced by any court of competent jurisdiction. The final award will include the prevailing party's reasonable arbitration, expert witness and attorney fees, costs and expenses. Notwithstanding the foregoing, Investor or the Company, as the case may be, may in its sole discretion bring an action in state or U.S. District Court in aid of arbitration or for temporary, preliminary or provisional relief pending completion of arbitration.

H. Headings. The headings herein are for convenience only, do not constitute a part of this Agreement and will not be deemed to limit or affect any of the provisions hereof.

I. Construction. The parties agree that each of them and/or their respective counsel has reviewed and had an opportunity to revise the Transaction Documents and, therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party will not be employed in the interpretation of the Transaction Documents or any amendments hereto. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party. All currency references in any Transaction Document are to U.S. dollars.

J. Further Assurances. Each party will take all further actions and execute all further documents as may be reasonably necessary to implement the provisions and carry out the intent of this Agreement fully and effectively.

K. Acknowledgement. Company hereby acknowledges and agrees that (1) Investor has at all times fully and completely complied with all of its obligations under the Prior Agreements, this Agreement, the C Certificate and all other Transaction Documents and agreements between Company and Investor, (2) all Delivery Notices, calculations and related spreadsheets provided by Investor to Company were and are fully correct and accurate in all respects, (3) Investor has previously provided valid notice to the Company of the increase in beneficial ownership percentage set forth in Section 8 of the C Certificate to 9.99%, which will continue apply to all shares of C Preferred held by Investor, including without limitation following any amendment or restatement of the C Certificate, (4) a Trigger Event has occurred, and Company has materially breached the Stock Purchase Agreement, and Company therefore will have no rights under Section I.F.2 of the amended C Certificate as to any C Preferred held by Investor, and (5) the Equity Conditions are not currently met.

L. General Release. Company, on behalf of itself and on behalf of each of its predecessors, successors, parents, subsidiaries, shareholders, and affiliated and/or related companies, and each of its respective present and former officers, directors, shareholders, employees, representatives, business entities, executors, administrators, conservators, assignors and assignees (collectively, the “**Releasing Parties**”) hereby knowingly and voluntarily fully and forever absolutely and irrevocably waive, release and discharge Investor and its predecessors, successors, parents, subsidiaries, and affiliated and/or related companies and entities, and each of their respective present and former officers, directors, shareholders, partners, members, employees, representatives, agents, attorneys, advisors, business entities, executors, administrators, conservators, assignors and assignees and all parties acting through, under or in concert with them, and each of them, in their individual and representative capacities (collectively, the “**Released Parties**”) from any and all claims, charges, complaints, grievances, demands, liens, actions, suits, causes of action, obligations, controversies, debts, costs, indemnity, attorneys' fees, expenses, damages, judgments, orders, and liabilities of whatever kind and/or nature in law, equity or otherwise, whether now known or unknown, suspected or unsuspected, which have existed or may have existed, or which do exist or which hereafter can, shall or may exist as of the date this Agreement is executed, including without limitation any that are based upon, connected with, or otherwise arising out of or in any way relating to any Transaction Documents, the resale of Conversion Shares, and all matters related thereto (collectively, the “**Released Claims**”). The Releasing Parties, and each of them, expressly waive and relinquish, to the fullest extent permitted by law, the provisions, rights and benefits conferred by any law which would limit the scope of the release provided above. The Releasing Parties acknowledge that they or any of them may hereafter discover facts in addition to or different from those which they now know to be true with respect to the subject matters of the claims released herein, but hereby stipulate and agree that they have fully, finally, and forever settled and released any and all such claims, whether known or unknown, suspected or unsuspected, contingent or non-contingent, concealed or hidden, which now exist or heretofore existed upon any theory of law or equity now existing or coming into existence in the future, without regard to the discovery or existence of such different or additional facts.

M. Amendments. Section II.E, Subsequent Closings, of the C Agreement is hereby deleted in its entirety, and shall be of no further force or effect. The entirety of Section IV.O, Repurchase Obligation, the provision that “Investor will not resell, transfer or assign the Preferred Shares in Section III.C.IV, Ownership, the provision that “Investor may not sell, transfer or assign any Preferred Shares or any of its rights under this Agreement “ in Section IV.J of the June 22, 2020 Stock Purchase Agreement entered into between Company and Investor, and all similar provisions in any Prior Agreements, are hereby deleted.

N. Ratification. Except as expressly provided herein, the Prior Agreements, which are incorporated by reference as though set forth in full herein, and the C Certificate are hereby ratified and affirmed in all respects, and remain in full force and effect. Except as expressly provided herein, the execution of this Agreement shall not operate as a waiver of any right, power or remedy of the Investor, constitute a waiver of any provision of any of the Prior Agreements, C Certificate or any Transaction Document or serve to effect a novation of the obligations under the Prior Agreements, C Certificate or any Transaction Document. Except as expressly provided herein, the Prior Agreements and all Transaction Documents between Company and Investor shall continue in full force and effect and nothing herein shall act as a waiver of any of the Investor's rights under any of the foregoing.

O. Execution. This Agreement may be executed in two or more counterparts, all of which when taken together will be considered one and the same agreement and will become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by portable document format, facsimile or electronic transmission, such signature will create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such signature page were an original thereof.

P. Entire Agreement. This Agreement, including the Exhibits hereto, which are hereby incorporated herein by reference, contains the entire agreement and understanding of the parties, and supersedes all prior and contemporaneous agreements, term sheets, letters, discussions, communications and understandings, both oral and written, which the parties acknowledge have been merged into this Agreement. No party, representative, advisor, attorney or agent has relied upon any collateral contract, agreement, assurance, promise, understanding, statement or representation not expressly set forth herein or in the Prior Agreements. The parties hereby absolutely, unconditionally and irrevocably waive all rights and remedies, at law and in equity, directly or indirectly arising out of or relating to, or which may arise as a result of, any Person's reliance on any such statement or assurance.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized signatories on the Agreement Date.
