Forward-Looking Statements

Certain of the matters discussed in this communication which are not statements of historical fact constitute forward-looking statements that involve a number of risks and uncertainties and are made pursuant to the Safe Harbor Provisions of the Private Securities Litigation Reform Act of 1995. Words such as “strategy,” “expects,” “continues,” “plans,” “anticipates,” “believes,” “would,” “will,” “estimates,” “intends,” “projects,” “goals,” “targets” and other words of similar meaning are intended to identify forward-looking statements but are not the exclusive means of identifying these statements.

Important factors that may cause actual results and outcomes to differ materially from those contained in such forward-looking statements include, without limitation, the occurrence of any event, change or other circumstances that could give rise to the parties failing to complete the merger on the terms disclosed, if at all, the right of one or both of Viking Energy Group, Inc. (“Viking”) or Camber to terminate the merger agreement and the result of such termination; the outcome of any legal proceedings that may be instituted against Viking, Camber or their respective directors; the ability to obtain regulatory approvals and other consents, and meet other closing conditions to the merger on a timely basis or at all, including the risk that regulatory approvals or other consents required for the merger are not obtained on a timely basis or at all, or which are obtained subject to conditions that are not anticipated or that could adversely affect the combined company or the expected benefits of the transaction; the ability to obtain approval by Viking stockholders and Camber stockholders on the expected schedule; required closing conditions which may not be able to be met and/or consents which may not be able to be obtained; difficulties and delays in integrating Viking’s and Camber’s businesses; prevailing economic, market, regulatory or business conditions, or changes in such conditions, negatively affecting the parties, including, but not limited to, as a result of the recent volatility in oil and gas prices and the status of the economy (both US and global) due to the COVID-19 pandemic and actions taken to slow the spread of COVID-19; risks that the transaction disrupts Viking’s or Camber’s current plans and operations; failing to fully realize anticipated cost savings and other anticipated benefits of the merger when expected or at all; potential adverse reactions or changes to business relationships resulting from the announcement or completion of the merger; the ability of Camber to obtain the approval of its Series C Preferred Stock holder to close the merger; debt of Viking and Camber and the dates such debts come due; the ability of Viking or Camber to retain and hire key personnel; the diversion of management’s attention from ongoing business operations; uncertainty as to the long-term value of the common stock of the combined company following the merger; the continued availability of capital and financing, prior to, and following, the merger; the business, economic and political conditions in the markets in which Viking and Camber operate; and the fact that Viking’s and Camber’s reported earnings and financial position may be adversely affected by tax and other factors.

Other important factors that may cause actual results and outcomes to differ materially from those contained in the forward-looking statements included in this communication are described in Viking's and Camber's publicly filed reports, including, but not limited to, Viking's Annual Report on Form 10-K for the year ended December 31, 2020, and Camber's Annual Report on Form 10-K for the year ended March 31, 2020, and subsequently filed Quarterly Reports on Form 10-Q.

Viking and Camber caution that the foregoing list of important factors is not complete, and they do not undertake to update any forward-looking statements that either party may make except as required by applicable law. All subsequent written and oral forward-looking statements attributable to Viking, Camber or any person acting on behalf of either party are expressly qualified in their entirety by the cautionary statements referenced above.
