Item 1.01. Entry into a Material Definitive Agreement.

Effective as of July 9, 2021, Camber Energy, Inc. (the “Company”, “Camber”, “we” and “us”) and an institutional investor (the “Investor”), entered into a Stock Purchase Agreement (the “July 2021 Purchase Agreement”).

Under the terms of the July 2021 Purchase Agreement, the Investor purchased 1,575 shares of Series C Redeemable Convertible Preferred Stock (“Series C Preferred Stock”), for \$15 million, at a 5% original issue discount to the \$10,000 face value of each share of preferred stock (the “Face Value”).

Pursuant to the July 2021 Purchase Agreement, as long as the Investor holds any shares of Series C Preferred Stock, we agreed that, except as contemplated in connection with the merger contemplated by that certain Agreement and Plan of Merger entered into between the Company and Viking Energy Group, Inc. (“Viking”) on February 15, 2021, as amended from time to time (the “Merger”), we would not issue or enter into or amend an agreement pursuant to which we may issue any shares of common stock, other than (a) for restricted securities with no registration rights, (b) in connection with a strategic acquisition, (c) in an underwritten public offering, or (d) at a fixed price. We also agreed that we would not issue or amend any debt or equity securities convertible into, exchangeable or exercisable for, or including the right to receive, shares of common stock (i) at a conversion price, exercise price or exchange rate or other price that is based upon or varies with, the trading prices of or quotations for the shares of common stock at any time after the initial issuance of the security or (ii) with a conversion, exercise or exchange price that is subject to being reset at some future date after the initial issuance of the security or upon the occurrence of specified or contingent events directly or indirectly related to the business of the Company or the market for the common stock.

We also agreed that if we issue any security with any term more favorable to the holder of such security or with a term in favor of the holder of such security that was not similarly provided to the Investor, then we would notify the Investor of such additional or more favorable term and such term, at the Investor’s option, may become a part of the transaction documents with the Investor.

The July 2021 Purchase Agreement includes customary representations, warranties and covenants, and provisions requiring that the Company indemnify the Investor against certain losses.

Finally, we agreed to include proposals relating to the approval of the July 2021 Purchase Agreement and the issuance of the shares of common stock upon conversion of the Series C Preferred Stock sold pursuant to the July 2021 Purchase Agreement, as well as an increase in authorized common stock to fulfill our obligations to issue such shares, at the Company’s next Annual Meeting, the meeting held to approve the Merger or a separate meeting in the event the Merger is terminated prior to shareholder approval, and to use commercially reasonable best efforts to obtain such approvals as soon as possible and in any event prior to January 1, 2022.

The Company plans to use the funds raised through the sale of Series C Preferred Stock for working capital, new acquisitions (directly or through the Company’s majority-owned subsidiary), operating expenses, general and administrative expenses and to otherwise advance the Company’s growth strategy.

The description of the July 2021 Purchase Agreement is qualified in its entirety by the form of July 2021 Purchase Agreement, a copy of which is which is filed as Exhibit 10.1 to, and incorporated by reference in, this report.

Item 3.02. Unregistered Sales of Equity Securities.

The information disclosed in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 3.02.

The sale and issuance of the Series C Preferred Stock described above is exempt from registration under the Securities Act of 1933, as amended (the “Securities Act”) in reliance on Section 4(a)(2) of the Securities Act and Rule 506 of Regulation D promulgated thereunder, as transactions by an issuer not involving a public offering, as there was no general solicitation, and the Investor has represented that it is an accredited investor, that it is acquiring the securities for investment purposes only and not with a view to or for sale in connection with any distribution thereof.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On July 10, 2021, the Company filed an amendment to its designation of its Series C Preferred Stock with the Secretary of State of Nevada (the “Amended Designation”), solely to increase the number of preferred shares designated as Series C Preferred Stock from 5,000 to 5,200.

The description of the Amended Designation is qualified in its entirety by the full text of the Certificate of Amendment to Designation, which is filed as Exhibit 3.1 to, and incorporated by reference in, this report.

Item 8.01. Other Events.

As of July 9, 2021, the Company had 104,195,295 shares of common stock issued and outstanding. The increase in our outstanding shares of common stock from the date of the Company’s February 23, 2021 increase in authorized shares of common stock (from 25 million shares to 250 million shares), is primarily due to conversions of shares of Series C Preferred Stock of the Company into common stock, and conversion premiums due thereon, which are payable in shares of common stock.

Viking and Camber caution that the foregoing list of important factors is not complete, and they do not undertake to update any forward-looking statements that either party may make except as required by applicable law. All subsequent written and oral forward-looking statements attributable to Viking, Camber or any person acting on behalf of either party are expressly qualified in their entirety by the cautionary statements referenced above.

 CERTIFICATE OF DESIGNATIONS OF PREFERENCES, POWERS,
 RIGHTS AND LIMITATIONS OF
 SERIES C REDEEMABLE CONVERTIBLE PREFERRED STOCK**

Pursuant to Section 78.1955 of the Nevada Revised Statutes (the “NRS”), Camber Energy, Inc., a company organized and existing under the State of Nevada (the “**Corporation**”),

DOES HEREBY CERTIFY that, (a) the Board of Directors, by unanimous written consent of all members of the Board of Directors on July 9, 2021; and (b) the stockholders of the Series C Redeemable Convertible Preferred Stock of the Corporation, voting as a class, on July 9, 2021, duly adopted this Fourth Amended and Restated Certificate of Designations of Preferences, Powers, Rights and Limitations of Series C Redeemable Convertible Preferred Stock, by adoption of a resolution which reads as follows, and which shall amend, replace and supersede the *Third Amended and Restated Certificate of Designations of Preferences, Powers, Rights and Limitations of Series C Redeemable Convertible Preferred Stock*, previously filed by the Corporation with the Secretary of State of Nevada on April 20, 2021 (as amended to date, the “**Prior Designation**”), which resolution is and reads as follows:

WHEREAS, the Certificate of Incorporation of the Corporation provides for a class of its authorized stock known as preferred stock, comprised of 10,000,000 shares, \$0.001 par value per share (the “**Preferred Stock**”), issuable from time to time in one or more series;

WHEREAS, the Board of Directors of the Corporation is authorized to fix the dividend rights, dividend rate, powers, voting rights, conversion rights, rights and terms of redemption and liquidation preferences of any wholly unissued series of Preferred Stock and the number of shares constituting any Series and the designation thereof, of any of them;

WHEREAS, it is the desire of the Board of Directors of the Corporation, pursuant to its authority as aforesaid and as set forth in this Second Amended and Restated Certificate of Designations of Preferences, Powers, Rights and Limitations of Series C Redeemable Convertible Preferred Stock (the “**Designation**”), to designate the rights, preferences, restrictions and other matters relating to the Series C Redeemable Convertible Preferred Stock, which will consist of up to 5,200 shares of the Preferred Stock which the Corporation has the authority to issue, and which shall amend, supersede and replace the Prior Designation, as follows:

NOW, THEREFORE, BE IT RESOLVED, that the Preferred Stock shall have the following powers, rights, preferences, and restrictions as follows:

I. Terms of Preferred Stock.

A. Designation and Amount. A series of Preferred Stock is hereby designated as the Corporation's Series C Redeemable Convertible Preferred Stock, par value of \$0.001 per share (the "**Series C Preferred Stock**"), the number of shares of which so designated are 5,200 shares of Series C Preferred Stock; which Series C Preferred Stock will not be subject to increase without any consent of the holders of the Series C Preferred Stock (each a "**Holder**" and collectively, the "**Holders**") that may be required by applicable law.

B. Ranking and Voting.

1. Ranking. The Series C Preferred Stock will, with respect to dividend rights and rights upon liquidation, winding-up or dissolution, rank: (a) senior to the Corporation's Common Stock, \$0.001 par value per share ("**Common Stock**"); (b) junior to the Series E Redeemable Convertible Preferred Stock and Series F Redeemable Convertible Preferred Stock, as such may be designated as of the date of this Designation, or which may be designated by the Corporation after the date of this Designation (the "**Series E and F Preferred**") as to the Lineal Star Assets but senior to the Series E and F Preferred as to all other assets of the Company; (c) senior, pari passu or junior with respect to any other series of Preferred Stock, as set forth in the Certificate of Designations of Preferences, Powers, Rights and Limitations with respect to such Preferred Stock; and (d) junior to all existing and future indebtedness of the Corporation. Without the prior written consent of the Holders of a majority of the outstanding shares of Series C Preferred Stock (voting separately as a single class), the Corporation may not issue any additional shares of Series C Preferred Stock, or any other Preferred Stock that is pari passu or senior to the Series C Preferred Stock with respect to any rights for a period of 1 year after the earlier of such date (i) a registration statement is effective and available for the resale of all Conversion Shares, or (ii) Securities Act Rule 144 is available for the immediate unrestricted resale of all Conversion Shares, other than the Series E and Series F Preferred Stock.

2. Voting. Except as required by applicable law or as set forth herein, the holders of shares of Series C Preferred Stock will have no right to vote on any matters, questions or proceedings of this Corporation including, without limitation, the election of directors except: (a) during a period where a dividend (or part of a dividend) is in arrears; (b) on a proposal to reduce the Company's share capital; (c) on a resolution to approve the terms of a buy-back agreement; (d) on a proposal to wind up the Company; (e) on a proposal for the disposal of all or substantially all the Company's property, business and undertaking; and (f) during the winding-up of the entity.

C. Dividends.

1. Commencing on the date of the issuance of any such shares of Series C Preferred Stock (each respectively an "Issuance Date"), each outstanding share of Series C Preferred Stock will accrue cumulative dividends ("Dividends"), at a rate equal to 6.0% per annum, subject to adjustment as provided in this Certificate of Designations ("Dividend Rate"), of the Face Value. Dividends will be payable with respect to any shares of Series C Preferred Stock upon any of the following: (a) upon redemption of such shares in accordance with **Section I.F**; (b) upon conversion of such shares in accordance with **Section I.G**; and (c) when, as and if otherwise declared by the board of directors of the Corporation.

2. Dividends, as well as any applicable Conversion Premium payable hereunder, will be paid in shares of Common Stock valued at (i) if there has never been a Trigger Event, (A) 95.0% of the average of the 5 lowest individual daily volume weighted average prices of the Common Stock on the Trading Market during the applicable Measurement Period, which may be non-consecutive, less \$0.05 per share of Common Stock, not to exceed (B) 100% of the lowest sales price on the last day of such Measurement Period less \$0.05 per share of Common Stock, or (ii) following any Trigger Event, (A) 85.0% of the lowest daily volume weighted average price during any Measurement Period for any conversion by Holder, less \$0.10 per share of Common Stock, not to exceed (B) 85.0% of the lowest sales price on the last day of any Measurement Period, less \$0.10 per share of Common Stock. In no event will the value of Common Stock pursuant to the foregoing be below the par value per share. All amounts that are required or permitted to be paid in cash pursuant to this Certificate of Designations will be paid by wire transfer of immediately available funds to an account designated by Holder.

3. So long as any shares of Series C Preferred Stock are outstanding, the Company will not repurchase shares of Common Stock other than as payment of the exercise or conversion price of a convertible security or payment of withholding tax, and no dividends or other distributions will be paid, declared or set apart with respect to any Common Stock, except for Purchase Rights.

D. Protective Provision.

1. So long as any shares of Series C Preferred Stock are outstanding, the Corporation will not, without the affirmative approval of the Holders of a majority of the shares of the Series C Preferred Stock then outstanding (voting separately as one class), (i) alter or change adversely the powers, preferences or rights given to the Series C Preferred Stock or alter or amend this Certificate of Designations, (ii) authorize or create any class of stock ranking as to distribution of dividends senior to the Series C Preferred Stock, (iii) amend its certificate of incorporation or other charter documents in breach of any of the provisions hereof, (iv) increase the authorized number of shares of Series C Preferred Stock or (v) enter into any agreement with respect to the foregoing.

2. A “**Deemed Liquidation Event**” will mean: (a) a merger or consolidation in which the Corporation is a constituent party or a subsidiary of the Corporation is a constituent party and the Corporation issues shares of its capital stock pursuant to such merger or consolidation, except (i) any such merger or consolidation involving the Corporation or a subsidiary in which the Corporation is the surviving or resulting corporation, (ii) any merger effected exclusively to change the domicile of the Corporation, (iii) any transaction or series of transactions in which the holders of the voting securities of the Company outstanding immediately prior to such transaction continue to retain more than 50% of the total voting power of such surviving entity, or (iv) the Merger; (b) Corporation issues convertible or equity securities that are senior to the Series C Preferred Stock in any respect, other than the securities issued in the Merger; (c) Holder does not receive the number of Conversion Shares stated in a Delivery Notice with 5 Trading Days of the Notice Time, due to the occurrence of an event that is solely within the control of the Corporation and excluding any event that is not solely within the control of the Corporation; (d) trading of the Common Stock is halted or suspended by the Trading Market or any U.S. governmental agency for 10 or more consecutive trading days, due to the occurrence of an event that is solely within the control of the Corporation and excluding any event that is not solely within the control of the Corporation; or (e) the sale, lease, transfer, exclusive license or other disposition, in a single transaction or series of related transactions, by the Corporation or any subsidiary of the Corporation of all or substantially all the assets of the Corporation and its subsidiaries taken as a whole, or the sale or disposition (whether by merger or otherwise) of one or more subsidiaries of the Corporation if substantially all of the assets of the Corporation and its subsidiaries taken as a whole are held by such subsidiary or subsidiaries, except where one or more Holders initiate consideration of and vote upon a proposal for such sale, lease, transfer, exclusive license or other disposition, or it is to a wholly owned subsidiary of the Corporation, other than the Merger and except otherwise agreed to by holders holding a majority of the then outstanding Series C Preferred Stock.

3. The Corporation will not have the power to close or effect a voluntary Deemed Liquidation Event unless the agreement or plan of merger or consolidation for such transaction provides that the consideration payable to the stockholders of the Corporation will be allocated among the holders of capital stock of the Corporation in accordance with **Section I.E**, and the required amount is paid to Holder prior to or upon closing, effectuation or occurrence of the Deemed Liquidation Event.

E. Liquidation.

1. Upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, after payment or provision for payment of debts and other liabilities of the Corporation, prior to any distribution or payment made to the holders of Preferred Stock or Common Stock by reason of their ownership thereof, the Holders of Series C Preferred Stock will be entitled to be paid out of the assets of the Corporation (other than the Lineal Star Assets) available for distribution to its stockholders an amount with respect to each share of Series C Preferred Stock equal to \$10,000.00 (“**Face Value**”), plus an amount equal to any accrued but unpaid Dividends thereon (collectively with the Face Value, the “**Liquidation Value**”).

2. If, upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, the amounts payable with respect to the shares of Series C Preferred Stock are not paid in full, the holders of shares of Series C Preferred Stock will share equally and ratably with the holders of shares of Preferred Stock and Common Stock in any distribution of assets of the Corporation (other than the Lineal Star Assets) in proportion to the liquidation preference and an amount equal to all accumulated and unpaid Dividends, if any, to which each such holder is entitled.

3. If, upon any liquidation, dissolution or winding up of the Corporation, the assets of the Corporation will be insufficient to make payment in full to all Holders, then the assets distributable to the Holders will be distributed among the Holders at the time outstanding, ratably in proportion to the full amounts to which they would otherwise be respectively entitled.

F. Redemption.

1. Corporation's Redemption Option. On the Dividend Maturity Date, the Corporation may redeem any or all shares of Series C Preferred Stock by paying Holder, in registered or unregistered shares of Common Stock valued at an amount per share equal to 100% of the Liquidation Value for the shares redeemed, and the Corporation will use its best efforts to register such shares.

2. Early Redemption. Prior to the Dividend Maturity Date, provided that no Trigger Event has occurred, the Corporation will have the right at any time upon 30 Trading Days' prior written notice, in its sole and absolute discretion, to redeem all or any portion of the shares of Series C Preferred Stock then outstanding by paying Holder in registered shares of Common Stock valued at an amount per share of Series C Preferred Stock (the "**Early Redemption Price**") equal to the sum of the following: (a) 100% of the Face Value, plus (b) the Conversion Premium, minus (c) any Dividends that have been paid, for each share of Series C Preferred Stock redeemed. Provided Company has not materially breached the Stock Purchase Agreement, the Corporation may at any time, in its sole and absolute discretion, redeem all, but not less than all, shares of Series C Preferred Stock then outstanding by paying Holders in registered shares of Common Stock valued at an amount per share of Series C Preferred Stock (the "**Total Redemption Price**") equal to 110.0% of the aggregate Face Value of all such shares.

3. Credit Risk Adjustment.

a. The Dividend Rate will adjust downward by an amount equal to the Spread Adjustment for each amount, if any, equal to the Adjustment Factor that the Measuring Metric rises above the Maximum Triggering Level, down to a minimum of 0.0%.

b. The Dividend Rate will adjust upward by an amount equal to the Spread Adjustment for each amount, if any, equal to the Adjustment Factor that the Measuring Metric falls below the Minimum Triggering Level, up to a maximum of 24.95%. In addition, the Dividend Rate will adjust upward by 10.0% following the occurrence of any Trigger Event.

c. The adjusted Dividend Rate used for calculation of the Liquidation Value, Conversion Premium, Early Redemption Price and Dividend, as applicable, and the amount of Dividends owed will be calculated and determined based upon the Measuring Metric at close of the Trading Market immediately prior to the Notice Time.

4. Mandatory Redemption. If the Corporation determines to liquidate, dissolve or wind-up its business and affairs, or upon closing or occurrence of any Deemed Liquidation Event, the Corporation will after the redemption of the Series E and Series F Preferred Stock for ownership of Lineal Holdings, LLC, to the extent allowed under applicable law, but thereafter, prior to or concurrently with the closing, effectuation or occurrence any such action, redeem the Series C Preferred Stock for cash, by wire transfer of immediately available funds to an account designated by Holder, at the Early Redemption Price set forth in **Section I.F.2** if the event is prior to the Dividend Maturity Date, or at the Liquidation Value if the event is on or after the Dividend Maturity Date. Notwithstanding any other provision, the Corporation will not be required to redeem any shares of Series C Preferred Stock for cash solely because the Corporation does not have sufficient authorized but unissued shares of Common Stock to issue upon receipt of a Delivery Notice, upon a maturity conversion, or for any other reason that is not solely within the control of the Corporation.

5. Mechanics of Redemption. In order to redeem any of the Holders' Series C Preferred Stock then outstanding, the Corporation must deliver written notice (each, a "**Redemption Notice**") to each Holder setting forth (a) the number of shares of Series C Preferred Stock that the Corporation is redeeming, (b) the applicable Dividend Rate, Liquidation Value and Early Redemption Price, or Total Redemption Price if applicable, and (c) the calculation of the amount paid. Upon receipt of full payment in cash for a complete redemption, each Holder will promptly submit to the Corporation such Holder's Series C Preferred Stock certificates. In connection with a mandatory redemption, the notice will be delivered as soon as the number of shares can be determined, and in all other instances at least 30 Trading Days prior to payment. For the avoidance of doubt, the delivery of a Redemption Notice will not affect Holder's rights under **Section I.G** until after receipt of cash payment by Holder at the required time.

G. Conversion.

1. Mechanics of Conversion.

a. One or more shares of the Series C Preferred Stock may be converted, in part or in whole, into shares of Common Stock, at any time or times after the Issuance Date, in the sole and absolute discretion of Holder or, subject to the terms and conditions hereof, the Corporation; (i) if at the option of Holder, by delivery of one or more written notices to the Corporation or its transfer agent (each, a "**Holder Conversion Notice**"), of the Holder's election to convert any or all of its Series C Preferred Stock; or (ii) if at the option of the Corporation, if the Equity Conditions are met, delivery of written notice to Holder (each, a "**Corporation Conversion Notice**," with the Holder Conversion Notice, each a "**Conversion Notice**," and with the Redemption Notice, each an "**Initial Notice**"), of the Corporation's election to convert the Series C Preferred Stock.

b. Each Delivery Notice will set forth the number of shares of Series C Preferred Stock being converted, the minimum number of Conversion Shares and the amount of Dividends and any applicable Conversion Premium due as of the time the Delivery Notice is given (the “**Notice Time**”), and the calculation thereof.

c. As soon as practicable, and in any event within 1 Trading Day of the Notice Time, time being of the essence, the Corporation will do all of the following: (i) transmit the Delivery Notice by facsimile or electronic mail to the Holder, and to the Corporation’s transfer agent (the “**Transfer Agent**”) with instructions to comply with the Delivery Notice; (ii) either (A) if the Corporation is approved through The Depository Trust Corporation (“**DTC**”), authorize and instruct the credit by the Transfer Agent the aggregate number of Conversion Shares set forth in the Delivery Notice, to Holder’s or its designee’s balance account with the DTC Fast Automated Securities Transfer (FAST) Program, through its Deposit/Withdrawal at Custodian (DWAC) system, or (B) only if the Corporation is not approved through DTC, issue and surrender to a common carrier for overnight delivery to the address as specified in the Delivery Notice a certificate registered in the name of Holder or its designee, for the number of Conversion Shares set forth in the Delivery Notice, bearing no restrictive legend unless a registration statement covering the Conversion Shares is not effective and neither Company nor Investor provides an opinion of counsel to the effect that Conversion Shares may be issued without restrictive legend; and (iii) if it contends that the Delivery Notice is in any way incorrect, a through explanation of why and its own calculation, or the Delivery Notice will conclusively be deemed correct for all purposes. The Corporation will at all times diligently take or cause to be taken all actions reasonably necessary to cause the Conversion Shares to be issued as soon as practicable.

d. If during the Measurement Period the Holder is entitled to receive additional Conversion Shares with regard to an Initial Notice, Holder may at any time deliver one or more additional written notices to the Corporation or its transfer agent (each, an “**Additional Notice**” and with the Initial Notice, each a “**Delivery Notice**”) setting forth the additional number of Conversion Shares to be delivered, and the calculation thereof.

e. If the Corporation for any reason, other than not having sufficient authorized and unissued shares, solely within the control of the Corporation and excluding any event that is not solely within the control of the Corporation, does not issue or cause to be issued to the Holder within 3 Trading Days after the date of a Delivery Notice, the number of Conversion Shares stated in the Delivery Notice, then, in addition to all other remedies available to the Holder, as liquidated damages and not as a penalty, the Corporation will pay in cash to the Holder on each day after such 3rd Trading Day that the issuance of such Conversion Shares is not timely effected an amount equal to 2% of the product of (i) the aggregate number of Conversion Shares not issued to the Holder on a timely basis and to which the Holder is entitled and (ii) the highest Closing Price of the Common Stock between the date on which the Corporation should have issued such shares to the Holder and the actual date of receipt of Conversion Shares by Holder. It is intended that the foregoing will serve to reasonably compensate Holder for any delay in delivery of Conversion Shares, and not as punishment for any breach by the Corporation. The Corporation acknowledges that the actual damages likely to result from delay in delivery are difficult to estimate and would be difficult for Holder to prove.

f. Notwithstanding any other provision: all of the requirements of **Section I.F** and this **Section I.G** are each independent covenants; if it has sufficient authorized and unissued shares, the Corporation's obligations to issue and deliver Conversion Shares upon any Delivery Notice are absolute, unconditional and irrevocable; any breach or alleged breach of any representation or agreement, or any violation or alleged violation of any law or regulation, by any party or any other person will not excuse full and timely performance of any of the Corporation's obligations under these sections; and under no circumstances may the Corporation seek or obtain any temporary, interim or preliminary injunctive or equitable relief to prevent or interfere with any issuance of Conversion Shares to Holder.

g. If for any reason whatsoever, other than not having sufficient authorized and unissued shares, Holder does not timely receive the number of Conversion Shares stated in any Delivery Notice, Holder will be entitled to a compulsory remedy of immediate specific performance, temporary, interim and, preliminary and final injunctive relief requiring Corporation and its transfer agent, attorneys, officers and directors to immediately issue and deliver the number of Conversion Shares stated by Holder, which requirement will not be stayed for any reason, without the necessity of posting any bond, and which Corporation may not seek to stay or appeal.

h. No fractional shares of Common Stock are to be issued upon conversion of Series C Preferred Stock, but rather the Corporation will issue to Holder scrip or warrants registered on the books of the Corporation (certificated or uncertificated) which will entitle Holder to receive a full share upon the surrender of such scrip or warrants aggregating a full share. The Holder will not be required to deliver the original certificates for the Series C Preferred Stock in order to effect a conversion hereunder. The Corporation will pay any and all taxes which may be payable with respect to the issuance and delivery of any Conversion Shares.

2. Holder Conversion. In the event of a conversion of any Series C Preferred Stock pursuant to a Holder Conversion Notice, the Corporation will (a) satisfy the payment of Dividends and Conversion Premium with respect to the shares of Series C Preferred Stock converted as provided in **Section I.C.2**, and (b) issue to the Holder of such Series C Preferred Stock a number of Conversion Shares equal to (i) the Face Value multiplied by (ii) the number of such Series C Preferred Stock subject to the Holder Conversion Notice divided by (iii) the applicable Conversion Price with respect to such Series C Preferred Stock; all in accordance with the procedures set forth in **Section I.G.1**.

3. Corporation Conversion. The Corporation will have the right to send the Holder a Corporation Conversion Notice at any time in its sole and absolute discretion, if the Equity Conditions are met as of the time such Corporation Conversion Notice is given. Upon any conversion of any Series C Preferred Stock pursuant to a Corporation Conversion Notice, the Corporation will on the date of such notice (a) satisfy the payment of Dividends and Conversion Premium with respect to the shares of Series C Preferred Stock converted as provided in **Section I.C.2**, and (b) issue to the Holder of such Series C Preferred Stock a number of Conversion Shares equal to (i) the Face Value multiplied by (ii) the number of such Series C Preferred Stock subject to the Holder Conversion Notice divided by (iii) the applicable Conversion Price with respect to such Series C Preferred Stock; all in accordance with the procedures set forth in **Section I.G.1**.

4. Stock Splits. If the Corporation at any time on or after the filing of this Certificate of Designations subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the applicable Conversion Price, Adjustment Factor, Maximum Triggering Level, Minimum Triggering Level, and other share based metrics in effect immediately prior to such subdivision will be proportionately reduced and the number of shares of Common Stock issuable will be proportionately increased. If the Corporation at any time on or after such Issuance Date combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the applicable Conversion Price, Adjustment Factor, Maximum Triggering Level, Minimum Triggering Level, and other share based metrics in effect immediately prior to such combination will be proportionately increased and the number of Conversion Shares will be proportionately decreased. Any adjustment under this Section will become effective at the close of business on the date the subdivision or combination becomes effective.

5. Rights. In addition to any adjustments pursuant to **Section I.G.4**, if at any time the Corporation grants, issues or sells any options, convertible securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the "**Purchase Rights**"), then Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which Holder could have acquired if Holder had held the number of shares of Common Stock acquirable upon conversion of all Preferred Stock held by Holder immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights.

11. Investment Company. Company is not, and is not an Affiliate of, and immediately after receipt of payment for the Preferred Shares, will not be or be an Affiliate of, an “investment company” within the meaning of the Investment Company Act of 1940, as amended. c. The conversion of Preferred Shares and resale of Conversion Shares will result in dilution, which may be substantial; the number of Conversion Shares will increase in certain circumstances; and Company's obligation to issue and deliver Conversion Shares in accordance with this Agreement and the Certificate of Designations is absolute and unconditional regardless of the dilutive effect that such issuances may have; and

The issuance and sale of the Shares will not obligate Company to issue shares of Common Stock or other securities to any Person, other than Investor, and will not result in a right of any holder of Company securities to adjust the exercise, conversion, exchange, or reset price under such securities. 1. Organization; Authority. Investor is an entity validly existing and in good standing under the laws of the jurisdiction of its organization with full right, company power and authority to enter into and to consummate the transactions contemplated by the Transaction Documents and otherwise to carry out its obligations thereunder. The execution, delivery and performance by Investor of the transactions contemplated by this Agreement have been duly authorized by all necessary company or similar action on the part of Investor. Each Transaction Document to which it is a party has been, or will be, duly executed by Investor, and when delivered by Investor in accordance with the terms hereof, will constitute the valid and legally binding obligation of Investor, enforceable against it in accordance with its terms, except (a) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (b) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies, and (c) insofar as indemnification and contribution provisions may be limited by applicable law.

2. Investor Status. At the time Investor was offered the Preferred Shares, it was, and at the Effective Date it is: (a) an accredited investor as defined in Rule 501(a) under the Act; and (b) not a registered broker-dealer, member of FINRA, or an affiliate thereof.

3. Experience of Investor. Investor, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of the prospective investment in the Shares, and has so evaluated the merits and risks of such investment. Investor is able to bear the economic risk of an investment in the Shares and, at the present time, is able to afford a complete loss of such investment.

4. Ownership. Investor is acquiring the Preferred Shares as principal for its own account. Investor will not resell, transfer or assign the Preferred Shares, and will resell the Conversion Shares only pursuant to registration under the Act or an available exemption therefrom.

5. No Short Sales. Neither Investor nor any Affiliate holds any short position in, nor has engaged in any Short Sales of the Common Stock, or engaged in any hedging transactions with regard to the Shares prior to the Effective Date.

IV. Securities and Other Provisions.

A. Investor Due Diligence. Investor will have the right and opportunity to conduct customary due diligence with respect to any Registration Statement or Prospectus in which the name of Investor or any Affiliate of Investor appears.

B. Furnishing of Information. For as long as Investor owns any Shares, Company will timely file all reports required to be filed by Company pursuant to the Exchange Act. As long as Investor owns any Shares, Company will prepare and make publicly available such information as is required for Investor to sell its Conversion Shares under Rule 144. Company further covenants that, as long as Investor owns any Shares, Company will take such further action as Investor may reasonably request, all to the extent required from time to time to enable Investor to sell its Conversion Shares without registration under the Act within the limitation of the exemptions provided by Rule 144.

C. Integration. Company will not sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security, as defined in Section 2 of the Act, that would be integrated with the offer or sale of the Shares to Investor for purposes of the rules and regulations of any Trading Market such that it would require stockholder approval prior to the closing of such other transaction unless stockholder approval is obtained before the closing of such subsequent transaction.

D. Disclosure and Publicity. Company will provide to Investor for review and approval prior to filing or issuing any current, periodic or public report, proxy or registration statement, press release, public statement or communication relating to or referencing Investor, any Transaction Documents or the transactions contemplated thereby.

E. Shareholders Rights Plan. No claim will be made or enforced by Company or, to the knowledge of Company, any other Person that Investor is an "Acquiring Person" under any shareholders rights plan or similar plan or arrangement in effect or hereafter adopted by Company, or that Investor could be deemed to trigger the provisions of any such plan or arrangement, in either such case, by virtue of receiving Shares under the Transaction Documents or under any other agreement between Company and Investor. Company will conduct its business in a manner so that it will not become subject to the Investment Company Act of 1940, as amended.

F. No Non-Public Information. Company covenants and agrees that neither it nor any other Person acting on its behalf will, provide Investor or its agents or counsel with any information that Company believes or reasonably should believe may constitute material non-public information. Neither Investor nor any Affiliate of Investor has or will have any duty of trust or confidence that is owed directly, indirectly, or derivatively, to Company or the stockholders of Company, or to any other Person who is the source of material non-public information regarding Company. Company understands and confirms that Investor will be relying on the foregoing in effecting transactions in securities of Company, including without limitation sales of the Conversion Shares.

G. Indemnification of Investor.

1. Obligation to Indemnify. Subject to the provisions of this **Section IV.G**, Company will indemnify and hold Investor, its Affiliates, managers and advisors, and each of their officers, directors, shareholders, partners, employees, representatives, agents and attorneys, and any person who controls Investor within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (collectively, “**Investor Parties**” and each a “**Investor Party**”), harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, reasonable costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys’ fees and costs of investigation (collectively, “**Losses**”) that any Investor Party may suffer or incur as a result of or relating to (a) any breach of any of the representations, warranties, covenants or agreements made by Company in this Agreement or in the other Transaction Documents, (b) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, Prospectus, Prospectus Supplement, or any information incorporated by reference therein, or arising out of or based upon any omission or alleged omission to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, or (c) any action by a creditor or stockholder of Company who is not an Affiliate of an Investor Party, challenging the transactions contemplated by the Transaction Documents; provided, however, that Company will not be obligated to indemnify any Investor Party for any Losses finally adjudicated to be caused solely by (i) a false statement of material fact contained within written information provided by such Investor Party expressly for the purpose of including it in the applicable Registration Statement, Prospectus, Prospectus Supplement, or (ii) such Investor Party’s unexcused material breach of an express provision of this Agreement or another Transaction Document.

2. Procedure for Indemnification. If any action will be brought against an Investor Party in respect of which indemnity may be sought pursuant to this Agreement, such Investor Party will promptly notify Company in writing, and Company will have the right to assume the defense thereof with counsel of its own choosing. Investor Parties will have the right to employ separate counsel in any such action and participate in the defense thereof, but the reasonable fees and expenses of such counsel will be at the expense of Investor Parties except to the extent that (a) the employment thereof has been specifically authorized by Company in writing, (b) Company has failed after a reasonable period of time to assume such defense and to employ counsel or (c) in such action there is, in the reasonable opinion of such separate counsel, a material conflict with respect to the dispute in question on any material issue between the position of Company and the position of Investor Parties such that it would be inappropriate for one counsel to represent Company and Investor Parties. Company will not be liable to Investor Parties under this Agreement (i) for any settlement by an Investor Party effected without Company’s prior written consent, which will not be unreasonably withheld or delayed; or (ii) to the extent, but only to the extent that a loss, claim, damage or liability is either attributable to Investor’s breach of any of the representations, warranties, covenants or agreements made by Investor in this Agreement or in the other Transaction Documents. In no event will the Company be liable for the reasonable fees and expenses for more than one separate firm of attorneys (plus local counsel as applicable) to represent all Investor Parties.

3. Other than the liability of Investor to Company for uncured material breach of the express provisions of this Agreement, no Investor Party will have any liability to Company or any Person asserting claims on behalf of or in right of Company as a result of acquiring the Shares under this Agreement.

H. Shareholder Approval. Company will include proposals relating to the Approval of this Agreement, the issuance of the Conversion Shares, and an increase in authorized common stock to fulfill its agreed obligations at its next Annual Meeting or the meeting held to approve the Merger, or a separate meeting in the event the Merger is terminated prior to shareholder approval. Company, its board of directors, and each of its officers and directors will vote all common shares owned or controlled by them and all proxies given to them in favor of the proposal. Company will at all times thereafter maintain a reserve from its duly authorized Common Stock for issuance pursuant to the Transaction Documents, authorized shares of Common Stock in an amount equal to the number of shares sufficient to immediately issue all Conversion Shares potentially issuable at such time.

I. Activity Restrictions. Investor hereby grants an irrevocable proxy to Company's board of directors to vote all Conversion shares beneficially owned or controlled by Investor as of the record date in favor of Approval. Except for the foregoing, for so long as Investor or any of its Affiliates holds any Shares, neither Investor nor any Affiliate will: (1) vote any shares of Common Stock or Preferred Stock beneficially owned or controlled by it, sign or solicit any proxies except as requested by the Board of Directors of Company, or seek to advise or influence any Person with respect to any voting securities of Company; (2) engage or participate in any actions, plans or proposals which relate to or would result in (a) acquiring additional securities of Company, alone or together with any other Person, which would result in beneficially owning or controlling more than 9.99% of the total outstanding Common Stock or other voting securities of Company, (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving Company or any of its Subsidiaries, (c) a sale or transfer of a material amount of assets of Company or any of its Subsidiaries, (d) any change in the present board of directors or management of Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board, (e) any material change in the present capitalization or dividend policy of Company, (f) any other material change in Company's business or corporate structure, including but not limited to, if Company is a registered closed-end investment company, any plans or proposals to make any changes in its investment policy for which a vote is required by Section 13 of the Investment Company Act of 1940, (g) changes in Company's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of Company by any Person, (h) a class of securities of Company being delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association, (i) a class of equity securities of Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act, or (j) any action, intention, plan or arrangement similar to any of those enumerated above; or (3) request Company or its directors, officers, employees, agents or representatives to amend or waive any provision of this section.

J. No Shorting. For so long as Investor holds any Shares, Investor will not engage in or effect, directly or indirectly, any Short Sale of Common Stock. For the avoidance of doubt, selling against delivery of Conversion Shares after delivery of a Conversion Notice is not a Short Sale. There will be no restriction or limitation of any kind on Investor's right or ability to sell or transfer any or all of the Conversion Shares at any time, in its sole and absolute discretion. Investor may not sell, transfer or assign any Preferred Shares or any of its rights under this Agreement.

K. Stock Splits. If Company at any time on or after the Effective Date subdivides (by any stock split, stock dividend, recapitalization or otherwise) or combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a greater or lesser number of shares, the share numbers, prices and other amounts set forth in this Agreement, as in effect immediately prior to such subdivision or combination, will be proportionately reduced or increased, as applicable, effective at the close of business on the date the subdivision or combination becomes effective.

L. Subsequent Financings. Except as otherwise contemplated in connection with the Merger, as long as Investor holds any Preferred Shares, Company will not: (1) enter into any agreement that in any way restricts its ability to enter into any agreement, amendment or waiver with Investor, including without limitation any agreement to offer, sell or issue to Investor any preferred stock, common stock or other securities of Company; (2) issue or enter into or amend an agreement pursuant to which it may issue any shares of Common Stock, other than (a) for restricted securities with no registration rights, (b) in connection with a strategic acquisition, (c) in an underwritten public offering, or (d) at a fixed price; or (3) issue or amend any debt or equity securities convertible into, exchangeable or exercisable for, or including the right to receive, shares of Common Stock (a) at a conversion price, exercise price or exchange rate or other price that is based upon or varies with, the trading prices of or quotations for the shares of Common Stock at any time after the initial issuance of the security or (b) with a conversion, exercise or exchange price that is subject to being reset at some future date after the initial issuance of the security or upon the occurrence of specified or contingent events directly or indirectly related to the business of the Company or the market for the Common Stock. For sake of clarity, Company may enter into an unregistered financing of debt or restricted stock at any fixed price with no registration rights and may undertake the transactions contemplated in connection with Merger without restriction.

M. Principal Market. Company will timely submit all necessary notification and supporting documentation required for the listing of all possible Conversion Shares with NYSE American, after the approval by the stockholders of the Company of the issuance of such shares, at a duly called stockholders meeting, and will use its commercially reasonable best efforts to obtain approval to list the Conversion Shares as soon as possible, and in any event by January 1, 2022.

N. Restrictive Legend. The Shares have not been registered under the Act and may not be resold in the United States unless registered or an exemption from registration is available. Company is required to refuse to register any transfer of the Conversion Shares not made pursuant to registration under the Act or an available exemption from registration. Upon the issuance thereof, and only until such time as the same is no longer required under the applicable securities laws and regulations, the certificates representing any of the Shares will bear a legend in substantially the following form:

THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT, OR ANY U.S. STATE SECURITIES LAWS, AND, UNLESS SO REGISTERED, MAY NOT BE OFFERED OR SOLD, DIRECTLY OR INDIRECTLY, IN THE UNITED STATES OR TO U.S. PERSONS EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT OR AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE ACT. IN ADDITION, HEDGING TRANSACTIONS INVOLVING THE SECURITIES MAY NOT BE CONDUCTED unless in compliance with the ACT.

Certificates representing Conversion Shares will be issued without such legend or at Investor's option issued by electronic delivery at the applicable balance account at DTC, if either (i) the Conversion Shares are registered for resale under the Act, or (ii) Investor provides an opinion of its counsel to the effect that the Conversion Shares may be issued without restrictive legend.

O. Early Redemption. Company agrees not to effectuate an Early Redemption prior to the Dividend Maturity Date at any time that all or any portion of any Promissory Note to Investor or any of its affiliates remains outstanding.

P. Piggyback Registration Rights. Company will include on the next registration statement Company files with the Commission, or on the subsequent registration statement if such registration statement is withdrawn, all potentially issuable Conversion Shares, subject to limitations imposed by securities laws or by existing agreements to which Company is a party prior to the Effective Date. This obligation shall not apply to registration statements filed on Form S-4.

Q. Favored Nations. So long as any Preferred Shares are outstanding, upon any issuance by Company or any of its subsidiaries of any security with any term more favorable to the holder of such security or with a term in favor of the holder of such security that was not similarly provided to Investor, then Company will notify Investor of such additional or more favorable term and such term, at Investor's option, shall become a part of the transaction documents with Investor. The types of terms contained in another security that may be more favorable to the holder of such security include, but are not limited to, terms addressing conversion discounts, prepayment rate, conversion look back periods, interest rates, original issue discounts, stock sale price, private placement price per share, and warrant coverage.

V. General Provisions.

A. Notice. Unless a different time of day or method of delivery is specifically provided in the Transaction Documents, any and all notices or other communications or deliveries required or permitted to be provided hereunder will be in writing and will be deemed given and effective on the earliest of: (a) the date of transmission, if such notice or communication is delivered via facsimile or electronic mail prior to 5:00 p.m. Eastern time on a Trading Day and an electronic confirmation of delivery is received by the sender, (b) the next Trading Day after the date of transmission, if such notice or communication is delivered later than 5:00 p.m. Eastern time or on a day that is not a Trading Day, (c) the next Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (d) upon actual receipt by the party to whom such notice is required to be given. The addresses for such notices and communications are such other address as may be designated in writing, in the same manner, by such Person.

B. Amendments; Waivers. No provision of this Agreement may be waived or amended except in a written instrument signed, in the case of an amendment, by Company and Investor or, in the case of a waiver, by the party against whom enforcement of any such waiver is sought. No waiver of any default with respect to any provision, condition or requirement of this Agreement will be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor will any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right.

C. No Third-Party Beneficiaries. Except as otherwise set forth in Section IV.G, this Agreement and the Transaction Documents will inure solely to the benefit of the parties hereto, and is not for the benefit of, nor may any provision hereof be enforced by, any other Person. Other than the Investor Parties described in Section IV.G, a Person who is not a party to this Agreement will not have any rights under the Contracts (Rights of Third Parties) Law, 2014 of the Cayman Islands to enforce any term of this Agreement or any Transaction Document.

D. Fees and Expenses. Except as otherwise provided in this Agreement, each party will pay the fees and expenses of its own advisers, counsel, accountants and other experts, if any, and all other expenses incurred by such party incident to the negotiation, preparation, execution, delivery and performance of the Transaction Documents. Company acknowledges and agrees that Investor's counsel solely represents Investor, and does not represent Company or its interests in connection with the Transaction Documents or the transactions contemplated thereby. Company will pay all stamp and other taxes and duties, if any, levied in connection with the sale or issuance of the Shares to Investor.

E. Severability. If any provision of this Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement will not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, will incorporate such substitute provision in this Agreement.

F. Replacement of Certificates. If any certificate or instrument evidencing any Shares is mutilated, lost, stolen or destroyed, Company will issue or cause to be issued in exchange and substitution for and upon cancellation thereof, or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to Company of such loss, theft or destruction and customary and reasonable indemnity, if requested. The applicants for a new certificate or instrument under such circumstances will also pay any reasonable third-party costs associated with the issuance of such replacement certificates.

G. Governing Law. All matters between the parties, including without limitation questions concerning the construction, validity, enforcement and interpretation of the Transaction Documents will be governed by and construed and enforced in accordance with the laws of the U.S. Virgin Islands, without regard to the principles of conflicts of law that would require or permit the application of the laws of any other jurisdiction, except for corporation law matters applicable to Company which will be governed by the corporate law of its jurisdiction of formation. The parties hereby waive all rights to a trial by jury. In any action, arbitration or proceeding, including appeal, arising out of or relating to any of the Transaction Documents or otherwise involving the parties, the prevailing party will be awarded its reasonable attorneys' fees and other costs and expenses reasonably incurred in connection with the investigation, preparation, prosecution or defense of such action or proceeding.

H. Arbitration. Any dispute, controversy, claim or action of any kind arising out of, relating to, or in connection with this Agreement, or in any way involving Company and Investor or their respective Affiliates, including any issues of arbitrability, will be resolved solely by final and binding arbitration in English before a retired judge at JAMS International, or its successor, in the Territory of the Virgin Islands, pursuant to the most expedited and Streamlined Arbitration Rules and Procedures available. Any interim or final award may be entered and enforced by any court of competent jurisdiction. The final award will include the prevailing party's reasonable arbitration, expert witness and attorney fees, costs and expenses. Notwithstanding the foregoing, Investor may in its sole discretion bring an action in aid of arbitration.

I. Remedies. In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, each of Investor and Company will be entitled to specific performance under the Transaction Documents, and equitable and injunctive relief to prevent any actual or threatened breach under the Transaction Documents, to the full extent permitted under applicable laws. Without limitation of the foregoing, Company acknowledges and agrees that the rights and benefits of Investor pursuant to Section I.G.1. of the Certificate of Designations are unique and that no adequate remedy exists at law if Company breaches or fails to timely perform any of its obligations thereunder, that it would be difficult to determine the amount of damages resulting therefrom, that it would cause irreparable injury to Investor, and that any potential harm to Company would be adequately and fully compensable with monetary damages. Accordingly, Investor will be entitled to a compulsory remedy of immediate specific performance, temporary, interim, preliminary and final injunctive relief to enforce the provisions thereof, including without limitation requiring Company and its transfer agent, attorneys, officers and directors to immediately take all actions necessary to issue and deliver the number of Conversion Shares stated by Investor, which requirements will not be stayed for any reason, without the necessity of posting any bond. Company hereby absolutely, unconditionally and irrevocably waives all objections and rights to oppose any motion, application or request by Investor to issue any number of Conversion Shares, and all rights to stay or appeal any resulting order, and any opposition or appeal by Company or on its behalf will be immediately and automatically dismissed. In addition, Company acknowledges and agrees that it would have an adequate remedy at law for any violation of Section I.G.1. of the Certificate of Designations by Investor, that it would not be difficult to determine the amount of damages resulting therefrom, that it would not cause irreparable injury to Company, and that any potential harm to Company would be adequately and fully compensable with monetary damages. Accordingly, Company will not be entitled any equitable relief to restrain the provisions thereof, including without limitation preventing Investor, Investor's brokers or Company's transfer agent from issuing, receiving or reselling Conversion Shares. Company hereby absolutely, unconditionally and irrevocably waives all rights to bring any action, motion, application or request to enjoin any issuance of Conversion Shares, and any action or motion by Company or on its behalf will be immediately and automatically dismissed. Nothing provided for in this provision will limit either party's ability to recover monetary damages.

J. Payment Set Aside. To the extent that Company makes a payment or payments to Investor pursuant to any Transaction Document or Investor enforces or exercises its rights thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to Company, a trustee, receiver or any other person under any law, including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action, then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied will be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

K. Headings. The headings herein are for convenience only, do not constitute a part of this Agreement and will not be deemed to limit or affect any of the provisions hereof.

L. Time of the Essence. Time is of the essence with respect to all provisions of this Agreement and all Transaction Documents.

M. Survival. The representations and warranties contained herein will survive the Closing and the delivery of the Shares until all Preferred Shares issued to Investor have been converted or repurchased. Neither party will be under any obligation to update or supplement any of its representations or warranties following the Closing due to a change that occurred after the Closing.

N. Construction. The parties agree that each of them and/or their respective counsel has reviewed and had an opportunity to revise the Transaction Documents and, therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party will not be employed in the interpretation of the Transaction Documents or any amendments hereto. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party. All currency references in any Transaction Document are to U.S. dollars.

O. Further Assurances. Each party will take all further actions and execute all further documents as may be reasonably necessary to implement the provisions and carry out the intent of this Agreement fully and effectively.

P. General Release. Company, on behalf of itself and on behalf of each of its predecessors, successors, parents, subsidiaries, shareholders, and affiliated and/or related companies, and each of its respective present and former officers, directors, shareholders, employees, representatives, business entities, executors, administrators, conservators, assignors and assignees (collectively, the "**Releasing Parties**") hereby knowingly and voluntarily fully and forever absolutely and irrevocably waive, release and discharge Investor and its predecessors, successors, parents, subsidiaries, and affiliated and/or related companies and entities, and each of their respective present and former officers, directors, shareholders, partners, members, employees, representatives, agents, attorneys, advisors, business entities, executors, administrators, conservators, assignors and assignees and all parties acting through, under or in concert with them, and each of them, in their individual and representative capacities (collectively, the "**Released Parties**") from any and all claims, charges, complaints, grievances, demands, liens, actions, suits, causes of action, obligations, controversies, debts, costs, indemnity, attorneys' fees, expenses, damages, judgments, orders, and liabilities of whatever kind and/or nature in law, equity or otherwise, whether now known or unknown, suspected or unsuspected, which have existed or may have existed, or which do exist or which hereafter can, shall or may exist as of the date this Agreement is executed, including without limitation any that are based upon, connected with, or otherwise arising out of or in any way relating to any Transaction Documents, the resale of Conversion Shares, any requirement that any of the Released Parties was or is required to register as a dealer under federal securities laws, and all matters related thereto (collectively, the "**Released Claims**"). The Releasing Parties, and each of them, expressly waive and relinquish, to the fullest extent permitted by law, the provisions, rights and benefits conferred by any law which would limit the scope of the release provided above. The Releasing Parties acknowledge that they or any of them may hereafter discover facts in addition to or different from those which they now know to be true with respect to the subject matters of the claims released herein, but hereby stipulate and agree that they have fully, finally, and forever settled and released any and all such claims, whether known or unknown, suspected or unsuspected, contingent or non-contingent, concealed or hidden, which now exist or heretofore existed upon any theory of law or equity now existing or coming into existence in the future, without regard to the discovery or existence of such different or additional facts.

Q. Execution. This Agreement may be executed in two or more counterparts, all of which when taken together will be considered one and the same agreement and will become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by portable document format, facsimile or electronic transmission, such signature will create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such signature page were an original thereof.

R. Entire Agreement. This Agreement, including the Exhibits hereto, which are hereby incorporated herein by reference, contains the entire agreement and understanding of the parties, and supersedes all prior and contemporaneous agreements, term sheets, letters, discussions, communications and understandings, both oral and written, which the parties acknowledge have been merged into this Agreement. No party, representative, advisor, attorney or agent has relied upon any collateral contract, agreement, assurance, promise, understanding, statement or representation not expressly set forth herein. The parties hereby absolutely, unconditionally and irrevocably waive all rights and remedies, at law and in equity, directly or indirectly arising out of or relating to, or which may arise as a result of, any Person's reliance on any such statement or assurance.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized signatories on the Effective Date.
