### Item 1.01. Entry into a Material Definitive Agreement.

As disclosed by Camber Energy, Inc. (the “Company”) in a Current Report Filed on Form 8-K filed with the Securities and Exchange Commission on December 27, 2021, the Company entered into a Loan Agreement on December 24, 2021 with the investor named therein (the “Investor”) pursuant to which the Investor agreed to loan the Company \$25,000,000 subject to, among other things, the Company having increased its authorized capital of common shares on or before December 31, 2021, which increase occurred on December 30, 2021.

On January 3, 2022 the Company received \$25,000,000 (the “Loan Proceeds”) from the Investor, and in connection therewith executed and delivered the following in favor of the Investor: (i) a promissory note dated on or about December 31, 2021 in the principal amount of \$26,315,789.47, representing a 5% original issue discount (the “Investor Note”), accruing interest at a rate equal to the Wall Street Journal Prime Rate, payable at maturity, and maturing January 1, 2027; (ii) a Security Agreement-Pledge (the “Pledge Agreement”) granting the Investor a first-priority security interest in Camber’s common shares of Viking Energy Group, Inc.; and (iii) a general security agreement (the “Security Agreement”) granting the Investor a first-priority security interest in Camber’s other assets. The Investor may convert amounts owing under the Investor Note into shares of common stock of Camber at a fixed price of \$1.50 per share, subject to beneficial ownership limitations. The obligations under the Investor Note are supported by a Guaranty from Viking Energy Group, Inc.

The Company also executed a Warrant Agreement in favor of the Investor entitling the Investor to purchase up to 50,000,000 shares of common stock of the Company at an exercise price of ten dollars (\$10.00) per share for the first 25,000,000 shares, and twenty dollars (\$20.00) per share for the remaining 25,000,000 shares (the “Warrant Agreement”). The Warrant Agreement has a term of five years, and there is no adjustment to the exercise price of the warrants as a result of the Company issuing securities at lower prices during the term pursuant to agreements which the Company was a party as of the date of the Warrant Agreement.

The majority of the Loan Proceeds of the loan were used to: (i) redeem shares of Series C Redeemable Convertible Preferred Stock of the Company not owned by the Investor or its affiliates; and (ii) pay in full the secured loan disclosed by the Company in a Current Report Filed on Form 8-K filed with the SEC on December 17, 2021 that was due on March 8, 2022. The balance of the Loan Proceeds are available to the Company for working capital purposes.

Upon the occurrence of any default hereunder (herein, an **"Event of Default"**), which will be deemed to occur in the event any of the following occur: (a) Maker has not paid any amount of principal or accrued interest within five (5) business days following the Maturity Date, (b) Maker admits in writing its inability to pay its debts as they become due, or makes a general assignment for the benefit of creditors; (c) Maker commences any case or other proceeding seeking reorganization, arrangement, adjustment, liquidation, dissolution or composition of its company structure or its debts under any law relating to bankruptcy, insolvency, reorganization or relief of debtors, or seeking appointment of a receiver, trustee, custodian or other similar official for it or for all or any part of its property, or shall take any action to authorize any of the foregoing; (d) any case or proceeding is commenced against Maker to have an order for relief entered against it as debtor or seeking reorganization, arrangement, adjustment, liquidation, dissolution or composition of its structure or its debts under any law relating to bankruptcy, insolvency, reorganization or relief of debtors, or seeking other similar official relief for it or any part of its property, and such case or proceeding (x) results in the entry of an order for relief against it which is not fully stayed within five (5) business days after the entry thereof or (y) is not dismissed within sixty (60) days of commencement; (e) default in the performance of any of the terms, covenants, or conditions contained in any other Promissory Note or Security Agreement delivered by Maker to Payee or any affiliate of Payee, including, without limitation, the \$6 Million Promissory Note dated December 11, 2020, the Security Agreement dated December 11, 2020, the \$12 Million Promissory Note dated December 22, 2020, the Security Agreement dated December 22, 2020 and the Security & Pledge Agreement dated December 22, 2020, the \$2.5 Million Promissory Note dated April 23, 2021, the Security Agreement dated April 23, 2021, the Stock Purchase Agreement dated July 9, 2021, the \$1,052,631.58 Promissory Note dated December 8, 2021, the Security Agreement dated December 8, 2021, and the Agreement dated December 24, 2021 (collectively, the **"Prior Agreements"**); (f) default in the performance of any of the terms, covenants, or conditions contained in any of the Security Instruments (as hereinafter defined) or Prior Agreements and such default continues for a period of more than ten (10) days following written notice from Payee other than as expressly otherwise provided in any of the Security Instruments, or in any instrument or instruments given contemporaneously herewith, heretofore or hereafter as security for or guaranteeing the payment of this Note, or (g) any future material breach or default under any other agreement with Payee or any affiliate of Payee, including any certificate of designations for any preferred shares then held by Payee, or any condition existing which authorizes the acceleration of the maturity hereof under any other agreement made by the Maker, then Payee shall have the right to exercise the default remedies specified herein. Any Event of Default under this Note will also constitute an Event of Default under each of the Prior Agreements.

The undersigned expressly agrees that if an Event of Default occurs under this Note or any of the Security Instruments, as defined below, or under the Prior Agreements, the Payee may, at Payee's option, without demand, notice or presentment of default, notice of acceleration, notice of intention to accelerate or otherwise, to Maker or to any other entity, declare the principal and any and all interest then accrued thereon, at once due and payable. Upon the occurrence of any Event of Default the Payee, or any other holder of this Note, shall also have the right to exercise any and all of the rights, remedies and recourses now or hereafter existing in equity, law, by virtue of statute or otherwise, including, but not limited to, the right to foreclose any and all liens and security interests securing the indebtedness evidenced hereby. Failure to exercise any option to accelerate described in this paragraph shall not constitute a waiver of the right to exercise the same in the event of any subsequent default.

In the event default is made in the prompt payment of this Note when due or declared due, and the same is placed in the hands of an attorney for collection, or suit is brought on same, or the same is collected through any judicial proceeding whatsoever, or if any action or foreclosure be had hereon, then the Maker agrees and promises to pay an additional amount as reasonable, calculated and foreseeable attorneys' and collection fees incurred by Payee in connection with enforcing Payee's rights herein contemplated, all of which amounts shall become part of the principal hereof.

PROMISSORY NOTE

The unpaid principal balance of this Note at any time shall be the total amounts loaned or advanced hereunder by Payee, less the amount of payments or prepayments of principal made hereon by or for the account of Maker. It is contemplated that by reason of prepayments hereon, there may be times when no indebtedness is owing hereunder; but, notwithstanding such occurrences, this Note shall remain valid and shall be in full force and effect as to loans or advances made pursuant to and under the terms of this Note subsequent to each such occurrence. In the event that the unpaid principal amount hereof at any time, for any reason, exceeds the maximum amount hereinabove specified, Maker covenants and agrees to pay the excess principal amount forthwith upon demand; such excess principal amounts shall in all respects be deemed to be included among the loans or advances made pursuant to the terms of any documents executed in connection with or as security for this Note and shall bear interest at the rates hereinabove stated.

All makers, endorsers, sureties and guarantors hereof, if any, as well as any person to become liable on this Note, hereby waive demand or presentment for payment of this Note, notice of nonpayment, protest, notice of protest, suit, notice of acceleration, or notice of intention to accelerate, diligence or any notice of or defense on account of the extension of time of payments or change in the method of payments, and consent to any and all renewals and extensions in the time of payment hereof, and to any substitution, exchange or release of any security herefor or the release of any party primarily or secondarily liable hereon.

It is expressly provided and stipulated that notwithstanding any provision of this Note or any other instrument evidencing or securing the indebtedness evidenced hereby, in no event shall the aggregate of all interest paid by the Maker to the Payee hereunder ever exceed the Maximum Nonusurious Rate of interest which may lawfully be charged Maker under the laws of the State of Texas or United States Federal Government, as applicable, on the principal balance of this Note remaining unpaid. It is expressly stipulated and agreed by the Maker that it is the intent of the Payee and the Maker in the execution and delivery of this Note to contract in furtherance of such laws, and that none of the terms of this Note, or said other instruments, shall ever be construed to create a contract to pay for the use, forbearance or detention of money, at any interest rate in excess of the Maximum Nonusurious Rate of interest permitted to be charged the Maker under the laws of the State of Texas or United States Federal Government, as applicable. The Maker or any guarantors, endorsers or other parties now or hereafter becoming liable for payment of the Note shall never be liable for interest in excess of the Maximum Nonusurious Rate of interest that may lawfully be charged under the laws of the State of Texas or United States Federal Government, as applicable, and the provisions of this paragraph and the immediately succeeding paragraph shall govern over all other provisions of this Note, and all other instruments evidencing or securing the indebtedness evidenced hereby, should any such provisions be in apparent conflict herewith.

Specifically and without limiting the generality of the foregoing paragraph, it is expressly provided that:

PROMISSORY NOTE

(i) In the event of prepayment of the principal of this Note, in whole or in part, which shall be permitted hereunder, or the payment of the principal of this Note prior to the stated maturity date hereof, whether resulting from acceleration of the maturity of this Note or otherwise, if the aggregate amounts of interest accruing hereon prior to such payment plus the amount of any interest accruing after maturity and plus any other amount paid or accrued in connection with the indebtedness evidenced hereby which by law are deemed interest on the indebtedness evidenced by the Note and which aggregate amounts paid or accrued (if calculated in accordance with the provisions of this Note other than this paragraph) would exceed the Maximum Nonusurious Rate of interest which could lawfully be charged as above mentioned on the unpaid principal balance of the indebtedness evidenced by this Note from time to time advanced (less any discount) and remaining unpaid from the date advanced to the date of final payment thereof, then in such event the amount of such excess shall be credited, as of the date paid, toward the payment of the principal of this Note so as to reduce the amount of the final payment of principal due on this Note.

(ii) If, under any circumstances, the aggregate amount paid on the indebtedness evidenced by this Note prior to and incident to the final payment hereof include amounts which by law are deemed interest and which would exceed the Maximum Nonusurious Rate of interest which could lawfully have been charged or collected on this Note, as above mentioned, Maker stipulates that (a) any non-principal payment shall be characterized as an expense, fee, or premium rather than as interest and any excess shall be credited hereon by the holder hereof (or, if this Note shall have been paid in full, refunded to the Maker); and (b) determination of the rate of interest for determining whether the indebtedness evidenced hereby is usurious shall be made by amortizing, prorating, allocating, and spreading, in equal parts during the full stated term hereof, all interest at any time contracted for, charged, or received from the Maker in connection herewith, and any excess shall be canceled, credited, or refunded as set forth in (a) herein. Time shall be of the essence in performing all actions.

This Note has been executed and delivered and shall be construed in accordance with and governed by the laws of the State of Texas and of the United States of America.

The "Maximum Nonusurious Rate of Interest" which may be charged as herein contemplated shall be the indicated rate ceiling from time to time in effect pursuant to the applicable provisions of the Texas Finance Code, as amended, provided that Payee may also rely on any alternative Maximum Nonusurious Rate of interest provided by other applicable laws if such alternative rate is higher than that allowed by said Code, as amended.

The Maker of this Note agrees that this Note shall be freely assignable to any assignee of Payee, subject to compliance with applicable securities laws.

PROMISSORY NOTE

The Maker shall have the privilege to prepay at any time, and from time to time, all or any part of the principal amount of this Note, without notice, penalty or fee, provided that all accrued and unpaid interest through the date of the prepayment is also paid, such prepayments to be applied first to accrued and unpaid interest on the principal amount and the balance, if any, to the reduction of principal. Maker's right to prepay this Note shall not be deemed as a right to receive a release of any of the liens or security interests covering the collateral securing payment of this Note.

The Maker represents and warrants that the extension of credit represented by this Note is for business, commercial, investment or other similar purposes, and not primarily for personal, family, household or agricultural use.

No failure to exercise and no delay on the part of Payee in exercising any power or right in connection herewith or under any of the Security Instruments or any other instrument evidencing, securing, or guaranteeing this Note shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. No course of dealing between Maker and Payee shall operate as a waiver of any right of Payee. No modification or waiver of any provision of this Note or any other instrument evidencing, securing, or guaranteeing this Note nor any consent to any departure therefrom shall in any event be effective unless the same shall be in writing and signed by the person against whom enforcement thereof is to be sought, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given.

Any check, draft, money order, or other instrument given in payment of all or any portion of this Note may be accepted by Payee and handled in collection in the customary manner, but the same shall not constitute payment hereunder or diminish any rights of Payee except to the extent that actual cash proceeds of such instruments are unconditionally received by Payee.

THIS NOTE, THE SECURITY INSTRUMENTS, AND ALL DOCUMENTS AND INSTRUMENTS EXECUTED IN CONNECTION HEREWITH OR THEREWITH, REPRESENT THE FINAL AGREEMENT BETWEEN THE MAKER AND PAYEE AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE MAKER AND THE PAYEE.

THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE MAKER AND PAYEE.

All renewals, extensions, modifications and rearrangements of the Note, if any shall be subject to the terms and provisions hereof. Maker shall be deemed to have ratified as of the date of each such renewal, extension, modification and rearrangement, all of the representations, covenants and agreements set forth herein.

The Maturity Date may be extended by written agreement of the Parties. However, any such extensions shall be subject to Lender's written approval with a signed amendment to this Note.

It is agreed that time is of the essence of this Note, and the Maker expressly agrees that upon an occurrence of an Event of Default in the payment of any principal or interest when due, the Payee may, without demand, notice of presentment of default, notice of acceleration, notice of intention to accelerate or otherwise, to Maker, all of which are hereby waived by Maker, declare the entirety of this Note immediately due and payable. Upon the occurrence of any default hereunder, the Payee shall also have the right to exercise any and all of the rights, remedies and recourses now or hereafter existing in equity, law, by virtue of statute or otherwise, including, but not limited to, the right to foreclose upon any and all liens and security interests, if any, securing the indebtedness evidenced hereby. Failure to exercise said option shall not constitute a waiver on the part of the Payee of the right to exercise the same at any other time.

Payment of the Note and performance of the obligations described herein shall be secured by a perfected security interest in the collateral as more fully set forth in that certain Security Agreement and Security & Pledge Agreement executed as of even date herewith (collectively, the "**Security Agreements**"). In addition, payment of this Note and performance of the obligations shall be secured by a Guaranty of even date herewith by Viking Energy Group, Inc. ("**Viking**"), (the "**Guaranty**"), together with the Security Agreements (the "**Security Instruments**").

This Note shall automatically accelerate, and all amounts of unpaid principal and interest shall become due immediately in the event of a Change of Control (as hereinafter defined). In the event of a Change of Control, in addition to becoming due immediately, the undersigned persons signing on behalf of Maker shall ensure that any funds because of the Change of Control are given highest priority to satisfy the terms of this Note. "Change of Control" of the Maker shall mean any of the following events:

(i) any person or persons acting together (other than those persons in control of the Maker as of the date hereof, or an entity owned directly or indirectly by the members of the Maker in substantially the same proportions as their ownership of membership interests of the Maker) becomes the beneficial owner, directly or indirectly, of securities of the Maker representing more than fifty percent (50%) of the combined voting power of the Maker's then outstanding securities in any one transaction; or

(ii) the undersigned persons representing Maker approve (1) a plan of complete liquidation of the Maker and its subsidiaries (if any), (2) an agreement for the sale or disposition of all or substantially all Maker's assets other than to a person controlled by the Maker or by the members of Maker, or (C) a merger (other than a merger for purposes of redomiciling Maker), consolidation, or reorganization of Maker with or involving any other entity, other than a merger, consolidation, or reorganization that would result in the voting securities of Maker outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) at least fifty percent (50%) of the combined voting power of the securities of Maker (or such surviving entity) outstanding immediately after such merger, consolidation, or reorganization.

PROMISSORY NOTE

Page 6 of 9

---

Notwithstanding the above, none of the rights, privileges or obligations of the Agreement and Plan of Merger (as amended from time to time) between the Maker and Viking or the merger provided for therein (the "**Merger**"), including, but not limited to, any of the issuances of securities contemplated, or affected in connection therewith, or voting rights associated therewith, shall at any time trigger a Change of Control.

At any time and from time to time Payee may in its discretion, subject to previously-agreed limitations on beneficial ownership and applicable securities laws and regulations, convert all or any portion of the then outstanding balance of this Note into duly authorized, validly issued, fully paid and non-assessable shares of Common Stock of Maker at a price equal to \$1.50 per share. Notwithstanding the foregoing, this Note constitutes a debt instrument, and Payee is a lender and creditor of Maker, and Payee will be an equity security holder if and only to the extent that it actually converts the Note.

Maker has full power and authority to enter into, execute, and deliver this Note and to perform its obligations hereunder. No consent, approval, filing or registration with any governmental authority is required as a condition to the validity of the Note or the performance by Maker of its obligations thereunder.

The Note, when issued and delivered pursuant hereto for value received, will constitute, the valid and legally binding obligations of Maker, enforceable against Maker in accordance with its terms.

Any notice or other communication required or permitted hereunder shall be in writing and personally delivered, mailed by registered or certified mail (return receipt requested and postage prepaid), sent by personal delivery or sent by prepaid overnight courier service, and addressed to the relevant party at such address as such party may, by written notice, designate as its address for purposes of notice hereunder.

All rights and remedies available to Payee under this Note shall be cumulative of and in addition to all other rights and remedies granted to Payee at law or in equity.

Maker hereby agrees to pay all expenses incurred, including any reasonable attorneys' fees, all of which shall become a part of the principal hereof, if this Note is in default and placed in the hands of an attorney for collection, or if collected by suit or through any probate, bankruptcy, or any other legal proceedings.

Maker, together with each surety and endorser, waives demand, grace, notice, presentment for payment, and protest and agrees and consents that this Note and the liens securing its payment, if any, may be renewed, and the time of payment extended without notice, and without releasing any of the parties.

(b) Pledgor has not heretofore signed any financing statement, and no financing statement is now on file in any public office covering the Collateral. Pledgor authorizes Secured Party to file, in jurisdictions where this authorization will be given effect, a financing statement signed only by Secured Party covering the Collateral; and at the request of Secured Party, Pledgor will join Secured Party in executing one or more financing statements, pursuant to the Uniform Commercial Code, in form satisfactory to Secured Party.

(c) Pledgor will not sell, transfer or dispose of any portion of the Collateral unless Secured Party consents to such sale, transfer or disposition in writing, in advance and/or unless such transfer/disposition is required in connection with the merger of Pledgor and Viking Energy Group, Inc.

(d) Pledgor shall, at its own expense, do, make, procure, execute and deliver all acts, things, writings and assurances as Secured Party may at any time reasonably request to protect, assure or enforce its interests, rights and remedies created by, provided in, or emanating from, this Security Agreement.

Event of Default

3.01. As used in this Agreement, "Event of Default" shall have the meaning subscribed to such term in the Promissory Notes.

Secured Party's Rights and Remedies

3.02. Secured Party shall have all of the following rights regardless of the existence of any Event of Default.

(a) This Agreement, Secured Party's rights hereunder, or the indebtedness hereby secured may be assigned from time to time.

(b) Secured Party may execute, sign, endorse, transfer or deliver in the name of Pledgor any documents, necessary to evidence, perfect or realize upon the security interest and obligations created by this Agreement.

(c) Secured Party shall have no liability with respect to the Collateral, including, without limitation, any obligation for cash calls.

3.03. Upon an Event of Default, the Secured Party may foreclose the security interest in either of the following ways:

(a) Provided that the Secured Party gives notice to the Pledgor, and the Pledgor fails to object within twenty-one (21) days of receipt of such notice, the Secured Party may retain in satisfaction of Pledgor's obligation all of the Collateral.

(b) Secured Party may declare all Obligations secured hereby immediately due and payable and shall have the rights and remedies of a Secured Party under the Uniform Commercial Code of Texas, including without limitation thereto, the right to sell, at public or private sale or sales, or otherwise dispose of or utilize the collateral and any part or parts thereof in any manner authorized or permitted under the Uniform Commercial Code after default by a debtor, at such prices and on such terms as Secured Party may deem reasonable under the circumstances. Secured Party shall have the right to take possession of all or any part of the Collateral and of all books, records, papers and documents in Pledgor's possession or control relating to the Collateral which are not already in Secured Party's possession, and for such purpose may enter upon any premises upon which any of the Collateral or any security therefor or any of said books, records, papers and documents are situated and remove the same therefrom. Unless the Collateral threatens to decline in value or is of a type customarily sold on a recognized market Secured Party will send Pledgor reasonable notice of the time and place of any public sale thereof or of the time after which any private sale or other disposition thereof is to be made. The requirement of sending reasonable notice shall be met if such notice is mailed, postage prepaid, to Pledgor at the address designated on the first page of this Security Agreement (or at such other address as Pledgor shall have designated as its address for receipt of notices hereunder in a writing duly received by Secured Party) at least ten (10) days before the time of the sale or disposition. Expenses of retaking, holding, selling or the like shall include Secured Party's reasonable attorney's fees and legal expenses, and Pledgor agrees to pay such expenses, plus interest thereon at the maximum rate permitted by applicable law from the date such expenses are incurred until repaid. Pledgor shall remain liable for any deficiency.

(c) No delays or omission on the part of Secured Party in exercising any right hereunder shall operate as a waiver of any such right or any other right. A waiver on any one or more occasions shall not be construed as a bar or waiver of any right or remedy on any future occasion. The remedies of Secured Party hereunder are cumulative, and the right exercise of any one or more of the remedies provided for herein shall not be construed as an election or as a waiver of any of the other remedies of Secured Party provided for herein or existing by law or otherwise.

#### Additional Agreements

3.04.

(a) The execution and delivery of this Agreement in no manner shall impair or affect any other security (by endorsement or otherwise) for the payment of the Obligations and no security taken hereafter as security for payment of the Obligations shall impair in any manner or affect this Agreement, all such present and future additional security to be considered as cumulative security. Any of the Collateral may be released from this Agreement without altering, varying or diminishing in any way the force, effect, lien, security interest, or charge of this Agreement as to the Collateral not expressly released, and this Agreement shall continue as a first and prior lien, security interest and charge on all of the Collateral not expressly released, until all the Obligations secured hereby have been paid in full. Any future assignment or attempted assignment of the interest of Pledgor in and to any of the Collateral shall not deprive Secured Party of the right to see or otherwise dispose of or utilize all of the Collateral as above provided or necessitate the sale or disposition thereof in parcels or in severalty.

(b) This Agreement shall not be construed as relieving Pledgor from full personal liability on the Obligations secured hereby and for any deficiency thereon.

Additionally, no single or partial exercise of any right, power, or privilege shall preclude any other or further exercise of that or any other right, power, or privilege.

Severability

6.02. Should any one or more of the provisions of this Agreement be determined to be illegal or unenforceable, all other provisions of this agreement shall be valid, binding, and effective as if the illegal or unenforceable provisions had never been included in this Agreement.

The Company shall maintain insurance covering the Collateral with financially sound and reputable insurers satisfactory to the Secured Party against such risks as are customarily insured by a business in the same or a similar industry and similarly situated for an amount not less than the full replacement value of such Collateral. All such insurance policies covering property on and after the date such property becomes subject to the Security Interest shall be written so as to be payable in the event of loss to the Secured Party, and shall provide for at least thirty (30) days prior written notice to the Secured Party prior to the cancellation or modification of each such policy. At the request of the Secured Party, all insurance policies covering property subject to the Security Interest shall be furnished to and held by the Secured Party. If, while any Secured Liabilities are outstanding, any proceeds with respect to any casualty loss are paid to the Secured Party under such policies on account of such casualty loss, and no default has occurred and is continuing, the Secured Party will pay over such proceeds in whole or in part to the Company, for the purpose of repairing or replacing the Collateral destroyed or damaged, with any such repaired or replaced Collateral to be secured by this Security Agreement. If an Event of Default has occurred and is continuing, the Secured Party may apply the proceeds as Secured Party deems fit, subject to applicable law and may cancel, assign or surrender any such insurance policies.

9. Fixtures. It is the intention of the Parties hereto that none of the equipment or other property securing the Secured Liabilities hereunder shall become fixtures.

10. Default. Any one or more of the following events shall constitute an event of default (an "Event of Default"):

(a) any representation or warranty made or deemed made by the Company in this Security Agreement shall prove to have been materially incorrect, false, incomplete or misleading; or

(b) the occurrence of an "Event of Default" as defined in the Promissory Note.

11. Remedies.

(a) Upon the occurrence of an Event of Default and at any time or times during the continuance thereof, unless such Event of Default shall have been cured within the applicable time period, if any, or waived in writing by the Secured Party, and subject to the provisions of applicable law, the Secured Party may exercise any one or more of the following remedies:

(i) The Secured Party shall have full power and authority to sell or otherwise dispose of the Collateral or any part thereof. Any such sale or other disposition, subject to the provisions of applicable law, may be by public or private proceedings and may be made by one or more contracts, as a unit or in parcels, at such time and place, by such method, in such manner and on such terms as the Secured Party may determine. Except as required by law, such sale or other disposition and such notice will be deemed to have been sufficiently given if such notice is hand-delivered or mailed postage prepaid, at least ten (10) days before the time of such sale or other disposition, to the Company at its address as specified in the Security Agreement. To the extent permitted by law, the Secured Party may buy any or all of the Collateral upon any sale thereof. To the extent permitted by law, upon any such sale or sales, the Collateral so purchased shall be held by the purchaser absolutely free from any claims or rights of whatsoever kind or nature, including any claim of redemption and any similar rights being hereby expressly waived and released by the Company. In connection with any such sale, the Secured Party shall be permitted to limit its warranties to the maximum extent provided in the UCC. After deducting all reasonable costs and expenses of collection, custody, sale or other disposition or delivery (including legal costs and reasonable attorneys' fees) and all other charges due against the Collateral, the residue of the proceeds of any such sale or other disposition shall be applied to the payment of the Secured Liabilities, except as otherwise provided by law or directed by any court of competent jurisdiction, and any surplus after the payment in full of the Secured Liabilities shall be returned to the Company, except as otherwise provided by law or any such court. The Company shall be liable for any deficiency in payment of the Secured Liabilities, including all reasonable costs and expenses of collection, custody, sale or other disposition or delivery and all other charges due against the Collateral, as herein enumerated.

(ii) The Secured Party may notify an account Company of the Company to make payment to the Secured Party whether the Company or the Secured Party were previously making collections on any of the accounts receivable; and the Secured Party may also take control of any proceeds from any Collateral.

(iii) At any time whether or not an Event of Default has occurred, with or without notice, the Secured Party is authorized to offset and charge against any other credits and obligations ever owed by the Secured Party to the Company, any amount for which the Company may become obligated to the Secured Party at any time, whether under the Promissory Note or otherwise. The obligations secured by the Security Interest granted and by the Secured Party's right of offset includes all obligations of any kind or type now or hereafter arising, owed by the Company to the Secured Party, whether liquidated or unliquidated, direct or indirect, contingent or not.

(iv) The Secured Party may commence proceedings in any court of competent jurisdiction for the appointment of a receiver (which term shall include a receiver-manager) of the Collateral or of any part thereof or may by instrument in writing appoint any person to be a receiver of the Collateral or any part thereof and may remove any receiver so appointed by the Secured Party and appoint another in his stead; and any such receiver appointed by instrument in writing shall have power (a) to take possession of the Collateral or any part thereof, (b) to carry on the business of the Company, (c) to borrow money on the security of the Collateral in priority to this Security Agreement to the extent required for the maintenance, preservation or protection of the Collateral or any part thereof or for the carrying on of the business of the Company, and (d) to sell lease or otherwise dispose of the whole or any part of the Collateral at public auction, by public tender or by private sale, either for cash or upon credit, at such time and upon such terms and conditions as the receiver may determine; provided that any such receiver shall be deemed the agent of the Company and the Secured Party shall not be in any way responsible for any misconduct or negligence of any such receiver.

(v) The Secured Party shall have all other rights and remedies of a secured party provided under the UCC.

(vi) The Secured Party shall have all other rights and remedies allowed at law and/or in equity.

(b) It is provided, however, that in the Secured Party's efforts in collection on the Collateral, the Company shall be liable and responsible for any deficiency.

12. Limitation on Duty of the Secured Party in Respect of Collateral The powers conferred on the Secured Party under this Security Agreement are solely to protect the Secured Party's interests in the Collateral and shall not impose any duty upon the Secured Party to exercise any such powers. Except for reasonable care in the custody of any Collateral in the Secured Party's possession and the accounting for moneys actually received by the Secured Party under this Security Agreement, the Secured Party shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. The Secured Party shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in the Secured Party's possession if the Collateral is accorded treatment substantially equal to that which the Secured Party accords its own property, it being understood that the Secured Party shall not be liable or responsible for any loss or damage to any of the Collateral, or for any diminution in the value thereof, by reason of the act or omission of any warehouseman, carrier, forwarding agency, consignee or other bailee selected by the Secured Party in good faith. Except as otherwise expressly provided in this Section 12, the Company has the risk of loss of the Collateral. Further, the Secured Party has no duty to collect any income accruing on the Collateral or to preserve any rights relating to the Collateral. The Secured Party shall have no obligation to clean up or otherwise prepare the Collateral for sale.

13. Concerning Secured Party. In furtherance and not in derogation of the rights, privileges and immunities of the Secured Party:

(a) The Secured Party is authorized to take all such action as is provided to be taken by the Secured Party under this Security Agreement and all other action reasonably incidental thereto. As to any matters not expressly provided for in this Security Agreement (including the timing and methods of realization upon the Collateral), the Secured Party shall act or refrain from acting in the Secured Party's sole reasonable discretion.

(b) The Secured Party shall not be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Security Interests in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on the Secured Party's part under this Security Agreement. The Secured Party shall have no duty to ascertain or inquire as to the performance or observance of any of the terms of this Security Agreement by the Company.

14. Payment of Taxes, Charges, Etc. The Secured Party, at its option, after notice to the Company, may discharge any taxes, charges, assessments, security interest, liens or other encumbrances upon the Collateral or otherwise protect the value thereof. All such expenditures incurred by the Secured Party shall become payable by the Company to the Secured Party upon demand, shall bear interest at the highest legal rate from the date incurred to the date of payment, and shall be secured by the Collateral.

15. Waivers. To the extent permitted by law, the Company hereby waives demand for payment, notice of dishonor or protest and all other notices of any kind in connection with the Secured Liabilities except notices required hereby, by law or by any other agreement between the Company and the Secured Party, including, but not limited to the Promissory Note, if any. The Secured Party may release, supersede, exchange or modify any Collateral or security which it may from time to time hold and may release, surrender or modify the liability of any third party without giving notice hereunder to the Company. Such modifications, changes, renewals, releases or other actions shall in no way affect the Company's obligations hereunder.

16. Transfer Expenses, Etc. The Company will pay, indemnify and hold the Secured Party harmless from and against all reasonable costs and expenses (including taxes, if any) arising out of or incurred in connection with any transfer of Collateral into or out of the name of the Secured Party and all reasonable costs and expenses, including reasonable legal fees, of the Secured Party arising out of or incurred in connection with this Security Agreement.

17. Termination. This Security Interest shall terminate following the full payment, satisfaction, or discharge of all Secured Liabilities. Upon such termination, the Secured Party will deliver to the Company appropriate UCC termination statements with respect to Collateral so released from the Security Interest for filing with each filing officer with which UCC financing statements have been filed by the Secured Party to perfect the Security Interest in such Collateral.

18. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Company and the Secured Party and their respective successors and assigns.

19. Severability of Provisions. Any provision of any provision of this Security Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this Security Agreement or affecting the validity or enforceability of this Security Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

20. Submission to Jurisdiction. (a) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS SECURITY AGREEMENT AND THE PROMISSORY NOTE MAY BE BROUGHT IN THE COURTS OF THE STATE OF TEXAS OR OF THE UNITED STATES LOCATED IN HARRIS COUNTY, TEXAS AND, BY EXECUTION AND DELIVERY OF THIS SECURITY AGREEMENT, THE COMPANY HEREBY IRREVOCABLY ACCEPTS FOR ITSELF AND IN RESPECT OF THE COMPANY'S PROPERTY, UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS WITH RESPECT TO ANY SUCH ACTION OR PROCEEDING. THE COMPANY FURTHER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE COMPANY PURSUANT TO SECTION 22, SUCH SERVICE TO BECOME EFFECTIVE THIRTY (30) DAYS AFTER SUCH MAILING. NOTHING IN THIS SECURITY AGREEMENT SHALL AFFECT THE RIGHT OF THE SECURED PARTY TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST THE COMPANY IN ANY OTHER JURISDICTION.

(b) THE COMPANY HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH THE COMPANY MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS SECURITY AGREEMENT BROUGHT IN THE COURTS REFERRED TO IN CLAUSE (a) OF THIS SECTION 20 AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

21. Waiver of Jury Trial. THE COMPANY HEREBY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS SECURITY AGREEMENT OR UNDER ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION WITH THIS SECURITY AGREEMENT OR ARISING FROM OR RELATING TO ANY RELATIONSHIP EXISTING IN CONNECTION WITH THIS SECURITY AGREEMENT, AND AGREES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.

22. Notice. Any notice or communication required or permitted hereunder shall be deemed to be delivered, whether actually received or not, three (3) business days after being sent via courier service (such as Federal Express), and addressed to the intended recipient at the address set forth in the introductory paragraph of this Security Agreement. Any address for notice may be changed by written notice delivered as provided herein.

23. Governing Law. THIS SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF TEXAS, EXCEPT AS REQUIRED BY MANDATORY PROVISIONS OF LAW AND EXCEPT TO THE EXTENT THAT THE VALIDITY OR PERFECTION OF THE SECURITY INTERESTS, OR REMEDIES UNDER THIS SECURITY AGREEMENT, IN RESPECT OF ANY PARTICULAR COLLATERAL ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF TEXAS.

24. Prevailing Party. If any legal action or other proceeding is brought for the enforcement of this Agreement executed in connection with, or because of an alleged dispute, breach, default or misrepresentation in connection with any of the provisions of this Agreement or any document, instrument or agreement executed in connection herewith, the successful prevailing party shall be entitled to recover reasonable attorney's fees, court costs and all other costs and expenses incurred in that action or proceeding.

25. Drafting. Each of the Parties hereto acknowledges that each Party was actively involved in the negotiation and drafting of this Agreement and that no law or rule of construction shall be raised or used in which the provisions of this Agreement shall be construed in favor or against any Party hereto because one is deemed to be the author thereof.

26. No Waiver of Right of Remedies. No failure or delay by Secured Party in exercising any right, power, or privilege given by any provision of this Agreement shall operate as a waiver of the provision. Additionally, no single or partial exercise of any right, power, or privilege shall preclude any other or further exercise of that or any other right, power, or privilege.

27. COUNSEL. EACH PARTY ACKNOWLEDGES THAT THE PARTIES ARE EXECUTING A LEGAL DOCUMENT THAT CONTAINS CERTAIN DUTIES, OBLIGATIONS AND RESTRICTIONS AS SPECIFIED HEREIN. EACH PARTY FURTHERMORE ACKNOWLEDGES THAT EACH PARTY HAS BEEN ADVISED OF THEIR RIGHT TO RETAIN LEGAL COUNSEL, AND THAT EACH PARTY HAS EITHER BEEN REPRESENTED BY LEGAL COUNSEL PRIOR TO THEIR EXECUTION HEREOF OR HAS KNOWINGLY ELECTED NOT TO BE SO REPRESENTED.

IN WITNESS WHEREOF, the Parties hereto have executed this Security Agreement as of the date first written above.

THIS COMMON STOCK PURCHASE WARRANT (this "Warrant") certifies that, for value received, Discover Growth Fund, LLC or its assigns (the "Holder") is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, at any time on or after the Issuance Date and on or prior to the close of business on the 5-year anniversary of the Issuance Date (the "Termination Date") but not thereafter, to subscribe for and purchase from Camber Energy, Inc., a Nevada corporation (the "Company"), up to 50,000,000 Warrant Shares of Common Stock. h) “**Fundamental Transaction**” means (A) that the Company shall, directly or indirectly, including through subsidiaries, Affiliates or otherwise, in one or more related transactions, (i) consolidate or merge with or into (whether or not the Company is the surviving corporation) a third party and as a result thereof which the stockholders of the Company immediately prior to such transaction do not own at least 50% of the aggregate voting power represented by issued and outstanding shares of Common Stock of the Company or the Successor Entity (if other than the Company), or (ii) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of the Company to a third party, or (iii) a third party acquires or otherwise becomes the beneficial owner (as defined in Rule 13d-3 under the 1934 Act) of at least 50% of the aggregate voting power represented by issued and outstanding shares of Common Stock of the Company, or (iv) that the Company shall, directly or indirectly, including through subsidiaries, Affiliates or otherwise, in one or more related transactions, allow any third party to be or become the beneficial owner (as defined in Rule 13d-3 under the 1934 Act), directly or indirectly, whether through acquisition, purchase, assignment, conveyance, tender, tender offer, exchange, reduction in outstanding shares of Common Stock, merger, consolidation, business combination, reorganization, recapitalization, spin-off, scheme of arrangement, reorganization, recapitalization or reclassification or otherwise in any manner whatsoever, of at least 50% of the aggregate ordinary voting power represented by issued and outstanding shares of Common Stock.

k) “**VWAP**” means, for any security as of any date, the dollar volume-weighted average price for such security on the Principal Market (or, if the Principal Market is not the principal trading market for such security, then on the principal securities exchange or securities market on which such security is then traded) during the period beginning at 9:30:01 a.m., New York time, and ending at 4:00:00 p.m., New York time, as reported by Bloomberg through its “Volume at Price” function or, if the foregoing does not apply, the dollar volume-weighted average price of such security in the over-the-counter market on the electronic bulletin Board of Directors for such security during the period beginning at 9:30:01 a.m., New York time, and ending at 4:00:00 p.m., New York time, as reported by Bloomberg, or, if no dollar volume-weighted average price is reported for such security by Bloomberg for such hours, the average of the highest closing bid price and the lowest closing ask price of any of the market makers for such security as reported by the Principal Market. If the VWAP cannot be calculated for such security on such date on any of the foregoing bases, the VWAP of such security on such date shall be the fair market value as mutually determined by the Company and the Holder. If the Company and the Holder are unable to agree upon the fair market value of such security, then such dispute shall be resolved in accordance with the procedures in Section 5(p). All such determinations shall be appropriately adjusted for any stock dividend, stock split, stock combination, recapitalization or other similar transaction during such period.

Section 2. Exercise.

a) Exercise of Warrant. Exercise of the purchase rights represented by this Warrant may be made, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company (or such other office or agency of the Company as it may designate by notice in writing to the registered Holder at the address of the Holder appearing on the books of the Company) of a duly executed facsimile copy (or e-mail attachment) of a notice of exercise in the form annexed hereto as Exhibit A (a "Notice of Exercise") and within three (3) Trading Days of the date said Notice of Exercise is delivered to the Company, the Company shall have received payment of the aggregate Exercise Price of the shares thereby purchased by wire transfer or cashier's check drawn on a United States bank or, if available, pursuant to the cashless exercise procedure specified in Section 2(c) below. No ink-original Notice of Exercise shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise form be required. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within three (3) Trading Days of the date the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. The Company shall deliver any objection to any Notice of Exercise within one (1) Trading Day of receipt of such notice. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.**

b) Exercise Price. The exercise price per share of the Common Stock under this Warrant shall be equal to \$10.00 per share with respect to 25,000,000 shares of Common Stock, and \$20.00 per share with respect to 25,000,000 shares of Common Stock, subject to adjustment hereunder (each an "Exercise Price").

c) Cashless Exercise. If, at any time after the six (6) month anniversary of the Closing Date, there is no effective Registration Statement registering the resale of the Warrant Shares by the Holder, this Warrant may also be exercised, in whole or in part, at such time by means of a "cashless exercise" in which the Holder shall be entitled to receive a number of Warrant Shares equal to the quotient obtained by dividing [(A-B) (X)] by (A), where:

(A) = the VWAP on the Trading Day immediately preceding the date on which Holder elects to exercise this Warrant by means of a “cashless exercise,” as set forth in the applicable Notice of Exercise;

(B) = the Exercise Price of this Warrant, as adjusted hereunder; and

(X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

If Warrant Shares are issued in such a cashless exercise, the parties acknowledge and agree that in accordance with Section 3(a)(9) of the Securities Act, the Warrant Shares shall take on the registered characteristics of the Warrant being exercised, and the holding period of the Warrants being exercised may be tacked on to the holding period of the Warrant Shares. The Company agrees not to take any position contrary to this Section 2(c).

Notwithstanding anything herein to the contrary, on the Termination Date, this Warrant shall be automatically exercised via cashless exercise pursuant to this Section 2(c) (except, that to the extent such exercise would violate Section 2(e) below, the aggregate number of Warrant Shares issuable upon exercise in full of this Warrant via a cashless exercise shall be automatically exchanged into a right to receive such aggregate number of Warrant Shares, subject to a restriction on exercise in the form of Section 2(e) below).

d) Mechanics of Exercise.

i. Delivery of Warrant Shares Upon Exercise. Within the later of (x) one (1) Trading Day of receiving a Notice of Exercise if a cashless exercise or (y) one (1) Trading Day of receipt of payment if exercised for cash, the Company shall have provided instructions to the Transfer Agent for the issuance of the Warrant Shares. Warrant Shares purchased hereunder shall be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder’s prime broker or its designee’s balance account with the DTC through its Deposit or Withdrawal at Custodian system (“DWAC”) if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by the Holder or (B) the Warrant Shares are eligible for resale by the Holder pursuant to Rule 144, and otherwise by physical delivery of a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is two (2) Trading Days after the later of (A) the delivery to the Company of the Notice of Exercise and (B) payment of the aggregate Exercise Price as set forth above (unless by cashless exercise, if permitted) (such date, the “Warrant Share Delivery Date”). The Warrant Shares shall be deemed to have been issued, and Holder or any other person so designated to be named therein shall be deemed to have become a holder of record of such shares for all purposes, as of the date the Warrant has been exercised, with payment to the Company of the Exercise Price (or by cashless exercise, if permitted) and all taxes required to be paid by the Holder, if any, pursuant to Section 2(d)(vi) prior to the issuance of such shares, having been paid. If the Company fails for any reason to deliver to the Holder the Warrant Shares subject to a Notice of Exercise by the Warrant Share Delivery Date, the Company shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of Warrant Shares subject to such exercise (based on the VWAP of the Common Stock on the date of the applicable Notice of Exercise), \$10 per Trading Day (increasing to \$20 per Trading Day on the fifth Trading Day after such liquidated damages begin to accrue) for each Trading Day after such Warrant Share Delivery Date until such Warrant Shares are delivered or Holder rescinds such exercise.

ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

iii. Rescission Rights. If the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares pursuant to Section 2(d)(i) by the Warrant Share Delivery Date, then the Holder will have the right to rescind such exercise.

iv. Compensation for Buy-In on Failure to Timely Deliver Warrant Shares Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares in accordance with the provisions of Section 2(d)(i) above pursuant to an exercise on or before the Warrant Share Delivery Date (a "Delivery Failure"), and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Warrant Shares which the Holder anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay in cash to the Holder the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the amount obtained by multiplying (1) the number of Warrant Shares that the Company was required to deliver to the Holder in connection with the exercise at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Warrant and equivalent number of Warrant Shares for which such exercise was not honored (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of shares of Common Stock that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

v. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

vi. Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form, attached hereto as Exhibit B, duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Warrant Shares.

vii. Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

viii. Disputes. In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the number of Warrant Shares to be issued pursuant to the terms hereof, the Company shall promptly issue to the Holder the number of Warrant Shares that are not disputed and resolve such dispute in accordance with Section 5(p).

e) Holder's Exercise Limitations. The Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's affiliates), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and its affiliates shall include the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Warrant beneficially owned by the Holder or any of its affiliates and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Common Stock Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its affiliates. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the 1934 Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the 1934 Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any affiliates) and of which portion of this Warrant is exercisable shall be in the sole discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any affiliates) and of which portion of this Warrant is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the 1934 Act and the rules and regulations promulgated thereunder. For purposes of this Section 2(e), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Company's most recent periodic or annual report filed with the SEC, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Company shall within two (2) Trading Days confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder or its affiliates since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall be 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon exercise of this Warrant. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.

### Section 3. Certain Adjustments.

a) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant or any dividends issued by the Company in connection with the Preferred Shares), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, or (iii) issues by reclassification of shares of the Common Stock any shares of capital stock of the Company, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately increased such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision or re-classification.

b) Subsequent Equity Sales. If and whenever on or after the Closing Date, the Company issues or sells, or in accordance with this Section 3 is deemed to have issued or sold, any shares of Common Stock (including the issuance or sale of shares of Common Stock owned or held by or for the account of the Company, but excluding any Excluded Securities issued or sold or deemed to have been issued or sold) for a consideration per share (the “Base Share Price”) less than a price equal to the Exercise Price in effect immediately prior to such issuance or sale or deemed issuance or sale (such Exercise Price then in effect is referred to herein as the “Applicable Price”) (the foregoing a “Dilutive Issuance”), then immediately after such Dilutive Issuance, the Exercise Price then in effect shall be reduced to an amount equal to the Base Share Price. For all purposes of the foregoing (including, without limitation, determining the adjusted Exercise Price and the Base Share Price under this Section 3(b)), the following shall be applicable:

i. Issuance of Options. If the Company in any manner grants or sells any Options and the lowest price per share for which one share of Common Stock is at any time issuable upon the exercise of any such Option or upon conversion, exercise or exchange of any Convertible Securities issuable upon exercise of any such Option or otherwise pursuant to the terms thereof is less than the Applicable Price, then such share of Common Stock shall be deemed to be outstanding and to have been issued and sold by the Company at the time of the granting or sale of such Option for such price per share. For purposes of this Section 3(b)(i), the “lowest price per share for which one share of Common Stock is issuable upon the exercise of any such Options or upon conversion, exercise or exchange of any Convertible Securities issuable upon exercise of any such Option or otherwise pursuant to the terms thereof” shall be equal to (1) the lower of (x) the sum of the lowest amounts of consideration (if any) received or receivable by the Company with respect to any one share of Common Stock upon the granting or sale of such Option, upon exercise of such Option and upon conversion, exercise or exchange of any Convertible Security issuable upon exercise of such Option or otherwise pursuant to the terms thereof and (y) the lowest exercise price set forth in such Option for which one share of Common Stock is issuable upon the exercise of any such Options or upon conversion, exercise or exchange of any Convertible Securities issuable upon exercise of any such Option or otherwise pursuant to the terms thereof minus (2) the sum of all amounts paid or payable to the holder of such Option (or any other Person) upon the granting or sale of such Option, upon exercise of such Option and upon conversion, exercise or exchange of any Convertible Security issuable upon exercise of such Option or otherwise pursuant to the terms thereof plus the value of any other consideration received or receivable by, or benefit conferred on, the holder of such Option (or any other Person). Except as contemplated below, no further adjustment of the Exercise Price shall be made upon the actual issuance of such shares of Common Stock or of such Convertible Securities upon the exercise of such Options or otherwise pursuant to the terms of or upon the actual issuance of such shares of Common Stock upon conversion, exercise or exchange of such Convertible Securities.

ii. Issuance of Convertible Securities. If the Company in any manner issues or sells any Convertible Securities and the lowest price per share for which one share of Common Stock is at any time issuable upon the conversion, exercise or exchange thereof or otherwise pursuant to the terms thereof is less than the Applicable Price, then such share of Common Stock shall be deemed to be outstanding and to have been issued and sold by the Company at the time of the issuance or sale of such Convertible Securities for such price per share. For the purposes of this Section 3(b) (ii), the “lowest price per share for which one share of Common Stock is issuable upon the conversion, exercise or exchange thereof or otherwise pursuant to the terms thereof” shall be equal to (1) the lower of (x) the sum of the lowest amounts of consideration (if any) received or receivable by the Company with respect to one share of Common Stock upon the issuance or sale of the Convertible Security and upon conversion, exercise or exchange of such Convertible Security or otherwise pursuant to the terms thereof and (y) the lowest conversion price set forth in such Convertible Security for which one share of Common Stock is issuable upon conversion, exercise or exchange thereof or otherwise pursuant to the terms thereof minus (2) the sum of all amounts paid or payable to the holder of such Convertible Security (or any other Person) upon the issuance or sale of such Convertible Security plus the value of any other consideration received or receivable by, or benefit conferred on, the holder of such Convertible Security (or any other Person). Except as contemplated below, no further adjustment of the Exercise Price shall be made upon the actual issuance of such shares of Common Stock upon conversion, exercise or exchange of such Convertible Securities or otherwise pursuant to the terms thereof, and if any such issuance or sale of such Convertible Securities is made upon exercise of any Options for which adjustment of this Warrant has been or is to be made pursuant to other provisions of this Section 3(b), except as contemplated below, no further adjustment of the Exercise Price shall be made by reason of such issuance or sale.

iii. Change in Option Price or Rate of Conversion. If the purchase or exercise price provided for in any Options, the additional consideration, if any, payable upon the issue, conversion, exercise or exchange of any Convertible Securities, or the rate at which any Convertible Securities are convertible into or exercisable or exchangeable for shares of Common Stock increases or decreases at any time (other than proportional changes in conversion or exercise prices, as applicable, in connection with an event referred to in Section 3(a)), the Exercise Price in effect at the time of such increase or decrease shall be adjusted to the Exercise Price which would have been in effect at such time had such Options or Convertible Securities provided for such increased or decreased purchase price, additional consideration or increased or decreased conversion rate, as the case may be, at the time initially granted, issued or sold. For purposes of this Section 3(b)(iii), if the terms of any Option or Convertible Security that was outstanding as of the Closing Date are increased or decreased in the manner described in the immediately preceding sentence, then such Option or Convertible Security and the shares of Common Stock deemed issuable upon exercise, conversion or exchange thereof shall be deemed to have been issued as of the date of such increase or decrease. No adjustment pursuant to this Section 3(b) shall be made if such adjustment would result in an increase of the Exercise Price then in effect.

iv. Calculation of Consideration Received. If any Option is issued in connection with the issuance or sale of any other securities of the Company together comprising one integrated transaction in which no specific consideration is allocated to such Option by the parties thereto, the Options will be deemed to have been issued for a consideration of the Black Scholes Value of such security and the other securities issued or sold in such integrated transaction shall be deemed to have been issued or sold for the difference of (I) the aggregate consideration received by the Company less any consideration paid or payable by the Company pursuant to the terms of such other securities of the Company, less (II) the Black Scholes Value of such security. If any shares of Common Stock, Options or Convertible Securities are issued or sold or deemed to have been issued or sold for cash, the consideration received therefor will be deemed to be the net amount of consideration received by the Company therefor. If any shares of Common Stock, Options or Convertible Securities are issued or sold for a consideration other than cash, the amount of such consideration received by the Company will be the fair value of such consideration, except where such consideration consists of publicly traded securities, in which case the amount of consideration received by the Company for such securities will be the arithmetic average of the VWAPs of such security for each of the five (5) Trading Days immediately preceding the date of receipt. If any shares of Common Stock, Options or Convertible Securities are issued to the owners of the non-surviving entity in connection with any merger in which the Company is the surviving entity, the amount of consideration therefor will be deemed to be the fair value of such portion of the net assets and business of the non-surviving entity as is attributable to such shares of Common Stock, Options or Convertible Securities. The fair value of any consideration other than cash or publicly traded securities will be determined jointly by the Company and the Holder. If such parties are unable to reach agreement within ten (10) days after the occurrence of an event requiring valuation (the "Valuation Event"), the fair value of such consideration will be determined within five (5) Trading Days after the tenth (10th) day following such Valuation Event by an independent, reputable appraiser jointly selected by the Company and the Holder. The determination of such appraiser shall be final and binding upon all parties absent manifest error. The fees and expenses of such appraiser shall be borne by the Company.

v. Record Date. If the Company takes a record of the holders of shares of Common Stock for the purpose of entitling them (A) to receive a dividend or other distribution payable in shares of Common Stock, Options or in Convertible Securities or (B) to subscribe for or purchase shares of Common Stock, Options or Convertible Securities, then such record date will be deemed to be the date of the issuance or sale of the shares of Common Stock deemed to have been issued or sold upon the declaration of such dividend or the making of such other distribution or the date of the granting of such right of subscription or purchase (as the case may be).

vi. For avoidance of doubt, no adjustments shall be made under this Section 2(b) or Section 2(d) upon the issuance sale of (or deemed issuance or sale of) any Excluded Securities.

c) Other Events. In the event that the Company (or any Subsidiary) shall take any action to which the provisions hereof are not strictly applicable, or, if applicable, would not operate to protect the Holder from dilution or if any event occurs of the type contemplated by the provisions of this Section 3 but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features), then the Company's board of directors shall in good faith determine and implement an appropriate adjustment in the Exercise Price so as to protect the rights of the Holder, provided that no such adjustment pursuant to this Section 3(c) will increase the Exercise Price or decrease the number of Warrant Shares as otherwise determined pursuant to this Section 3, provided further that if the Holder does not accept such adjustments as appropriately protecting its interests hereunder against such dilution, then the Company's board of directors and the Holder shall agree, in good faith, upon an independent investment bank of nationally recognized standing to make such appropriate adjustments, whose determination shall be final and binding absent manifest error. The fees and expenses of such investment bank shall be borne by the Company.

d) Voluntary Adjustment By Company. The Company may at any time during the term of this Warrant, with the prior written consent of the Holder, reduce the then current Exercise Price to any amount and for any period of time deemed appropriate by the board of directors of the Company.

e) Notice: Variable Rate Transactions. The Company shall notify the Holder, in writing, no later than the Trading Day following the issuance or deemed issuance of any Common Stock or Common Stock Equivalents subject to Section 3(b), indicating therein the applicable issuance price, or applicable reset price, exchange price, conversion price and other pricing terms (such notice, the "Dilutive Issuance Notice"). For purposes of clarification, whether or not the Company provides a Dilutive Issuance Notice pursuant to Section 3(b), upon the occurrence of any Dilutive Issuance, the Holder is entitled to receive the Base Share Price regardless of whether the Holder accurately refers to the Base Share Price in the Notice of Exercise. If the Company enters into a variable rate transaction, despite the prohibition thereon in the Purchase Agreement, the Company shall be deemed to have issued Common Stock or Common Stock Equivalents at the lowest possible conversion or exercise price at which such securities may be converted or exercised.

f) Subsequent Rights Offerings. In addition to any adjustments pursuant to Section 3(a) above, if at any time the Company grants, issues or sells any Common Stock Equivalents or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the "Purchase Rights"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, to the extent that the Holder's right to participate in any such Purchase Right would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such shares of Common Stock as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

g) Pro Rata Distributions. During such time as this Warrant is outstanding, if the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a “Distribution”), at any time after the issuance of this Warrant, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, to the extent that the Holder's right to participate in any such Distribution would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Distribution to such extent (or in the beneficial ownership of any shares of Common Stock as a result of such Distribution to such extent) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

h) Fundamental Transaction. If, at any time while this Warrant is outstanding, the Company effects a Fundamental Transaction, then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder (without regard to any limitation in Section 2(e) on the exercise of this Warrant), the number of shares of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the “Alternate Consideration”) receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Warrant). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. Notwithstanding anything to the contrary, in the event of a Fundamental Transaction, at the request of the Holder delivered at any time commencing on the earliest to occur of (x) the public disclosure of any Fundamental Transaction, (y) the consummation of any Fundamental Transaction and (z) the Holder first becoming aware of any Fundamental Transaction through the date that is ninety (90) days after the public disclosure of the consummation of such Fundamental Transaction by the Company pursuant to a Current Report on Form 8-K filed with the SEC, the Company or the Successor Entity (as the case may be) shall purchase this Warrant from the Holder on the date of such request by paying to the Holder cash in an amount equal to the Black Scholes Value. The Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the “Successor Entity”) to assume in writing all of the obligations of the Company under this Warrant and the other Transaction Documents in accordance with the provisions of this Section 3(h) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the Holder, deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant which is exercisable for a corresponding number of shares of capital stock of such Successor Entity (or its parent entity) equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Warrant and the other Transaction Documents referring to the “Company” shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein.

i) Calculations. All calculations under this Section 3 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 3, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

j) Notice to Holder.

i. Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly mail to the Holder a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Warrant Shares and setting forth a brief statement of the facts requiring such adjustment.

ii. Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Company shall authorize the granting to all holders of the Common Stock rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property, (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, or (F) the Company enters into an agreement with respect to a Fundamental Transaction, then, in each case, the Company shall cause to be mailed to the Holder at its last address as it shall appear upon the Warrant Register of the Company, at least 20 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to mail such notice or any defect therein or in the mailing thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided hereunder constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the SEC pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to exercise this Warrant during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

k) No Adjustments for Issuances Pursuant to Existing Agreements. No adjustments shall be made to the Exercise Price or number of Warrants pursuant to this Section 3 as a result of issuances of common stock by the Company in connection with any agreements to which the Company is a party as of the date of the execution of this Warrant.

Section 4. Warrant Register.

a) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the Initial Exercise Date and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

b) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the "Warrant Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

c) Transfer Restrictions. This Warrant may not be offered for sale, sold, transferred or assigned by Holder

d) Representation by the Holder. The Holder, by the acceptance hereof, represents and warrants that it is acquiring this Warrant and, upon any exercise hereof, will acquire the Warrant Shares issuable upon such exercise, for its own account and not with a view to or for distributing or reselling such Warrant Shares or any part thereof in violation of the Securities Act or any applicable state securities law, except pursuant to sales registered or exempted under the Securities Act.

Section 5. Miscellaneous.

a) No Rights as Stockholder Until Exercise. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i), except as expressly set forth in Section 3.

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Trading Day, then, such action may be taken or such right may be exercised on the next succeeding Trading Day.

d) Authorized Shares.

i. From and after the Capital Event Increase Date, Company covenants that, during the remainder of the period this Warrant or any portion hereof is outstanding, it will reserve from its authorized and unissued Common Stock, solely for the purpose of the exercise of this Warrant, no less than the number of Warrant Shares then issuable upon the exercise of this Warrant (the “Required Reserve Amount”). The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the necessary Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Principal Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

ii. If, notwithstanding Section 5(d)(i) and not in limitation thereof, while this Warrant remain outstanding, the Company does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy its obligation to reserve the Required Reserve Amount (an “Authorized Share Failure”), then the Company shall immediately take all action necessary to increase the Company’s authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for all the Warrants then outstanding. Without limiting the generality of the foregoing sentence, as soon as practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than ninety (90) days after the occurrence of such Authorized Share Failure, the Company shall hold a meeting of its stockholders for the approval of an increase in the number of authorized shares of Common Stock. In connection with such meeting, the Company shall provide each stockholder with a proxy statement and shall use its reasonable best efforts to solicit its stockholders’ approval of such increase in authorized shares of Common Stock and to cause its board of directors to recommend to the stockholders that they approve such proposal. In the event that the Company is prohibited from issuing shares of Common Stock upon an exercise of this Warrant due to the failure by the Company to have sufficient shares of Common Stock available out of the authorized but unissued shares of Common Stock (such unavailable number of shares of Common Stock, the “Authorization Failure Shares”), in lieu of delivering such Authorization Failure Shares to the Holder, the Company shall pay cash in exchange for the cancellation of such portion of this Warrant exercisable into such Authorization Failure Shares at a price equal to the sum of (i) the product of (x) such number of Authorization Failure Shares and (y) the greatest Closing Sale Price (as defined in the Certificate of Designations) of the Common Stock on any Trading Day during the period commencing on the date the Holder delivers the applicable Notice of Exercise with respect to such Authorization Failure Shares to the Company and ending on the date of such issuance and payment under this Section 5(d); and (ii) to the extent the Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of Authorization Failure Shares, any brokerage commissions and other out-of-pocket expenses, if any, of the Holder incurred in connection therewith. In lieu of holding a meeting of stockholders, the Company may take such action by consent of its stockholders by the above date in compliance with the 1934 Act.

iii. Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant and (iii) use reasonable best efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

iv. Before taking any action which would result in an adjustment in the number of Warrant Shares for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

e) Jurisdiction. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be determined in accordance with the provisions of the Purchase Agreement.

f) Restrictions. The Holder acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

g) Nonwaiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies, notwithstanding the fact that all rights hereunder terminate on the Termination Date. If the Company willfully and knowingly fails to comply with any provision of this Warrant, which results in any material damages to the Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

h) Notices. Any notice, request or other document required or permitted to be given or delivered to the Holder by the Company shall be delivered in accordance with the notice provisions of the Purchase Agreement.

i) Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Warrant to purchase Warrant Shares, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the purchase price of any Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

j) Remedies. The remedies provided in this Warrant shall be cumulative and in addition to all other remedies available under this Warrant and the other Transaction Documents, at law or in equity (including a decree of specific performance and/or other injunctive relief or ensuring performance of any obligation herein or preventing a breach of any obligation herein), and nothing herein shall limit the right of the Holder to pursue actual and consequential damages for any failure by the Company to comply with the terms of this Warrant. The Company covenants to the Holder that there shall be no characterization concerning this instrument other than as expressly provided herein. Amounts set forth or provided for herein with respect to payments, exercises and the like (and the computation thereof) shall be the amounts to be received by the Holder and shall not, except as expressly provided herein, be subject to any other obligation of the Company (or the performance thereof). The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Holder and that the remedy at law for any such breach may be inadequate. The Company therefore agrees that, in the event of any such breach or threatened breach, the holder of this Warrant shall be entitled, in addition to all other available remedies, to specific performance and an injunction restraining any breach, without the necessity of showing economic loss and without any bond or other security being required. The Company shall provide all information and documentation to the Holder that is requested by the Holder to enable the Holder to confirm the Company's compliance with the terms and conditions of this Warrant. The issuance of shares and certificates for shares as contemplated hereby upon the exercise of this Warrant shall be made without charge to the Holder or such shares for any issuance tax or other costs in respect thereof, provided that the Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of any certificate in a name other than the Holder or its agent on its behalf. If (a) this Warrant is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding or the holder otherwise takes action to collect amounts due under this Warrant or to enforce the provisions of this Warrant or (b) there occurs any bankruptcy, reorganization, receivership of the Company or other proceedings affecting Company creditors' rights and involving a claim under this Warrant, then the Company shall pay the costs incurred by the Holder for such collection, enforcement or action or in connection with such bankruptcy, reorganization, receivership or other proceeding, including, without limitation, attorneys' fees and disbursements.

k) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of any Holder from time to time of this Warrant and shall be enforceable by the Holder or holder of Warrant Shares.

l) Amendment. This Warrant (other than Section 2(e)) may be modified or amended or the provisions hereof waived with the written consent of the Company and the Majority Holders. The Holder shall be entitled, at its option, to the benefit of any amendment, modification or waiver of (i) any other similar warrant issued under the Purchase Agreement or (ii) any other similar warrant. No consideration (other than reimbursement of legal fees) shall be offered or paid to any Person to amend or consent to a waiver or modification of any provision of any of the Transaction Documents unless the same consideration also is offered to all of the parties to the Transaction Documents. No waiver shall be effective unless it is in writing and signed by an authorized representative of the waiving party.

m) Severability. If any provision of this Warrant is prohibited by law or otherwise determined to be invalid or unenforceable by a court of competent jurisdiction, the provision that would otherwise be prohibited, invalid or unenforceable shall be deemed amended to apply to the broadest extent that it would be valid and enforceable, and the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions of this Warrant so long as this Warrant as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the prohibited nature, invalidity or unenforceability of the provision(s) in question does not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties. The parties will endeavor in good faith negotiations to replace the prohibited, invalid or unenforceable provision(s) with a valid provision(s), the effect of which comes as close as possible to that of the prohibited, invalid or unenforceable provision(s).

n) Headings. This Warrant shall be deemed to be jointly drafted by the Company and the Holder and shall not be construed against any Person as the drafter hereof. The headings of this Warrant are for convenience of reference and shall not form part of, or affect the interpretation of, this Warrant. Terms used in this Warrant but defined in the other Transaction Documents shall have the meanings ascribed to such terms on the Closing Date in such other Transaction Documents unless otherwise consented to in writing by the Holder.

o) DISPUTE RESOLUTION

i. Submission to Dispute Resolution

(A) In the case of a dispute relating to the Exercise Price, the Closing Sale Price, the Bid Price, Black Scholes Value or fair market value or the arithmetic calculation of the number of Warrant Shares (as the case may be) (including, without limitation, a dispute relating to the determination of any of the foregoing), the Company or the Holder (as the case may be) shall submit the dispute to the other party via facsimile (A) if by the Company, within two (2) Trading Days after the occurrence of the circumstances giving rise to such dispute or (B) if by the Holder, at any time after the Holder learned of the circumstances giving rise to such dispute. If the Holder and the Company are unable to promptly resolve such dispute relating to such Exercise Price, such Closing Sale Price, such Bid Price, Black Scholes Value or such fair market value or such arithmetic calculation of the number of Warrant Shares (as the case may be), at any time after the second (2<sup>nd</sup>) Trading Day following such initial notice by the Company or the Holder (as the case may be) of such dispute to the Company or the Holder (as the case may be), then the Holder may, at its sole option, select an independent, reputable investment bank to resolve such dispute.

(B) The Holder and the Company shall each deliver to such investment bank (A) a copy of the initial dispute submission so delivered in accordance with the first sentence of this Section 5(p) and (B) written documentation supporting its position with respect to such dispute, in each case, no later than 5:00 p.m. (New York time) by the fifth (5<sup>th</sup>) Trading Day immediately following the date on which the Holder selected such investment bank (the "Dispute Submission Deadline") (the documents referred to in the immediately preceding clauses (A) and (B) are collectively referred to herein as the "Required Dispute Documentation") (it being understood and agreed that if either the Holder or the Company fails to so deliver all of the Required Dispute Documentation by the Dispute Submission Deadline, then the party who fails to so submit all of the Required Dispute Documentation shall no longer be entitled to (and hereby waives its right to) deliver or submit any written documentation or other support to such investment bank with respect to such dispute and such investment bank shall resolve such dispute based solely on the Required Dispute Documentation that was delivered to such investment bank prior to the Dispute Submission Deadline). Unless otherwise agreed to in writing by both the Company and the Holder or otherwise requested by such investment bank, neither the Company nor the Holder shall be entitled to deliver or submit any written documentation or other support to such investment bank in connection with such dispute (other than the Required Dispute Documentation).

(C) The Company and the Holder shall cause such investment bank to determine the resolution of such dispute and notify the Company and the Holder of such resolution no later than ten (10) Trading Days immediately following the Dispute Submission Deadline. Such investment bank's resolution of such dispute shall be final and binding upon all parties absent manifest error. The fees and expenses of such investment bank shall be borne by the Company.

IN WITNESS WHEREOF, the Company has caused this Warrant to be executed by its officer thereunto duly authorized as of the Initial Exercise Date.
