### Item 3.02 Unregistered Sales of Equity Securities.

On May 15, 2019, Camber Energy, Inc. (the “Company”, “we” and “us”) entered into an Agreed Conversion Agreement (the “Conversion Agreement”) with Alan Dreeben, the then holder of all 44,000 shares of the Company’s then outstanding Series B Redeemable Convertible Preferred Stock (the “Series B Preferred Stock”). Pursuant to the Conversion Agreement, Mr. Dreeben agreed to convert all of the Series B Preferred Stock which he held into 503 shares of the Company’s common stock pursuant to the stated terms of such Series B Preferred Stock, in consideration for \$25,000 in cash. Mr. Dreeben also provided us a release in connection with certain of his rights under the Series B Preferred Stock (including any and all accrued and unpaid dividends) and the prior December 2015 Asset Purchase Agreement completed by the Company, of which Mr. Dreeben, who was formerly a member of our Board of Directors, was a seller.

As a result of the Conversion Agreement, and subsequent to the issuance of the common stock shares due to Mr. Dreeben in connection with the Series B Preferred Stock, which shares the Company plans to issue this week, the Company will have no shares of Series B Preferred Stock issued or outstanding, and an aggregate of \$1,100,000 of the liquidation preference of the Series B Preferred Stock will be terminated and released.

One of the reasons for entering into the Conversion Agreement was so that no shares of Series B Preferred Stock would be outstanding upon the closing of our previously announced planned acquisition of a midstream and downstream pipeline integrity services, specialty construction and field services company.

The foregoing description of the Conversion Agreement does not purport to be complete and is qualified in its entirety by reference to the Conversion Agreement, a copy of which is attached as [Exhibit 10.1](#) to this Current Report on Form 8-K and incorporated herein by reference.

We claim an exemption from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”) for the offer and sale of the securities under the Conversion Agreement pursuant to (a) Section 4(a)(2) of the Securities Act; and/or (b) Rule 506(b) of the Securities Act, and the regulations promulgated thereunder. With respect to the transaction described above, no general solicitation was made either by us or by any person acting on our behalf. The transaction was privately negotiated, and did not involve any kind of public solicitation. No underwriters or agents were involved in the foregoing and we paid no underwriting discounts or commissions.

### Item 8.01 Other Events.

On May 21, 2019, we filed a press release disclosing our entry into the Conversion Agreement. A copy of the press release is included herewith as [Exhibit 99.1](#) and the information in the press release is incorporated by reference into this [Item 8.01](#).

AGREED CONVERSION AGREEMENT

THIS AGREED CONVERSION AGREEMENT (this "**Agreement**") is made and entered into as of May 15, 2019 by and between Camber Energy, Inc., a Nevada corporation (the "**Company**") and Alan Dreeben, an individual ("**Holder**"), each a "**Party**" and collectively, the "**Parties**".

WHEREAS, the Holder owns 44,000 shares of the Series B Redeemable Convertible Preferred Stock ("**Series B Preferred Stock**") of the Company (the "**Series B Shares**");

WHEREAS, the rights of the Series B Preferred Stock are set forth in the Amended and Restated Certificate of Designation of the Company Establishing the Designations, Preferences, Limitations and Relative Rights of Its Series B Redeemable Convertible Preferred Stock, as filed with the Secretary of State of Nevada on August 25, 2016<sup>1</sup> (the "**Designation**");

WHEREAS, the Series B Shares are convertible, pursuant to the Designation, at the option of the Holder, into 50<sup>2</sup> shares of the common stock of the Company ("**Common Stock**");

WHEREAS, the Company desires to incentivize the Holder to convert the Series B Shares into shares of Common Stock of the Company; and

WHEREAS, the Holder desires to receive the consideration described below from the Company in consideration for the Holder converting the Series B Shares into Common Stock pursuant to the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual covenants, agreements, and considerations herein contained, and other consideration, which consideration the Parties hereby acknowledge and confirm the receipt and sufficiency thereof, the Parties hereto agree as follows:

1. **Consideration for Conversion and Release.** In consideration for the Conversion and Release (each defined below), the Company agrees to pay the Holder \$25,000 in cash (the "**Conversion Consideration**"). The Conversion Consideration shall be paid to the Holder promptly, but in no event later than three (3) business days after the delivery by the Holder to Cleartrust, LLC, the Company's transfer agent ("**Transfer Agent**"), of the Notice of Conversion (defined below).

<sup>2</sup> Each share of Series B Preferred Stock is convertible into that number of shares of Common Stock as equals the Original Issue Price divided by the Conversion Price (each as defined in the Designation). The Original Issue Price (as set forth in the Designation) is \$25. The Conversion Price is \$2,187.50 per share (the original \$3.50 Conversion Price set forth in the Designation as adjusted for the 1-for-25 reverse stock splits of the Company's Common Stock which were effective on (a) March 5, 2018; and (b) December 24, 2018).

**2. Agreed Conversion and Release.**

2.1. In consideration for the Conversion Compensation, the Holder agrees to deliver the Transfer Agent, contemporaneously with his entry into this Agreement, a completed and executed copy of the Notice of Conversion attached hereto as **Exhibit A** (the "**Notice of Conversion**"), and to further do and perform, or cause to be done and performed, all such further acts and things, and execute and deliver all such other agreements, certificates, instruments and documents, as the Company or the Transfer Agent may reasonably request in order to affect and complete the conversion of the Series B Shares held by the Holder into 503 shares of Common Stock of the Company (the "**Common Shares**" and the "**Conversion**").

2.2. Effective upon the Conversion, the Holder hereby releases, acquits, waives and forever discharges the Company, its former, current and future officers, directors, employees, agents, predecessors, successors, assigns, attorneys, and representatives (collectively the "**Company Parties**") from any and all claims, demands, cross-actions, cause or causes of action, at law or in equity, costs and expenses, including legal expenses, as well as any other kind or character of claim or action, in each case to the extent held by Holder on or before the date of the Conversion (the "**Conversion Date**"), whether known or unknown, arising, directly or indirectly, proximately or remotely, out of (a) the Series B Shares, the terms thereof, or the ownership thereof (including, but not limited to any dividends which may have accrued or be deemed to have accrued thereon), (b) the Designation and/or (c) the Asset Purchase Agreement by and between the Company, as purchaser, Segundo Resources, LLC, as seller representative to the various sellers named therein, and the sellers named therein dated December 30, 2015, as amended, modified and supplemented from time to time (the "**APA**") (collectively, (a) through (c), the "**Released Claims**"), to the fullest and maximum extent permitted by applicable law (the "**Release**"). This Release is intended to release all liability of any character claimed for damages, of any type or nature, for injunctive or other relief, for attorneys' fees, interest or any other liability whatsoever, whether statutory, contractual or tort in character, or of any other nature or character, now or henceforth in any way related to the Released Claims. Holder understands and agrees that this is a full, final and complete release of the Released Claims and agrees that this release may be pleaded as an absolute and final bar to any or all suit or suits pending or which may hereafter be filed or prosecuted by Holder, or anyone claiming, by, through or under Holder in respect of the Released Claims, and that no recovery on account of the Released Claims may hereafter be had from anyone whomsoever, and that the consideration given for this release is no admission of liability and that Holder, nor those claiming under Holder will ever claim that it is.

**3. Issuance of Common Shares.** The Company shall cause to be issued and delivered to Holder in book entry form, the Common Shares as soon as practicable after the Conversion Date.

4 . **Restricted Securities.** Holder hereby understands, acknowledges and agrees that the Common Shares being converted hereby shall constitute "**restricted securities**" within the meaning of the Securities Act of 1933, as amended (the "**Securities Act**"), and may only be disposed of in compliance with state and federal securities laws. The certificates/book entry notation representing such shares of Common Stock shall bear a legend to such effect.

5. **Representations of Holder.** The Holder represents and warrants to the Company that:

5.1. the Holder is the sole record and beneficial owner of the Series B Shares and has good and marketable title to the Series B Shares, free and clear of any liens, claims, charges, options, rights of tenants or other encumbrances. Holder has sole managerial and dispositive authority with respect to the Series B Shares and has not granted any person a proxy or option to buy the Series B Shares that has not expired or been validly withdrawn;

5.2. Holder will be acquiring the Common Shares for his own account, for investment purposes only and not with a view to, or for sale in connection with, a distribution, as that term is used in Section 2(11) of the Securities Act, in a manner which would require registration under the Securities Act or any state securities laws. Holder can bear the economic risk of investment in the Common Shares, has knowledge and experience in financial business matters, is capable of managing the risk of investment in the Common Shares and is an "**accredited investor**" as defined in Regulation D under the Securities Act. Holder recognizes that the Common Shares have not been registered under the Securities Act, nor under the securities laws of any state and, therefore, cannot be resold unless the resale of the Common Shares is registered under the Securities Act or unless an exemption from registration is available. Holder has carefully considered and has, to the extent it believes such discussion necessary, discussed with its professional, legal, tax and financial advisors, the suitability of an investment in the Common Shares for its particular tax and financial situation and its respective advisers, if such advisors were deemed necessary, have determined that the Common Shares are a suitable investment for it. Holder has not been offered the Common Shares by any form of general solicitation or advertising, including, but not limited to, advertisements, articles, notices or other communications published in any newspaper, magazine, or other similar media or television or radio broadcast or any seminar or meeting where, to Holder's knowledge, those individuals that have attended have been invited by any such or similar means of general solicitation or advertising. Holder has had an opportunity to ask questions of and receive satisfactory answers from the Company, or persons acting on behalf of the Company, concerning the terms and conditions of the Common Shares and the Company, and all such questions have been answered to the full satisfaction of Holder. Neither the Company, nor any other party, has supplied Holder any information regarding the Common Shares or an investment in the Common Shares other than as contained in this Agreement, and Holder is relying on its own investigation and evaluation of the Company and the Common Shares and not on any other information.

6. **Mutual Representations, Covenants and Warranties.** Each of the Parties, for themselves and for the benefit of each of the other Parties hereto, represents, covenants and warranties that:

6.1. Such Party has all requisite power and authority, corporate or otherwise, to execute and deliver this Agreement and to consummate the transactions contemplated hereby and thereby. This Agreement constitutes the legal, valid and binding obligation of such Party enforceable against such Party in accordance with its terms, except as such enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and general equitable principles;

6.2. The execution and delivery by such Party and the consummation of the transactions contemplated hereby and thereby do not and shall not, by the lapse of time, the giving of notice or otherwise: (i) constitute a violation of any law; or (ii) constitute a breach of any provision contained in, or a default under, any governmental approval, any writ, injunction, order, judgment or decree of any governmental authority or any contract to which such Party is bound or affected; and

6.3. Any individual executing this Agreement on behalf of an entity has authority to act on behalf of such entity and has been duly and properly authorized to sign this Agreement on behalf of such entity.

7. **Entire Agreement.** This Agreement constitutes the entire understanding between the parties hereto and supersedes all prior agreements regarding the subject matter hereof. No waiver, modification, termination, or addition to this Agreement shall be valid unless in writing and signed by all the Parties to this Agreement at the time of such waiver, modification, termination or addition.

8. **No Waiver.** No waiver by any Party of any breach or failure to comply with any provision of this Agreement shall be effective unless in writing and signed by the Party granting such waiver, nor shall any such waiver be construed as, or constitute, a continuing waiver of such provision or a waiver of any other breach of, or failure to comply with, any other provision of this Agreement.

9. **Further Assurances.** Holder and the Company agree that he/it will make, execute and deliver any and all such other instruments, instructions and documents and will do and perform any and all such further acts as shall become necessary, proper or convenient to carry out or effectuate the respective covenants, promises and undertakings set forth herein.

10. **Modifications.** No provisions of this Agreement or any other documents executed in connection herewith may be modified, waived or terminated, except by an instrument in writing executed by the Party against whom a modification, waiver or termination is sought to be enforced.

**11. Severability.** If any term or other provision of this Agreement or any exhibit hereto is invalid, illegal or incapable of being enforced by any rule of law, or public policy, all other conditions and provisions of this Agreement (or the applicable exhibit) shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties hereto shall negotiate in good faith to modify this Agreement (or the applicable exhibit) so as to affect the original intent of the Parties as closely as possible in an acceptable manner to the end that transactions contemplated hereby are fulfilled to the extent possible.

**12. Binding Effect.** This Agreement shall be binding upon, and inure to the benefit of the Holder, the Company and as applicable, and their respective permitted successors and/or assigns.

**13. Governing Laws.** THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF TEXAS WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAWS. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY SUBMITS TO THE JURISDICTION OF ANY TEXAS STATE OR FEDERAL COURT SITTING IN THE COUNTY OF TEXAS IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER DOCUMENT DELIVERED IN CONNECTION HERewith OR THEREWITH, AND HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MUST BE HEARD AND DETERMINED IN SUCH TEXAS STATE COURT, OR TO THE EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. EACH PARTY HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT IT MAY EFFECTIVELY DO SO, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING. TO THE EXTENT PERMITTED BY LAW, EACH PARTY ALSO IRREVOCABLY CONSENTS TO THE SERVICE OF ANY AND ALL PROCESS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES (CERTIFIED MAIL, RETURN RECEIPT REQUESTED AND POSTAGE PREPAID) OF SUCH PROCESS TO SUCH PARTY AT ITS ADDRESS SET FORTH BELOW. EACH PARTY AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

**14. No Presumption from Drafting.** This Agreement has been negotiated at arm's-length between persons knowledgeable in the matters set forth within this Agreement. Accordingly, given that all Parties have had the opportunity to draft, review and/or edit the language of this Agreement, no presumption for or against any Party arising out of drafting all or any part of this Agreement will be applied in any action relating to, connected with or involving this Agreement. In particular, any rule of law, legal decisions, or common law principles of similar effect that would require interpretation of any ambiguities in this Agreement against the Party that has drafted it, is of no application and is hereby expressly waived. The provisions of this Agreement shall be interpreted in a reasonable manner to affect the intentions of the Parties.

**1 5 . Review and Construction of Documents** The Company hereby acknowledges, and represents and warrants to the Holder, and the Holder hereby acknowledges and represents and warrants to the Company, that (a) such Party has consulted with legal counsel of its own choice and has reviewed this Agreement with its legal counsel, (b) such Party has reviewed this Agreement and fully understands the effects thereof and all terms and provisions contained herein, and (c) such Party has executed this Agreement of its own free will and volition. The recitals contained in this Agreement shall be construed to be part of the operative terms and provisions of this Agreement.

**1 6 . Counterparts** This Agreement and any signed agreement or instrument entered into in connection with this Agreement, and any amendments hereto or thereto, may be executed in one or more counterparts, all of which shall constitute one and the same instrument. Any such counterpart, to the extent delivered by means of a facsimile machine or by .pdf, .tif, .gif, .jpeg or similar attachment to electronic mail (any such delivery, an "**Electronic Delivery**") shall be treated in all manner and respects as an original executed counterpart and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any Party, each other Party shall re execute the original form of this Agreement and deliver such form to all other Parties. No Party shall raise the use of Electronic Delivery to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of Electronic Delivery as a defense to the formation of a contract, and each such Party forever waives any such defense, except to the extent such defense relates to lack of authenticity.

**Camber Energy Announces the Full Reduction of \$1.1 Million of Its Series B Preferred Stock Liquidation Preference**

**HOUSTON, TX / ACCESSWIRE / May 21, 2019 /** Camber Energy, Inc. (NYSE American: CEI) (the “Company” or “Camber”), based in Houston, Texas, which as previously announced is working to finalize definitive documents to complete the acquisition of Lineal Star Holdings’ subsidiaries (“Lineal”), [www.LinealStar.com](http://www.LinealStar.com), which provide midstream and downstream pipeline integrity services, specialty construction and field services, pursuant to the Company’s previously disclosed non-binding letter of intent, announced that it has entered into an Agreed Conversion Agreement (“Conversion Agreement”) with the holder of its Series B Redeemable Convertible Preferred Stock (“Series B Preferred Stock”).

Pursuant to the Conversion Agreement, the sole holder of the Company’s Series B Preferred Stock agreed to convert such shares of Series B Preferred Stock into 503 shares of the Company’s common stock, pursuant to the stated terms of such Series B Preferred Stock, in consideration for \$25,000 in cash.

As a result of the Conversion Agreement, and subsequent to the issuance of the common stock shares due thereunder, which shares the Company plans to issue this week, the Company will have no shares of Series B Preferred Stock issued or outstanding, and an aggregate of \$1,100,000 of the liquidation preference of the Series B Preferred Stock will be terminated and released.

One of the reasons for entering into the Conversion Agreement was so that no shares of Series B Preferred Stock would be outstanding upon the closing of the acquisition.

The closing of Camber’s Lineal transaction, which is an all-stock transaction, is subject to customary closing conditions, negotiation of final transaction documents and transaction terms, including structuring the transaction to be on a tax free basis, and other conditions, including, but not limited to the consent of the holder of our Series C Preferred Stock, executing an agreement with Camber’s Series C Preferred Stock holder amending the Series C Preferred Stock to alter the conversion rights thereof, and obtaining the requisite NYSE American approval, which conditions may not be satisfied in a timely manner, if at all. The transaction contemplates the issuance of a new series of convertible preferred stock which will be convertible into 67-70% of the fully diluted common stock of Camber after shareholder approval, as required under the applicable NYSE American rules and requirements. Upon receipt of shareholder approval, it is contemplated that the shareholders of Lineal will have voting control of the Company.

The transaction may not close timely, on the terms set forth in the previously executed Letter of Intent, or at all. The transaction is subject to the conditions above, and the parties contemplate entering into a definitive agreement in connection with the transaction in the next ten days, which agreement and definitive terms associated therewith will be included on a Form 8-K filed by the Company.
