Item 8.01 Other Events.

On July 2, 2020, Camber Energy, Inc. (the “Company” or “Camber”) published an update to its previously released press release dated July 1, 2020, in order to include disclosure of the fact that the audit opinion of the Company’s independent auditor, included in its Annual Report on Form 10-K for the year ended March 31, 2020, had included an explanatory paragraph related to Camber’s ability to continue as a going concern. Such updated disclosure was required by the rules of the NYSE American. A copy of the press release is included herewith as [Exhibit 99.1](#) and the information in the press release is incorporated by reference into this [Item 8.01](#).

As of July 1, 2020, the Company had 13,160,529 shares of common stock issued and outstanding (which does not include certain shares of common stock which are still due to the holder of the Company’s Series C Preferred Stock from prior conversions of Series C Preferred Stock, and which are currently held in abeyance, subject to issuance at the request of such holder, and such holder’s 9.99% ownership limitation). The increase in our outstanding shares of common stock from the date of the Company’s April 16, 2020 increase in authorized shares of common stock (from 5 million shares, to 25 million shares, pursuant to the approval of the stockholders of the Company at the annual meeting of stockholders held on the same day), is almost solely entirely due to conversions of shares of Series C Preferred Stock of the Company into common stock, and conversion premiums due thereon, which are payable in shares of common stock, pursuant to the designation of such Series C Preferred Stock. The conversions are in the sole discretion of the Series C Preferred Stockholder. The number of shares of common stock due to the Series C Preferred Stock holder is subject to increase and adjustment as the price of the Company’s common stock declines in value.

Camber Energy, Inc. updates prior press release relating to the filing of its Annual Report on Form 10-K and contribution of over \$4M to Viking Energy Group, moving both parties closer to finalizing planned merger

HOUSTON, TX – July 2, 2020 (GlobeNewswire) – Camber Energy, Inc. (NYSE American: CEI) (“Camber”) and **Viking Energy Group, Inc.** (OTCQB: VKIN) (“Viking”) are filing this press release to update the prior press release filed jointly by the parties on July 1, 2020, to include the required disclosure, under applicable NYSE American rules and regulations, of the fact that Camber’s Form 10-K (defined below) included a going concern of Camber’s independent auditing firm. Other than the addition of the information under “NYSE American Section 610(b) disclosure”, below, this press release is identical to the release filed jointly by Camber and Viking on July 1, 2020.

Camber and Viking are pleased to announce that the parties are completing additional steps necessary to closing their planned merger. On June 29, 2020, Camber filed with the Securities and Exchange Commission its Annual Report on Form 10-K for Camber’s March 31, 2020 fiscal year end (the “**Form 10-K**”). Camber’s Form 10-K highlighted net income of \$0.96 million related to its 25% ownership interest in Elysium Energy Holdings, LLC (“**Elysium**”), which the Company acquired from Viking on February 3, 2020.

Additionally, on June 26, 2020, Camber provided Viking financing of \$4.2 million to assist with extinguishing, certain obligations of Viking related primarily to advances made to assist with Viking’s, through its majority-owned subsidiary, Elysium Energy, LLC, acquisition of oil and gas assets on February 3, 2020, which if not satisfied prior to June 30, 2020 would have resulted in significantly increased costs. The advance by Camber will be forgiven upon closing of the planned merger involving the two companies (the “**Merger**”), as previously disclosed, if such merger transaction is completed.

Third Amendment to Merger Agreement / Financing Documents

In connection with such financing, on June 25, 2020, Viking and Camber entered into (collectively the “**Third Amendment & Financing Documents**”): (i) a Third Amendment to Agreement and Plan of Merger; (ii) a Securities Purchase Agreement; (iii) a Secured Promissory Note; (iv) two Security and Pledge Agreements; and (v) an Assignment Agreement.

Pursuant to the Third Amendment & Financing Documents, and in connection with the \$4.2M advance, the principal amount of the advances made by Camber to Viking increased to \$9.2M and Viking assigned to Camber an additional 5% interest in its subsidiary, Elysium thereby increasing Camber’s interest in Elysium to 30%. Upon closing of the Merger, the loans by Camber to Viking will be forgiven and the merged entity will own 100% of Elysium. If the Merger does not close, the loans must be repaid in accordance with the terms of the Merger Agreement, as amended. All or a portion of the Elysium interests assigned to Camber will be retained by Camber and/or returned to Viking under different circumstances relating to the termination of the Merger Agreement, as amended, and the repayment obligations associated with the Secured Promissory Note. Viking also agreed to pay an additional amount to Camber upon termination of the Merger Agreement sufficient, together with the amounts repaid under the loan, for Camber to redeem certain shares of Series C Preferred Stock sold by Camber and to pay other amounts to Camber as a break-up fee in the event the Merger is terminated under certain circumstances.

The funds advanced by Camber to Viking were obtained by Camber through the sale on June 22, 2020 of 630 shares of its Series C Redeemable Convertible Preferred Stock to an institutional investor, as previously disclosed.

Copies of the Third Amendment & Financing Documents were included in Camber’s Current Report on Form 8-K filed with the Securities and Exchange Commission on June 26, 2020, and are available under “Investors” – “SEC Filings” at www.camber.energy, and included in Viking’s Current Report on Form 8-K filed with the Securities and Exchange Commission on June 30, 2020, and are available under “Investors” – “SEC Filings” at www.vikingenergygroup.com.

Terms of Proposed Merger

As disclosed previously, the Merger contemplates Camber issuing newly-issued shares of common stock to the equity holders of Viking in exchange for 100% of the outstanding equity securities of Viking by means of a reverse triangular merger in which a newly formed wholly-owned subsidiary of Camber will merge with and into Viking, with Viking continuing as the surviving corporation and as a wholly-owned subsidiary of Camber after the Merger. If the closing of the Merger occurs (the “**Closing**”), the Viking equity holders prior to the Merger will own approximately 80% of Camber’s issued and outstanding common stock immediately after the Merger, and the Camber equity holders prior to the Merger shall own approximately 20% of Camber’s issued and outstanding common stock immediately after the Merger, subject to adjustment mechanisms set out in the Merger Agreement, as amended, and in each case on a fully-diluted, as-converted basis as of immediately prior to the Closing (including options, warrants and other rights to acquire equity securities of Viking or Camber), but without taking into account any shares of common stock issuable to the holder of Camber’s Series C Preferred Stock upon conversion of the Series C Preferred Stock. Completion of the Merger is subject to a number of closing conditions and required consents, as set out in the Merger Agreement, and there is no assurance that such Merger will close on a timely basis, if at all.

The parties are also pleased to announce the completion of these key steps toward completing the Merger as discussed below.

Details regarding the planned Merger, along with copies of the definitive Agreement and Plan of Merger, the First Amendment to the Agreement and Plan of Merger, the Second Amendment to the Agreement and Plan of Merger, and the Third Amendment to Agreement and Plan of Merger, signed by the parties on February 3, 2020, May 27, 2020, June 15, 2020 and June 25, 2020, respectively, were included in Viking's and Camber's Current Reports on Form 8-K filed with the Securities and Exchange Commission on February 5, 2020, June 1, 2020, June 16, 2020, June 26, 2020 (Camber only) and June 30, 2020 (Viking only), respectively, and are available under "Investors" – "SEC filings" at www.vikingenergygroup.com and www.camber.energy.

James Doris, President & CEO of Viking, stated, "With Camber's Annual Report filing we move one step closer to completing the Merger, and with Camber's additional \$4.2 million advance we were able to satisfy important obligations to position the company for the planned Merger."

Louis G. Schott, Interim CEO of Camber, stated, "We and Viking continue to make progress towards the closing of the planned Merger and we are planning to file an amended joint proxy/prospectus (Form S-4) by mid-July 2020, which should position us to close the planned Merger by late summer."

NYSE American Section 610(b) disclosure

Camber's audited financial statements for the year ended March 31, 2020, which were filed as part of the Form 10-K, contained an audit opinion from Camber's independent registered public accounting firm that includes an explanatory paragraph related to Camber's ability to continue as a going concern. See further discussion in footnote 2 to Camber's consolidated financial statements included in the Form 10-K. This announcement is made pursuant to NYSE American LLC Company Guide Section 610(b), which requires public announcement of the receipt of an audit opinion containing a going concern paragraph. This announcement does not represent any change or amendment to Camber's audited consolidated financial statements for the year ended March 31, 2020. Since March 31, 2020, the date of the financial statements included in the Form 10-K, Camber has transferred \$5 million of temporary equity to equity, increasing Camber's total stockholders' equity and has raised \$6 million in additional funding, through the sale of Series C Preferred Stock, of which \$1.8 million remains after the \$4.2 million loan to Viking as discussed above; all of which Camber believes reduces the risk that it would be unable to continue as a going concern moving forward.
